BACKGROUND:

Summary

The State Legislature enacted the Mello-Roos Act of 1982 to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD). Pardee Homes, is the Developer of Tract 36536 and requested that the County of Riverside Economic Development Agency (EDA) assist them in forming a district for the County of Riverside (County) to cover the costs associated with the maintenance of public improvements within the proposed district and has submitted an application and formation deposit. Subject to voter approval, a special tax shall be levied on each individual parcel located within the boundary of the proposed CFD to fund the costs associated with services for street lights maintenance including energy charges, operation, maintenance, and administrative costs of streetlights, landscape maintenance, including streetscape which may include, but is not limited to, all landscaping materials such as, ground cover, shrub, trees, plants, irrigation, trash removal, weed control, water costs, and other abatements, electricity, repair/replacement and inspection.

Each new CFD is created for a specific residential development or developments when facilities are requested to be maintained by the County. A special tax is levied according to a Rate and Method of Apportionment (RMA) developed to the specific features within that District, and a tax levy is annually placed on the tax roll for each Assessor Parcel Number (APN) noted in the Proposed Boundary Map. The property owner (Pardee Homes) of Tract Map No. 36536 has petitioned the County to include their property into proposed Community Facilities District No. 17-3M (Tierra Del Rey). The boundaries of CFD No. 17-3M (Tierra Del Rey) will encompass the entire Tract Map No. 36536 which includes 84 single family dwelling units.

On May 23, 2017 the County of Riverside Board of Supervisors approved Resolution 2017-094, a resolution of intention as the initial step for forming the CFD and declares the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by Pardee Homes. The Resolution also requires the Board of Supervisors hold a public hearing and submit the formation of the proposed CFD

STATE OF CALIFORNIA**

No. 17-3M (Tierra Del Rey) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

Approval of proposed Resolution No. 2017-138 a resolution of the Board of Supervisors of the County of Riverside will authorize the County of Riverside to Levy a Special tax within the district boundary to pay for services requested in the proposed CFD No. 17-3M (Tierra Del Rey) upon voter approval. The resolution also calls for a special election to be held on July 11, 2017, and designating the election official for the proposed election. Only the landowners within the boundary of proposed CFD No. 17-3M (Tierra Del Rey) will have the right to vote on the proposed special tax. Results will be tallied and if approved, a confirmation motion will be brought back to the Board of Supervisors for approval.

Reference

The CFD Rate and Method of Apportionment (RMA) is consistent with the Mello-Roos Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy taxes on this proposed CFD after complying with the requirements of the Mello-Roos Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The formation of the proposed CFD adheres to Board Policy B-12 entitled "Land Secured Financing Districts" which was revised on January 27, 2015 to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD).

Impact on Residents and Businesses

Only the parcels with Assessor Parcel Numbers (APN) within the boundaries of proposed CFD which are represented by the Recorded Boundary Map are impacted by the special tax. By setting up this mechanism for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources. By specifically collecting and using the special tax revenue within the boundary of the CFD, there is a financial mechanism in place to insure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding the maintenance of Developer installed and County required infrastructure, particularly landscaping and streetlights. The Developer shall and is obligated to provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for fiscal year 2017-18, as reflected in the Rate and Method of Apportionment, will result in a tax of \$1,561 per a taxable parcel. The annual tax may be adjusted by the minimum of 2% or a maximum of 6% or the cumulative percentage increase in

6 **Section 4.** The Community Facilities District is hereby named "Community
7 Facilities District No. 17-3M (Tierra Del Rey) of the County of Riverside."

8 **Section 5.** The services to be provided and funded by the Community Facilities
9 District are described under the caption "Services" on Exhibit A hereto, which is by this
10 reference incorporated herein. The incidental expenses proposed to be incurred are
11 identified under the caption "Incidental Expenses" on Exhibit A hereto.

12 **Section 6.** The proposed special tax to be levied within the Community Facilities

16 **Section 7.** Except where funds are otherwise available, a special tax sufficient to

20 (the "Rate and Method"), in sufficient detail to allow each landowner within the proposed

23 herein. The special tax will be collected in the same manner as ordinary *ad valorem*
24 property taxes or in such other manner as the Board of Supervisors shall determine,
25 including direct billing of the affected property owners.

26 The special tax will be levied annually, until terminated by the Board of
27 Supervisors, as specified in the Rate and Method.

28

1 **Section 8.** The name, address and telephone number of the office which will be

9 levy of the special tax shall attach to all nonexempt real property in the Community
10 Facilities District and this lien shall continue in force and effect until collection of the tax
11 by the Board of Supervisors ceases.

12 **Section 10.** The boundary map of the Community Facilities District was recorded
13 on June 1, 2017, in Riverside County in Book 80 at Page 86 of the Book of Maps of
14 Assessment and Community Facilities Districts in the Riverside County Recorder's
15 Office, as Instrument No. 2017-0218631. The Board of Supervisors hereby approves
16 and ratifies said map and the boundaries of the Community Facilities District which are
17 incorporated herein and made a part hereof.

18 **Section 11.** The annual appropriations limit, as defined by subdivision (h) of
19 Section 8 of Article XIII B of the California Constitution, of the Community Facilities

22 a proposition to establish the appropriations limit specified above shall be subject to the
23 approval of the qualified electors of the Community Facilities District at a special

26 Community Facilities District. Accordingly, pursuant to Section 53326 of the
27 Government Code, the vote concerning the special tax and appropriations limit shall be
28 by the landowners of the Community Facilities District; and each landowner who is the

1 owner of record as of the close of the public hearing, or the authorized representative
2 thereof, shall have one vote for each acre or portion of an acre that he or she owns

4 hand-delivered ballot. The Board of Supervisors also finds that the requirements of
5 Section 53326 of the Act pertaining to the shortening of time and the requirement for
6 notice have been waived by all of the landowners within the Community Facilities
7 District.

8 **Section 13.** The Board of Supervisors hereby calls and schedules a special
9 election for July 11, 2017, at 9:00 a.m. within and for the Community Facilities District on

11 Facilities District for the provision of authorized services to the Community Facilities
12 District and (ii) the proposition with respect to establishing an appropriations limit for the
13 Community Facilities District.

14 The propositions to be submitted to the voters of the Community Facilities District
15 at such special election shall be as follows:

23 to pay expenses incidental thereto and incidental to the levy and collection
24 of the special taxes, so long as the special taxes are needed to fund such
25 services, at the special tax rates and pursuant to the method of
26 apportioning the special taxes set forth in Exhibit B to Resolution No. 2017-
27 094 adopted by the Board of Supervisors of said County on May 23, 2017?
28

5
6 **Section 14.** Based on its findings that fewer than 12 registered voters reside
7 within the boundaries of the Community Facilities District and that the election will be
8 among landowner voters, the Board of Supervisors hereby appoints the Managing
9 Director of the Riverside County Economic Development Agency or his designee, or

12 voter, to vote all votes to which the landowner-voter is entitled based on its land
13 ownership on the propositions set forth in the official ballot as marked thereon in the
14 voting square opposite each such proposition, and further certifying as to the acreage of
15 the landowner-voter's land ownership within the Community Facilities District.

16 (d) The return identification envelope to be mailed or delivered by the Election
17 Official to each landowner-voter shall have printed or typed thereon the following: (i) the

22 address of the voter, (vi) the date of signing and place of execution of the declaration,
23 and (vii) a notice that the envelope contains an official ballot and is to be opened only by
24 the Election Official.

25 (e) The information to voter form to be mailed or delivered by the Election

3 Election; provided that the election shall be closed before such hour if the Election
4 Official determines that all of the qualified voters have voted.

5 (f) Upon receipt of the return identification envelopes which are returned prior
6 to the voting deadline on the date of the Special Election, the Election Official shall
7 canvass the votes cast in the Special Election, and shall file a statement with the Board
8 of Supervisors as to the results of such canvass and the election on each proposition set
9 forth in the official ballot.

10 (g) The Legislative Body shall declare the results of said special election as
11 soon as practicable following the election, but in any event not later than the next regular
12 meeting following the date of the election, and shall cause to be input upon its minutes a
13 statement of the results of said special election as ascertained by the canvass.

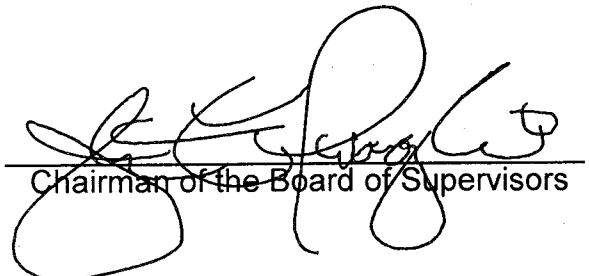

14 **Section 16.** If two-thirds (2/3) of the votes cast within the Community Facilities
15 District upon the question of levying the special tax are in favor of the levy of that tax, as
16 determined by the Board of Supervisors after the canvass of the returns of such election,
17 the Legislative Body may levy such special taxes within the territory of the Community
18 Facilities District in the amounts and for the purposes as specified in this Resolution, the
19 Special Tax Ordinance (to be adopted), and the Rate and Method of Apportionment,
20 except that such special tax may be levied at a rate lower than the amount specified
21 therein.

22 **Section 17.** The Board of Supervisors hereby determines and finds that all
23 proceedings up to and including the adoption of this Resolution were valid and in
24 conformity with the requirements of the Act. In accordance with Section 53325.1 of the
25 California Government Code, such finding shall be final and conclusive.

26 **Section 18.** The Board of Supervisors finds and determines that the
27 establishment of the Community Facilities District is not a project for purposes of the

8 with the appellant if the Administrator deems necessary, and advise the appellant of its
9 determination. If the Administrator agrees with the appellant, the Administrator shall grant a
10 credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of
11 previously paid Special Taxes shall be made.

12

TABLE 1
Maximum Special Tax Rates for Developed
Property for Fiscal Year 2017-2018

Land Use Class	Description	Taxable Unit	Maximum Special Tax Per Taxable Unit
1	Single Family Property	D/U	\$1,561
2	Multi-family Residential Property	Acre	\$11,304
3	Non-Residential Property	Acre	\$11,304

(a) Increase in the Maximum Special Tax

On each July 1, following the Base Year, the Maximum Special Tax, identified in Table 1, above, shall be increased annually, commencing July 1, 2018, based on the percentage increase in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) of the Maximum Special Tax in effect in the previous Fiscal Year.

(b) Multiple Land Use Classes

In some instances a Parcel of Developed Property may contain more than one Land Use Class. The Maximum Special Tax that may be levied on such Parcel shall be the sum of the Maximum Special Tax that can be levied for each Land Use Class located on that Parcel. For a Parcel that contains more than one Land Use Class, the Acreage of such Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Parcel. The Administrator's allocation to each Land Use Class shall be final.

2. Approved Property

The Maximum Special Tax for each Parcel of Approved Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel; provided, however, for a Parcel of Approved Property that is expected to become Single Family Property as reasonably determined by the Administrator based on the Final Map for such Parcel, the Maximum Special Tax for such Parcel of Approved Property shall be calculated pursuant to Section C.1. as if such Parcel were already designated as Developed Property and classified as Single Family Property.

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Public Property and/or Property Owners Association Property shall be \$0.00 per Acre. **There shall be no levy on Public Property and/or Property Owners Association Property.**

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable to any other Parcel above the

amount that would have been levied in that Fiscal Year had there never been any such delinquency or default.

E. EXEMPTIONS

The CFD shall not levy Special Taxes on Public Property or Property Owners Association Property within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

H. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually in perpetuity unless terminated earlier by the County.

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF RIVERSIDE, ON AN INTENTION TO ESTABLISH COMMUNITY FACILITIES DISTRICT NO. 17-3M (TIERRA DEL REY) OF THE COUNTY OF RIVERSIDE AND TO LEVY SPECIAL TAXES WITHIN THE DISTRICT

NOTICE IS HERBY GIVEN that the Board of Supervisors of the County of Riverside (the "Board of Supervisors") has adopted its Resolution No. 2017-094 on May 23, 2017, declaring its intention to form Community Facilities District No. 17-3M (Tierra Del Rey) of the County of Riverside (the "District") pursuant to the Mello-Roos Community Facilities Act of 1982, as amended and to levy special taxes within the District. The District is proposed to have the boundaries depicted on the map on file with the Clerk of the Board of Supervisors and recorded with the County Recorder on June 1, 2017 as Instrument No. 2017-0218631 in the Book 80 of Maps of Assessment and Community Facilities Districts at Page 86.

The Board of Supervisors has fixed **July 11, 2017, at 9:00 a.m.**, or as soon thereafter as the Board of Supervisors may reach the matter, at the Board of Supervisors Chambers, 4080 Lemon Street, 1st Floor, Riverside, California, as the time and place when and where the Board of Supervisors will conduct a public hearing on the establishment of the Community Facilities District and the levy of the special tax therein.

At the hearing the testimony of all interested persons or taxpayers for or against the establishment of the district, the extent of the district, or the furnishing of specified types of public facilities or services will be heard. If 50 percent or more of the registered voters, or six registered voters, whichever is more, residing within the territory proposed to be included in the district, or the owners of one-half or more of the area of the land in the territory proposed to be included in the district and not exempt from the special tax, file written protests against the establishment of the district, and protests are not withdrawn so as to reduce the value of the protests to less than a majority, no further proceedings to create the specified community facilities district or to authorize the specified special tax shall be taken for a period of one year from the date of the decision of the legislative body.

If the majority protests of the registered voters or of the landowners are only against the furnishing of a specified type or types of facilities or services within the district, or against levying a specified special tax, those types of facilities or services or the specified special tax shall be eliminated from the resolution of formation.

Subject to two-thirds voter approval, the District proposes to levy a special tax on all non-exempt parcels of real property at a maximum tax rate of \$1,581 per taxable unit per year for residential property (other than multi-family residential property) and \$11,304 per acre for multi-family residential property and non-residential property. This amount will be increased based upon the percentage change in the Consumer Price Index, with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent of the maximum special tax in effect in the previous year. Reference may be made to the Rate and Method of Apportionment on file with Clerk of the Board for further details.

The Maximum Special Tax that may be levied and escalated, as explained further in Section C.1. (a) below, in each Fiscal Year for each Parcel classified as Developed Property shall be determined by reference to Table 1, below.

**TABLE 1
Maximum Special Tax Rates for Developed
Property for Fiscal Year 2017-2018**

Land Use Class	Description	Taxable Unit	Maximum Special Tax Per Taxable Unit
1	Single Family Property	D/U	\$1,561
2	Multi-family Residential Property	Acre	\$11,304
3	Non-Residential Property	Acre	\$11,304

(a) Increase in the Maximum Special Tax

On each July 1, following the Base Year, the Maximum Special Tax, identified in Table 1, above, shall be increased annually, commencing July 1, 2018, based on the percentage increase in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) of the Maximum Special Tax in effect in the previous Fiscal Year.

(b) Multiple Land Use Classes

In some instances a Parcel of Developed Property may contain more than one Land Use Class. The Maximum Special Tax that may be levied on such Parcel shall be the sum of the Maximum Special Tax that can be levied for each Land Use Class located on that Parcel. For a Parcel that contains more than one Land Use Class, the Acreage of such Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Parcel. The Administrator's allocation to each Land Use Class shall be final.

2. Approved Property

The Maximum Special Tax for each Parcel of Approved Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel; provided, however, for a Parcel of Approved Property that is expected to become Single Family Property as reasonably determined by the Administrator based on the Final Map for such Parcel, the Maximum Special Tax for such Parcel of Approved Property shall be calculated pursuant to Section

C.1. as if such Parcel were already designated as Developed Property and classified as Single Family Property.

The Maximum Special Tax for Approved Property shall be increased annually, commencing July 1, 2018, based on the percentage increase in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) of the corresponding Maximum Special Tax in effect in the previous Fiscal Year.

3. Undeveloped Property

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Undeveloped Property shall be \$11,304 per Acre.

The Maximum Special Tax for Undeveloped Property shall be increased annually, commencing July 1, 2018, based on the percentage increase in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) of the corresponding Maximum Special Tax in effect in the previous Fiscal Year.

4. Public Property and/or Property Owners Association Property

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Public Property and/or Property Owners Association Property shall be \$0.00 per Acre. **There shall be no levy on Public Property and/or Property Owners Association Property.**

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2017-2018 and for each following Fiscal Year, the Administrator shall levy the Special Tax on all Taxable Property until the amount of Special Tax equals the Special Tax Requirement in accordance with the following steps:

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable to any other Parcel above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default.

E. EXEMPTIONS

The CFD shall not levy Special Taxes on Public Property or Property Owners Association Property within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

H. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually in perpetuity unless terminated earlier by the County.

C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The State legislature enacted the Mello-Roos Act of 1982 to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD). The Developer of Tract 36536 petitioned the County of Riverside Economic Development Agency (EDA) to assist them in forming a district for the County of Riverside (County) to cover the costs associated with the maintenance of public improvements within the proposed district and has submitted an application and formation deposit. A special tax is proposed to be levied on each individual parcel located within the boundary of the proposed CFD to fund the costs associated with (i) Maintenance, administration and inspection of the stormwater facilities and BMPs including water quality basins, fossil filters, basin forebays, and any other NPDES/WQMP/BMP related devices as approved by the CFD. The maintenance may include, but is not limited to drainage systems, weed control and other abatements, repair/replacement and inspection. Inspection is inclusive of scheduling, travel time, visual inspection process and procedures, GPS location recording, reporting by device, annual reporting, visual inspection for functionality, vegetated as designed, irrigation is complete and in working order, noting any of the following: any deficiencies, erosion, trash, silt, sediment, structural deficiencies. Maintenance is inclusive of repair or replacing any of the items noted as deficient or needing to be corrected to not be deficient. Administration is inclusive of quality assurance and control of inspection and maintenance, general contract administration, including phone calls and procurement of goods and services (ii) Street lighting maintenance including energy charges, operation, maintenance, and administrative costs of street lighting located within the surrounding area of the CFD (iii) Landscaping improvements that may include, but not limited to all landscaping material and facilities within the CFD. These improvements include turf, ground cover, shrubs, trees, plants, irrigation and drainage systems, ornamental lighting masonry walls or other fencing.

Approval of proposed Resolution 2017-094 by the Board of Supervisors is the initial step for forming the CFD and declares the intention of the Board of Supervisors, as required by the Mello-Roos Act of 1982, to levy a special tax to fund the service and maintenance functions requested by the

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Developer. The Resolution also requires the Board of Supervisors to hold a public hearing and submit the formation of the proposed CFD No. 17-3M (Tierra Del Rey) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

Each new CFD is created for a specific development or developments when similar facilities are requested to be maintained by the County. A special tax is levied according to a Rate and Method of Apportionment (RMA) developed to the specific features within that District, and a special tax is annually placed on the tax roll for each Assessor Parcel Number (APN) noted in the Proposed Boundary Map, both attached herein.

The property owner (Pardee Homes) of Tract Map No. 36536 has petitioned the County to include their property into proposed Community Facilities District 17-3M (Tierra Del Rey). The boundaries of CFD No. 17-3M (Tierra Del Rey) will encompass the entire Tract Map No. 36536 which includes 84 single family dwelling units, none of which are currently occupied.

Reference

The CFD Rate and Method of Apportionment (RMA) are consistent with the Mello-Roos Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy special taxes within this proposed CFD after complying with the requirements of the Mello-Roos Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The formation of the proposed CFD adheres to Board Policy B-12 entitled "Land Secured Financing Districts" which was revised on January 27, 2015, to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water, street lighting or other similar improvements and set goals and policies concerning CFDs.

Impact on Residents and Businesses

Only the parcels with Assessor Parcel Numbers within the proposed boundaries of the CFD which are represented by the proposed Boundary Map (inclusive of Tract 36536) are impacted by the proposed special tax. By setting up a special tax for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon declining public funding sources. By specifically collecting and using the special tax revenue within the boundary of the proposed CFD, there is a financial mechanism in place to insure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding Developer installed and County required infrastructure, particularly landscaping and streetlights. The Developer shall and is obligated to provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

SUPPLEMENTAL:

STATE OF CALIFORNIA**

Additional Fiscal Information

The proposed budget of \$131,124 for fiscal year 2017-18, as reflected in the Rate and Method of Apportionment, will result in a special tax of \$1,562 per taxable parcel. The annual special tax may be increased by the minimum of 2%, or a maximum of 6%, or by the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), as it stands as of March of each year over the base index for March of 2018.

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable to any other Parcel above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default.

E. EXEMPTIONS

The CFD shall not levy Special Taxes on Public Property or Property Owners Association Property within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

H. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually in perpetuity unless terminated earlier by the County.
