BACKGROUND:

Summary

County Service Area (CSA) 152 (Countywide) provides street sweeping services in selected residential areas of the County of Riverside (County) where property owners have voted to assess themselves for the service. As of October 6, 2003 administration of the street sweeping services was transferred from the Economic Development Agency to the County Transportation Department (Transportation Department), which is responsible for all other maintenance functions within the County maintained road right-of-way.

On July 12, 2011, Agenda Item 3.52, the Board of Supervisors approved a multi-year personal service agreement for street sweeping services with CR&R Incorporated for a three (3) year term expiring June 30, 2014 with the option to renew for up to two (2) additional one (1) year terms with a final expiration date of June 30, 2016. On June 21, 2016, Agenda Item 3.73, the Board of Supervisors approved Amendment No. 1 authorizing an additional one (1) year term for FY 2016-17. This Amendment No. 2 will authorize a three (3) month extension to the agreement for continuing services until September 30, 2017.

CR&R Incorporated is currently providing services to the County and has done so in a satisfactory manner. CR&R Incorporated would continue to provide street sweeping services to CSA 152 for FY 2017/18 in the amount of \$190,000. CR&R Incorporated's current per curb mile cost is \$20.70 per curb mile, which at the time the contract went to bid in 2011 is still lower than the 2nd lowest bid at \$21.98 per curb mile.

The extension of this contract would allow the Transportation Department in co-operation with the County Purchasing Department to complete the formal Request for Proposal (RFP) currently in process. The bid has closed and proposals have been received. County Purchasing is in the process of completing the verification of references while the Transportation Department completes the evaluations of the Proposals. A new contract will be submitted to the Board of Supervisors by the end of September for consideration once the RFP process is formally completed.
