BACKGROUND:

Summary

ABx-126 enacted in June 2011 (as amended by AB 1484 in June 2012, collectively the Dissolution Act) charges the Successor Agency to the Redevelopment Agency for the County of Riverside (Successor Agency) with winding down the affairs of the former Redevelopment Agency for the County of Riverside (RDA). Pursuant to Health and Safety Code Section 34191.5, added by the Dissolution Act, the Successor Agency prepared a Long Range Property Management Plan (LRPMP) which identified all real property assets owned by the former RDA and recommended appropriate disposition strategies for each identified parcel. The LRPMP includes property profiles, a description of each property's potential use and an explanation of the benefit of the proposed disposition strategy to the surrounding community. The LRPMP was approved by the California Department of Finance (DOF) on December 18, 2015.

The property consists of approximately 0.32 acres, located off Sea View Drive in the unincorporated community of North Shore, California, identified by Assessor's Parcel Number

723-222-002, as depicted on the attached site map (Property). The Riverside County Fire Department (Fire) currently owns and operates Fire Station 41 for the North Shore community located behind the subject Property. Fire expressed an interest in purchasing the Property for purposes of potentially expanding the existing Fire Station in the future. A companion item related to the proposed sale of the Property to the County will be presented to the Board of Supervisors for the Successor Agency to the Redevelopment Agency on the same date of this action.

The terms of the proposed purchase of the Property are set forth in the Agreement. The sale proceeds, minus customary closing and escrow costs, will be disbursed to the taxing entities pursuant to Health and Safety Code Section 34188. The purchase of the Property, in a manner consistent with the Dissolution Act, LRPMP proposed Agreement and direction from DOF will facilitate the unwinding of the former RDA by liquidating its property in a manner aimed at maximizing value for the benefit of the taxing entities

The County of Riverside, Economic Development Agency has prepared a Notice of Exemption to address the proposed acquisition project that will be considered by the County of Riverside. Pursuant to the California Environmental Quality Act (CEQA), the proposed acquisition was reviewed and determined to be exempt from CEQA under State CEQA Guidelines Sections 15301 and 15061(b)(3). With certainty, there is no possibility that the project may have a significant effect on the environment. The project, as proposed, is limited to the sale and purchase of property from the Successor Agency to the Redevelopment Agency to the County. The use of the property is not anticipated to change upon consummation of this acquisition. The property would not result in an increase in capacity or intensity of use and will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern nor would the project include unusual circumstances which could have a potential significant effect on the environment. The project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. Therefore, the project is exempt as the project meets the scope and intent of the Common Sense Exemption identified in Section 15061 (b)(3) and Class 1 Categorical Exemption identified in Section 15301.

Resolution No. 2017-150, the Agreement of Purchase and Sale and Joint Escrow Instructions and Grant Deed have been reviewed and approved as to form by County Counsel.

Impact on Residents and Businesses

The acquisition of this Property will continue to benefit the residents of the community of North Shore.

NOTICE OF EXEMPTION

August 3, 2017

Project Name: Authorization to Purchase Real Property, Seaview Drive, West of Highway 111, located in the unincorporated North Shore Community, County of Riverside

Project Number: ED190019415

Project Location: Seaview Drive, west of Highway 111, unincorporated community of North Shore adjacent to the Salton Sea, Riverside County, California; Assessor's Parcel Number (APN): 723-222-002 (See attached exhibit)

Description of Project: The Successor Agency to the Redevelopment Agency for the County of Riverside (Successor Agency) is required to conclude the affairs of the former Redevelopment Agency for the County of Riverside. A Long-Range Property Management Plan (LRMP) was created and approved by the Department of Finance on December 18, 2015, which identified all assets owned and appropriate disposition strategies. The 0.32-acre subject property located along Seaview Drive (APN 723-222-022) in the unincorporated community of North Shore was identified as a property that was designated for sale. The Riverside County Fire Department owns and operates Fire Station 41 behind the Property. The Fire Department desires to purchase the Property in the amount of \$8,500. An updated appraisal was conducted by Michael J. Francis, MAI, dated July 27, 2016 found the fair market value of the Property to be \$8,330. The purchase of the property by the County from the Successor Agency and transfer of title is identified as the proposed Project under the California Environmental Quality Act (CEQA). The proposed Project is limited to the purchase of property and does not allow for any construction activity, change in use, or any other condition that may lead to a direct or indirect physical environmental impact at this time. Any future activity or project at the location would require additional CEQA review for any changes to the property. Any attempt at evaluating physical impacts related to future development at this time would be wholly speculative and would provide no meaningful input or analysis.

Name of Public Agency Approving Project: County of Riverside

Name of Person or Agency Carrying Out Project: County of Riverside, Economic Development Agency

Exempt Status: State CEQA Guidelines, Section 15301, Class 1, Existing Facilities Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption, Codified under Title 14, Articles 5 and 19, Sections 15061 and 15300 to 15301.

AUG 29 2017 3.41

Reasons Why Project is Exempt: The Project is exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The Project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The Project is the proposed purchase of real property which will not cause any impacts to scenic resources, historic resources, or unique sensitive environments and will not result in any physical changes to the existing site. Any future development projects at this property would require a full evaluation under CEQA at that time. Further, no unusual circumstances or potential cumulative impacts would occur that may reasonably create an environmental impact. The proposed purchase of real property will not have an effect on the environment and does not allow for any development, construction, or change of use that may create a future direct or indirect physical environmental impact; thus, no environmental impacts are anticipated to occur.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site's use. The Project, as proposed, is limited to the purchase of property. The transfer of property will not result in a change to the use of the site. The transfer of property would not result in any direct or indirect impacts on the environment. The use of the property would not require any expansion of public services and facilities; therefore, the Project is exempt as the Project meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b)(3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment” State CEQA Guidelines, Section 15061(b)(3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid.* This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *Muzzy Ranch Co. v Solano County Airport Land Use Comm'n* (2007) 41 Cal.4th 372. With certainty, there is no possibility that the Project may have a significant effect on the environment. As stated, the Project is merely the proposed purchase of property and any future activity or project at the location would require CEQA review, and any potential change of use or future project would be wholly speculative at this time. There are no development plans or enough information regarding the possible future expansion of the fire station to be able to conduct a meaningful environmental analysis. Any future development projects at this property would require a full evaluation under CEQA at that time. Therefore, in no way would the Project, as proposed, have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the Project, as proposed, meets all of the required categorical exemptions as identified. No further environmental analysis is warranted.

The failure of Buyer to notify Seller of any objectionable results of said inspections, investigations, tests and studies in writing on or prior to the expiration of the Due Diligence Period shall be deemed to constitute Buyer's approval of the results. The cost of any such inspections, tests and studies shall be borne solely by Buyer. During the term of this Escrow, Buyer, its agents, contractors and subcontractors shall have the right to enter upon the Property, at reasonable times during ordinary business hours, to make any and all inspections and tests as may be necessary or desirable in Buyer's sole judgment and discretion. Buyer shall use care and consideration in connection with any of its inspections. The obligations of the parties pursuant to this Paragraph 11 shall survive the Close of Escrow and shall not merge into the Close of Escrow and the recording of the Grant Deed in the Official Records.

12. Taxes. Buyer and Seller acknowledge that both parties are public entities exempt from payment of any real property taxes. As such, there will be no proration of taxes through Escrow.
