BACKGROUND:

Summary

The MOU for the Purchase of State Hospital Beds outlines CalMHSA and the County's responsibilities as it applies to mental health services in State Hospital facilities. RUHS-BH currently utilizes approximately forty two (42) beds in State Hospitals, including Metropolitan State Hospital, Patton State Hospital and Napa State Hospital. This Program authorized CalMHSA to purchase state hospital beds on behalf of Riverside County and to make payment to the State for such usage consistent with the provisions of the Participation Agreement and the MOU entered into by CalMHSA and DSH.

On December 15, 2015, (3-32), the Board of Supervisors ratified the MOU between CalMHSA, Riverside University Health System - Behavioral Health (RUHS-BH) and the Department of State Hospitals (DSH) for the Procurement of State Hospital Beds for FY 14/15 and FY 15/16. The Board also authorized the Director of RUHS-BH to sign renewals and ministerial amendments to the MOU through June 30, 2018.

RUHS-BH is requesting that the Board of Supervisors ratify this Amendment to the MOU between CalMHSA, RUHS-BH and the DSH for the Purchase of State Hospital Beds for FY 16/17 through FY18/19; authorize the Director of RUHS-BH to sign the Amendment to the MOU; and authorize the Director of RUHS-BH to sign renewals and ministerial amendments to the MOU through June 30, 2019.

Impact on Citizens and Businesses

These services are a component of the Department's system of care aimed at improving the health and safety of consumers and the community.

Additional Fiscal Information

Funding for the State Hospital Bed Purchase and Usage agreement is budgeted annually and therefore there are sufficient funds in RUHS-BH budget to provide for the purchase of State Hospital Beds for the respective fiscal years. No additional County funds are required.

Contract History and Price Reasonableness

Historically, the RUHS-BH has always contracted directly with the State Hospitals to provide acute, intermediate and skilled nursing psychiatric services to clients of Riverside County.

Counties now under the authority of CalMHSA jointly negotiate and contract with DSH for use of such facilities on their behalf. The bed day rates are set by the Department of State Hospitals. The RUHS-BH only recently received the final agreement after a long negotiation between CalMHSA and DSH.
