**C.E.O. RECOMMENDATION:**

**BACKGROUND:**

**Summary**

On July 11, 2017 the Board approved the contract documents for Slope Remediation at the Lamb Canyon Sanitary Landfill, and authorized the Department to advertise for bids. The engineer's estimate reported to the Board on July 11, 2017 was in the amount of \$450,000. On August 8, 2017, a total of six (6) bids were received, with Road Builders, Inc. submitting the lowest bid in the amount of \$475,247.50.

The bid documents have been reviewed by County Counsel and Department staff and it was determined that the irregularities were immaterial and may be waived. The bid proposal was otherwise found to be responsive. Department staff has also determined the contractor, Road Builders, Inc., has the necessary experience and capability to perform the work and recommends that the Board waive any minor irregularities found in Contractor's bid.

A summary of the bids along with the Contract Agreement between the County and Road Builders, Inc. and the required performance and payments bonds and certificate of insurance are attached herewith.

**California Environmental Quality Act (CEQA) Findings**

On July 11, 2017, the Board of Supervisors approved contract documents for Slope Remediation at the Lamb Canyon Landfill. As such, a Notice of Exemption (NOE) was filed, identifying that the Project was exempt from CEQA pursuant to the State CEQA Guidelines Sections 15061(b)(3) (General Rule for Exemption), statutorily exempt pursuant to Section 15269 (Emergency Projects) and categorically exempt pursuant to Section 15301 (Existing Facilities), Section 15302 (Replacement or Reconstruction) and Section 15304 (Minor Alterations of Land). The 35-day statute of limitations for review and comment has expired, with no comments or challenges to the NOE received. Since the proposed motion in this Form-11 simply involves the award of a contract to complete the work already assessed under the NOE, nothing further is required under CEQA.

**Impact on Residents and Businesses**

Completion of the project will stabilize the slope and will ensure the safe operation of the landfill and compliance with the applicable regulations.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

**Additional Fiscal Information**

Budget for this additional work will be provided from Fund 40200, Department ID – 4500100000.

**Contract History and Price Reasonableness**

This is a public works construction contract with a specified duration of 60 working days for completion. Due to the competitive bid process, and also based on recent mass earthwork projects, Department engineering staff believes that the submitted bid amount is reasonable.
