C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The State legislature enacted the Mello-Roos Act of 1982 to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD). FVS Partners, LLC is the Developer of Tract 30837 and petitioned that the County of Riverside Economic Development Agency (EDA) to assist them in forming a district for the County of Riverside (County) to cover the costs associated with the maintenance of public improvements within the proposed district and has submitted an application and formation deposit. A special tax is proposed to be levied on each individual parcel located within the boundary of the proposed CFD to fund the costs associated with i) Maintenance, administration and inspection of the stormwater facilities and BMPs including water quality basins, fossil filters, basin forebays, and any other NPDES/WQMP/BMP related devices as approved by the CFD. The maintenance may include, but is not limited to drainage systems, weed control and other abatements, repair/replacement and inspection. Inspection is inclusive of scheduling, travel time, visual inspection process and procedures, GPS location recording, reporting by device, annual reporting, visual inspection for functionality, vegetated as designed, irrigation is complete and in working order, noting any of the following: any deficiencies, erosion, trash, silt, sediment, structural deficiencies. Maintenance is inclusive of repair or replacing any of the items noted as deficient or needing to be corrected to not be deficient. Administration is inclusive of quality assurance and control of inspection and maintenance, general contract administration, including phone calls and procurement of goods and services, (ii) Street lighting maintenance including energy charges, operation, maintenance, and administrative costs of street lighting located within the surrounding area of the CFD (iii) Landscaping improvements that may include, but not limited to all landscaping material and facilities within the CFD. These improvements include turf, ground cover, shrubs, trees, plants, irrigation and drainage systems, ornamental lighting masonry walls or other fencing within the CFD.

Approval of proposed Resolution 2017-201 by the Board of Supervisors is the initial step for forming the CFD and declares the intention of the Board of Supervisors, as required by the Mello-Roos Act

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

of 1982, to levy a special tax to fund the service and maintenance functions requested by the Developer. The Resolution also requires the Board of Supervisors to hold a public hearing and submit the formation of the proposed CFD No. 17-5M (French Valley South) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

Each new CFD is created for a specific development or developments when similar facilities are requested to be maintained by the County. A special tax is levied according to a Rate and Method of Apportionment (RMA) developed to the specific features within that District, and a special tax is annually placed on the tax roll for each Assessor Parcel Number (APN) noted in the Proposed Boundary Map, both attached herein.

The property owner (FVS Partners, LLC) of Tract Map No. 30837 has petitioned the County to include their property into proposed Community Facilities District 17-5M (French Valley South). The boundaries of CFD No. 17-5M (French Valley South) will encompass the entire Tract Map No. 30837 which includes 303 single family dwelling units, none of which are currently occupied.

Reference

The CFD Rate and Method of Apportionment (RMA) are consistent with the Mello-Roos Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy special taxes within this proposed CFD after complying with the requirements of the Mello-Roos Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The formation of the proposed CFD adheres to Board Policy B-12 entitled "Land Secured Financing Districts" which was revised on January 27, 2015, to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water, street lighting or other similar improvements and set goals and policies concerning CFDs.

Impact on Residents and Businesses

Only the parcels with Assessor Parcel Numbers within the proposed boundaries of the CFD which are represented by the proposed Boundary Map (inclusive of Tract 30837) are impacted by the proposed special tax. By setting up a special tax for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon declining public funding sources. By specifically collecting and using the special tax revenue within the boundary of the proposed CFD, there is a financial mechanism in place to insure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding Developer installed and County required infrastructure, particularly landscaping and streetlights. The Developer shall and is obligated to provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

SUPPLEMENTAL:

Additional Fiscal Information

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The proposed budget of \$134,436 for fiscal year 2018-19, as reflected in the Rate and Method of Apportionment, will result in a special tax of \$444 per taxable parcel. The annual special tax may be increased by the minimum of 2%, or a maximum of 6%, or by the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), as it stands as of March of each year over the base index for March of 2019.

C. MAXIMUM SPECIAL TAX RATES

1. Developed Property

The Maximum Special Tax that may be levied and escalated, as explained further in Section C.1. (a) below, in each Fiscal Year for each Parcel classified as Developed Property shall be determined by reference to Table 1, below.

TABLE 1
Maximum Special Tax Rates for Developed
Property for Fiscal Year 2018-2019

Land Use Class	Description	Taxable Unit	Maximum Special Tax Per Taxable Unit
1	Single Family Property	D/U	\$444
2	Multi-family Residential Property	Acre	\$2,364
3	Non-Residential Property	Acre	\$2,364

(a) Increase in the Maximum Special Tax

On each July 1, following the Base Year, the Maximum Special Tax, identified in Table 1, above, shall be increased annually, commencing July 1, 2019, based on the percentage increase in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) of the Maximum Special Tax in effect in the previous Fiscal Year.

(b) Multiple Land Use Classes

In some instances a Parcel of Developed Property may contain more than one Land Use Class. The Maximum Special Tax that may be levied on such Parcel shall be the sum of the Maximum Special Tax that can be levied for each Land Use Class located on that Parcel. For a Parcel that contains more than one Land Use Class, the Acreage of such Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Parcel. The Administrator's allocation to each Land Use Class shall be final.

2. Approved Property

The Maximum Special Tax for each Parcel of Approved Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel; provided, however, for a Parcel of Approved Property that is expected to become Single Family Property as reasonably determined by the Administrator based on the Final Map for such Parcel, the Maximum Special Tax for such Parcel of Approved Property shall be calculated pursuant to Section C.1. as if such Parcel were already designated as Developed Property and classified as Single Family Property.

The Maximum Special Tax for Approved Property shall be increased annually, commencing July 1, 2019, based on the percentage increase in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum

annual increase of two percent (2%) of the corresponding Maximum Special Tax in effect in the previous Fiscal Year.

3. Undeveloped Property

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Undeveloped Property shall be \$2,364 per Acre.

The Maximum Special Tax for Undeveloped Property shall be increased annually, commencing July 1, 2019, based on the percentage increase in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) of the corresponding Maximum Special Tax in effect in the previous Fiscal Year.

4. Public Property and/or Property Owners Association Property

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Public Property and/or Property Owners Association Property shall be \$0.00 per Acre. **There shall be no levy on Public Property and/or Property Owners Association Property.**

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2018-2019 and for each following Fiscal Year, the Administrator shall levy the Special Tax on all Taxable Property until the amount of Special Tax equals the Special Tax Requirement in accordance with the following steps:

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable to any other Parcel above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default.

E. EXEMPTIONS

The CFD shall not levy Special Taxes on Public Property or Property Owners Association Property within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

H. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually in perpetuity unless terminated earlier by the County.

NOTICE OF PUBLIC HEARING ON INTENTION TO ESTABLISH COMMUNITY FACILITIES DISTRICT NO. 17-5M (FRENCH VALLEY SOUTH) OF THE COUNTY OF RIVERSIDE AND TO LEVY SPECIAL TAXES WITHIN THE DISTRICT

NOTICE IS HERBY GIVEN that the Board of Supervisors of the County of Riverside (the "Board of Supervisors") has adopted its Resolution No. 2017-201 on September 26, 2017, declaring its intention to form Community Facilities District No. 17-5M (French Valley South) of the County of Riverside (the "District") pursuant to the Mello-Roos Community Facilities Act of 1982, as amended and to levy special taxes within the District. The District is proposed to have the boundaries depicted on the map on file with the Clerk of the Board of Supervisors and recorded with the County Recorder on September 29, 2017 as Instrument No. 2017-0405258 in the Book 81 of Maps of Assessment and Community Facilities Districts at Page 45.

The Board of Supervisors has fixed **October 31, 2017, at 9:00 a.m.**, or as soon thereafter as the Board of Supervisors may reach the matter, at the Board of Supervisors Chambers, 4080 Lemon Street, 1st Floor, Riverside, California, as the time and place when and where the Board of Supervisors will conduct a public hearing on the establishment of the Community Facilities District and the levy of the special tax therein.

At the hearing the testimony of all interested persons or taxpayers for or against the establishment of the district, the extent of the district, or the furnishing of specified types of public facilities or services will be heard. If 50 percent or more of the registered voters, or six registered voters, whichever is more, residing within the territory proposed to be included in the district, or the owners of one-half or more of the area of the land in the territory proposed to be included in the district and not exempt from the special tax, file written protests against the establishment of the district, and protests are not withdrawn so as to reduce the value of the protests to less than a majority, no further proceedings to create the specified community facilities district or to authorize the specified special tax shall be taken for a period of one year from the date of the decision of the legislative body.

If the majority protests of the registered voters or of the landowners are only against the furnishing of a specified type or types of facilities or services within the district, or against levying a specified special tax, those types of facilities or services or the specified special tax shall be eliminated from the resolution of formation.

Subject to two-thirds voter approval, the District proposes to levy a special tax on all non-exempt parcels of real property at a maximum tax rate of \$444 per taxable unit per year for residential property (other than multi-family residential property) and \$2,364 per acre for multi-family residential property and non-residential property. This amount will be increased based upon the percentage change in the Consumer Price Index, with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent of the maximum special tax in effect in the previous year. Reference may be made to the Rate and Method of Apportionment on file with Clerk of the Board for further details.

Resolution No. 2017-201 is set forth below:

RESOLUTION NO. 2017-201

RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF RIVERSIDE OF INTENTION TO ESTABLISH A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES AND SETTING A DATE AND TIME FOR A PUBLIC HEARING THEREON

WHEREAS, a community facilities district may be established under the Mello-Roos Community Facilities Act of 1982 (the "Act") in order to finance certain public capital facilities and services;

WHEREAS, the Board of Supervisors (the "Board of Supervisors") of the County of Riverside (the "County") constitutes the legislative body of a local agency for purposes of the Act; and

WHEREAS, the Board of Supervisors has received both a Qualifying Petition and the Deposit pursuant to the Act and therefore institutes proceedings to establish a community facilities district (the "Community Facilities District") and to authorize the levy of special taxes therein in order to finance certain (i) Maintenance, administration and inspection of the stormwater facilities and BMPs including water quality basins, fossil filters, basin forebays, and any other NPDES/WQMP/BMP related devices as approved by the CFD. NOW, THEREFORE, THE BOARD OF SUPERVISORS OF THE COUNTY OF RIVERSIDE, in regular session assembled on September 26, 2017 does hereby resolve, find, determine and order as follows:

Section 1. The Board of Supervisors proposes to establish a community facilities district under the terms of the Act. The boundaries of the territory proposed for inclusion in the Community Facilities District are described in the map showing the proposed Community Facilities District (the "Boundary Map") on file with the Clerk of the Board of Supervisors (the "Clerk"), which boundaries are hereby preliminarily approved and to which map reference is hereby made for further particulars. The Clerk is hereby directed to sign the original Boundary Map and record, or cause to be recorded, the Boundary Map with all proper endorsements thereon in the office of the Riverside County Recorder within 15 days of the date of adoption of this Resolution, all as required by Section 3111 of the California Streets and Highways Code.

Section 2. The name proposed for the Community Facilities District is "Community Facilities District 17-5M (French Valley South) of the County of Riverside."

Section 3. The services (the "Services") proposed to be financed by the Community Facilities District pursuant to the Act are described as (i) Maintenance, administration and inspection of the stormwater facilities and BMPs including water quality basins, fossil filters, basin forebays, and any other NPDES/WQMP/BMP related devices as approved by the CFD. The maintenance may include, but is not limited to drainage systems, weed control and other abatement, repair/replacement and inspection. Inspection is inclusive of scheduling, travel time, visual inspection process and procedures, GPS location recording, reporting by device, annual reporting, visual inspection for functionality, vegetated as designed, irrigation is complete and in working order, noting any of the following: any deficiencies, erosion, trash, silt, sediment, structural deficiencies. Administration is inclusive of quality assurance and control of inspection and maintenance, general contract administration, including phone calls and procurement of goods and services (ii) Street lighting maintenance including energy charges, operation, maintenance, and administrative costs of street lighting located within the surrounding area of the CFD (iii) Landscaping improvements that may include, but not limited to all landscaping material and facilities within the CFD. These improvements include turf, ground cover, shrubs, trees, plants, irrigation and drainage systems, ornamental lighting masonry walls or other fencing, as reflected in Exhibit A.

Section 4. Except where funds are otherwise available, a special tax sufficient to pay for all Services, secured by recordation of a continuing lien against all nonexempt real property in the Community Facilities District, will be annually levied within the Community Facilities District. The rate and method of apportionment of the special tax (the "Rate and Method"), in sufficient detail to allow each landowner within the proposed Community Facilities District to estimate the maximum amount that he or she will have to pay, is described in

Exhibit B attached hereto, which is by this reference incorporated herein. The special tax will be collected in the same manner as ordinary ad valorem property taxes or in such other manner as the Board of Supervisors shall determine, including direct billing of the affected property owners.

The special tax shall be levied annually until terminated by the Board of Supervisors as specified in the Rate and Method.

Section 5. The Board of Supervisors hereby fixes October 31, 2017, at 9:00 am, or as soon thereafter as the Board of Supervisors may reach the matter, at the Board of Supervisors Chambers, 4080 Lemon Street, 1st Floor, Riverside California, as the time and place when and where the Board of Supervisors will conduct a public hearing on the establishment of the Community Facilities District and the levy of the special tax therein.

Section 6. The Clerk is hereby directed to publish, or cause to be published, a notice of said public hearing, as prepared, and approved by County Counsel, one time in The Press Enterprise, a newspaper of general circulation published in the area of the Community Facilities District. The publication of said notice shall be completed at least seven days prior to the date herein fixed for said hearing. Said notice shall contain the information prescribed by Section 53322 of the Government Code.

The Clerk is hereby further directed to give notice of said public hearing, as prepared and approved by County Counsel, by first-class mail to each registered voter and to each landowner with the Community Facilities District. Said notice shall be mailed at least 15 days prior to the date of said hearing and shall contain the same information as is required to be contained in the notice published pursuant to Section 53322 of the Government Code.

Section 7. The levy of said proposed special tax shall be subject to the approval of the qualified electors of the Community Facilities District at a special election. The proposed voting procedure shall be by mailed or hand-delivered ballot among the landowners in the Community Facilities District, with each owner having one vote for each acre or portion of an acre such owner owns in the Community Facilities District.

Section 8. Each officer of the County who is or will be responsible for providing one or more of the proposed types of Services is hereby directed to study, or cause to be studied, the proposed Community Facilities District and, at or before said public hearing, file a report with the Board of Supervisors containing a brief description of the Services by type which will in his or her opinion be required to adequately meet the needs of the Community Facilities District, and his or her estimate of the cost of providing the Services. Such officers are hereby also directed to estimate the fair and reasonable cost of the incidental expenses proposed to be paid. Such report shall be made a part of the record of said public hearing.

Section 9. In the opinion of the Board of Supervisors, the public interest will not be served by allowing the property owners within the proposed Community Facilities District to enter into a contract in accordance with subdivision (a) of Section 53329.5 of the Government Code and, accordingly, the Board of Supervisors hereby provides that such property owners may not enter into a contract in accordance with said subdivision.

Section 10. The officers of the County are, and each of them is, hereby authorized and direct to do any and all things, and to execute and deliver any and all documents which said officers may deem necessary or advisable in order to accomplish the purposes of this Resolution and not inconsistent with the provisions hereof.
