Born on October 12, 1930 in Oak Park, Illinois, Lewis will always be remembered for his love, generosity, and colorful stories. After moving to California in his youth, he graduated from Mark Kepple High School in Alhambra in 1948 and married his high school Sweetheart, Dorothy King, in 1951.

While working on the loading docks at Arden Farms, he learned how to drive big rigs. On the side, he began building homes and going tonight school to learn real estate. Driven to succeed, he took a vacation from Arden and offered to work without pay at Prudential Savings so he could learn about real estate appraisal. The company hired him after the two-week trial and he continued moonlighting in construction.

Eventually, Lewis partnered with Gene Ribeiro to form Euclid Land & Construction Company. They built single-family homes and condominiums across the San Gabriel Valley in the 1960's and 1970's. After retiring in the 1980's, he lived off and on in Kauai and Hawaii with Dorothy.

In the early 1990's, Lewis became a board member of the H.N. and Frances C. Berger Foundation in Palm Desert and Trustee of The Webb Foundation. Both foundations have supported community organizations such as CHLA, Keck Medical Center at USC, CSUSB's Palm Desert Campus, Angel View, SafeHouse of the Desert, Gilda's Club Desert Cities, the Desert Ability Center, and many more.

Lewis was a loving and devoted husband, father, grandfather, brother, and friend. His memory and passionate spirit will live forever in the hearts of those who knew and loved him. He will be greatly missed but never forgotten.

The Board of Supervisors commemorates his service to the County of Riverside.
