

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

ITEM
3.29
(ID # 5494)

MEETING DATE:

Tuesday, October 31, 2017

FROM : TLMA-TRANSPORTATION:

SUBJECT: TRANSPORTATION AND LAND MANAGEMENT AGENCY/ TRANSPORTATION:

TRANSPORTATION DEPARTMENT: Approval of the Plans and Specifications and Authorization to Advertise for Bid for the Harrison Street, Robert Road, Airport Boulevard, Tyler Street, Chiriaco Road and Summit Road Resurfacing Project in the Communities of Thermal, Thousand Palms and Chiriaco Summit, California Environmental Quality Act (CEQA) Exempt. 4th District (Clerk to Advertise); [\$2,403,436 total]; Local Funds 100%.

RECOMMENDED MOTION: That the Board of Supervisors:

1. Find that the Harrison Street, Robert Road, Airport Boulevard, Tyler Street, Chiriaco Road and Summit Road Resurfacing Project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15301 (c) - Existing Facilities; and
2. Approve the plans and specifications for the construction of the Harrison Street, Robert Road, Airport Boulevard, Tyler Street, Chiriaco Road and Summit Road Resurfacing Project in the Communities of Thermal, Thousand Palms and Chiriaco Summit; and
3. Authorize the Clerk of the Board to advertise for bids to be received by the office of the Director of Transportation and Land Management at the Transportation Annex located at 3525 14th Street, Riverside, CA 92501. All bids must be received up to the hour of 2:00 p.m., Wednesday, November 22, 2017 at which time bids will be opened; and
4. Direct the Clerk of the Board of Supervisors to file the five Notices of Exemption with the County Clerk for posting within five (5) working days.

ACTION:

Patricia Romo, Director of Transportation 10/5/2017

MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Jeffries, seconded by Supervisor Tavaglione and duly carried by unanimous vote, IT WAS ORDERED that the above matter is approved as recommended.

Ayes: Jeffries, Tavaglione, Washington, Perez and Ashley

C.E.O. RECOMMENDATION: [CEO use]

BACKGROUND:

Summary

The Transportation Improvement Program (TIP) provides for the resurfacing of various roads. The project propose to resurface the following roads:

Street Name	Limits	Community
Harrison Street	Airport Boulevard to 54 th Avenue	Thermal
Robert Road	Ramon Road to La Canada Way	Thousand Palms
Airport Boulevard	Van Buren Street to Harrison Street	Thermal
Tyler Street	Airport Blvd to 54 th Avenue	Thermal
Chiriaco Road and Summit Road	Summit Road 500 feet easterly of Chiriaco Road and between Chiriaco Road and Pinto Road	Chiriaco Summit

Roadway resurfacing is needed due to deteriorated pavement conditions. These six roads have been combined to bid as one project to reduce overhead costs and receive more favorable unit costs associated with larger quantities of work.

On April 28, 2017, Senate Bill 1 (SB1) was passed to improve the state's aging transportation infrastructure, particularly the roads and bridges. Because of this, the County is now able to improve the condition of roads in need of resurfacing and reconstruction and has included them in the County TIP. Without SB1 these needed road repair projects would have been shelved until funding became available.

The proposed improvements on **Harrison Street** include overlaying the pavement with Asphalt Rubber Hot Mix, installation of detector loops, replacement of existing signs, application of striping, pavement markings, pavement markers, reflectors and construction of associated improvements.

The proposed improvements on **Robert Road** include overlaying the pavement with Hot Mixed Asphalt (HMA), installation of detector loops, replacement of existing signs, application of striping, pavement markings, pavement markers, reflectors and construction of associated improvements. Additionally, installation of curb ramps, replacement of a damaged sidewalk, construction of a

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

concrete spandrel and cross gutter and replacement of signs. Furthermore, a portion of the roadway will be reconstructed, and an area adjacent to this reconstructed area will be slurry sealed, near a fire station at the intersection of Robert Road and Ramon Road.

The proposed improvements on **Airport Boulevard** include overlaying the pavement with HMA, application of striping, pavement markings, pavement markers, reflectors, reconstruction of curb ramps and construction of associated improvements.

The proposed improvements on **Tyler Street** include overlaying the pavement with HMA, application of striping, pavement markings, pavement markers, reflectors and associated improvements. The easterly portion of Tyler Street from 54th Avenue to approximately 1300 feet southerly, is located within the jurisdiction of City of Coachella (City). The Transportation Department in coordination with the City has developed the scope of work to improve Tyler Street within the City limits along with the County's resurfacing project. A cooperative agreement to reimburse the County for the construction and inspection costs will be processed prior to or concurrent with award of the project construction contract.

The proposed improvements on **Chiriaco Road and Summit Road** include overlaying the pavement with HMA, application of striping, pavement markings, pavement markers, reflectors, replacement of signs and construction of associated improvements.

The submitted plans and specifications have been approved as to form by County Counsel.

Project Numbers: C1-0607, Harrison Street
 C3-0058, Robert Road
 C3-0060, Airport Boulevard
 C3-0064, Tyler Street
 C7-0045, Chiriaco Road and Summit Road

Environmental Findings

Because the Harrison Street, Robert Road, Airport Boulevard, Tyler Street, Chiriaco Road and Summit Road resurfacing projects consists of maintenance and repair of an existing public facility, and there is no expansion of an existing roadway, this project qualifies for a Class 1 Categorical Exemption under Section 15301 (c) of the CEQA Guidelines. In accordance with Section 15301 (c), Class 1 projects consist of the operation, repair and maintenance of existing public facilities, such as highways, streets, sidewalks, gutters, bicycle and pedestrian trails and similar facilities. Furthermore, the Coachella Valley MSHCP states that necessary operation and maintenance activities conducted for safety purposes along existing roadways are considered covered activities. The County Transportation Department is requesting that the Board approve this environmental determination.

Impact on Residents and Businesses

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The purpose of this project is to resurface these road segments to provide the public with a smooth paved roadway that will improve the safety and efficiency of the roadway.

The work is scheduled to begin in the Spring of 2018. The work will be phased to keep the road open during construction as much as possible and will take approximately three months to complete.

Additional Fiscal Information

The construction contract is estimated to cost approximately \$2,403,436. Construction is expected to begin and finish in FY 2017/2018 and will be funded with Gas Tax /SB1 and City of Coachella funds.

There are no General Funds used in this project.

PROJECT TITLE: Harrison Street Resurfacing Project
(54th Avenue to 2600 feet south of 55th Avenue)
Work Order #ZC10607C, Task Code #Z1530

11/1/17
Date

PR
Initial

PROJECT SPONSOR: Riverside County Transportation Department

PROJECT LOCATION: City of Coachella Valley, Riverside County

SUPERVISORIAL DISTRICT: 4th District

PROJECT DESCRIPTION: The County of Riverside Transportation Department proposes to resurface approximately 5200 linear feet on Harrison Street from 54th Avenue to 2600 feet south of 55th Avenue. Harrison Street is a two lane road with has varying road widths, from 48 feet to 58 feet. The right-of-way between the project limits is 30 feet to the left and 30 feet to the right of the centerline. The proposed improvements consist of Cold-in-Place Recycling to a depth of 0.33 inches and overlaying the pavement with Asphalt Rubber Hot Mix (ARHM) to a depth of 0.20 inches. In addition, the improvements also include: 1) shoulder backing to match edge of payment; 2) replacing/salvaging existing signs with new roadway signs; 3) installation of Detector Loops; 4) application of new striping with roadway pavement markers (RPMs); and 5) re-application of pavement markings, striping, and reflectors. No additional Right of Way nor Temporary Construction Easements will be required to construct the proposed improvements. All improvements are to be done on the same footprint of the existing roadway.

ENVIRONMENTAL ANALYSIS:

Because the Project consists of operation, maintenance and repair of an existing public facility; and there is no expansion of an existing roadway, this Project qualifies for a Class 1 Categorical Exemption under Section 15301 (c) of the CEQA Guidelines. The Project will simply resurfacing an existing facility to maintenance/repair the pavement to improve mobility and enhance safety on Harrison Street. In addition, the Coachella Valley MSHCP states that necessary operation and maintenance activities conducted for safety purposes along existing roadways are considered Covered Activities. ¹

CEQA Finding:

¹ P. 7-1, Chapter 7.1 "Covered Activities Outside Conservation Areas", Final Circulated Coachella Valley MSHCP, September 2017.

OCT 31 2017 3.29

The Transportation Department staff conducted a review of the project and determined that the project qualifies for a Class 1 Categorical Exemption under Section 15301 (c) of the CEQA Guidelines, Article 19 commencing with Section 15300. In accordance with Section 15301 (c), Class 1 projects consist of the operation, repair and maintenance of existing public facilities, such as highways, streets, sidewalks, gutters, bicycle and pedestrian trails and similar facilities.

The Riverside County Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

Director of Transportation

Transportation Department NOTICE OF EXEMPTION

September 28, 2017

PROJECT TITLE: Robert Road Resurfacing Project
(Work Order #ZC30058, Task Code #ZI530)

PROJECT SPONSOR: County of Riverside Transportation Department

PROJECT LOCATION: Thousand Palms Community, Unincorporated County of Riverside

SUPERVISORIAL DISTRICT: 4th District

PROJECT DESCRIPTION: The County of Riverside Transportation Department is proposing to rehabilitate 0.24 miles of the Robert Road from Ramon Road to La Canada Way. Robert Road is a two lane road with an average width of 20 feet. The purpose of this project is to improve the existing condition of/and extend the life of the roadway. The proposed improvements consist of Cold Plane and overlaying the roadbed with Hot Mixed Asphalt (HMA). The existing road profile will be changed and shoulder backing will be used. The improvements also include installation of detector loops, replacement of existing signs, as well as application of striping, pavement markings, pavement markers, and reflectors. In addition, the work will include installation of curb ramps, replacement of a damaged sidewalk, construction of a concrete spandrel and cross gutter. Furthermore, a portion of the roadway will be reconstructed, and an area adjacent to this reconstructed area will be slurry sealed, near a fire station at the intersection of Robert Road and Ramon Road. All improvements will be constructed within the project footprint. Note: If tree trimming and removal occurs during the migratory bird breeding season (February 1 through September 1), a pre-construction nesting survey is required pursuant to the Migratory Bird Treaty Act (MBTA). No additional right-of-way will be required.

ENVIRONMENTAL ANALYSIS: Because the Project consists of the rehabilitation and repair of an existing public facility; and there is no expansion of an existing roadway, this Project qualifies for a Class 1 Categorical Exemption under Section 15301 (c) of the CEQA Guidelines. In addition, the Coachella Valley MSHCP states that necessary operation and maintenance activities conducted for safety purposes along existing roadways are considered Covered Activities.¹

PROJECT TITLE: Airport Boulevard Resurfacing Project
(Work Order #ZC3-0060, Task Code #Z1530)

PROJECT SPONSOR: County of Riverside Transportation Department

PROJECT LOCATION: Community of Thermal, Unincorporated Riverside County

SUPERVISORIAL DISTRICT: 4th District

PROJECT DESCRIPTION: The County of Riverside Transportation Department is proposing to rehabilitate 1.00 mi of Airport Boulevard from Van Buren Street to Harrison Street. The proposed improvements will help improve the condition of the road.

The proposed improvements consist of pulverizing the existing Asphalt Concrete (AC), compacting roadway materials to 95%, and overlaying the pavement with Hot Mix Asphalt (HMA). The improvements also include application of re-striping, pavement marking, pavement markers, installation of reflectors, and reconstruction of curb ramps. In addition, work will include constructing safety edges, installing shoulder backing, and replacing traffic signal loops and signs. Airport Boulevard will remain the same width and will not be widened. Note: If tree trimming and removal occur during the migratory bird breeding season (February 1 through September 1), a pre-construction nesting survey is required pursuant to the Migratory Bird Treaty Act (MBTA). No additional right-of-way will be required.

ENVIRONMENTAL ANALYSIS:

Because the Project consists of the rehabilitation and maintenance of an existing public facility; and there is no expansion of an existing roadway, this Project qualifies for a Class 1 Categorical Exemption under Section 15301 (c) of the CEQA Guidelines. In addition, the Coachella Valley MSHCP states that necessary operation and maintenance activities conducted for safety purposes along existing roadways are considered Covered Activities.¹

¹ P. 7-1, Chapter 7.1 "Covered Activities Outside Conservation Areas", Final Circulated Coachella Valley MSHCP, September 2017. Under Section 7.1 of the Coachella Valley Multiple Species Habitat Conservation Plan, all public facility construction and operation and maintenance activities outside conservation areas are covered activities.

CEQA Finding: The Transportation Department staff conducted a review of the project and determined that the project qualifies for a Class 1 Categorical Exemption under Section 15301 (c) of the CEQA Guidelines, Article 19 commencing with Section 15300. In accordance with Section 15301 (c), Class 1 projects consist of the operation, repair and maintenance of existing public facilities, such as highways, sidewalks, gutters, bicycle and pedestrian trails and similar facilities (including road grading for the purpose of public safety).

Transportation Department NOTICE OF EXEMPTION

September 28, 2017

PROJECT TITLE: The Chiriaco Road and Summit Road Resurfacing Projects
(Work Order #ZC7-0045C, Task Code #Z1530)

PROJECT SPONSOR: County of Riverside Transportation Department

PROJECT LOCATION: Thousand Palms Community, Unincorporated Riverside County

SUPERVISORIAL DISTRICT: 4th District

PROJECT DESCRIPTION: The County of Riverside Transportation Department proposes to collectively resurface approximately 1650 linear feet on Chiriaco Road (750 feet) and Summit Road (900 feet). The resurfacing will occur on Chiriaco Road will commence from Summit Road to 750 feet east of Summit Road. The resurfacing on Summit Road will commence from Chiriaco and terminate at Pinto Road, excluding the bridge deck. Note: Caltrans Permit will be needed for work being done adjacent to the bridge going over the I-10. Chiriaco Road and Summit Road are both two-lane facilities; and each has a roadway width of 32 feet.

The proposed project will include milling the existing Asphalt Concrete to a depth of 0.50 feet (0.75 feet at bridge termini) and paving the roadbed with 0.50 feet of Hot Mixed Asphalt (HMA) (.75 at bridge termini). Additional work will include installation of shoulder backing, re-application of pavement markings, striping, installation of reflectors, removal of/ and replacement /salvaging of traffic signs. No additional right-of-way nor temporary construction easements will be required to implement the proposed improvements. All improvements are to be done in the same footprint of the existing roadway.

ENVIRONMENTAL ANALYSIS: Because the Project consists of rehabilitation and repair of an existing public facility; and there is no expansion of an existing roadway, this Project qualifies for a Class 1 Categorical Exemption under Section 15301 (c) of the CEQA Guidelines. In addition, the Coachella Valley MSHCP states that necessary operation and maintenance activities conducted for safety purposes along existing roadways are considered Covered Activities.¹

CEQA Finding: The Transportation Department staff conducted a review of the project and determined that the project qualifies for a Class 1 Categorical Exemption under Section 15301 (c)

Notice to Bidders

County of Riverside, herein called Owner, invites sealed proposals for:

Resurfacing Projects
Harrison Street, Robert Road, Airport Boulevard, Tyler Street,
Chiriaco Road and Summit Road
Communities of Thermal, Thousand Palms, and Chiriaco Summit
Project No. C1-0607, C3-0058, C3-0060, C3-0064, C7-0045

Bid shall be delivered to the County of Riverside Transportation Department, 14th Street Annex, 3525 14th Street, Riverside, California 92501, telephone (951) 955-6780 not later than 2:00 p.m., on Wednesday, **November 22, 2017** to be promptly opened in public at said address. Each bid shall be in accordance with plans, specifications and other contract documents, dated **September 2017**, and prepared by County of Riverside, whose address is same as the above, from whom they may be obtained upon deposit of **\$30.00** per set with 24" x 36" plans plus mailing costs. No refund. Prospective bidders may preview the plans, specifications and other contract documents at no charge prior to purchase at the above noted location.

Pursuant to Labor Code section 1771.1, any Contractor bidding, or subcontractor to be listed on a bid proposal subject to Public Contract Code section 4104, shall not be qualified to bid after March 1, 2015, unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may be awarded a contract or perform work on any contract for public work, after April 1, 2015, without proof of current registration with the Department of Industrial Relations pursuant to Labor Code section 1725.5 to perform public works.

The County of Riverside, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8) and related statutes, issued pursuant to such Act, hereby notifies all bidders that minority businesses will be afforded full opportunity to submit bids, and it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, sex, national origin, religion, age, or disability.

The Contractor is required to have a Class "A" or **C12 (Earthwork and Paving)** license at the time of bid submission.

Engineering Estimate:	\$ 544,700.00 - \$ 635,300.00	(Harrison Street. Bid Schedule A)
	\$ 271,500.00 - \$ 316,800.00	(Robert Road Bid Schedule B)
	\$ 704,000.00 - \$ 821,300.00	(Airport Blvd. Bid Schedule C)
	\$ 403,500.00 - \$ 470,700.00	(Tyler Street Bid Schedule D)
	\$ 239,400.00 - \$ 279,300.00	(Chiriaco and Summit Roads Bid Schedule E)
Bid Bond	10 %	
Performance Bond	100 %	
Payment Bond	100 %	
Working Days	60 Working Days
