**BACKGROUND:**

**Summary**

Government Code Section 27000.1 provides that, subject to Section 53607, the Board may by ordinance, delegate investment authority to the County Treasurer. Thereafter, the County Treasurer assumes full responsibility for those transactions, and must make a monthly report of the transactions to the Board. Section 27000.3 requires that the Board is the fiduciary agent of the County unless the Board has delegated that authority to the County Treasurer. Delegation of that authority is the norm and clearly anticipated in numerous code sections.

Section 53608 also allows the Board to delegate to the County Treasurer the Board's authority to deposit funds for safekeeping. Under these statutes, the delegation of authority to the County Treasurer may be revoked by ordinance at any time.

Ordinance No. 767.21 renews the Board's delegation to the County Treasurer of its authority to invest or reinvest funds of the County and other depositors in the County Treasury, to sell or exchange securities, and to deposit funds for safekeeping.

This amendment to Ordinance No. 767 is exempt from CEQA. The amendment merely renews the annual delegation of authority for the Treasurer to invest and keep safe funds of the County and other depositors in the County Treasury. This amendment is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA as reflected in CEQA Guidelines section 151061(b)(3). Because it can be seen with certainty that there is no possibility that the delegation of investment and safekeeping authority to the Treasurer may have a significant effect on the environment, the amendment of Ordinance 767 to provide for that delegation is exempt from CEQA.

County Counsel has approved the ordinance amendment as to form.
