			For Fiscal Year: 17/18-18/19	

C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

Per Board Policy A-30, the Riverside County EMD is requesting authorization to apply for the SHSP grant and approval of a new signature authority. The United States Department of Homeland Security provides grant funding to the Federal Emergency Management Agency (FEMA) to be passed on to each State. Each State is required to pass 80% of these funds (formula based) to the Operational Areas of the state. Riverside County EMD, as the lead agency, will apply for these funds on behalf of the OA. These grant funds are utilized by both the county and cities to enhance capabilities for response, prevention, preparation, and recovery in the event of a terrorist act or catastrophic event. As mandated by FEMA, projects that become part of the application to CalOES are chosen by the Anti-Terrorism Approval Authority (ATAA). The County Board of Supervisors appointed ATAA on December 18, 2002 (Item 3.26) to review all funding requests and determine the utilization of the SHSP funding. ATAA members include a representative of the Police Chief's Association, Fire Chief's Association, County Sheriff, County Fire Chief, County Public Health Officer, County Emergency Management Department Representative, and Municipal Emergency Management Representative. All jurisdictions within the OA are eligible to submit projects. As the lead agency, EMD is applying for an amount up to \$2,600,000 on behalf of the entire OA. Since the State has determined the allocations based on their funding formula, the Riverside County OA submits an application identifying projects that total to the allocation amount.

Cal OES requires that each year a new resolution is submitted with the application that identifies the Authorized Agents for the Riverside County OA. The authorized agents are the Director of Emergency Management, Deputy Director of Emergency Management, Emergency Services Manager, and the Program Chief II.

Impact on Residents and Businesses

These funds are used to sustain response, prevention, preparation and recovery capabilities for the entire OA. Citizens are directly impacted through training, equipping them with the knowledge and practical capabilities to sustain themselves and possibly their communities until first responders can reach them during a catastrophic incident. The OA also participates in emergency preparedness groups that are composed of residents and members of the business

STATE OF CALIFORNIA**

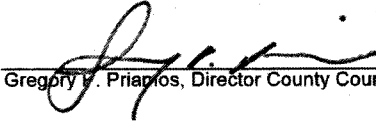

community, which provides emergency preparedness materials and trainings through outreach activities such as safety fairs.

Additional Fiscal Information

Once the application has been approved by the State, Riverside County OA will return to the Board of Supervisors to approve acceptance of the grant. There is no obligation to expend County funds in order to apply for or receive this grant.
