PROJECT TITLE: Gilman Springs Road Resurfacing Project
Work Order #ZC8-0049, Task Code #Z1530

12/01/17 _____
Date Initial

PROJECT SPONSOR: Riverside County Transportation Department

PROJECT LOCATION: Located in Western Riverside County, Moreno Valley Community

SUPERVISORIAL DISTRICT: Third

PROJECT DESCRIPTION: The Riverside County Transportation Department (RCTD) proposes to resurface Gilman Springs Road from the State Highway 79 North bound on/off ramps to 1,100 feet in the south easterly direction near the City of San Jacinto. The project will include the following:

- Mill existing asphalt concrete (AC) and overlay with hot mix asphalt (HMA).
- Remove current AC dike and replace with HMA dike.

The proposed project will be constructed within California Department of Transportation right of way and the County has obtained an encroachment permit. No vegetation removal will be necessary.

In accordance with Section 7.1 of the Western Riverside County MSHCP, necessary operation and maintenance along existing roadways are considered a covered activity outside cell criteria areas. The project will comply with MSHCP construction guidelines and BMP's.

The Riverside County Transportation Department Staff conducted a review of the above referenced project and has determined that the proposal qualifies for a Categorical Exemption per the California Environmental Quality Act (CEQA) Guidelines.

The Riverside County Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

California Environmental Quality Act Guidelines:

Section 15301 (c) – Existing Facilities – The project proposes to resurface Gilman Springs Road and reconstruct the existing AC dike. This minor alteration to the existing public structure involves negligible or no expansion of use and is exempt from CEQA under Section 15301 (c). The improvements are consistent with Section 15301(c) because the project is repair and maintenance of an existing road and associated facilities.

Straight Excess Liability Policy

There are provisions in this policy that restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as such in **underlying insurance**. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured(s)" means any person or organization qualifying as such in **underlying insurance** but only to the extent and within the scope for which such "insured(s)" qualify for coverage in **underlying insurance**.

Words and phrases that are printed in bold-face type are defined in this policy. These definitions are found in **SECTION VI. DEFINITIONS** of this policy or in the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations and in accordance with the provisions of this policy, we agree with you to provide coverage as follows:

Insuring Agreements

SECTION I. COVERAGE

- A. We will pay on behalf of the insured those damages covered by this insurance in excess of the total Applicable Limits of **underlying insurance**. This policy includes:
1. The terms and conditions of **underlying insurance** to the extent such terms and conditions are not inconsistent or do not conflict with the terms and conditions referred to in Paragraph 2. below; and
 2. The terms and conditions that apply to this policy.
- B. Notwithstanding anything to the contrary contained in Paragraph A. above, if **underlying insurance** does not apply to damages for reasons other than exhaustion of total applicable limits of insurance by payment of **loss**, then this policy does not apply to such damages.
- C. The amount we will pay under this policy is limited as described in **SECTION II. LIMITS OF INSURANCE**.
- D. We have no obligation under this policy with respect to any settlement made without our consent.
- E. The insurance afforded under this policy applies to bodily injury or property damage only if prior to the Policy Period, neither you nor any **authorized person** knew that the bodily injury or property damage had occurred, in whole or in part. If you or any **authorized person** knew, prior to the Policy Period, that the bodily injury or property damage occurred, then any continuation, change or resumption of such bodily injury or property damage during or after the Policy Period will be deemed to have been known prior to the Policy Period.

Bodily injury or property damage which occurs during the Policy Period and was not, prior to the Policy Period, known to have occurred by you or any **authorized person** includes any continuation, change or resumption of that bodily injury or property damage after the Policy Period; and

Bodily injury or property damage will be deemed to have been known to have occurred at the earliest time when you or any **authorized person**:

1. Reports all or any part of, the bodily injury or property damage to us or any other insurer;
2. Receives a written or verbal demand or claim for damages because of the bodily injury or property damage; or
3. Becomes aware by any other means that bodily injury or property damage has occurred or has begun to occur.
