BACKGROUND:

Summary

Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2017-175 adopted October 17, 2017, the Board of Supervisors noticed a public hearing for December 5, 2017, to receive testimony regarding the Annexation of Street Lighting Zone 113 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Street Lighting Zone 113 will fund the maintenance and servicing of streetlights within public rights-of-way located northerly of Rancho California Road and westerly of La Serena Way in the Rancho California area and includes (3) assessable commercial parcels totalling 38.31 acres.

On October 18, 2017 a notice of the public hearing and information sheet, a mail-in ballot, an impartial analysis, and a copy of Resolution No. 2017-175 was mailed to all property owners within Street Lighting Zone 113, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2017-175 in an appropriate newspaper at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2017-175 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two (2) other public locations within the County.

Impact on Residents and Businesses

The new assessment is for the purpose of providing the maintenance and servicing of streetlights within public right-of-way.

Only the commercial property owners within the proposed boundaries of Street Lighting Zone 113, which are represented by Plot Plan No. 23318, 23319, 23320 and Parcel Map No. 32888, as described in the attached Exhibit "A" (a two page exhibit containing a description and diagram) are impacted by the cost of this annexation. The property owners within the proposed boundaries of Street Lighting Zone 113 have petitioned the County of Riverside to annex their property to L&LMD No. 89-1-C and understand that this annexation will result in an assessment

on their property to fund the maintenance and servicing of the aforementioned improvements (streetlights).

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for fiscal year 2018-19 for Street Lighting Zone 113 is \$841.80. This will result in an assessment for fiscal year 2018-19 within Street Lighting Zone 113 of \$280.60 per parcel. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers for electricity (CPI-U), if any, as it stands as of March of each year over the base index for March of 2017.

BACKGROUND:

Summary

Landscaping and Lighting Maintenance Districts (L&LMD's) are formed for the purpose of creating a funding mechanism to pay for the installation and maintenance of landscaping, streetlights, traffic signals, drainage inlet water quality filters, decorative fencing, and other roadside features within the road right of way. Within an established L&LMD, zones are created for specific developments, a fee structure is developed specific to the features within that zone, and the zone is then assessed through a tax levy on an annual basis for the installation and maintenance of the features within that particular zone.

L&LMD No. 89-1-C was formed in 1994, Resolution No. 94-389, and currently consists of 124 individual zones with different fee structures spread throughout the County of Riverside (County). The commercial property owner of Plot Plan No. 23318, 23319, 23320 and Parcel Map No. 32888, as described in the attached Exhibit "A", has petitioned the County to annex their property into L&LMD No. 89-1-C, creating Zone 113. The boundaries of Street Light Zone 113 will encompass the entire Plot Plan No. 23318, 23319, 23320 and Parcel Map No. 32888 and will include the maintenance and servicing of streetlights.

Adoption of Resolution No. 2017-174 appoints the Director of the Transportation Department, or his designee, as the Engineer to prepare a Report regarding the proposed annexation of Street Lighting Zone 113 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2017-175 declares the Board of Supervisors' intention of ordering the annexation of Street Lighting Zone 113 to L&LMD No. 89-1-C. The annexation of Street Lighting Zone 113 to L&LMD No. 89-1-C will fund the maintenance and servicing of streetlights within public right-of-way located northerly of Rancho California Road and westerly of La Serena Way in the Rancho California area and includes (3) assessable commercial parcels totalling 38.31 acres.

Consistent with the Board of Supervisors' direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on December 5, 2017 to receive testimony for and against the proposed assessment. Each property owner

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

within the proposed Street Lighting Zone 113 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2017-175, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Street Lighting Zone 113 will be annexed to L&LMD No. 89-1-C.

There is only one individual/entity which owns all of the property within the proposed boundaries of Street Lighting Zone 113 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on December 5, 2017.

Reference

At the direction of the County of Riverside Board of Supervisors, L&LMD No. 89-1-C was formed in 1994 by Resolution No. 94-389 authorizing the annexation of new zones into L&LMD No. 89-1-C for the purpose of levying assessments to pay for the installation and maintenance of landscaping, streetlights and other right-of-way approved improvements.

The zone specific Engineer's Report for fiscal year 2018-19 was prepared in compliance with the requirement of Article 4, Chapter, 1, of the Landscaping and Lighting Act of 1972, which is Part 2, Division 15 of the California Streets and Highways Code. The County initiates annexation proceedings for the annual levy of assessments by passing a resolution, which proposes the new levy under the Landscaping and Lighting Act of 1972. This resolution also describes the improvements, describes the location of the zone within the District and finally orders an engineer, who is a registered professional engineer, certified by the State of California, to prepare and file a detailed report.

In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution, new procedures must be followed to levy annual assessments under the Landscaping and Lighting Act of 1972. A County may levy annual assessments for an assessment district after complying with the requirements of the Landscaping and Lighting Act of 1972, and the provisions of Proposition 218 Right to Vote on Taxes Act.

Impact on Residents and Businesses

The new assessment is for the purpose of providing the maintenance and servicing of streetlights within public right-of-way.

Only the commercial property owners within the proposed boundaries of Street Lighting Zone 113, which are represented by Plot Plan No. 23318, 23319, 23320 and Parcel Map No.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,

32888, as described in the attached Exhibit "A" (a two page exhibit containing a description and diagram) are impacted by the cost of this annexation. By setting up an assessment for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for fiscal year 2018-2019 for Street Lighting Zone 113 is \$841.80. This will result in an assessment for fiscal year 2018-2019 within Street Lighting Zone 113 of \$280.60 per parcel. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers for electricity (CPI-U), if any, as it stands as of March of each year over the base index for March of 2017.

WHEREAS, the Board of Supervisors by Resolution No. 2017-174 directed the Director of the Transportation Department, or his designee (hereinafter the "Engineer"), to prepare and file the Report with the Clerk of the Board of Supervisors in accordance with Sections 22608 and 22585 et. seq. of the Street and Highways Code and Section 4 of Article XIID; and

WHEREAS, said Engineer has filed the Report with the Clerk of the Board of Supervisors and the Report has been presented to and considered by the Board of Supervisors; and

WHEREAS the Applicant has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election to be held on December 5, 2017; and

WHEREAS, it is necessary that the Board of Supervisors adopt a resolution of intention pursuant to Section 22624 of the Streets and Highways Code, which fixes and gives notice, pursuant to Section 22626 of the Streets and Highways Code, of the time and place of a public hearing on said Report, the annexation of Street Lighting Zone 113, and the assessments to be levied on parcels within Street Lighting Zone 113 beginning in fiscal year 2018-2019;

NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED by the Board of Supervisors in regular session assembled on October 17, 2017 as follows:

Section 1. Findings. The Board of Supervisors, after reviewing the Report, finds that:

- (a) The foregoing recitals are true and correct;

(b) The Report contains all matters required by Sections 22565 through 22574 of the Streets and Highways Code and Section 4 of Article XIID and may, therefore, be approved by the Board of Supervisors;

(c) The annual assessment for fiscal year 2018-2019 on all parcels within Street Lighting Zone 113 will be \$280.60 per parcel.

Section 2. Intent. The Board of Supervisors hereby declares its intention to order the annexation of Street Lighting Zone 113, as described and shown in Exhibit "A", to L&LMD No. 89-1-C, and to levy and collect an annual assessment on all assessable lots and parcels of property within Street Lighting Zone 113 commencing with the fiscal year 2018-2019 as set forth in the Report. The Report expressly states that there are no parcels or lots within Street Lighting Zone 113 that are owned by a federal, state or other local governmental agency that will benefit from the services to be financed by the annual assessments. The annual assessments will be collected at the same time and in the same manner as property taxes are collected, and all laws providing for the collection and enforcement of property taxes shall apply to the collection and enforcement of said assessments.

Section 3. Boundaries. All the property within boundaries of Street Lighting Zone 113 is proposed to be annexed to L&LMD No. 89-1-C and shall include that property in the unincorporated area of the County as described and shown in Exhibit "A".

Section 4. Description of Services to be Provided. The services authorized for Street Lighting Zone 113 of L&LMD No. 89-1-C are:

(a) Providing electricity to and the maintenance and servicing of streetlights within the public right-of-way including incidental costs and expenses.

Section 5. Amount to be Levied. The assessment to be levied upon each parcel that benefits from the annexation of Street Lighting Zone 113 to L&LMD No. 89-1-C will be \$280.60 per parcel for fiscal year 2018-2019. As stated in the Report, the total budget for Street Lighting Zone 113 for the fiscal year 2018-2019 is \$841.80; there are 3 parcels that are to be assessed that aggregate to 38.31 acres. Each succeeding fiscal year the special assessment may be subject to an annual adjustment that is the greater of two percent (2%) or the cumulative percentage increase, if any, in the Consumer Price Index for all Urban Consumers for electricity ("CPI-U") for the Los Angeles-Riverside-Orange County California Standard Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of the United States Department of Labor. The annual CPI-U adjustment will be based on the cumulative increase, if any, in the "Index" as it stands on March of each year over the base Index for March of 2017. Any increase larger than the greater of 2% or the CPI-U annual adjustment requires a majority approval of all the property owners in Street Lighting Zone 113. The Board of Supervisors will levy the assessment in each subsequent fiscal year until the Board of Supervisors undertakes proceedings for the dissolution of Street Lighting Zone 113 of L&LMD No. 89-1-C. The annual assessment will fund the services described in Section 4 of this Resolution. For further particulars, reference is to be made to the Report on file in the Office of the Clerk of the Board of Supervisors.

Section 6. The Property to be Annexed. The property to be annexed to L&LMD No. 89-1-C is Street Lighting Zone 113. The boundaries of Street Lighting Zone 113 are located within the unincorporated area of the County and are described and shown in the Report and Exhibit "A".

Section 7. Report. The Report, which is on file with the Clerk of the Board of Supervisors and which has been presented to the Board of Supervisors, is hereby approved. Section 8. Public Hearing. The question of whether Street Lighting Zone 113 shall be annexed to L&LMD No. 89-1-C and an annual assessment levied beginning with fiscal year 2018-2019 shall be considered at a public hearing (hereinafter the "Public Hearing") to be held on **December 5, 2017, at 9:00 a.m.** at the meeting room of the Board of Supervisors of the County at 4080 Lemon Street, 1st Floor, Riverside, California.

Section 9. Majority Protest. Each owner of record of property within Street Lighting Zone 113 is to receive by mail an assessment ballot that shall conform to the requirements of Section 4 of Article XIID and Section 4000 of the California Elections Code. The assessment ballots are to be returned prior to the Public Hearing. The agency shall not impose an assessment if there is a majority protest. A majority protest exists if, upon the conclusion of the hearing, ballots submitted in opposition to the assessment exceed the

ballots submitted in favor of the assessment. In tabulating the ballots, the ballots shall be weighted according to the proportional financial obligation of the affected property.

Section 10. Information. Any property owner desiring additional information regarding Street Lighting Zone 113 of L&LMD No. 89-1-C, the Report, or the proposed assessment is to contact Ms. Brigitte Hahn, Senior Engineering Technician, Transportation Department of the County of Riverside, 4080 Lemon Street, 8th Floor, Riverside, California, 92501, or by telephone at 951-955-6263, or by e-mail at bhahn@rctlma.org.
