BACKGROUND:

Summary

The Transportation Improvement Program (TIP) provides for the construction of the section of Thousand Palms Canyon Road located approximately between 1.5 miles north of the Ramon Road/Washington Street intersection and approximately 2.5 miles south of Dillon Road, in the Thousand Palms area of Riverside County.

The scope of work includes construction of a turning lane to an existing driveway entrance for the Thousand Palms Oasis Preserve, shoulder widening on either side of roadway and resurfacing of existing pavement. Additional associated work includes cold plan existing asphalt concrete pavement, installation of roadside signs and pavement markings, installation of rumble stripe, and other associated work.

The submitted plans and specifications have been approved as to form by County Counsel.

County Project No. C3-0087
Federal project No. HRRRL-5956(219)

Environmental Findings

The County Transportation Department is requesting that the Board approve the Notice of Exemption which documents that the road widening, turning lane and resurfacing of Thousand Palms Canyon Road within the County right of way is a negligible expansion of an existing public facility and is exempt under Section 15301 (c) of the CEQA Guidelines. In addition, pursuant to the use of federal funds, Caltrans determined on March 1, 2016 that the project was a Categorical Exclusion under 23 CFR 771.117(c) activity (c)(3) of the National Environmental Policy Act (NEPA).

Impact on Citizens and Businesses

This project will improve safety with the addition of a left turn pocket at the entrance to the Coachella Valley preserve and wider shoulders along the curved roadway section adjacent to the Preserve.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The work is scheduled to begin in spring 2018. The work will be phased to keep the road open during construction as much as possible and will take approximately two months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The construction contract is estimated to cost approximately \$581,660. Construction is expected to begin and finish in FY 2017/2018 and will be funded with Federal – HSIP (Highway Safety Improvement Program) and Gas Tax/ HUTA funds. The Department had successfully competed and obtained \$693,000 of HSIP funding in total towards the safety improvements to cover 84% of construction and construction Engineering.

There are no General Funds used in this project.

NOTICE OF EXEMPTION

November 13, 2017

PROJECT TITLE: **Thousand Palms Canyon Road Widening Project**
Work Order #ZC3-0087, Task Code #Z1530

PROJECT SPONSOR: Riverside County Transportation Department

PROJECT LOCATION: Located in Central Riverside County, Thousand Palms Community

SUPERVISORIAL DISTRICT: Fourth

PROJECT DESCRIPTION: The Riverside County Transportation Department (RCTD) proposes to widen approximately one mile of Thousand Palms Canyon Road from 1.5 miles north of Ramon Road to 2.5 miles south of Dillon Road within County right of way. The Project will provide a 32-foot wide roadway with two 12-foot wide travel lanes and 4-foot wide shoulders on each side. The project will include the following:

- Pulverize and condition the existing asphalt pavement and place 0.40' of Hot Mix Asphalt.
- Construct Safety Edge pavement end condition and shoulder backing.
- Widen and grade existing dirt shoulders.
- Signing and striping modifications.
- Construction of turn lane to existing driveway for Thousand Palms Oasis Walkway
- Construct centerline rumble strip.

In accordance with Section 7.1 of the Western Riverside County MSHCP, necessary operation and maintenance along existing roadways are considered a covered activity outside cell criteria areas. The project will comply with MSHCP construction guidelines and BMP's. A pre-construction nesting bird survey will be required if construction takes place during the nesting bird season.

The Riverside County Transportation Department Staff conducted a review of the above referenced project and has determined that the proposal qualifies for a Categorical Exemption per the California Environmental Quality Act (CEQA) Guidelines.

The Riverside County Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

California Environmental Quality Act Guidelines:

Section 15301 (c) – Existing Facilities – The project proposes to widen and resurface Thousand Palms Canyon Road. This minor alteration to the existing public structure involves negligible or no expansion of use and is exempt from CEQA under Section 15301(c). The improvements are consistent with Section 15301(c) because the project is repair and maintenance of an existing road and associated facilities.
