BACKGROUND:

Summary

Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2017-181 adopted December 12, 2017, the Board of Supervisors noticed a public hearing for February 27, 2018, to receive testimony regarding the Annexation of Zone 198 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Zone 198 will fund the maintenance and servicing of runoff catch basin filters, streetlights, traffic signals, and future median landscaping within public rights-of-way located easterly of Blanding Way, northerly of Harley Knox Boulevard, southerly of Nandina Avenue and westerly of Decker Road in the Mead Valley area and includes 1 commercial parcel totalling 36.55 acres.

On December 13, 2017 a notice of the public hearing and information sheet, a mail-in ballot, an impartial analysis, and a copy of Resolution No. 2017-181 was mailed to all property owners within Zone 198, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2017-181 in an appropriate newspaper at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2017-181 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two (2) other public locations within the County.

Impact on Residents and Businesses

The new assessment is for the purpose of providing the maintenance and servicing of runoff catch basin filters, streetlights, traffic signals, and future median landscaping within public right-of-way.

Only the commercial property owners within the proposed boundaries of Zone 198, which are represented by Plot Plan No. 25954, as described in the attached Exhibit "A" (a two page exhibit containing a description and diagram) are impacted by the cost of this annexation. The property owners within the proposed boundaries of Zone 198 have petitioned the County of Riverside to annex their property to L&LMD No. 89-1-C and understand that this annexation will result in an assessment on their property to fund the maintenance and servicing of the aforementioned

The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), if any, as it stands as of March of each year over the base index for March of 2017.

BACKGROUND:

Summary

Landscaping and Lighting Maintenance Districts (L&LMD's) are formed for the purpose of creating a funding mechanism to pay for the installation and maintenance of landscaping, streetlights, traffic signals, drainage inlet water quality filters, decorative fencing, and other roadside features within the road right of way. Within an established L&LMD, zones are created for specific developments, a fee structure is developed specific to the features within that zone, and the zone is then assessed through a tax levy on annual basis for the installation and maintenance of the features within that particular zone.

L&LMD No. 89-1-C was formed in 1994, Resolution No. 94-389, and currently consists of 124 individual zones with different fee structures spread throughout Riverside County. The commercial property owner of Plot Plan No. 25954, as described in the attached Exhibit "A", has petitioned the County to annex their property into L&LMD No. 89-1-C, creating Zone 198. The boundaries of Zone 198 will encompass the entire Plot Plan No. 25954 and will include the maintenance and servicing of fossil filters, streetlights, traffic signals, and future median landscaping.

Adoption of Resolution No. 2017-180 appoints the Director of the Transportation Department, or his designee, as the Engineer to prepare a Report regarding the proposed annexation of Zone 198 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2017-181 declares the Board of Supervisors' intention of ordering the annexation of Zone 198 to L&LMD No. 89-1-C. The annexation of Zone 198 to L&LMD No. 89-1-C will fund the maintenance and servicing of fossil filters, streetlights, traffic signals within public right-of-way known as Service Level 1; ensuring the future median landscaping within public right-of-way known as Service Level 2; located easterly of Blanding Way, northerly of Harley Knox Boulevard, southerly of Nandina Avenue and westerly of Decker Road in the Mead Valley area and includes 1 commercial parcel totalling 36.55 acres.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Consistent with the Board of Supervisors' direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on February 27, 2018 to receive testimony for and against the proposed assessment. Each property owner within the proposed Zone 198 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2017-181, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Zone 198 will be annexed to L&LMD No. 89-1-C.

There is only one individual/entity which owns all of the property within the proposed boundaries of Zone 198 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on February 27, 2018.

Reference

At the direction of the County of Riverside Board of Supervisors, L&LMD No. 89-1-C was formed in 1994 by Resolution No. 94-389 authorizing the annexation of new zones into L&LMD No. 89-1-C for the purpose of levying assessments to pay for the installation and maintenance of landscaping, streetlights and other right-of-way approved improvements.

The zone specific Engineer's Report for fiscal year 2018-19 was prepared in compliance with the requirement of Article 4, Chapter, 1, of the Landscaping and Lighting Act of 1972, which is Part 2, Division 15 of the California Streets and Highways Code. The County initiates annexation proceedings for the annual levy of assessments by passing a resolution, which proposes the new levy under the Landscaping and Lighting Act of 1972. This resolution also describes the improvements, describes the location of the zone within the District and finally orders an engineer, who is a registered professional engineer, certified by the State of California, to prepare and file a detailed report.

In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution, new procedures must be followed to levy annual assessments under the Landscaping and Lighting Act of 1972. A County may levy annual assessments for an assessment district after complying with the requirements of the Landscaping and Lighting Act of 1972, and the provisions of Proposition 218 Right to Vote on Taxes Act.

Impact on Residents and Businesses

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The new assessment is for the purpose of providing the maintenance and servicing of fossil filters, streetlights, traffic signals (Service Level 1), and future median landscaping (Service Level 2) within public right-of-way.

Only the commercial property owners within the proposed boundaries of Zone 198, which are represented by Plot Plan No. 25954, as described in the attached Exhibit "A" (a two page exhibit containing a description and diagram) are impacted by the cost of this annexation. By setting up an assessment for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for fiscal year 2018-19 for Zone 198 is \$6,999.04. This will result in an assessment for fiscal year 2018-19 within Zone 198 of \$6,999.04 per parcel. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), if any, as it stands as of March of each year over the base index for March of 2017.

In addition to the standard annual adjustment, beginning in the fiscal year in which Service Level 2 becomes active, the annual assessments may be further increased. For the fiscal year in which the maintenance and servicing of the median landscaping improvements on Harley Knox Boulevard becomes active, the annual assessment may be increased by \$3,827.94 per parcel which, when added to the assessment for fossil filters, streetlights and traffic signals, will result in an aggregate assessment of \$10,826.98 per parcel, adjusted for inflation. The standard annual adjustment will be applied to this increased assessment in all subsequent fiscal years following the year in which Service Level 2 becomes active. Under the proposed annexation, neither the assessment increases based on the standard annual adjustment nor the further increases associated with Level 2 services becoming active, will require any further approval of the property owners within Zone 198.

WHEREAS, such proceedings shall comply with the requirements of Article XIID of the California Constitution (hereinafter "Article XIID:"), the Act, and Section 4000 of the Elections Code requiring voter approval of the proposed assessment to be levied by L&LMD No. 89-1-C for Zone 198; and

WHEREAS, the Board of Supervisors by Resolution No. 2017-180 directed the Director of the Transportation Department, or his designee (hereinafter the "Engineer"), to prepare and file the Report with the Clerk of the Board of Supervisors in accordance with Sections 22608 and 22585 et. seq. of the Street and Highways Code and Section 4 of Article XIID; and

WHEREAS, said Engineer has filed the Report with the Clerk of the Board of Supervisors and the Report has been presented to and considered by the Board of Supervisors; and

WHEREAS the Applicant has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election to be held on February 27, 2018; and

WHEREAS, it is necessary that the Board of Supervisors adopt a resolution of intention pursuant to Section 22624 of the Streets and Highways Code, which fixes and gives notice, pursuant to Section 22626 of the Streets and Highways Code, of the time and place of a public hearing on said Report, the annexation of Zone 198, and the assessments to be levied on parcels within Zone 198 beginning in fiscal year 2018-19;

NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED by the Board of Supervisors in regular session assembled on December 12, 2017 as follows:

Section 1. Findings. The Board of Supervisors, after reviewing the Report, finds that:

- (a) The foregoing recitals are true and correct;
- (b) The Report contains all matters required by Sections 22565 through 22574 of the Streets and Highways Code and Section 4 of Article XIID and may, therefore, be approved by the Board of Supervisors;

(c) The annual assessment for Service Level 1 for fiscal year 2018-19 on all parcels within Zone 198 will be \$6,999.04 per parcel.

(d) Beginning in the fiscal year in which the services for Service Level 2 become active, the annual assessment and all subsequent annual assessments may be increased accordingly, as detailed in Section 5 of this Resolution.

Section 2. Intent. The Board of Supervisors hereby declares its intention to order the annexation of Zone 198, as described and shown in Exhibit "A", to L&LMD No. 89-1-C, and to levy and collect an annual assessment on all assessable lots and parcels of property within Zone 198 commencing with the fiscal year 2018-19 as set forth in the Report. The Report expressly states that there are no parcels or lots within Zone 198 that are owned by a federal, state or other local governmental agency that will benefit from the services to be financed by the annual assessments. The annual assessments will be collected at the same time and in the same manner as property taxes are collected, and all laws providing for the collection and enforcement of property taxes shall apply to the collection and enforcement of said assessments.

Section 3. Boundaries. All the property within boundaries of Zone 198 is proposed to be annexed to L&LMD No. 89-1-C and shall include that property in the unincorporated area of the County as described and shown in Exhibit "A".

Section 4. Description of Services to be Provided. The services authorized for Zone 198 of L&LMD No. 89-1-C are:

(a) The maintenance and servicing of landscaping within the public right-of-way including the trimming, fertilizing, weeding and replanting of trees, shrubs, grass, and other ornamental vegetation; and

(b) The maintenance and servicing of fossil filters within the public right-of-way including the removal of petroleum hydrocarbons and other pollutants from water runoff; and

(c) Providing electricity to and the maintenance and servicing of streetlights and traffic signals within the public right-of-way including incidental costs and expenses.

Section 5. Amount to be Levied. The assessment to be levied upon each parcel that benefits from the annexation of Zone 198 to L&LMD No. 89-1-C will be \$6,999.04 per parcel for fiscal year 2018-19. As stated in the Report, the total budget for Zone 198 for the fiscal year 2018-19 is \$6,999.04; there are parcels that are to be assessed that aggregate to 36.55 acres. Each succeeding fiscal year the special assessment may be subject to an annual adjustment that is the greater of two percent (2%) or the cumulative percentage increase, if any, in the Consumer Price Index for all Urban Consumers ("CPI-U") for the Los Angeles-Riverside-Orange County California Standard Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of the United States Department of Labor. The annual CPI-U adjustment will be based on the cumulative increase, if any, in the "Index" as it stands on March of each year over the base Index for March of 2017. Any increase larger than the greater of 2% or the CPI-U annual adjustment requires a majority approval of all the property owners in Zone 198. The Board of Supervisors will levy the assessment in each subsequent fiscal year until the Board of Supervisors undertakes proceedings for the dissolution of Zone 198 of L&LMD No. 89-1-C. The annual assessment will fund the services described in Section 4 of this Resolution. For further particulars, reference is to be made to the Report on file in the Office of the Clerk of the Board of Supervisors.

In addition to the Standard Annual Adjustment, beginning in the fiscal year in which the services for Service Level 2 become active, the annual assessments may be further increased. For the fiscal year in which the maintenance and servicing of the median landscaping on Harley Knox Boulevard becomes active, the annual assessment may be increased by \$3,82.94 per parcel which when added to the assessment for Service Level 1 will result in an aggregate assessment of \$10,826.98 per parcel, adjusted for inflation, as detailed in the Report. The Standard Annual Adjustment will be applied to this increased assessment in all subsequent fiscal years following the year in which the services for Service Level 2 became active without regard to the \$10,826.98 per parcel, inflation adjusted, assessment ceiling.

Section 6. The Property to be Annexed. The property to be annexed to L&LMD No. 89-1-C is Zone 198. The boundaries of Zone 198 are located within the unincorporated area of the County and are described and shown in the Report and Exhibit "A".

Section 7. Report. The Report, which is on file with the Clerk of the Board of Supervisors and which has been presented to the Board of Supervisors, is hereby approved. Reference is made to the Report for a full and detailed description of the services, the boundaries of Zone 198, and the annual assessment to be levied upon assessable lots and parcels within Zone 198 proposed to be annexed to L&LMD No. 89-1-C.

Section 8. Public Hearing. The question of whether Zone 198 shall be annexed to L&LMD No. 89-1-C and an annual assessment levied beginning with fiscal year 2018-19 shall be considered at a public hearing (hereinafter the "Public Hearing") to be held on February 27, 2018, at 9:00 a.m. at the meeting room of the Board of Supervisors of the County at 4080 Lemon Street, 1st Floor, Riverside, California.

Section 9. Majority Protest. Each owner of record of property within Zone 198 is to receive by mail an assessment ballot that shall conform to the requirements of Section 4 of Article XIID and Section 4000 of the California Elections Code. The assessment ballots are to be returned prior to the Public Hearing. The agency shall not impose an assessment if there is a majority protest. A majority protest exists if, upon the conclusion of the hearing, ballots submitted in opposition to the assessment exceed the ballots submitted in favor of the assessment. In tabulating the ballots, the ballots shall be weighted according to the proportional financial obligation of the affected property.

Section 10. Information. Any property owner desiring additional information regarding Zone 198 of L&LMD No. 89-1-C, the Report, or the proposed assessment is to contact Ms. Brigitte Hahn, Senior Engineering Technician, Transportation Department of the County of Riverside, 4080 Lemon Street, 8th Floor, Riverside, California, 92501, or by telephone at 951-955-6263, or by e-mail at bhahn@rctlma.org.

Section 11. Notice of the Public Hearing. Notice of Public Hearing with regard to the annexation of Zone 198 to L&LMD No. 89-1-C shall be given consistent with Section 22626 of the Streets and Highways Code and Section 4 of Article XIID. The Clerk of the Board of Supervisors shall give notice of the Public Hearing by causing a certified copy of this Resolution to be published once in an appropriate newspaper at least ten (10) days prior to the date of the Public Hearing that is February 27, 2018. Publication of this Resolution is to be effected by the Clerk of the Board of Supervisors. Notice shall also be given by mailing first-class, postage prepaid, those notices, as prepared by County Counsel, assessment ballot and information sheets as required by Section 4 of Article XIID and Section 4000 of the California Elections Code to all owners of record of property within Zone 198 as shown on the last equalized assessment roll of the County. Mailing is to be made by the Engineer and deposited with the U. S. Post Office at least forty-five (45) days prior to the Public Hearing on February 27, 2018.

Section 12 Effective Date. This Resolution shall take effect from and after its date of adoption.
