BACKGROUND:

Summary

Education Code Section 15140 requires that General Obligation Bonds of a school district be offered for sale by the Board of Supervisors of the County when the County's Superintendent of Schools has jurisdiction over the district and when the district wishes to offer its bonds via a negotiated sale. Although California law permits a board of supervisors to opt out of that requirement, the County Treasurer strongly recommends that school districts and community college districts not be allowed to negotiate the sale of bonds without his participation.

Corona-Norco Unified School District (the "District"), under the jurisdiction of the Riverside County Superintendent of Schools, wishes to offer bonds via a negotiated sale. Accordingly, the District Board of Education adopted a resolution requesting this Board to sell the District's general obligation bonds which have been duly authorized by the voters of the District.

An election was held on November 4, 2014 pursuant to Section 1 of Article XIII A of the California Constitution, Section 18 of Article XVI of the California Constitution, and Chapter 1 of Part 10 of Division 1 of Title 1 (Section 15266) of the Education Code, codifying, in part, Proposition 39. The measure, which was approved by more than fifty-five percent of the votes cast by eligible voters of the District, authorized the incurrence of general obligation bonded indebtedness in an aggregate principal amount not to exceed \$396,000,000.

On July 8, 2015, the Corona-Norco Unified School District Election of 2014 General Obligation Bonds, Series A (the "Series A Bonds") were issued in the aggregate principal amount of \$99,995,000.

Resolution No. 2018-048 authorizes the issuance and sale of Corona-Norco Unified School District Election of 2014 General Obligation Bonds, Series B (the "Series B Bonds") in a principal amount not to exceed \$121,000,000. The proceeds of the Series B Bonds will be used to finance the repair, upgrading, acquisition, construction and equipping of certain District property and facilities.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Series B Bonds represent a general obligation of the District and do not constitute a debt, liability or obligation of the County. No part of any fund of the County is pledged or obligated to the payment of the Series B Bonds.

County Counsel has reviewed Resolution No. 2018-048 and has approved it as to form.

Impact on Residents and Businesses

The voters of the District approved the levy of ad valorem property taxes to pay for increased bonded indebtedness in exchange for new and improved District facilities, projects, and equipment.

SECTION 2. Purpose; Authorization. To raise money for the purposes authorized by voters of the District at the Election and to pay all necessary legal, financial and contingent costs in connection with the issuance of the Bonds, this Board hereby petitions the County Board to authorize the issuance of the Bonds pursuant to the Act and Section 15140 of the California Education Code. This Board hereby further orders such Bonds shall be sold at a negotiated sale such that the Bonds shall be dated as of a date to be determined by said County Board, shall bear interest at a rate not-to-exceed that authorized at the Election, shall be payable upon such terms and provisions as shall be set forth in the Bonds and shall be in an aggregate principal amount not-to-exceed \$121,000,000. The Board

hereby approves the sale of the Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriter to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. The Board estimates that the costs associated with the issuance of the Bonds, including compensation to the Underwriter and any such costs which the Underwriter agrees to pay pursuant to the Purchase Contract, will equal approximately 0.4% of the principal amount of the Bonds.

This Board hereby authorizes the issuance of the Bonds as one or more series of Taxable or Tax-Exempt Current Interest Bonds, with appropriate designation if more than one Series is issued, as set forth in the fully-executed Purchase Contract, subject to the provisions of the County Resolution. Notwithstanding any other provision herein, the ratio of total debt service to principal for each Series of Bonds shall not exceed four-to-one.

SECTION 3. Paying Agent. This Board does hereby authorize the appointment of U.S. Bank National Association as the authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Paying Agent") for the Bonds. This Board hereby approves the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable. The fees and expenses of the Paying Agent which are not paid as a cost of issuance of the Bonds may be paid in each year from *ad valorem* property taxes levied and collected for the payment thereof, insofar as permitted by law, including specifically by Section 15232 of the Education Code.

SECTION 4. Tax Covenants.

The District hereby covenants with the Holders of such Bonds that, notwithstanding any other provisions of this Resolution or the County Resolution, it will (1) comply with all of the provisions of the County Resolution relating to the Rebate Fund (as defined therein) and perform all acts necessary to be performed by the District in connection therewith, and (2) make no use of the proceeds of the Bonds or of any other amounts, regardless of the source, or of any property or take any action, or refrain from taking any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

The District will not make any use of the proceeds of the Bonds or any other funds of the District, or take or omit to take any other action, that would cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code or "federally guaranteed" within the meaning of Section 149(b) of the Code. To that end, so long as any Bonds are unpaid, the District, with respect to such proceeds and such other funds, will comply with all requirements of such Sections and all regulations of the United States Department of the Treasury issued thereunder and under Section 103 of the Internal Revenue Code of 1986, as amended, to the extent such requirements are, at the time, applicable and in effect.

The District will not use or permit the use of its facilities or any portion thereof by any person other than a governmental unit, as such term is used in Section 141 of the Code, in such manner or to such extent as would result in the loss of exclusion from gross income for federal income tax purposes of the interest paid on the Tax-Exempt Bonds. In furtherance of the foregoing tax covenants of this Section, the District covenants that it will comply with the instructions and requirements of that certain tax certificate to be executed and delivered by the District on the date of issuance of such Tax-Exempt

Bonds (the "Tax Certificate") , which is incorporated herein as if fully set forth herein. These covenants shall survive the payment in full or defeasance of the Bonds.

SECTION 5. Rebate Fund. The following provisions shall apply to any Bonds issued as Tax-Exempt Bonds.

(a) The District shall create and establish a special fund designated the "Corona-Norco Unified School District Election of 2014 General Obligation Bonds, Series B Rebate Fund" (the "Rebate Fund"). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the "Rebate Requirement") pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the "Treasury Regulations"). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate.

(b) Within 45 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Tax-Exempt Bonds the amount that would be considered the "rebate amount" within the meaning of Section 1.148-3 of the Treasury Regulations, using as the "computation date" for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the "rebate amount" so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the "rebate amount" calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the "rebate amount" and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Tax-Exempt Bonds (including amounts treated as proceeds of the Tax-Exempt Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a "bona fide debt service fund." In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Tax-Exempt Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the "rebate amount" and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than 60 days after the end of (i) the fifth Bond Year, and (ii) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to

at least 90% of the "rebate amount" calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than 60 days after the payment of all Tax-Exempt Bonds, an amount equal to 100% of the "rebate amount" calculated as of the date of such payment (and any income attributable to the "rebate amount" determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until three years after the complete retirement of the Tax-Exempt Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Tax-Exempt Bonds.

SECTION 6. Legislative Determinations. This Board determines that all acts and conditions necessary to be performed by the District or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will be exceeded in the issuance of the Bonds. This Board also finds and determines that all *ad valorem* taxes shall be levied specifically to pay the Bonds being issued to finance specific projects authorized by the votes of the District at the Election.

Based upon a good faith estimate provided by Piper Jaffray & Co., the District further finds that the True Interest Cost of the Bonds is expected to be approximately 3.60%, the total Finance Charge is expected to be 0.73% of the par amount of the Bonds, the District expects to receive \$118,750,406 of Proceeds from the sale of the Bonds after fees are paid, and the District expects the Total Payment Amount to be \$226,988,061.

SECTION 7. Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are Outstanding (as such term is defined in the County Resolution) in an amount sufficient to pay the Principal of and interest on the Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District (as such term is defined in the County Resolution),

which fund is hereby designated for the payment of the Principal of and interest on the Bonds when and as the same fall due, and for no other purpose. Pursuant to California Government Code Sections 5450 and 5451, moneys on deposit in the Debt Service Fund are hereby pledged to the payment of the Principal of and interest on the Bonds, and for no other purpose.

SECTION 8. Official Statement. The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Secretary to the Board is hereby approved and the Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Underwriter to be used in connection with the offering and sale of the Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement "final" pursuant to Rule 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriter a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriter is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds and is directed to deliver copies of any final Official Statement to the purchasers of the Bonds. Execution of the Official Statement shall conclusively evidence the District's approval of the Official Statement.

SECTION 9. Purchase Contract. The form of Purchase Contract for the Bonds on file with the Secretary to the Board is hereby approved. In connection with the sale of the Bonds, the Board authorizes the Authorized Officers, each alone, on behalf of the District, to execute and deliver to the Underwriter a Purchase Contract for the Bonds, with such terms and conditions as may be acceptable to such official; provided, however, that the interest rate on the Bonds shall not exceed that authorized at the Election, the underwriting discount (excluding original discount) shall not exceed 0.4% of the aggregate principal amount of the Bonds issued, and the aggregate principal amount of the Bonds shall not exceed \$121,000,000.

The Authorized Officers, each alone, are hereby authorized to select a Bond Insurer to insure payments of interest and principal on the Bonds, so long as such Authorized Officer determines that obtaining the municipal bond insurance policy provided thereby will result in a lower interest rate or yield to maturity on the Bonds.

SECTION 10. Bond Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the Principal of and interest on the Bonds, it shall become the Owner of such Bonds with the right to payment of Principal of and interest on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims of past due interest, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 11. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate to be executed by the District and dated the date of issuance and delivery of the Bonds, as originally executed

and as it may be amended from time to time in accordance with the terms thereof. The Board hereby approves the form of the Continuing Disclosure Certificate appended to the form of Preliminary Official Statement on file with the Secretary to the Board as of the date hereof, and the Authorized Officers, each alone, are hereby authorized to execute and deliver such Continuing Disclosure Certificate with such changes therein and modifications thereto as shall be approved by the Underwriter and the Authorized Officer executing the same, such approval to be conclusively evidenced by such execution and delivery. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Bonds.

SECTION 12. Authorized Actions. Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 13. Professional Services. The Board hereby appoints Piper Jaffray & Co., as Financial Advisor and Stradling Yocca Carlson & Rauth, a Professional Corporation, as Bond Counsel and Disclosure Counsel, each with respect to the issuance of the Bonds

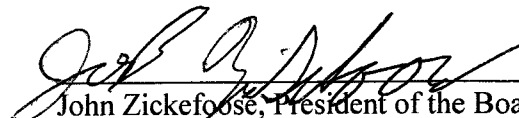

SECTION 14. Other Actions. To the extent the issuance of Bonds includes Long Current Interest Bonds, the useful life of any facility financed with such Long Current Interest Bonds will equal or exceed the maturity of such Long Current Interest Bonds, as shall be further evidenced by a certificate of the District substantially to such effect.

SECTION 15. Recitals. All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.

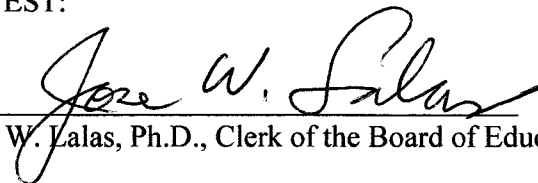

SECTION 16. Effective Date. This Resolution shall take effect immediately upon its passage.

Agent appointed to replace any resigned or removed Paying Agent to mail notice of
its appointment and the address of its principal office to all registered Owners.

satisfy and discharge the District's liability upon the Bonds, including interest, to the extent
of the amount or amounts so paid.

11 Any Bond may be exchanged for Bonds of like Series, tenor, maturity and Transfer
12 Amount upon presentation and surrender at the office of the Paying Agent designated for
13 such purpose, together with a request for exchange signed by the registered Owner or by a
14 person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may
15 be transferred only on the Bond Register by the person in whose name it is registered, in
16 person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the
17 office of the Paying Agent designated for such purpose, accompanied by delivery of a written

Owner equal to the Transfer Amount of the Bond surrendered and bearing interest at the
same rate and maturing on the same date.

18 If manual signatures on behalf of the County are required, the Paying Agent shall
19 undertake the exchange or transfer of Bonds only after the new Bonds are signed by the
20 authorized officers of the County. In all cases of exchanged or transferred Bonds, the County
21 shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the
22 provisions of this Resolution. All fees and costs of transfer shall be paid by the transferor.
Those charges may be required to be paid before the procedure is begun for the exchange or
transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the
District, evidencing the same debt, and entitled to the same security and benefit under this
Resolution as the Bonds surrendered upon that exchange or transfer.

23 Any Bond surrendered to the Paying Agent for payment, retirement, exchange,
24 replacement or transfer shall be cancelled by the Paying Agent. The District and the County
25 may at any time deliver to the Paying Agent for cancellation any previously authenticated
26 and delivered Bonds that the District and the County may have acquired in any manner
27 whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. Written
reports of the surrender and cancellation of Bonds shall be made by the Paying Agent to the

1 period of two years and then returned to the District or destroyed by the Paying Agent as
2 directed by the District.

4 transfer any Bonds during a period beginning with the opening of business on the 16th day
5 next preceding either any Bond Payment Date or any date of selection of Bonds to be
6 redeemed and ending with the close of business on the Bond Payment Date or day on which
7 the applicable notice of redemption is given or (b) transfer any Bonds which have been
8 selected or called for redemption in whole or in part.

9 In case any Bond secured hereby shall become mutilated or destroyed, stolen or lost,
10 the Paying Agent shall cause to be executed and authenticated a new Bond of like date and
11 tenor in exchange and substitution for and upon the cancellation of such mutilated Bond or in
12 lieu of and in substitution for such Bond mutilated, destroyed, stolen or lost, upon the Owner
13 paying the reasonable expenses and charges in connection therewith, and, in the case of a
14 Bond destroyed, stolen or lost, such Owner's filing with the Paying Agent and the County of
15 evidence satisfactory to them that such Bond was destroyed, stolen or lost, and/or such
16 Owner's ownership thereof in furnishing the Paying Agent and County with indemnity
17 satisfactory to each of them.

18 Any new Bonds issued pursuant to this Section 10 in substitution for Bonds alleged
19 to be destroyed, stolen or lost shall constitute original additional contractual obligations on
20 the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are
21 at any time enforceable by anyone, and shall be equally secured by and entitled to equal and
22 proportionate benefits with all other Bonds issued under this Resolution in any moneys or
23 securities held by the Paying Agent for the benefit of the Owners of the Bonds.

26 redemption prior to maturity as provided in the Purchase Contract.

this Resolution for the redemption of Bonds and less than all Outstanding Bonds are
to be redeemed, the Paying Agent, upon written instruction from the District, shall
select Bonds for redemption as so directed by the District and if not directed, in
inverse order of maturity. Within a maturity, the Paying Agent shall select Bonds for
redemption as directed by the District, and if not so directed, by lot. Redemption by
lot shall be in such manner as the Paying Agent shall determine; provided, however,
that with respect to redemption by lot, the portion of any Bond to be redeemed in part
shall be in the principal amount of \$5,000 or any integral multiple thereof.

The Purchase Contract may provide that (i) in the event that a portion of any
Term Bond is optionally redeemed prior to maturity, the remaining mandatory
sinking fund payments with respect to such Term Bonds shall be reduced
proportionately or as otherwise directed by the District, in integral multiples of

1 \$5,000 principal amount, in respect to the portion of such Term Bond optionally
2 redeemed, or (ii) within a maturity, Bonds shall be selected for redemption on a "Pro
3 Rata Pass-Through Distribution of Principal" basis in accordance with DTC
4 procedures; provided further that, such pro-rata redemption is made in accordance
5 with the operational arrangements of DTC then in effect.

6 (d) Redemption Notice. When redemption is authorized or required
7 pursuant to Section 11 hereof, the Paying Agent, upon written instruction from the
8 District, shall give notice (a "Redemption Notice") of the redemption of the Bonds.
9 Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof
10 (in the case of redemption of the Bonds in part but not in whole) which are to be
11 redeemed, (b) the date of redemption, (c) the place or places where the redemption
12 will be made, including the name and address of the Paying Agent, (d) the
13 redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be
14 redeemed, (f) the Bond numbers of the Bonds to be redeemed in whole or in part and,
15 in the case of any Bond to be redeemed in part only, the portion of the Principal
16 Amount of such Bond to be redeemed, and (g) the original issue date, interest rate
17 and stated maturity date of each Bond to be redeemed in whole or in part. Such
18 Redemption Notice shall further state that on the specified date there shall become
19 due and payable upon each Bond or portion thereof being redeemed at the redemption
20 price thereof, together with the interest accrued to the redemption date, and that from
21 and after such date, interest with respect thereto shall cease to accrue.

22 The Paying Agent shall take the following actions with respect to such
23 Redemption Notice:

24 (i) At least 20 but not more than 45 days prior to the redemption
25 date, such Redemption Notice shall be given to the respective Owners of
26 Bonds designated for redemption by registered or certified mail, postage
27 prepaid, at their addresses appearing on the Bond Register.

28 (ii) At least 20 but not more than 45 days prior to the redemption
date, such Redemption Notice shall be given by (i) registered or certified
mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or
(iii) overnight delivery service, to the securities Depository.

(iii) At least 20 but not more than 45 days prior to the redemption
date, such Redemption Notice shall be given by (i) registered or certified
mail, postage prepaid, or (ii) overnight delivery service, to one of the
Information Services.

(iv) Provide such Redemption Notice to such other persons as may
be required pursuant to the Continuing Disclosure Certificate.

A certificate of the Paying Agent or the District that a Redemption Notice has
been given as provided herein shall be conclusive as against all parties. Neither
failure to receive any Redemption Notice nor any defect in any such Redemption
Notice so given shall affect the sufficiency of the proceedings for the redemption of
the affected Bonds. Each check issued or other transfer of funds made by the Paying

1 Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number
2 identifying, by issue and maturity, the Bonds being redeemed with the proceeds of
3 such check or other transfer. Such Redemption Notice may state that no
4 representation is made as to the accuracy or correctness of CUSIP numbers printed
5 thereon, or on the Bonds.

6 With respect to any notice of the optional redemption of Bonds (or portions
7 thereof) pursuant to Section 11(a) hereof, unless upon the giving of such notice such
8 Bonds shall be deemed to have been defeased pursuant to Sections 16 or 17 hereof,
9 such notice shall state that such redemption shall be conditional upon the receipt by
10 an independent escrow agent selected by the District on or prior to the date fixed for
11 such redemption of the moneys necessary and sufficient to pay the Principal of, and
12 premium, if any, and interest on, such Bonds (or portions thereof) to be redeemed,
13 and that if such moneys shall not have been so received said notice shall be of no
14 force and effect, no portion of the Bonds shall be subject to redemption on such date
15 and the Bonds shall not be required to be redeemed on such date. In the event that
16 such notice of redemption contains such a condition and such moneys are not so
17 received, the redemption shall not be made and the Paying Agent shall within a
18 reasonable time thereafter (but in no event later than the date originally set for
19 redemption) give notice, to the persons to whom and in the manner in which the
20 notice of redemption was given, that such moneys were not so received. In addition,
21 the District shall have the right to rescind any Redemption Notice, by written notice
22 to the Paying Agent, on or prior to the date fixed for such redemption. The Paying
23 Agent shall distribute a notice of rescission of such Redemption Notice in the same
24 manner as such Redemption Notice was originally provided.

25 (e) Payment of Redeemed Bonds. When notice of redemption has been
26 given substantially as provided for herein, and, when the amount necessary for the
27 redemption of the Bonds called for redemption (Principal and premium, if any) is
28 irrevocably set aside in trust for that purpose, as provided herein, the Bonds
designated for redemption shall become due and payable on the date fixed for
redemption thereof and upon presentation and surrender of said Bonds at the place
specified in the notice of redemption, said Bonds shall be redeemed and paid at the
redemption price thereof.

20 All unpaid interest payable at or prior to the redemption date shall continue to
21 be payable to the respective Owners, but without interest thereon.

22 (f) Partial Redemption of Bonds. Upon the surrender of any Bond
23 redeemed in part only, the Paying Agent shall execute and deliver to the Owner
24 thereof a new Bond or Bonds of like tenor and maturity and of authorized
25 denominations equal in Transfer Amounts to the unredeemed portion of the Bond
26 surrendered. Such partial redemption shall be valid upon payment of the amount
required to be paid to such Owner, and the District shall be released and discharged
thereupon from all liability to the extent of such payment. The Bonds do not
constitute the obligation, debt or liability of the County.

27 (g) Effect of Notice of Redemption. If on such redemption date, money
28 for the redemption of all the Bonds to be redeemed as provided in Section 11 hereof,

1 together with interest accrued to such redemption date, shall be held by an
2 independent escrow agent selected by the District, so as to be available therefor on
3 such redemption date, and if a Redemption Notice thereof shall have been given as
4 aforesaid, then from and after such redemption date, interest on the Bonds to be
5 redeemed shall cease to accrue and become payable. All money held by such escrow
6 agent for the redemption of Bonds shall be held in trust for the account of the Owners
7 of the Bonds so to be redeemed.

8 All Bonds paid at maturity or redeemed prior to maturity pursuant to the
9 provisions of this Section 11 shall be cancelled upon surrender thereof and be
10 delivered to or upon the order of the District. All or any portion of a Bond purchased
11 by the District shall be cancelled by the Paying Agent.

12 (h) Bonds No Longer Outstanding. When any Bonds (or portions
13 thereof) which have been duly called for redemption prior to maturity under the
14 provisions of this Resolution, or with respect to which irrevocable instructions to call
15 for redemption prior to maturity at the earliest redemption date have been given to the
16 Paying Agent, in form satisfactory to it, and sufficient moneys shall be held
17 irrevocably in trust for the payment of the redemption price of such Bonds or portions
18 thereof and accrued interest thereon to the date fixed for redemption, all as provided
19 in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall
20 be surrendered to the Paying Agent for cancellation.

21 **Section 12. Book-Entry System.**

22 (a) The Bonds shall be initially executed and delivered in the form of a
23 single, fully registered Bond for each maturity (which may be typewritten). Upon
24 initial execution and delivery, as provided for herein, the ownership of such Bond
25 shall be registered in the Bond Register in the name of the Depository or Nominee,
26 and its successors and assigns. Except as hereinafter provided, all of the outstanding
27 Bonds shall be registered in the Bond Register in the name of the Nominee of the
28 Depository, as determined from time to time pursuant to this Section. Each Bond
certificate shall bear a legend substantially to the following effect: "UNLESS THIS
BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE
DEPOSITORY (AS DEFINED IN THE RESOLUTION) TO THE BOND
REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE, OR
PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF
CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN
AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY
PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS
REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE
DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR
VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL
INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN
INTEREST HEREIN."

With respect to the Bonds registered in the Bond Register in the name of the
Nominee, neither the District, the County nor the Paying Agent shall have any
responsibility or obligation to any broker-dealers, banks and other financial

1 institutions from time to time for which the Depository holds Bonds as securities
2 depository (the "Participant") or to any person on behalf of which such a Participant
3 holds an interest in the Bonds. Without limiting the immediately preceding sentence,
4 neither the District, the County nor the Paying Agent shall have any responsibility or
5 obligation with respect to (i) the accuracy of the records of the Depository, the
6 Nominee, or any Participant with respect to any ownership interest in the Bonds,
7 (ii) the delivery to any Participant or any other person, other than an Owner of a Bond
8 as shown in the Bond Register, of any notice with respect to the Bonds, including any
9 notice of redemption, (iii) the selection by the Depository and its Participants of the
10 beneficial interests in the Bonds to be redeemed in the event the District redeems the
11 Bonds in part, or (iv) the payment to any Participant or any other person, other than
12 an Owner of a Bond as shown in the Bond Register, of any amount with respect to
13 Principal of or interest on the Bonds. The District and the Paying Agent may treat
14 and consider the person in whose name each Bond is registered in the Bond Register
15 as the holder and absolute Owner of such Bond for the purpose of the payment of
16 Principal of and interest with respect to such Bond, for the purpose of giving notices
17 of redemption, if applicable, and other matters with respect to such Bond, for the
18 purpose of registering transfers with respect to such Bond, and for all other purposes
19 whatsoever. The Paying Agent shall pay all Principal of and interest on the Bonds
20 only to or upon the order of the respective Owner of the Bond, as shown in the Bond
21 Register, or his respective attorney duly authorized in writing, and all such payments
22 shall be valid and effective to fully satisfy and discharge the District's obligations
23 with respect to payment of Principal of and interest on the Bonds to the extent of the
24 sum or sums so paid. No person other than an Owner of a Bond, as shown in the
25 Bond Register, shall receive a Bond evidencing the obligation of the District to make
26 payments of Principal and interest. Upon delivery by the Depository to the Owners
27 of the Bonds, and the District of written notice to the effect that the Depository has
28 determined to substitute a new nominee in place of the Nominee, and subject to the
provisions herein with respect to Record Dates, the word Nominee in this Resolution
shall refer to such nominee of the Depository.

18 (b) In order to qualify the Bonds for the Depository's book-entry system,
19 the District has executed and delivered to the Depository a Representation Letter.
20 The execution and delivery of the Representation Letter shall not in any way limit the
21 provisions of this Section or in any other way impose upon the District any obligation
22 whatsoever with respect to persons having interests in the Bonds other than the
23 Owners of the Bonds, as shown on the Bond Register. In addition, to the execution
24 and delivery of the Representation Letter, the District shall take such other actions,
25 not inconsistent with this Resolution, as are reasonably necessary to qualify the
26 Bonds for the Depository's book-entry program.

24 (c) If at any time the Depository notifies the County and the District that
25 it is unwilling or unable to continue as Depository with respect to the Bonds or if at
26 any time the Depository shall no longer be registered or in good standing under the
27 Securities Exchange Act or other applicable statute or regulation and a successor
28 Depository is not appointed by the Treasurer within 90 days after the County and the
District receive notice or become aware of such condition, as the case may be,
subsection (a) hereof shall no longer be applicable and the County shall prepare or
cause to be prepared new bonds representing the Bonds as provided below. In

1 addition, the County and the District may determine at any time that the Bonds shall
2 no longer be represented by book-entry securities and that the provisions of
3 subsection (a) hereof shall no longer apply to the Bonds. In any such event, the
4 Chairman of the County Board and the Treasurer shall execute and deliver certificates
5 representing the Bonds as provided below. Bonds issued in exchange for book-entry
6 securities pursuant to this subsection (c) shall be registered in such names and
7 delivered in such denominations as the Depository shall instruct the County and the
8 District. The Treasurer shall deliver such bonds representing the Bonds to the
9 persons in whose names such Bonds are so registered.

10 If the County and the District determine to replace the Depository with
11 another qualified securities depository, the County and the District shall prepare or
12 cause to be prepared new fully-registered book-entry securities for each of the
13 maturities of the Bonds, registered in the name of such successor or substitute
14 securities depository or its nominee, or make such other arrangements as are
15 acceptable to the County, the District and such securities depository and not
16 inconsistent with the terms of this Resolution.

17 Notwithstanding any other provisions of this Resolution to the contrary, so
18 long as any Bond is registered in the name of the Nominee, all payments with respect
19 to Principal of, and interest on such Bond and all notices with respect to such Bond
20 shall be made and given, respectively, as provided in the Representation Letter or as
21 otherwise instructed by the Depository and acceptable to the District.

22 (d) The initial Depository under this Section shall be DTC. The initial
23 Nominee shall be Cede & Co., as Nominee of DTC

24 (e) The Bonds shall be initially issued as described in the Official
25 Statement described herein. Registered ownership of such Bonds, or any portions
26 thereof, may not thereafter be transferred except:

27 (i) to any successor of DTC or its nominee, or of any substitute
28 depository designated pursuant to Section 11(e)(ii) ("Substitute Depository");
provided that any successor of DTC or Substitute Depository shall be
qualified under any applicable laws to provide the service proposed to be
provided by it;

(ii) to any Substitute Depository, upon (A) the resignation of
DTC or its successor (or any Substitute Depository or its successor) from its
functions as depository, or (B) a determination by the District that DTC (or its
successor) is no longer able to carry out its functions as depository; provided
that any such Substitute Depository shall be qualified under any applicable
laws to provide the services proposed to be provided by it; or

(iii) to any person as provided below, upon (A) the resignation of
DTC or its successor (or any Substitute Depository or its successor) from its
functions as depository, or (B) a determination by the District that DTC or its
successor (or Substitute Depository or its successor) is no longer able to carry
out its functions as depository.

1 (f) In the case of any transfer pursuant to Section 11(e)(i) or (ii), upon
2 receipt of all Outstanding Bonds by the Paying Agent, together with a written request
3 of the District to the Paying Agent designating the Substitute Depository, a single
4 new Bond, which the District shall prepare or cause to be prepared, shall be executed
5 and delivered for each maturity of Bonds then Outstanding, registered in the name of
6 such successor or such Substitute Depository or their Nominees, as the case may be,
7 all as specified in such written request of the District. In the case of any transfer
8 pursuant to Section 11(e)(iii), upon receipt of all Outstanding Bonds by the Paying
9 Agent, together with a written request of the District to the Paying Agent, new Bonds,
10 which the District shall prepare or cause to be prepared, shall be executed and
11 delivered in such denominations and registered in the names of such persons as are
12 requested in such written request of the District, provided that the Paying Agent shall
13 not be required to deliver such new Bonds within a period of less than sixty (60) days
14 from the date of receipt of such written request from the District.

15 (g) In the case of a partial redemption or an advance refunding of any
16 Bonds evidencing a portion of the Principal maturing in a particular year, DTC or its
17 successor (or any Substitute Depository or its successor) shall make an appropriate
18 notation on such Bonds indicating the date and amounts of such reduction in
19 Principal, in form acceptable to the Paying Agent, all in accordance with the Letter of
20 Representations. The Paying Agent shall not be liable for such Depository's failure
21 to make such notations or errors in making such notations.

22 (h) The District and the Paying Agent shall be entitled to treat the person
23 in whose name any Bond is registered as the Owner thereof for all purposes of this
24 Resolution and any applicable laws, notwithstanding any notice to the contrary
25 received by the Paying Agent or the District; and the District and the Paying Agent
26 shall not have responsibility for transmitting payments to, communicating with,
27 notifying, or otherwise dealing with any Beneficial Owners of the Bonds. Neither the
28 District nor the Paying Agent shall have any responsibility or obligation, legal or
otherwise, to any such Beneficial Owners or to any other party, including DTC or its
successor (or Substitute Depository or its successor), except to the Owner of any
Bonds, and the Paying Agent may rely conclusively on its records as to the identity of
the Owners of the Bonds.

29 **Section 13. Form of Bonds.** The Bonds shall be in substantially the form as
30 shown in Exhibit A hereto; provided, however, that those officials executing the Bonds are
31 hereby authorized to make the insertions and deletions necessary to conform the Bonds to
32 this Resolution and the Purchase Contract, and the Official Statement and to correct any
33 defect or inconsistent provision therein or to cure any ambiguity or omission therein.
34 Pending the preparation of definitive Bonds, the Bonds may be executed and delivered in
35 temporary form exchangeable for definitive Bonds when ready for delivery. If the Paying
36 Agent delivers temporary Bonds, it shall execute and deliver definitive Bonds in an equal
37 aggregate principal amount of authorized denominations, when available, and thereupon the
38 temporary Bonds shall be surrendered to the Paying Agent. Until so exchanged, the
temporary Bonds shall be entitled to the same benefits hereunder as definitive Bonds.

1 **Section 14. Deposit of Proceeds of Bonds; Creation of Funds.**

2 (a) The proper officials of the District shall cause the Bonds to be
3 prepared and, following their sale, shall have the Bonds signed and delivered,
4 together with a true transcript of proceedings with reference to the issuance of the
5 Bonds, to the Underwriter upon payment of the purchase price therefor.

6 (b) The proceeds from the sale of the Bonds, to the extent of the Principal
7 Amount thereof, shall be paid to the County to the Building Fund, shall be kept
8 separate and distinct from all other District and County funds, and those proceeds
9 shall be used solely for the purposes for which the Bonds are being issued. The
10 County shall have no responsibility for assuring the proper use of the Bond proceeds
11 by the District. At the discretion of the District, the Building Fund may be split into
12 more than one fund or contain subaccounts if the Bonds are issued in more than one
13 Series.

14 The accrued interest and any premium received by the County from the sale
15 of the Bonds shall be kept separate and apart in the Debt Service Fund for the Bonds
16 and used only for payment of Principal of, and interest on the Bonds. At the
17 discretion of the District, the Debt Service Fund may be split into more than one fund
18 or contain subaccounts if the Bonds are issued in more than one Series. Interest
19 earnings on monies held in the Building Fund shall be retained in the Building Fund.
20 Interest earnings on monies held in the Debt Service Fund shall be retained in the
21 Debt Service Fund. Any excess proceeds of the Bonds not needed for the authorized
22 purposes set forth herein for which the Bonds are being issued shall be transferred to
23 the Debt Service Fund and applied to the payment of Principal of, and interest on the
24 Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such
25 excess amounts shall be transferred to the general fund of the District.

26 (c) The costs of issuance of the Bonds (as described in Education Code
27 Section 15145) are hereby authorized to be paid from proceeds of the Bonds. The
28 County, at the direction of the District, may cause a portion of the proceeds of the
29 Bonds, in lieu of being deposited into the Building Fund, to be deposited in a costs of
30 issuance account to be held by a fiscal agent of the District appointed for such
31 purpose.

32 (d) Moneys in the Debt Service Fund and the Building Fund shall be
33 invested at the written direction of the District, and after consultation with the
34 County, in Permitted Investments. If at the time of issuance the District determines
35 to issue the Bonds as Tax-Exempt Bonds without regard to the Internal Revenue
36 Code "temporary period" restrictions, all investment of Bond proceeds shall be
37 subject to paragraph (i) below. Neither the County nor its officers and agents, as the
38 case may be, shall have any responsibility or obligation to determine the tax
39 consequences of any investment, nor shall the County or its officers and agents be
40 liable for any loss on investments. The interest earned on the moneys deposited to
41 the Building Fund shall be applied as set forth in subparagraph (ii) below.

1 (i) Covenant Regarding Investment of Proceeds.

2 A. Permitted Investments. Beginning on the delivery
3 date, and at all times until expenditure for authorized purposes, not
4 less than 95% of the proceeds of the Bonds deposited in the Building
5 Fund, including investment earnings thereon, will be invested in
6 Qualified Permitted Investments. Notwithstanding the preceding
7 provisions of this Section, for purposes of this paragraph, amounts
8 derived from the disposition or redemption of Qualified Permitted
9 Investments and held pending reinvestment or redemption for a
10 period of not more than 30 days may be invested in Permitted
11 Investments.

12 B. Recordkeeping and Monitoring Relating to Building
13 Fund. The investment of Bond proceeds pursuant to this paragraph (i)
14 shall be subject to such recordkeeping and monitoring requirements
15 as shall be covenanted to by the District in the Tax Certificate
16 executed thereby in connection with such Bonds, and as shall be
17 acceptable to the County.

18 (ii) Interest Earned on Permitted Investments. The interest earned
19 on the moneys deposited in the Building Fund shall be deposited in the
20 Building Fund and used for the purposes of that fund.

21 Except as required below to satisfy the requirements of Section 148(f)
22 of the Code, interest earned on the investment of monies held in the Debt
23 Service Fund shall be retained in the Debt Service Fund and used by the
24 County to pay the Principal of and interest on the Bonds when due.

25 (e) The Rebate Fund is hereby created and established. The County shall
26 from time to time receive funds from the District for deposit into the Rebate Fund as
27 required to enable the District to comply with the requirements of Section 148(f) of
28 the Code. The District shall instruct the County, in writing, as to the method of
investing and disbursing funds held in the Rebate Fund to the United States Treasury.
The County agrees to comply with such instructions of the District. Any money
remaining in the Rebate Fund after the payment in full of the Bonds, either at
maturity or earlier redemption, and the payment to the United States Treasury of any
amounts required pursuant to Section 148(f) of the Code, and any regulations
thereunder, shall be transferred to the Building Fund, or if the Building Fund is not
then in the existence, shall be transferred to the general fund of the District. The
County shall have no liability or obligation with respect to the required deposits to or
disbursements from the Rebate Fund, which shall remain the sole responsibility of the
District.

(f) Interest earned on the investment of monies held in the Debt Service
Fund shall be retained in the Debt Service Fund, interest earned on the investment of
monies held in the Building Fund shall be retained in the Building Fund, and interest
earned in the investments in the Rebate Fund shall be retained in the Rebate Fund.

1 (g) If at any time it is deemed necessary or desirable by the District, upon
2 the written direction of the District, the County may establish additional funds under
3 this Resolution and/or accounts within any of the funds or accounts established
hereunder.

4 **Section 15. Security for the Bonds; Tax Levy.** There shall be levied on all the
5 taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem*
6 tax annually during the period the Bonds are Outstanding in an amount sufficient, together
7 with moneys on deposit in the Debt Service Fund available for such purpose, to pay the
8 Principal of, premium, if any, and interest on the Bonds when due. The taxes collected for
9 the Bonds will be placed in the Debt Service Fund of the District, and used for the payment
of the Principal of and interest on the Bonds when and as the same fall due, and for no other
purpose. The Bonds are the general obligations of the District and do not constitute an
obligation, debt or liability of the County. No part of any fund or account of the County is
pledged or obligated to the payment of the Bonds or the interest thereon.

10 Pursuant to Government Code Section 53515, the Bonds shall be secured by a
11 statutory lien on all revenues received pursuant to the levy and collection of *ad valorem* taxes
for the payment thereof.

12 Pursuant to Government Code Sections 5450 and 5451, all revenues received from
13 the levy and collection of *ad valorem* property taxes for the payment of each Series of Bonds
14 and all amounts on deposit in the Debt Service Fund are hereby pledged to the payment of
15 such Series of Bonds. Such pledge constitutes a lien on and security interest in such taxes
and amounts in such Debt Service Fund and an agreement between the District and the
Owners of such Series of Bonds to provide security for the payment of such Bonds in
addition to any statutory lien that may exist.

16 The moneys in the Debt Service Fund, to the extent necessary to pay the Principal of
17 and interest on the Bonds as the same become due and payable, shall be transferred by the
18 Treasurer to the Paying Agent which, in turn, shall pay such moneys to DTC to pay such
19 Principal and interest. DTC will thereupon make payments of Principal of and interest on the
20 Bonds to the DTC Participants who will thereupon make payments of such Principal and
21 interest to the Beneficial Owners of the Bonds. Any moneys remaining in the Debt Service
Fund after the Bonds and the interest thereon have been paid in full, or provision for such
payment has been made, shall be transferred to the general fund of the District, pursuant to
Education Code Section 15234.

22 **Section 16. Defeasance.** The Bonds may be defeased, in whole or in part, prior to
23 maturity in the following ways:

24 (a) **Cash:** by irrevocably depositing with an independent escrow agent
25 selected by the District an amount of cash which, together with any amounts
26 transferred from the Debt Service Fund, is sufficient to pay and discharge all Bonds
Outstanding and designated for defeasance (including all Principal thereof, accrued
interest thereon and premium, if any) at or before their maturity dates or applicable
redemption dates; or

1 (b) Government Obligations: by irrevocably depositing with an
2 independent escrow agent selected by the District noncallable Government
3 Obligations (defined below), together with cash, if required, in such amount as will,
4 in the opinion of an independent certified public accountant, together with interest to
5 accrue thereon and any moneys transferred from the Debt Service Fund, be fully
sufficient to pay and discharge all the Bonds Outstanding and designated for
defeasance (including all Principal thereof, accrued interest thereon and redemption
premium, if any) at or before their maturity dates or applicable redemption dates;

6 then, notwithstanding that any of such Bonds shall not have been surrendered for payment,
7 all obligations of the District and the County with respect to all such designated Outstanding
8 Bonds shall cease and terminate, except only the obligation of the Paying Agent or an
9 independent escrow agent selected by the District to pay or cause to be paid from funds
deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such designated
Bonds not so surrendered and paid all sums due with respect thereto and the obligations of
the County with respect to the Rebate Fund in accordance with Section 14 hereof.

10 For purposes of this Resolution, Government Obligations shall mean unless otherwise
11 provided in the Purchase Contract:

12 Direct and general obligations of the United States of America, or obligations that are
13 unconditionally guaranteed as to principal and interest by the United States of
14 America (which may consist of obligations of the Resolution Funding Corporation
15 that constitute interest strips), or obligations secured or otherwise guaranteed, directly
16 or indirectly, as to principal and interest by a pledge of the full faith and credit of the
17 United States of America. In the case of direct and general obligations of the United
18 States of America, Government Obligations shall include evidences of direct
19 ownership of proportionate interests in future interest or principal payments of such
20 obligations. Investments in such proportionate interests must be limited to
21 circumstances where (i) a bank or trust company acts as custodian and holds the
underlying United States obligations; (ii) the owner of the investment is the real party
in interest and has the right to proceed directly and individually against the obligor of
the underlying United States obligations; and (iii) the underlying United States
obligations are held in a special account, segregated from the custodian's general
assets, and are not available to satisfy any claim of the custodian, any person claiming
through the custodian, or any person to whom the custodian may be obligated;
provided that such obligations are rated or assessed at least as high as direct and
general obligations of the United States of America by either Moody's or S&P.

22 **Section 17. Partial Defeasance.** A portion of the then-outstanding maturities of
23 the Bonds may be defeased prior to maturity in the following ways:

24 (a) by irrevocably depositing with the County, or an independent escrow
25 agent selected by the District, an amount of cash which, together with any amounts
26 transferred from the Debt Service Fund, is sufficient to pay the designated
27 Outstanding maturities of Bonds, including all Principal, interest and premium, if
28 any; or

1 (b) by irrevocably depositing with the County, or an independent escrow
2 agent selected by the District, noncallable Government Obligations, together with
3 cash, if required, in such amount as will, in the opinion of an independent certified
4 public accountant, together with interest to accrue thereon and any moneys
5 transferred from the Debt Service Fund, be fully sufficient to pay and discharge the
6 designated Outstanding maturities of Bonds (including all Principal, interest and
7 premium, if any, at or before their maturity date);

8 then, notwithstanding that any of such designated maturities of Bonds shall not have been
9 surrendered for payment, all obligations of the District and the County with respect to such
10 Outstanding maturities of Bonds shall cease and terminate, except only the obligation of the
11 County and the Paying Agent to pay or cause to be paid from funds deposited pursuant to
12 paragraphs (a) or (b) of this Section, to the Owners of the Bonds of such maturities
13 designated for redemption not so surrendered and paid all sums due with respect thereto.

14 **Section 18. Continuing Disclosure.** The District has covenanted and agreed that
15 it will comply with and carry out all of the provisions of the Continuing Disclosure
16 Certificate. Any Bond Owner may take such actions as may be necessary and appropriate,
17 including seeking mandate or specific performance by court order, to cause the District to
18 comply with its obligations under the Continuing Disclosure Certificate.

19 **Section 19. Tax Covenants of the District.** The District has covenanted for and
20 on behalf of the Owners that it shall not take any action, or fail to take any action if such
21 action or failure to take such action would adversely affect the exclusion from gross income
22 of the interest payable on the Bonds under Section 103 of the Code.

23 **Section 20. Arbitrage Covenant.** The District has covenanted for and on behalf
24 of the Owners that it will restrict the use of the proceeds of the Bonds in such manner and to
25 such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds
26 under Section 148 of the Code and the applicable regulations prescribed under that section or
27 any predecessor section. Calculations for determining arbitrage requirements are the sole
28 responsibility of the District. The County hereby covenants that it will follow such written
directions as are given to it by the District to restrict the use of the proceeds of the Bonds in
such manner and to such extent, if any, as may be necessary, so that the Bonds will not
constitute arbitrage bonds under Section 148 of the Code and the applicable regulations
prescribed under that section or any predecessor section.

Section 21. Conditions Precedent. This Board determines that all acts and
conditions necessary to be performed by the Board or to have been met precedent to and in
the issuing of the Bonds in order to make them legal, valid and binding general obligations of
the District have been performed and have been met, or will at the time of delivery of the
Bonds have been performed and have been met, in regular and due form as required by law;
and that no statutory or constitutional limitation of indebtedness or taxation will have been
exceeded in the issuance of the Bonds.

Section 22. Official Statement. The District has agreed to cause a Preliminary
Official Statement and a final Official Statement meeting the requirements of Securities and
Exchange Commission Rule 15c2-12 to be prepared. Such Preliminary Official Statement
and Official Statement shall be referred to as the "Official Statement," and will be

1 substantially in the form of the Preliminary Official Statement on file with the Clerk of the
2 Board of Supervisors, together with such changes as the District deems necessary to make
such Official Statement accurate as of its date.

3 **Section 23. Other Actions.**

4 Officers of the Board and County officials and staff are hereby authorized and
5 directed, jointly and severally, to do any and all things and to execute and deliver any
6 and all documents which they may deem necessary or advisable in order to proceed
7 with the issuance of the Bonds and otherwise carry out, give effect to and comply
8 with the terms and intent of this Resolution, including the execution of any
documents required by a Bond Insurer as a precondition to obtaining bond insurance
if purchased by the District. Such actions heretofore taken by such officers, officials
and staff are hereby ratified, confirmed and approved.

9 **Section 24. Supplemental Resolutions.**

10 (a) This Resolution, and the rights and obligations of the County, the
11 District and of the Owners of the Bonds issued hereunder, may be modified or
12 amended at any time by a Supplemental Resolution adopted by the County with the
13 written consent of Owners owning at least 60% in aggregate Principal Amount of the
14 Outstanding Bonds, exclusive of Bonds, if any, owned by the County or the District;
15 provided, however, that no such modification or amendment shall, without the
16 express consent of the Owner of each Bond affected, reduce the Principal Amount of
17 any Bond, reduce the interest rate payable thereon, advance the earliest redemption
18 date thereof, extend its maturity or the times for paying interest thereon or change the
monetary medium in which Principal and interest is payable, nor shall any
modification or amendment reduce the percentage of consents required for
amendment or modification. No such Supplemental Resolution shall change or
modify any of the rights or obligations of any Paying Agent without its written assent
thereto. Notwithstanding anything herein to the contrary, no such consent shall be
required if the Owners are not directly and adversely affected by such amendment or
modification.

19 (b) This Resolution, and the rights and obligations of the County, the
20 District and of the Owners of the Bonds issued hereunder, may be modified or
21 amended at any time by a Supplemental Resolution adopted by the County without
the written consent of the Owners;

22 (i) To add to the covenants and agreements of the County in this
23 Resolution, other covenants and agreements to be observed by the County
24 which are not contrary to or inconsistent with this Resolution as theretofore in
effect;

25 (ii) To add to the limitations and restrictions in this Resolution,
26 other limitations and restrictions to be observed by the County which are not
27 contrary to or inconsistent with this Resolution as theretofore in effect;
28

1 (iii) To confirm as further assurance any pledge under, and the
2 subjection to any lien or pledge created or to be created by, this Resolution, of
3 any moneys, securities or funds, or to establish any additional funds or
accounts to be held under this Resolution;

4 (iv) To cure any ambiguity, supply any omission, or cure or
correct any defect or inconsistent provision in this Resolution; or

5 (v) To amend or supplement this Resolution in any other respect,
6 provided such Supplemental Resolution does not adversely affect the interests
7 of the Owners.

8 (c) Any act done pursuant to a modification or amendment so consented
9 to shall be binding upon the Owners of all the Bonds and shall not be deemed an
10 infringement of any of the provisions of this Resolution, whatever the character of
11 such act may be, and may be done and performed as fully and freely as if expressly
12 permitted by the terms of this Resolution, and after consent relating to such specified
matters has been given, no Owner shall have any right or interest to object to such
action or in any manner to question the propriety thereof or to enjoin or restrain the
County or the District or any officer or agent of either from taking any action
pursuant thereto.

13 **Section 25. Insurance.** In the event the District purchases bond insurance for the
14 Bonds, and to the extent that the Bond Insurer makes payment of the Principal of or interest
15 on the Bonds, such Bond Insurer shall become the owner of such Bonds with the right to
16 payment of such Principal or interest on the Bonds, and shall be fully subrogated to all of the
17 Owners' rights, including the Owners' rights to payment thereof. To evidence such
18 subrogation (i) in the case of subrogation as to claims that were past due interest, the Paying
19 Agent shall note the Bond Insurer's rights as subrogee on the registration books for the
20 Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued
21 by the Bond Insurer or other evidence satisfactory to the Paying Agent for the payment of
such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for
past due Principal of or interest, the Paying Agent shall note the Bond Insurer as subrogee on
the registration books for the Bonds maintained by the Paying Agent upon surrender of the
Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond
Insurer. The Paying Agent shall request payment pursuant to the terms of any bond
insurance policy to the extent required to pay the Principal of and interest on the Bonds when
due if amounts on deposit in the Debt Service Fund are not adequate for that purpose.

22 **Section 26. Resolution to Constitute Contract.** In consideration of the purchase
23 and acceptance of any and all of the Bonds authorized to be issued hereunder by those who
24 shall own the same from time to time, this Resolution shall be deemed to be and shall
25 constitute a contract among the County, the District and the Owners from time to time of the
26 Bonds; and the pledge made in this Resolution shall be for the equal benefit, protection and
27 security of the Owners of any and all of the Bonds, all of which, regardless of the time or
28 times of their issuance or maturity, shall be of equal rank without preference, priority or
distinction of any of the Bonds over any other thereof.

1 **Section 27. Notices.** All notices or communications herein required or permitted
2 to be given to any party shall be given to each of the following parties and shall be given in
3 writing and shall be deemed to have been sufficiently given or served for all purposes by

16 such Bonds have become due and payable, either at their stated maturity dates or by call for
17 earlier redemption, if such moneys were held by the Paying Agent at such date, or for two (2)
18 years after the date of deposit of such moneys if deposited with the Paying Agent after said

20 District, as its absolute property and free from trust, and the Paying Agent shall thereupon be
21 released and discharged with respect thereto and the Bond Owners shall look only to the
22 District for the payment of such Bonds; provided, however, that before being required to
23 make such payment to the District, the Paying Agent shall, at the expense of District, cause to

hereby approves the sale of the Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriter to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. The Board estimates that the costs associated with the issuance of the Bonds, including compensation to the Underwriter and any such costs which the Underwriter agrees to pay pursuant to the Purchase Contract, will equal approximately 0.4% of the principal amount of the Bonds.

This Board hereby authorizes the issuance of the Bonds as one or more series of Taxable or Tax-Exempt Current Interest Bonds, with appropriate designation if more than one Series is issued, as set forth in the fully-executed Purchase Contract, subject to the provisions of the County Resolution. Notwithstanding any other provision herein, the ratio of total debt service to principal for each Series of Bonds shall not exceed four-to-one.

SECTION 3. Paying Agent. This Board does hereby authorize the appointment of U.S. Bank National Association as the authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Paying Agent") for the Bonds. This Board hereby approves the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable. The fees and expenses of the Paying Agent which are not paid as a cost of issuance of the Bonds may be paid in each year from *ad valorem* property taxes levied and collected for the payment thereof, insofar as permitted by law, including specifically by Section 15232 of the Education Code.

SECTION 4. Tax Covenants.

The District hereby covenants with the Holders of such Bonds that, notwithstanding any other provisions of this Resolution or the County Resolution, it will (1) comply with all of the provisions of the County Resolution relating to the Rebate Fund (as defined therein) and perform all acts necessary to be performed by the District in connection therewith, and (2) make no use of the proceeds of the Bonds or of any other amounts, regardless of the source, or of any property or take any action, or refrain from taking any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

The District will not make any use of the proceeds of the Bonds or any other funds of the District, or take or omit to take any other action, that would cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code or "federally guaranteed" within the meaning of Section 149(b) of the Code. To that end, so long as any Bonds are unpaid, the District, with respect to such proceeds and such other funds, will comply with all requirements of such Sections and all regulations of the United States Department of the Treasury issued thereunder and under Section 103 of the Internal Revenue Code of 1986, as amended, to the extent such requirements are, at the time, applicable and in effect.

The District will not use or permit the use of its facilities or any portion thereof by any person other than a governmental unit, as such term is used in Section 141 of the Code, in such manner or to such extent as would result in the loss of exclusion from gross income for federal income tax purposes of the interest paid on the Tax-Exempt Bonds. In furtherance of the foregoing tax covenants of this Section, the District covenants that it will comply with the instructions and requirements of that certain tax certificate to be executed and delivered by the District on the date of issuance of such Tax-Exempt

Bonds (the "Tax Certificate") , which is incorporated herein as if fully set forth herein. These covenants shall survive the payment in full or defeasance of the Bonds.

SECTION 5. Rebate Fund. The following provisions shall apply to any Bonds issued as Tax-Exempt Bonds.

(a) The District shall create and establish a special fund designated the "Corona-Norco Unified School District Election of 2014 General Obligation Bonds, Series B Rebate Fund" (the "Rebate Fund"). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the "Rebate Requirement") pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the "Treasury Regulations"). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate.

(b) Within 45 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Tax-Exempt Bonds the amount that would be considered the "rebate amount" within the meaning of Section 1.148-3 of the Treasury Regulations, using as the "computation date" for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the "rebate amount" so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the "rebate amount" calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the "rebate amount" and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Tax-Exempt Bonds (including amounts treated as proceeds of the Tax-Exempt Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a "bona fide debt service fund." In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Tax-Exempt Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the "rebate amount" and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than 60 days after the end of (i) the fifth Bond Year, and (ii) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to

at least 90% of the "rebate amount" calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than 60 days after the payment of all Tax-Exempt Bonds, an amount equal to 100% of the "rebate amount" calculated as of the date of such payment (and any income attributable to the "rebate amount" determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until three years after the complete retirement of the Tax-Exempt Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Tax-Exempt Bonds.

SECTION 6. Legislative Determinations. This Board determines that all acts and conditions necessary to be performed by the District or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will be exceeded in the issuance of the Bonds. This Board also finds and determines that all *ad valorem* taxes shall be levied specifically to pay the Bonds being issued to finance specific projects authorized by the votes of the District at the Election.

Based upon a good faith estimate provided by Piper Jaffray & Co., the District further finds that the True Interest Cost of the Bonds is expected to be approximately 3.60%, the total Finance Charge is expected to be 0.73% of the par amount of the Bonds, the District expects to receive \$118,750,406 of Proceeds from the sale of the Bonds after fees are paid, and the District expects the Total Payment Amount to be \$226,988,061.

SECTION 7. Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are Outstanding (as such term is defined in the County Resolution) in an amount sufficient to pay the Principal of and interest on the Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District (as such term is defined in the County Resolution),

which fund is hereby designated for the payment of the Principal of and interest on the Bonds when and as the same fall due, and for no other purpose. Pursuant to California Government Code Sections 5450 and 5451, moneys on deposit in the Debt Service Fund are hereby pledged to the payment of the Principal of and interest on the Bonds, and for no other purpose.

SECTION 8. Official Statement. The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Secretary to the Board is hereby approved and the Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Underwriter to be used in connection with the offering and sale of the Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement "final" pursuant to Rule 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriter a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriter is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds and is directed to deliver copies of any final Official Statement to the purchasers of the Bonds. Execution of the Official Statement shall conclusively evidence the District's approval of the Official Statement.

SECTION 9. Purchase Contract. The form of Purchase Contract for the Bonds on file with the Secretary to the Board is hereby approved. In connection with the sale of the Bonds, the Board authorizes the Authorized Officers, each alone, on behalf of the District, to execute and deliver to the Underwriter a Purchase Contract for the Bonds, with such terms and conditions as may be acceptable to such official; provided, however, that the interest rate on the Bonds shall not exceed that authorized at the Election, the underwriting discount (excluding original discount) shall not exceed 0.4% of the aggregate principal amount of the Bonds issued, and the aggregate principal amount of the Bonds shall not exceed \$121,000,000.

The Authorized Officers, each alone, are hereby authorized to select a Bond Insurer to insure payments of interest and principal on the Bonds, so long as such Authorized Officer determines that obtaining the municipal bond insurance policy provided thereby will result in a lower interest rate or yield to maturity on the Bonds.

SECTION 10. Bond Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the Principal of and interest on the Bonds, it shall become the Owner of such Bonds with the right to payment of Principal of and interest on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims of past due interest, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 11. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate to be executed by the District and dated the date of issuance and delivery of the Bonds, as originally executed

and as it may be amended from time to time in accordance with the terms thereof. The Board hereby approves the form of the Continuing Disclosure Certificate appended to the form of Preliminary Official Statement on file with the Secretary to the Board as of the date hereof, and the Authorized Officers, each alone, are hereby authorized to execute and deliver such Continuing Disclosure Certificate with such changes therein and modifications thereto as shall be approved by the Underwriter and the Authorized Officer executing the same, such approval to be conclusively evidenced by such execution and delivery. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Bonds.

SECTION 12. Authorized Actions. Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 13. Professional Services. The Board hereby appoints Piper Jaffray & Co., as Financial Advisor and Stradling Yocca Carlson & Rauth, a Professional Corporation, as Bond Counsel and Disclosure Counsel, each with respect to the issuance of the Bonds

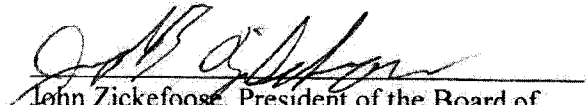

SECTION 14. Other Actions. To the extent the issuance of Bonds includes Long Current Interest Bonds, the useful life of any facility financed with such Long Current Interest Bonds will equal or exceed the maturity of such Long Current Interest Bonds, as shall be further evidenced by a certificate of the District substantially to such effect.

SECTION 15. Recitals. All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.

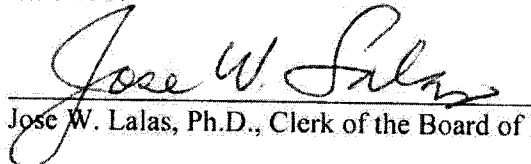

SECTION 16. Effective Date. This Resolution shall take effect immediately upon its passage.

Ladies and Gentlemen:

The undersigned, Citigroup Capital Markets Inc., as underwriter (the "Underwriter") offers to enter into this Purchase Contract (the "Purchase Contract") with the County of Riverside, California (the "County"), and the Corona-Norco Unified School District (the "District"), which, upon your acceptance hereof, will be binding upon the County, the District and the Underwriter. This offer is made subject to the written acceptance of this Purchase Contract by the County and the District and delivery of such acceptance to us at or prior to 11:59 P.M., California Time, on the date hereof. Capitalized terms used and not otherwise defined herein shall have the meanings given to such terms in the Resolutions (defined below).

The District and the County acknowledge and agree that: (i) the primary role of the Underwriter is to purchase securities for resale to investors in an arm's-length commercial transaction between the District, the County and the Underwriter and that the Underwriter has financial and other interests that differ from those of the District and the County, (ii) the Underwriter is not acting as financial advisor or fiduciary to the District, the County or any other person or entity and has not assumed any advisory or fiduciary responsibilities to the District and the County with respect to the transaction contemplated hereby and the discussions, undertakings and proceedings leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the District or the County on other matters), (iii) the only obligations the Underwriter has to the District and the County with respect to the transaction contemplated hereby are expressly set forth in this Purchase Contract, except as otherwise provided by applicable rules and regulations of the Securities and Exchange Commission ("SEC") or the rules of the Municipal Securities Rulemaking Board ("MSRB"), and (iv) the District and the County have consulted their

own legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate in connection with the transaction contemplated herein. The District acknowledges that it has previously provided the Underwriter with an acknowledgement of receipt of the required Underwriter's disclosure under Rule G-17 of the MSRB.

1. **Purchase and Sale of the Bonds.** Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriter for such purpose, all (but not less than all) of \$_____ in aggregate initial principal amount of the District's Election of 2014 General Obligation Bonds, Series B (the "Bonds"). The Bonds shall bear interest at the rates, shall mature in the years and shall be subject to redemption as shown on Appendix A hereto, which is incorporated herein by this reference. The Bonds (as defined in the County Resolution described below) shall be dated the date of delivery thereof and shall bear interest from such date payable as to interest on each February 1 and August 1, commencing August 1, 2018.

The Underwriter shall purchase the Bonds at a price of \$_____ (consisting of the principal amount of the Bonds of \$_____, plus original issue premium of \$_____, and less underwriter's discount of \$_____).

2. **The Bonds.** The Bonds shall be dated their date of delivery. The Bonds shall mature on the dates shown on Appendix A hereto, and shall otherwise be as described in the Official Statement (as defined herein), and shall be issued and secured pursuant to the provisions of the Resolution of the District adopted on January 23, 2018 (the "District Resolution") and the Resolution of the Board of Supervisors of the County adopted on February 27, 2018 (the "County Resolution" and, collectively with the District Resolution, the "Resolutions") and Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code (the "Act"). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in the Official Statement (defined below) or, if not in the Official Statement, in the County Resolution.

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Contract and the Resolutions. The Bonds shall bear CUSIP numbers, be in fully registered book-entry form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"); and shall initially be in authorized denominations of \$5,000 principal amount or any integral multiple thereof.

3. **Use of Documents.** The District and the County hereby authorize the Underwriter to use, in connection with the offer and sale of the Bonds, this Purchase Contract, the Preliminary Official Statement (defined below), the Official Statement, the Continuing Disclosure Certificate (defined below), the Resolutions and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriter in connection with the issuance and offering of the Bonds (except as such documents otherwise provide).

4. **Establishment of Issue Price.** The Underwriter agrees to make a bona fide public offering of all the Bonds at the initial public offering prices or yields to be set forth on the inside cover page of the Official Statement.

(a) The Underwriter agrees to assist the District and the County in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Stradling Yocca Carlson & Rauth, a Professional Corporation ("Bond Counsel"), to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the District under this section to establish the issue price of the Bonds may be taken on behalf of the District by the District's financial advisor identified herein and any notice or report to be provided to the District may be provided to the District's financial advisor.

(b) [Except as otherwise set forth in Appendix B attached hereto, t][T]he District will treat the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the County and the District the price or prices at which it has sold to the public each maturity of Bonds. [If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the County and the District the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the date of Closing has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public.]

(c) *[TO BE INCLUDED ONLY IF THE UNDERWRITER AGREES TO APPLY THE HOLD-THE-OFFERING PRICE RULE.]* The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Appendix B attached hereto, except as otherwise set forth therein. Appendix B also sets forth, as of the date of this Purchase Contract, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the County and the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the County and the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the County and the District when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial

offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (1) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (2) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter. The County and the District acknowledge that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a retail distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires.

(e) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

5. **Review of Official Statement.** The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Bonds, dated February __, 2018 (the "Preliminary Official Statement"). The District represents that it has duly authorized and prepared the Preliminary Official Statement for use by the Underwriter in connection with the sale of the Bonds, and that it has deemed the Preliminary Official Statement to be final as of its date, except for either revision or addition of the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s), redemption provisions and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the SEC under the Securities Exchange Act of 1934, as amended (the "Rule").

The Underwriter agrees that prior to the time the Official Statement (the "Official Statement") relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

References herein to the Preliminary Official Statement and the Official Statement include the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto.

The Underwriter agrees to file the Official Statement with the MSRB through its Electronic Municipal Market Access system within one business day after receipt thereof from the District, but in no event later than the Closing (as defined below).

6. **Closing.** At 9:00 A.M., California Time, on March __, 2018 or at such other time or on such other date as shall have been mutually agreed upon by the District, the County and the Underwriter (the "Closing"), the District will deliver to the Underwriter, at the offices of DTC in New York, New York, or at such other place as the District and the Underwriter may mutually agree upon, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, and at the offices of Stradling Yocca Carlson & Rauth, a Professional Corporation, in San Francisco, California, the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds by check, draft or wire transfer to the account of the County.

7. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriter that:

(a) **Due Organization.** The District is a school district duly organized and validly existing under the laws of the State of California (the "State"), with the full legal right, power and authority to issue the Bonds pursuant to the Act and to observe and perform the District's covenants and agreements contained herein and therein.

(b) Due Authorization. (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has full legal right, power and authority to enter into this Purchase Contract and the Continuing Disclosure Certificate, to adopt the District Resolution, to perform its obligations under each such document or instrument, to approve the Official Statement, and to carry out and effectuate the transactions contemplated by this Purchase Contract and the Resolutions; (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in, the Bonds, the Resolutions, the Continuing Disclosure Certificate, and this Purchase Contract have been duly authorized and such authorization shall be in full force and effect at the time of the Closing and as of the date hereof; (iv) this Purchase Contract, assuming the due authorization and execution by any other parties hereto, and the Continuing Disclosure Certificate constitute valid and legally binding obligations of the District, enforceable in accordance with their respective terms, subject to any limitation on the enforceability thereof as a result of the application of equitable principles and the exercise of judicial discretion in appropriate cases if equitable remedies are sought, and by the limitations on legal remedies against public agencies in the State; and (v) the District has duly authorized the consummation by it of all transactions contemplated by this Purchase Contract and the Official Statement.

(c) Consents. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds, the execution and delivery of this Purchase Contract and the Continuing Disclosure Certificate, the adoption of the District Resolution, or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request, or which have not been taken or obtained; provided, however, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

(l) Interim Financial Report. The District has not received a qualified or negative certification in its most recent interim report pursuant to Section 42130 et seq. of the State Education Code.

(m) No Material Adverse Change. misleading. If, in the opinion of the Underwriter, such event requires the preparation and distribution of a supplement or amendment to the Official Statement, the District shall prepare and furnish to the Underwriter, at the District's expense, such number of copies of the supplement or amendment to the Official Statement, in form and substance mutually agreed upon by the District and the Underwriter, as the Underwriter may reasonably request. (1) For purposes of this Purchase Contract, the "End of the Underwriting Period" is used as defined in the Rule and shall occur on the later of (A) the date of Closing or (B) when the Underwriter no longer retains an unsold balance of the Bonds; unless otherwise advised in writing by the Underwriter on or prior to the date of Closing, or otherwise agreed to by the District and the Underwriter, the District may assume that the End of the Underwriting Period is the date of Closing.

10. Representations, Warranties and Agreements of the Underwriter. The Underwriter represents to and agrees with the County and the District that, as of the date hereof and as of the date of the Closing:

(d) Marketability. Between the date hereof and the Closing, the market price or marketability of the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds, at the initial offering prices set forth in the Official Statement, shall not have been materially adversely affected in the reasonable judgment of the Underwriter (evidenced by a written notice to the County and the District terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

or

(ii) by or on behalf of the SEC, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

(2) legislation enacted by the legislature of the State of California (the "State"), or a decision rendered by a court of the State, or a ruling, order, or regulation (final or temporary) made by State authority, which would have the effect of changing, directly or indirectly, the State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof;

(5) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(6) an order, decree or injunction of any court of competent jurisdiction, or an order, filing, regulation or official statement by the SEC, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect;

(7) the occurrence of any adverse change of a material nature of the financial condition, results of operation or properties of the District; or

OPINION OF COUNTY COUNSEL

§ _____
CORONA-NORCO UNIFIED SCHOOL DISTRICT
(Riverside County, California)
Election of 2014 General Obligation Bonds, Series B

Ladies and Gentlemen

This opinion is rendered as counsel to the County of Riverside (the "County") in connection with the issuance by the Corona-Norco Unified School District (the "District") of its Election of 2014 General Obligation Bonds, Series B in the aggregate principal amount of \$ _____ (the "Bonds"). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County adopted on February 27, 2018 (the "County Resolution"), at the request of the District made pursuant to a resolution adopted by the Board of Education of the District on January 23, 2018 (the "District Resolution").

In rendering this opinion, we have examined the County Resolution and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and existing pursuant to the Constitution and the laws of the State of California.
2. The County Resolution was duly adopted at a meeting of the governing body of the County which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout.
3. To our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened against or affecting the County, which would adversely impact the County's ability to complete the transactions described in and contemplated by the Official Statement, to restrain or enjoin the levy or collection of tax revenues for the Bonds or in any way contesting or affecting the validity of the County Resolution or Bonds or the transactions described in and contemplated by the Official Statement wherein an unfavorable decision, ruling or finding would adversely affect the validity and enforceability of the County Resolution, the Purchase Contract or the Bonds or in which a final adverse decision could materially adversely affect the operations of the County.
4. To our knowledge, the obligations of the County with respect to the Bonds and the execution and delivery of the Purchase Contract and compliance with the provisions thereof, under

the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute on the part of the County a breach of or default under any agreement or other instrument to which the County is a party or by which it is bound or any existing law, regulation, court order or consent decree to which the County is subject.

Very truly yours,

DEPUTY COUNTY COUNSEL

RATINGS: Moody's: "Aa2"; Fitch: "AAA"
(See "MISCELLANEOUS – Ratings" herein)

In the opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California ("Bond Counsel"), under existing statutes, regulations, rulings and judicial decisions, and assuming the accuracy of certain representations and compliance with certain covenants and requirements described herein, interest (and original issue discount) on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals. In the further opinion of Bond Counsel, interest (and original issue discount) on the Bonds is exempt from State of California personal income tax. See "Tax Matters" herein with respect to tax consequences relating to the Bonds.
