

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

ITEM
3.12
(ID # 6465)

MEETING DATE:

Tuesday, March 20, 2018

FROM : TLMA-TRANSPORTATION:

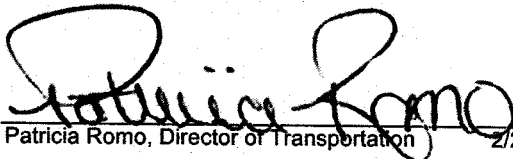

SUBJECT: TRANSPORTATION AND LAND MANAGEMENT AGENCY/ TRANSPORTATION
DEPARTMENT: Approval of the Plans and Specifications and Authorization to
Advertise for Bid for the Construction of Scott Road/Interstate 215 (I-215)
Interchange Project in the City of Menifee and City of Murrieta, CEQA Finding of
Nothing Further is Required. 3rd & 5th District (Clerk to Advertise); [\$35,319,598
total]; Local Funds 78%, Federal Funds 22%.

RECOMMENDED MOTION: That the Board of Supervisors:

1. Find nothing further is required pursuant to the California Environmental Quality Act (CEQA) because all potentially significant effects have been fully analyzed in an earlier Mitigated Negative Declaration for which Responsible Agency Findings were made by the Board on October 20, 2015 (Minute Order 3-12), for the Scott Road/I-215 Interchange Project; and
2. Approve the plans and specifications for the construction of Scott Road/I-215 Interchange Project in the City of Menifee and City of Murrieta; and

| | | | For Fiscal Year: 17/18 – 19/20 | |

C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The Transportation Improvement Program (TIP) provides for the construction of the Scott Road Interchange at I-215 in the Cities of Menifee and Murrieta.

The proposed project consists of widening Scott Road between Haun Road and Antelope Road, replacing the existing Scott Road overcrossing bridge at I-215 with a new six lane bridge, reconfiguring the on and off ramps, adding two new loop ramps and adding freeway auxiliary lanes. These improvements are expected to provide the needed congestion relief at the Scott Road Interchange for existing and future development.

The Scott Road/I-215 Interchange is located within the cities of Menifee and Murrieta as shown on the attached vicinity map. On December 10, 2013 (Agenda Item 3-33), the Board of Supervisors approved a Cooperative Agreement between the County, the City of Menifee, and the City of Murrieta for the overall development of the Environmental, Design and Right-of-Way acquisition phases of the Scott Road/I-215 Interchange Project. On October 3, 2017 (Agenda Item 3-16), the Board of Supervisors approved an Amendment to the Cooperative agreement where the cities designated the County as the lead agency for Advertising, Award and Administration of the construction of the project. The Cooperative Agreement between the County and Cities defines the roles and responsibilities for each agency in administering, managing and financing the project. A separate construction cooperative agreement between the County and Caltrans for the Scott Road/I-215 Interchange was also approved at the same

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

October 3, 2017 (Agenda Item 3-17) Board meeting, which defines the roles and responsibilities of each agency as to how the construction phase will be administered and managed.

The bid documents include the following bid schedules of work:

Base Bid Schedule: Interchange Improvements

Alternate Bid Sch. 1: Eastern Municipal Water District (EMWD) Improvements

Alternate Bid Sch. 2: Frontier Communications utility manholes adjustments

The Transportation Department will select the contractor based upon the lowest responsive and responsible bid of the sum of all bid schedules. EMWD and Frontier Communications will reimburse the construction cost for their respective alternate bid schedule if selected for award.

The submitted plans and specifications have been approved as to form by County Counsel.

Project No.: B3-0689

Federal Project No. STPLN-5956(262)

Environmental Findings

Pursuant to the California Environmental Quality Act (CEQA) and the National Environmental Policy Act (NEPA), Caltrans adopted a Mitigated Negative Declaration (MND) and made a Categorical Exclusion (CE) determination and approved the Interchange Project on December 2, 2010. An Addendum to the MND was prepared and considered and a NEPA/CEQA Re-Validation Conclusion Form was approved under CEQA for the Interchange Project, based on Resolution 2015-093. Advertisement of the Project is an implementing action in furtherance of the Interchange Project, and nothing further is required because all potentially significant effects have been adequately addressed in the MND/CE. This determination is documented in the attached Notice of Determination.

Impact on Citizens and Businesses

The Scott Road/I-215 Interchange project, will reduce traffic congestion in the region and improve the quality of life for the local residents and businesses. Freeway travel will be improved due to reduced congestion at the ramp intersections on Scott Road.

The work is scheduled to begin in mid-2018. The work will be phased to keep the interchange open during construction and will take approximately two years to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The construction contract is estimated to cost approximately \$35,319,598.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The City of Menifee is responsible for funding the Scott Road Interchange project. Various development fees that the County has collected from development in the Menifee area will be used for the construction of the project including, Scott Road –CFD funds, and developer contributions. Other funding sources include Western Riverside Council of Governments (WRCOG) Transportation Uniform Mitigation Fees (TUMF), Federal, and City of Menifee funds.

There are no General Funds used in this project.

NOTICE OF DETERMINATION COUNTY OF RIVERSIDE TRANSPORTATION DEPARTMENT

EA No. 0A0200 (State Project Number)

SCH# 2010061012

PROJECT NAME: Scott Road Interchange at I-215 – Advertisement for Construction

DESCRIPTION AND LOCATION: The County of Riverside (County) proposes to approve the plans and specifications and advertise for bids for construction of the Scott Road Interchange at I-215 Project (Project), which is located within State right of way and the Cities of Menifee and Murrieta. The Project is a proposed modification of the existing interchange. Approval of the plans and specifications and authorization to advertise for bid for construction is necessary in order to construct the Interchange improvements which are a part of the Supplemental Project Report and the Mitigated Negative Declaration (MND) and Categorical Exclusion (CE) prepared by Caltrans for the Project; and, is an implementing action in furtherance of the Project and nothing further is required.

On December 2, 2010, Caltrans, as lead agency, adopted a MND under CEQA and a CE under NEPA for the Project. On November 29, 2012, Caltrans issued a NEPA/CEQA Revalidation/Addendum for minor additions to the Project. On November 30, 2016, Caltrans issued a NEPA/CEQA Revalidation/Addendum for Phase 1 of the Project. The documents may be examined, along with the administrative record, at the Transportation Department, 3525 14th Street, Riverside, CA, 92501.

1. The Project will not have a significant effect on the environment.
2. A Mitigated Negative Declaration was prepared for this Project pursuant to the provisions of CEQA.
3. A Categorical Exclusion was prepared for this Project pursuant to the provisions of NEPA.
4. An Environmental Commitments Record/Mitigation Monitoring Reporting Plan was adopted.
5. The County is a responsible agency under CEQA for the Project per Resolution 2015-093.
6. The approval of the plans and specifications and advertisement for bids is an implementing action in furtherance of the Scott Road Interchange at I-215 Project and is consistent with the characteristics evaluated in the documents.
8. Nothing further is required because all potentially significant effects have been fully addressed in the documents.
