RE: Support of Conditional Use Permit No. 3757

I support the County of Riverside granting a Conditional Use Permit 3757 for the Property located at 36500 De Portola Road, Temecula, CA 92592.

As a supporter of this company's mission to treat, aid and support those who are battling addiction and commend their efforts. I have personally been impacted by addiction through several friends and my family and know that those who seek help have every right to admit into facilities such as Southern California Addiction Center regardless of the location. Above and beyond a typical location, this specific property requesting the conditional use permit is secluded and secure. The rolling Temecula hills provide a tranquil environment for people to focus on their recovery.

As a supporter of Drug and Alcohol Recovery, I encourage Riverside County to grant Southern California Addiction Center the Conditional Use Permit as applied for.

They have sought out this process and are in compliance with all that the County has asked of them. I am supportive of Southern California Addiction Centers application for Conditional Use Permit Application 3757 in Riverside County.

Thank you for your time and consideration.

Sincerely,

~~Judith A. McGrath~~

RE: Support of Conditional Use Permit No. 3757

I support the County of Riverside granting a Conditional Use Permit 3757 for the Property located at 36500 De Portola Road, Temecula, CA 92592.

As a supporter of this company's mission to treat, aid and support those who are battling addiction and commend their efforts. I believe we all have personally been impacted by addiction through friends, family, loved ones, overall population etc. and know that those who seek help have every right to admit into facilities such as Southern California Addiction Center regardless of the location. Above and beyond a typical location, this specific property requesting the conditional use permit is secluded and secure. The rolling Temecula hills provide a tranquil environment for people to focus on their recovery.

As a homeowner, voter, taxpayer, resident, and/or supporter of Drug and Alcohol Recovery, I encourage Riverside County to grant Southern California Addiction Center the Conditional Use Permit as applied for. They have sought out this process and are in compliance with all that the County has asked of them. I am supportive of Southern California Addiction Centers application for Conditional Use Permit Application 3757 in Riverside County.

Thank you for your time and consideration.

Sincerely,

Celeste Boyd

RE: Support of Conditional Use Permit No. 3757

I support the County of Riverside granting a Conditional Use Permit 3757 for the Property located at 36500 De Portola Road, Temecula, CA 92592.

As a supporter of this company's mission to treat, aid and support those who are battling addiction and commend their efforts. I believe we all have personally been impacted by addiction through friends, family, loved ones, overall population etc. and know that those who seek help have every right to admit into facilities such as Southern California Addiction Center regardless of the location. Above and beyond a typical location, this specific property requesting the conditional use permit is secluded and secure. The rolling Temecula hills provide a tranquil environment for people to focus on their recovery.

As a homeowner, voter, taxpayer, resident, and supporter of Drug and Alcohol Recovery, I encourage Riverside County to grant Southern California Addiction Center the Conditional Use Permit as applied for. They have sought out this process and are in compliance with all that the County has asked of them. I am supportive of Southern California Addiction Centers application for Conditional Use Permit Application 3757 in Riverside County.

I support the County of Riverside granting a Conditional Use Permit 3757 for the Property located at 36500 De Portola Road, Temecula, CA 92592.

As a supporter of this company's mission to treat, aid and support those who are battling addiction and commend their efforts. I have personally been impacted by addiction through my family & friends (family, friends) and know that those who seek help have every right to admit into facility's such as Southern California Addiction Center regardless of the location. Above and beyond a typical location, this specific property requesting the conditional use permit is secluded and secure. The rolling Temecula hills provide a tranquil environment for people to focus on their recovery.

As a resident (Riverside County Resident, homeowner, voter, tax payer, resident, and/or supporter of Drug and Alcohol Recovery), I encourage Riverside County to grant Southern California Addiction Center the Conditional Use Permit as applied for. They have sought out this process and are in compliance with all that the County has asked of them. I am supportive of Southern California Addiction Centers application for Conditional Use Permit Application 3757 in Riverside County.

Thank you for your time and consideration.
Sincerely,

Matthew Christophe Frieling
