BACKGROUND:

Summary

Part of the Riverside County Probation Department's (Probation) mission is to engage clients in order to effect change, and in doing so, change lives. To be successful, the deputy probation officer must know the community they serve and its available resources, including the ability to access services through referrals to Community Based Organizations. Two such services are Medi-Cal Administrative Activities (MAA) and Targeted Case Management (TCM). MAA and TCM are federal programs that partially reimburse participating counties for the federal share of costs for case management services provided to specific target populations. Both programs authorize governmental entities to submit claims and receive reimbursement for activities that constitute administration of the federal Medicaid program.

In an effort to assist Probation clients with their enrollment in Medi-Cal to receive health care benefits, the MAA and TCM program would help to improve the quality of life and reduce the draw on overall county resources, while claiming for program activities already being conducted by Probation staff. Historically, this population has been underserved when it comes to having access to medical and mental health services. Oftentimes treatment is only sought after a catastrophic event or need for emergency services. Improved case management will ensure clients have equitable access to medical and mental health services increasing their compliance and success on probation.

To best predict the need for training, auditing and continuous coaching for the MAA and TCM claiming process, the Probation Department conducted an in-house pilot study to project the potential revenue from both federal programs and to determine the feasibility of seeking proposals for utilizing a contracted claiming service. During the pilot study, each deputy probation officer was required to track their usual activities using the MAA and TCM program codes. At the end of the pilot study and extrapolating the numbers over all eligible staff, Probation projects the potential to claim for MAA and TCM activities for year one a low range of \$941,600 and a high range of \$2.7 million annually, net of any contracted administrative services fees. Reimbursements for claims are typically received one year in arrears.

As detailed below as part of the Contract History and Price Reasonableness section and as part of the negotiated benefit and the contracted claiming services, there are no upfront costs and no

monthly payments processed to the vendor. All fees for the vendor are based on a percentage of the revenue generated through the MAA and TCM successfully processed claims.

Impact on Residents and Businesses

The assistance to probation clients with their enrollment in Medi-Cal will improve their quality of life and reduce their draw on overall county resources. Historically, this population has been underserved when it comes to having access to medical and mental health services. Oftentimes treatment is only sought after a catastrophic event or need for emergency services. Improved case management will ensure clients have equitable access to medical and mental health services increasing their compliance and success on probation.

Additional Fiscal Information

The recommended agreement with Justice Benefits, Inc. (JBI) is strictly a revenue based agreement. All fees paid to JBI will be based on a percentage of the claims they successfully process. The annual percentage rates for the 5-year period of the agreement are detailed below as part of the Contract History and Price Reasonableness section.

Contract History and Price Reasonableness

County Purchasing issued a Request for Proposal (RFP) PRARC-068 on behalf of the Probation Department to obtain competitive proposals from qualified bidders to provide MAA and TCM program administration services. The RFP was advertised on the County Purchasing and Public Purchase website which was accessed by over twenty potential bidders. One (1) response was received from JBI and evaluated according to the criteria in the RFP including: overall responsiveness to and understanding of the RFP requirements, experience and ability, overall cost, references, financials, clarification, exception, deviation and credentials, resumes, licenses, and certifications. The evaluation committee included representatives from the Probation Department, with the recommendation to award to JBI.

The potential gross estimated annual claim reimbursement and contracted 12% to 15% administrative services fees for all five (5) year term of the agreement is:

Estimated Claim (Low) Amount	Year 1 Vendor Fee 12% Rate	Year 2 Vendor Fee 13% Rate	Year 3 Vendor Fee 14% Rate	Year 4 Vendor Fee 15% Rate	Year 5 Vendor Fee 15% Rate
MAA: \$250,000	\$30,000	\$32,500	\$35,000	\$37,500	\$37,500
TCM: \$820,000	\$98,400	\$106,600	\$144,800	\$123,000	\$123,000
Annual Fee Total:	\$128,400	\$139,100	\$149,800	\$160,500	\$160,500

Estimated Claim (High) Amount for Year 1	Year 1 Vendor Fee 12% Rate	Year 2 Vendor Fee 13% Rate	Year 3 Vendor Fee 14% Rate	Year 4 Vendor Fee 15% Rate	Year 5 Vendor Fee 15% Rate
MAA: \$600,000	\$72,000	\$78,000	\$84,000	\$90,000	\$90,000
TCM:\$2,500,000	\$300,000	\$325,000	\$350,000	\$375,000	\$375,000
Annual Fee Total:	\$372,000	\$403,000	\$434,000	\$465,000	\$465,000

Please note: actual administrative fees paid to the Contractor are dependent on actual claims approved by the TCM/MAA program.

Through negotiations and Best and Final Offer (BAFO) with JBI, the County annual cost savings is as follows:

- Year one (1), at 12% fee rate for 25% cost savings
- Year two (2), at 13% fee rate for 15% cost savings
- Year three (3), at 14% fee rate for 7% cost savings

Total cost savings of 47% for the five (5) year term of the agreement for services.

D. General Insurance Provisions - All lines:

1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the County Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) The CONTRACTOR must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the County's Risk Manager, CONTRACTOR'S carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) CONTRACTOR shall cause CONTRACTOR'S insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. CONTRACTOR shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier shall sign the original endorsements for each policy and the Certificate of Insurance.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONTRACTOR has become inadequate.

6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

8) CONTRACTOR agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

23. General

23.1 CONTRACTOR shall not delegate or assign any interest in this Agreement, whether by operation of law or otherwise, without the prior written consent of COUNTY. Any attempt to delegate or assign any interest herein shall be deemed void and of no force or effect.

23.2 Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

23.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

23.4 CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.

23.5 CONTRACTOR shall not provide any services or products subject to any chattel mortgage or under a conditional sales contract or other agreement by which an interest is retained by a third party. The CONTRACTOR warrants that it has good title to all materials or products used by CONTRACTOR or provided to COUNTY pursuant to this Agreement, free from all liens, claims, or encumbrances.

23.6 Nothing in this Agreement shall prohibit the COUNTY from acquiring the same type or equivalent equipment, products, materials or services from other sources, when deemed by the COUNTY to be in its best interest. The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

23.7 The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

23.10 CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

23.11 This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

23.12 This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.

SCOPE OF SERVICE

1. PURPOSE AND BACKGROUND:

- 1.1 Many services provided by the County of Riverside are funded directly by local and state funds when, in fact, some of those services are eligible for Federal Financial Participation (FFP). The CONTRACTOR shall provide professional assistance to explore opportunities for new state funding, to review prospects for expansion of existing and new state funding opportunities, new FFP, to review prospect for expansion of existing FFP, and to secure additional FFP as may be appropriate for the COUNTY.
- 1.2 The CONTRACTOR recognizes the COUNTY could file a targeted case management (TCM) claim. This would generate federal reimbursements for services the Probation Department staff are already performing. TCM is an optional Medi-Cal benefit that States can include in their Medicaid Plan to serve specific "target" populations.
 - 1.2.1 CONTRACTOR shall assist the COUNTY with a time study survey that will document reimbursable staff time involving TCM activities and obtain the necessary financial data to successfully prepare TCM claims.
 - 1.2.2 CONTRACTOR shall help define and train COUNTY staff to document reimbursable activities of probation staff.
 - 1.2.3 CONTRACTOR shall complete and submit the TCM claims for the COUNTY.
- 1.3 The CONTRACTOR recognizes the COUNTY could file Medi-Cal administrative activities (MAA) claims. MAA reimburses for activities that improve access to Medi-Cal coverage or improve the use of Medi-Cal covered services, per the California Department of Health Care Services (DHCS).
 - 1.3.1 CONTRACTOR shall assist with the implementation plan, incorporate a time study system that will document reimbursable staff time involving MAA activities, and obtain the necessary financial date to successfully prepare MAA claims for the COUNTY.

2. SCOPE OF SERVICE:

- 2.1 CONTRACTOR shall review the policies and procedures used by the COUNTY to identify additional Federal, State, and other revenue sources, if any, as may be available to the COUNTY through participation in new programs or expansions of existing FFP. These efforts shall include, but may not be limited to, the following activities:
 - 2.1.1 Advising the COUNTY of the reimbursement opportunity;
 - 2.1.2 Preparing or enhancing the claim;
 - 2.1.3 Preparing or assisting with submittal packages;

- 2.1.4 Preparing audit files;
 - 2.1.5 Assisting the COUNTY with submittals;
 - 2.1.6 Assisting the COUNTY should an audit be conducted for the claims on which the CONTRACTOR has assisted preparing and submitting for reimbursement; or
 - 2.1.7 Other related federal revenue enhancement activities.
- 2.2 CONTRACTOR shall continually monitor for new opportunities of funding. Whenever a new federal or state reimbursement opportunity arises, CONTRACTOR shall notify the COUNTY of the potential opportunity.
- 2.2.1 The CONTRACTOR shall make commercially reasonable efforts to identify and optimize all federal and state reimbursement opportunities for the COUNTY.
- 2.3 The COUNTY shall perform the following:
- 2.3.1 Designate a properly authorized COUNTY representative to sign each CONTRACTOR initiative of which the COUNTY approves.
 - 2.3.2 Designate a contract monitor who shall:
 - Be responsible for monitoring CONTRACTOR's performance under the terms and conditions of this Agreement; and
 - Authorize payment for services rendered based upon properly submitted invoices to the COUNTY in accordance with Exhibit B Payment Provision of the agreement.
 - 2.3.3 COUNTY shall provide CONTRACTOR with copies of or access to documents and databases that are necessary for the successful completion of work required by this Agreement.
- 2.4 The COUNTY and CONTRACTOR mutually agree that the confidentiality of the information obtained by the CONTRACTOR shall be strictly observed, as permitted by law, in any reporting, auditing, invoicing and evaluation. Provided however, that this provision should be construed as a standard conduct and not a limitation upon the right to conduct the foregoing activities.
- 2.5 The COUNTY shall compensate CONTRACTOR for revenues received by the COUNTY that are a direct result of the CONTRACTOR's efforts. These efforts shall include any or all, but shall not be limited to the following activities:
- 2.5.1 Advising the COUNTY of the reimbursement opportunity;
 - 2.5.2 Preparing or enhancing the claim;
 - 2.5.3 Preparing of submittal packages;

- 2.5.4 Preparing audit files;
- 2.5.5 Assisting the COUNTY with submittals;
- 2.5.6 Assisting the COUNTY should it be audited for claims on which the CONTRACTOR assisted; or
- 2.5.7 Related federal and/or state revenue enhancement activities.
- 2.6 The CONTRACTOR shall be compensated for revenue sources that directly result from services/activities described in the Scope of Services at the rates included in each attached initiative and written directive signed by the COUNTY.
- Each initiative and written directive signed by the COUNTY includes rates at which CONTRACTOR shall be paid.
- 2.7 Unless otherwise agreed or directed by CONTRACTOR in writing, the COUNTY shall make payment to the order of JBI, at 1711 E. Beltline Road, Coppell, Texas 75019.
- 2.8 Both parties recognize that delays in payment or reimbursement to the COUNTY by the Federal or State government may occur. CONTRACTOR shall be reimbursed within thirty (30) days after funds are actually received by the COUNTY and an accurate invoice is delivered to the COUNTY by the CONTRACTOR, even if those receipts occur beyond the Term of this Agreement.
- 2.9 The COUNTY agrees that in the unlikely event any funds recovered by the COUNTY as a result of this Agreement be subsequently disallowed, that the related fees paid to CONTRACTOR based on such disallowed reimbursements will be credited against future payments to CONTRACTOR, or be promptly repaid by the COUNTY should this agreement be terminated. If the disallowance is due to an error caused by COUNTY, then the related fees paid by COUNTY shall be credited against future payments to CONTRACTOR; however, if the disallowance is due to an audit or an error caused by CONTRACTOR, then CONTRACTOR shall be responsible for payment of all applicable fines.
- 2.10 CONTRACTOR shall have the right to review the COUNTY's claims, grant awards, and such books, records, and other documents as may be required to ensure that the payment of CONTRACTOR's fees is in accordance with this Agreement.
- 2.11 Notification: any notice, specifications, reports, or written communications from CONTRACTOR to the COUNTY shall be considered delivered when posted by certified mail. Any notice, delivered by certified mail to CONTRACTOR at the address listed under section 18 of this Agreement shall be considered delivered when posted.

- 1) **Breaches treated as discovered.** A breach is treated as discovered by Contractor as of the first day on which such breach is known to Contractor or, by exercising reasonable diligence, would have been known to Contractor, which includes any person, other than the person committing the breach, who is an employee, officer, or other agent of Contractor (determined in accordance with the federal common law of agency).
 - 2) **Content of notification.** The written notification to County relating to breach of unsecured PHI shall include, to the extent possible, the following information if known (or can be reasonably obtained) by Contractor:

- D. **Delay of notification authorized by law enforcement.** If Contractor delays notification of breach of unsecured PHI pursuant to a law enforcement official's statement that required notification, notice or posting would impede a criminal investigation or cause damage to national security, Contractor shall maintain documentation sufficient to demonstrate its compliance with the requirements of 45 CFR §164.412.
- E. **Payment of costs.** With respect to any breach of unsecured PHI caused solely by the Contractor's failure to comply with one or more of its obligations under this Addendum and/or the provisions of HITECH, HIPAA, the Privacy Rule or the Security Rule, Contractor agrees to pay any and all costs associated with providing all legally required notifications to individuals, media outlets, and the Secretary. This provision shall not be

construed to limit or diminish Contractor's obligations to indemnify, defend and hold harmless County under Section 9 of this Addendum.

- F. **Documentation.** Pursuant to 45 CFR §164.414(b), in the event Contractor's use or disclosure of PHI and/or ePHI violates the Privacy Rule, Contractor shall maintain documentation sufficient to demonstrate that all notifications were made by Contractor as required by 45 CFR Part 164, Subpart D, or that such use or disclosure did not constitute a breach, including Contractor's completed risk assessment and investigation documentation.
- G. **Additional State Reporting Requirements.** The parties agree that this Section 8.G applies only if and/or when County, in its capacity as a licensed clinic, health facility, home health agency, or hospice, is required to report unlawful or unauthorized access, use, or disclosure of medical information under the more stringent requirements of California Health & Safety Code §1280.15. For purposes of this Section 8.G, "unauthorized" has the meaning given such term in California Health & Safety Code §1280.15(j)(2).
- 1) Contractor agrees to assist County to fulfill its reporting obligations to affected patients and to the California Department of Public Health ("CDPH") in a timely manner under the California Health & Safety Code §1280.15.

Contractor further agrees such report shall be made in writing, and shall include substantially the same types of information listed above in Section 8.A.2 (Content of Notification) as applicable to the unlawful or unauthorized access, use, or disclosure as defined above in this section, understanding and acknowledging that the term "breach" as used in Section 8.A.2 does not apply to California Health & Safety Code §1280.15.

9. **Hold Harmless/Indemnification.**

- A. Contractor agrees to indemnify and hold harmless County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, death, or any other element of any kind or nature whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Contractor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.

- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.
10. **Term.** This Addendum shall commence upon the Effective Date and shall terminate when all PHI and/or ePHI provided by County to Contractor, or created or received by Contractor on behalf of County, is destroyed or returned to County, or, if it is infeasible to return or destroy PHI and/ePHI, protections are extended to such information, in accordance with section 11.B of this Addendum.
11. **Termination.**
- A. **Termination for Breach of Contract.** A breach of any provision of this Addendum by either party shall constitute a material breach of the Underlying Agreement and will provide grounds for terminating this Addendum and the Underlying Agreement with or without an opportunity to cure the breach, notwithstanding any provision in the Underlying Agreement to the contrary. Either party, upon written notice to the other party describing the breach, may take any of the following actions:
- 1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
 - 2) Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.
 - 3) If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.
- B. **Effect of Termination.**
- 1) Upon termination of this Addendum, for any reason, Contractor shall return or, if agreed to in writing by County, destroy all PHI and/or ePHI received from County, or created or received by the Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
 - 2) In the event that Contractor determines that returning or destroying the PHI and/or ePHI is not feasible, Contractor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Contractor that return or destruction of PHI and/or ePHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.
12. **General Provisions.**
- A. **Retention Period.** Whenever Contractor is required to document or maintain documentation pursuant to the terms of this Addendum, Contractor shall retain such documentation for 6 years from the date of its creation or as otherwise prescribed by law, whichever is later.
- B. **Amendment.** The parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for County to comply with HITECH, the Privacy Rule, Security Rule, and HIPAA generally.
- C. **Survival.** The obligations of Contractor under Sections 3, 5, 6, 7, 8, 9, 11.B and 12.A of this Addendum shall survive the termination or expiration of this Addendum.

- D. **Regulatory and Statutory References.** A reference in this Addendum to a section in HITECH, HIPAA, the Privacy Rule and/or Security Rule means the section(s) as in effect or as amended.
- E. **Conflicts.** The provisions of this Addendum shall prevail over any provisions in the Underlying Agreement that conflict or appear inconsistent with any provision in this Addendum.
- F. **Interpretation of Addendum.**
- 1) This Addendum shall be construed to be part of the Underlying Agreement as one document. The purpose is to supplement the Underlying Agreement to include the requirements of the Privacy Rule, Security Rule, HIPAA and HITECH.
 - 2) Any ambiguity between this Addendum and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, Security Rule, HIPAA and HITECH generally.
- G. **Notices to County.** All notifications required to be given by Contractor to County pursuant to the terms of this Addendum shall be made in writing and delivered to the County both by fax and to both of the addresses listed below by either registered or certified mail return receipt requested or guaranteed overnight mail with tracing capability, or at such other address as County may hereafter designate.
