BACKGROUND:

Summary

The Riverside County Advisory Council on Aging is the official local Area Advisory Council, as mandated by the Federal Older Americans Act and the State Older Californians Act. The council is a volunteer leadership body, composed of seventeen (17) members, whose purpose is to advise the Office on Aging and the Board of Supervisors on all matters related to the development of the Office on Aging Strategic Plan, administration of the plan and operations conducted under the plan.

Pursuant to Resolution No. 2005-148, Uniform Rules and Procedures for Advisory Committees, Boards and Commissions of the County of Riverside, and in accordance with Board Policy A-21, the Office on Aging and the Advisory Council on Aging respectfully request Board of Supervisors re-appointment of Barbara Mitchell and Beverly Greer to the Riverside County Advisory Council on Aging, with a term expiring June 30, 2021.

Impact on Residents and Businesses

The Riverside County Advisory Council on Aging is a diverse group of seasoned community leaders committed to each other and the process of consensus building to meet the needs of older adults, persons with disabilities and caregivers within Riverside County.

As advocates, Council Members are the eyes, ears and voice of older adults, persons with disabilities and caregivers within their communities. With this important role, Council Members carry the responsibility of raising issues, recommending change and advocating for those changes. As the aging population increases, these effective volunteer leaders, in partnership with government and community liaisons, continue making a positive difference for older adults and persons with disabilities in Riverside County.
