BACKGROUND:

Summary

Since 1993 the District has provided funding in support of the Household Hazardous Waste Collection and Anti-Freeze, Batteries, Oil and Latex Paint collection programs as part of its NPDES area-wide municipal stormwater management program. In compliance with the NPDES Permits, the District has chosen to continue to provide financial support for Waste Resources area-wide program services. Therefore, the District will contribute an amount not exceed three hundred thousand dollars (\$300,000) in each fiscal year towards the program. A prior Agreement has been approved by the Board of Supervisors on 09/24/13 [Agenda Item No. 11-4] for the same contract amount. This Agreement continues the existing funding arrangements for these programs from FY 2018-19 through FY 2022-23.

County Counsel has approved this Agreement as to legal form. A companion item (Minute Traq Item 6850) appears on the Waste Resources agenda this same date.

Impact on Residents and Businesses

Funding will be provided by the District's annual NPDES Benefit Assessments levied in the Santa Ana, Santa Margarita and Whitewater Benefit Assessment Areas. Execution of the Agreement imposes no additional impacts to residents and businesses.

Additional Fiscal Information

Sufficient funding is available in the District's budget for Fiscal Year 2018-19 and will be included in the proposed budget(s) in future years as appropriate.

MULTI-YEAR AGREEMENT

For Household Hazardous Waste Collection Programs
FY 2018/19 to FY 2022/23

The Riverside County Flood Control and Water Conservation District, a body politic ("DISTRICT"), and the County of Riverside, a political subdivision of the State of California, on behalf of the Department of Waste Resources ("COUNTY"), hereby agree as follows:

RECITALS

A. Congress in 1987 added Section 402(p) to the Federal Clean Water Act (CWA) {33 U.S.C. §1342(p)}; and

B. Section 402(p) requires certain municipalities to obtain a National Pollutant Discharge Elimination System (NPDES) Permit to discharge stormwater from Municipal Separate Storm Sewer Systems (MS4s) into waters of the United States; and

C. Pursuant to 33 U.S.C. §1342(p) (2) (C), (D) and (E), DISTRICT, County of Riverside, the Coachella Valley Water District (CVWD) and certain incorporated Cities within Riverside County have obtained NPDES Permits for municipal stormwater discharges; and

D. Section 402(p) further requires the United States Environmental Protection Agency (USEPA) to promulgate regulations requiring NPDES Permits for designated industrial activities and certain MS4s; and

E. USEPA promulgated such regulations and adopted them in November 1990;
and

F. USEPA has delegated its authority to the California State Water Resources Control Board (SWRCB) to administer the NPDES Permit process within the State of California;
and

JUN 26 2018 12.1C

JUN 26 2018 11.3

G. SWRCB has in turn delegated its NPDES permitting authority to the Regional Water Quality Control Boards (RWQCBs) to administer the NPDES Permit process within the boundaries of their respective regions; and

H. DISTRICT and CVWD are authorized to provide for the control of flood and stormwater within their respective jurisdictions of the County of Riverside and are empowered to investigate, examine, measure, analyze, study and inspect matters pertaining to flood and stormwaters; and

I. DISTRICT, County of Riverside, CVWD and the incorporated Cities (except for the City of Blythe) within Riverside County have obtained NPDES MS4 Permits from the respective RWQCBs in order to comply with Section 402(p); and

J. USEPA regulations and the NPDES MS4 Permits require municipalities to control the contribution of pollutants to the municipal storm sewer by stormwater discharges associated with industrial activity and the quality of stormwater discharged from the sites of industrial activity; and

K. DISTRICT, in accordance with its responsibilities as a Principal Permittee, is developing comprehensive stormwater management programs within the County of Riverside and in the region; and

L. COUNTY, conducts certain area-wide collection programs and activities pertaining to hazardous waste management, hazardous materials facility compliance inspections, and health and safety code inspections; and

M. Certain aspects of COUNTY activities are consistent with the goals and objectives of NPDES MS4 Permits and the Best Management Practices (BMP) included in the Permittee's regional Drainage Area Management Plans (DAMP); and

N. DISTRICT wishes to support certain COUNTY programs and activities by contributing an amount not to exceed three hundred thousand dollars (\$300,000) per fiscal year, hereinafter called "CONTRIBUTION", for Fiscal Years 2018/19 through 2022/23 to sustain the scope of certain COUNTY programs and activities to meet the requirements of NPDES MS4 Permits as set forth herein. The total amount of DISTRICT CONTRIBUTION under this Agreement shall not exceed one million five hundred thousand dollars (\$1,500,000); and

O. It is understood that this Agreement does not change existing responsibilities for compliance with any NPDES MS4 Permit, and COUNTY, through any services provided, is not assuming responsibility for NPDES MS4 Permit compliance requirements as they exist or may be established; and

P. Cooperation between DISTRICT and the COUNTY in these matters is in the best interest of the public.

NOW, THEREFORE, the parties hereto do mutually agree as follows:

1. NPDES PROGRAM ACTIVITIES – COUNTY, will perform certain NPDES program activities as long as adequate manpower is available within COUNTY's staff and reimbursement from DISTRICT is sufficient to perform the activities agreed to including the following: Household Hazardous Waste (HHW) Collection Program, and Antifreeze, Battery, Oil and Latex Paint (ABOP) Program. (i) COUNTY, shall conduct not less than fifteen (15) HHW collection events during the first Fiscal Year of this Agreement. Additional events for future Fiscal Years will be

scheduled based on the amount of DISTRICT's contribution to specifically support the HHW program. A minimum of two (2) THHWCF events or a single permanent HHW site shall be established in each of the three (3) NPDES MS4 Permit areas (Santa Ana, Santa Margarita and Whitewater watersheds).

- (ii) COUNTY and DISTRICT shall advertise scheduled HHW collection events in countywide and/or local newspapers.
- (iii) DISTRICT and COUNTY shall work cooperatively with the County of Riverside, incorporated Cities, and other interested parties to provide technical assistance and/or coordinate additional HHW collection sites within the NPDES Permit areas.

(b) PERMANENT HHW COLLECTION FACILITY (PHHWCF) AND ABOP PROGRAM:

priorities, projected activities and available funding sources for NPDES PROGRAM ACTIVITIES:

- (a) DISTRICT and COUNTY staff shall review available funding resources and develop a preliminary schedule for NPDES program activities based on DISTRICT's contribution to NPDES PROGRAM ACTIVITIES for the upcoming Fiscal Year.

3. USE OF ABOP/HHW CONTRIBUTION – The COUNTY shall use CONTRIBUTION only for salaries, training, equipment, supplies, waste disposal and other expenses related to providing NPDES PROGRAM ACTIVITIES as agreed upon by DISTRICT and COUNTY.

4. INDEMNITY AND HOLD HARMLESS - The COUNTY shall indemnify and hold DISTRICT, its officers, employees and agents free and harmless from all claims, actions, damages and liabilities of whatsoever kind and nature arising from death, personal injury property damage or other cause asserted or based upon any act or omission of or by person or persons associated with NPDES PROGRAM ACTIVITIES relating to or in any way connected with the accomplishment of the work or performance of services of NPDES PROGRAM ACTIVITIES. As part hereto of the foregoing indemnity, the COUNTY agrees to protect and to defend at its own expense, including attorneys' fees, DISTRICT, its officers, agents and employees from any and all legal action based upon any negligent acts or omissions, as stated herein, by any person or persons.

5. REPORTS AND INFORMATION – The COUNTY shall submit to DISTRICT on or before October 1st a report on NPDES PROGRAM ACTIVITIES performed

by the COUNTY during the previous Fiscal Year (July 1st through June 30th). The report shall include but not be limited to:

The total amount to be paid to COUNTY pursuant to this Agreement shall not exceed three hundred thousand dollars (\$300,000) in any fiscal year and shall not exceed the sum of one million five hundred thousand dollars (\$1,500,000) for the entire term of this Agreement.

8. CONTINGENCY – CONTRIBUTION shall be contingent upon the approval by DISTRICT's Board of Supervisors of the annual Benefit Assessment levies for the Santa Ana, Santa Margarita and Whitewater Watershed Benefit Assessment Areas and based on available funding. In the event that DISTRICT funds determined to be available will be less than the agreed upon not to exceed amount of three hundred thousand dollars (\$300,000) for the next fiscal year, DISTRICT will notify COUNTY in January of the current fiscal year of the deficiency in the Benefit Assessment Area's funds so that COUNTY may adjust, after

consultation and agreement by DISTRICT, the scope of NPDES PROGRAM ACTIVITIES to be provided for the remainder of the current fiscal year or the next fiscal year.

9. COMPLIANCE WITH NPDES PERMITS – NPDES PROGRAM ACTIVITIES, as specified herein, will be performed by COUNTY under this Agreement. Nothing in this Agreement shall be construed as making COUNTY responsible for NPDES Permits compliance.

10. NON-INTERFERENCE – DISTRICT understands and agrees that it shall not directly supervise or interfere with any of the COUNTY activities contemplated hereunder.

11. TERM OF AGREEMENT – This Agreement shall commence on the date of execution thereof and shall continue in effect until June 30, 2023.

12. TERMINATION OF AGREEMENT – Either party may terminate the provisions of this Agreement related to the HHW and ABOP Programs subject to six (6) months written notice thereof.

13. APPLICABILITY OF PRIOR AGREEMENTS – This Agreement constitutes the entire Agreement between the parties with respect to the subject matter; all prior agreements, representations, statements, negotiations and understandings are hereby superseded.
