**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

The State Legislature enacted the Mello-Roos Act of 1982, to assist public agencies in financing certain capital improvements, public services, and maintenance activities. On January 27, 2015, the Board Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD).

Riverside Orchard View Lane 15, LLC, is the Developer of Tract 31199 and requested that the County form a CFD to cover the costs associated with the maintenance of public improvements within the district. The boundaries of CFD No. 17-6M (Amberley) will encompass the entire Tract Map No. 31199 which is projected to include 15 assessable single family dwelling units.

As approved by voters, a special tax is to be levied on each individual parcel located within the boundary of the CFD to fund the costs associated with services for street lights maintenance (including energy charges, operation, maintenance, and administrative costs of streetlights) and landscape maintenance, including streetscape (which may include, but is not limited to, all landscaping materials such as, ground cover, shrub, trees and plants) as well as irrigation, trash removal, weed control, water costs, and other abatements, electricity, repair/replacement and inspection.

The special tax is levied according to a Rate and Method of Apportionment (RMA) which is developed with respect to the specific features of the particular residential development within the District and which is approved by the eligible voters and later adopted by ordinance. The special tax levy is annually placed on the tax roll for each Assessor Parcel Number noted in the CFD Boundary Map.

On February 27, 2018, the County of Riverside Board of Supervisors approved agenda item 3.19. Resolution No. 2018-005, a resolution of intention as the initial step for forming the CFD and declares the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by the Developer.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

On April 10, 2018, per agenda item 9.1, the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2018-060, the Resolution of Formation of the CFD which also authorized the levy of a special tax within the CFD subject to voter approval during a duly called election held that same day.

On May 22, 2018, the Board of Supervisors adopted Resolution No. 2018-085 declaring the results of the election regarding the proposed special tax and finding that 100% of the votes cast were in favor of the levy of the special tax. In addition, the Board introduced Riverside County Ordinance No. 942 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters. By today's action, the Board will formally adopt the special tax ordinance and levy the special tax.

Pursuant to CEQA, the ordinance was reviewed and determined to be exempt from CEQA pursuant to State CEQA guidelines Section 15378, Section 15301, Class 1 – Existing facilities and Section 1061(b)(3) – Common Sense Exemption. The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair and minor alteration of existing public or private structures, facilities, mechanical equipment or topographical features, involving no expansion of use. The adoption of the ordinance would not result in direct impacts to the physical environment or reasonably foreseeable indirect effects, as it would not include any changes to the existing land use or a physical degradation of the property

County Counsel has approved the ordinance as to form.

**Impact on Residents and Businesses**

The voters within the CFD have voted to authorize the special tax levied by Riverside County Ordinance No. 942 on real property within the CFD to provide funds for authorized maintenance and service activities. The property owners within the CFD will be favorably impacted by the levy of the special tax and the associated maintenance and service activities it funds.

8 b. The Board of Supervisors, acting as the Legislative Body of the District, is  
9 hereby authorized and directed each fiscal year to determine, or cause to be

20 First: The Special Tax shall be levied Proportionately on each Parcel of Developed  
21 Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the  
22 Special Tax Requirement;

23 Second: If additional moneys are needed to satisfy the Special Tax Requirement after  
24 the first step has been completed, the Special Tax shall be levied Proportionately on  
25 each Parcel of Approved Property at up to 100% of the Maximum Special Tax for  
26 Approved Property.

27 Third: If additional moneys are needed to satisfy the Special Tax Requirement after the  
28 first two steps have been completed, the Special Tax shall be levied Proportionately on  
29 each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special  
30 Tax for Undeveloped Property.

31 Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal  
32 Year against any Parcel of Residential Property for which a Certificate of Occupancy has been  
33 issued be increased by more than ten percent (10%) as a result of a delinquency in the payment  
34 of the Special Tax applicable to any other Parcel above the amount that would have been levied  
35 in that Fiscal Year had there never been any such delinquency or default.

2 **E. EXEMPTIONS**

3 The CFD shall not levy Special Taxes on Public Property or Property Owners Association  
4 Property within the CFD.

9 directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner  
if necessary to meet the financial obligations of the CFD, and provided further that the CFD may  
covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes  
as permitted by the Act.

10 **G. APPEALS**

16 with the appellant if the Administrator deems necessary, and advise the appellant of its  
determination. If the Administrator agrees with the appellant, the Administrator shall grant a  
credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of  
previously paid Special Taxes shall be made.

17 The Administrator shall interpret this Rate and Method of Apportionment and make

NOTICE OF EXEMPTION

June 18, 2018

Project Name: County of Riverside, Economic Development Agency (EDA) Community Facilities District (CFD) No. 17-6M (Amberley) of the County of Riverside; Adoption of Ordinance No. 942, an Ordinance of the County of Riverside Authorizing the Levy of a Special Tax Within the Amberley CFD

Project Number: ED9150062

Project Location: County of Riverside, Community Facilities District No. 17-6M Amberley (See Attached Exhibit)

Description of Project: On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD). As approved by voters, a special tax is to be levied on each individual parcel located within the boundary of the CFD to fund the costs associated with services for lighting and maintenance services for streets, roads, parks, parkways, and open space. The special tax is levied according to a Rate and Method of Apportionment which is developed with respect to the specific features of the particular development within the District and which is approved by the eligible voters and later adopted by ordinance. The special tax levy is annually placed on the tax roll for each Assessor Parcel Number noted in the CFD Boundary Map. Riverside Orchard View Lane 15, LLC is the Developer of Tract 31199 and requested that the County form a CFD to cover the costs associated with the maintenance of public improvements within the district. The boundaries of CFD No. 17-6M (Amberley) will encompass the entire Tract Map No. 31199 which is projected to include 15 assessable single family dwelling units. On February 27, 2018, the Board of Supervisors adopted Resolution 2018-005, a resolution of intention, as the initial step for forming the CFD and declaring the Board's intention to levy a special tax to fund the of Intention to establish a CFD for Amberley in order to authorize the levy of special taxes to fund, pay for, and finance authorized maintenance and service activities. On April 10, 2018, the Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2018-060, the Resolution of Formation of the CFD which also authorized the levy of a special tax within the CFD subject to voter approval during a duly called election held that same day. On May 22, 2018, the Board of Supervisors adopted Resolution No. 2018-085 declaring the results of the election regarding the proposed special tax and finding that 100 percent of the votes cast were in favor of the levy of the special tax. In addition, the Board introduced Riverside County Ordinance No. 942 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters.

The Board of Supervisors is now proposing to formally adopt Riverside County Ordinance No. 942 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters. Riverside County Ordinance No. 942, which authorizes the levy of a special tax within the Amberley CFD to fund services for maintenance and service activities, is identified as the proposed Project under the California Environmental Quality Act (CEQA). The Ordinance includes the creation of a funding mechanism to provide maintenance and service activities within the CFD. No expansion of an existing use will occur. No additional direct or indirect physical environmental impacts are anticipated from the provision of maintenance services identified in the Riverside County Ordinance No. 942.

**Name of Person or Agency Carrying Out Project:** County of Riverside, Economic Development Agency

**Exempt Status:** Not a project as defined in California Environmental Quality Act (CEQA) Section 21065 and State CEQA Guidelines 15378; Section 15301, Existing Facilities Exemption; Section 15061(b) (3), General Rule or "Common Sense" Exemption. Codified under Public Resources Code Division 13, Chapter 2.5, Section 21065, and California Code of Regulations Title 14, Articles 5, 19, and 20, Sections 15061, 15301, and 15378.

**Reasons Why Project is Exempt:** The direct effects of the adoption of the Ordinance to levy a special tax within the Amberley CFD would not constitute a project as defined by State CEQA Section 21065 and CEQA Guidelines Section 15378. Section 15378 (b) provides a list of five activities that are not considered a Project under CEQA. The proposed Ordinance would qualify under two conditions identified in Section 15378 (b): (4) the creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant impact on the environment and (5) organizational or administrative activity of the government that will not result in direct or indirect physical changes to the environment. The adoption of the Ordinance by the Board satisfies these conditions as the Ordinance would provide a funding mechanism to provide ongoing maintenance of existing buildings that would not result in direct or indirect physical changes to the environment. Based on the above conditions, the adoption of the Ordinance is not a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378.

The indirect effects of the adoption of the Ordinance which would result in continued maintenance activities within the Amberley CFD are categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The Project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The Project will not cause an impact to an environmental resource of hazardous or critical concern nor would the Project include a reasonable possibility of having a significant effect on the environment due to unusual circumstances. The Project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the provision of services to maintain the Amberley CFD.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the site's use. An Environmental Assessment (39261) was previously prepared and approved for the site which evaluated the effects of the development of 15 single-family homes within Tract 31199, which is the Amberley CFD. This approved development represents the environmental baseline and existing conditions under CEQA, as it is a dependent condition for the Project, as proposed, to occur. The Project is limited to the maintenance of the approved development within the Amberley CFD. The maintenance within the Amberley CFD is consistent within the activities permitted under Section 15301 and would ensure that the area does not physically deteriorate and potentially result in blight. The continued maintenance would not require any expansion of public services and facilities beyond what was approved for development; therefore, the Project is exempt as it meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.

- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the Project may have a significant effect on the environment. The adoption of the Ordinance and creation of funding to provide continued maintenance of the Amberley CFD will not result in any direct or indirect physical environmental impacts. The use and operation of the Amberley CFD will be substantially similar to the existing use and the ongoing maintenance will not create any new environmental impacts to the environment. No alterations and no impacts beyond the ongoing, existing use of the Amberley CFD would occur. Therefore, in no way, would the Project as proposed have the potential to cause a significant environmental impact and the Project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Economic Development Agency hereby concludes that no physical environmental impacts are anticipated to occur and the Project as proposed is exempt under CEQA. No further environmental analysis is warranted.

DISTRICT NO. 17-6M (AMBERLEY) OF THE COUNTY OF RIVERSIDE

This summary is presented pursuant to California Government Code Section 25124(b). A certified copy of the full text of Ordinance No. 942 may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside, located at 4080 Lemon Street 1<sup>st</sup> Floor, Riverside, California 92501.

Pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53311 of the California Government Code (the "Government Code"), on February 27, 2018, the Board of Supervisors (the "Board of Supervisors") of the County of Riverside adopted Resolution No. 2018-005, stating its intention to establish a community facilities district proposed to be named Community Facilities District No. 17-6M (Amberley) of the County of Riverside (the "District"), and to authorize the levy of special taxes to fund, pay for, and finance authorized lighting and maintenance services for streets, roads, parks, parkways and open space (the "Services") and to pay expenses incidental thereto and incidental to the levy and collection of the special taxes, so long as the special taxes are needed to fund the Services.

The purpose of Ordinance No. 942 is to provide for the levy of a special tax within the District. Ordinance No. 942 authorizes and levies special taxes within the District at the rate and in accordance with the method of apportionment approved by the voters at an election held on April 10, 2018 regarding the proposed levy of special taxes. Ordinance No. 942 provides that the Board of Supervisors, as the legislative body of the District, is authorized and directed each fiscal year to determine or cause to be determined the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the District. The special tax revenues shall be used to fund, pay for, and finance the Services and shall be levied so long as special taxes are needed to fund such Services. In addition, the special tax revenue may be used to replenish a reserve fund for the District, to pay the costs of administering the District, and fund the cost of collecting and administering the special tax. Ordinance No. 942 provides that the special taxes may be collected on the secured property tax roll in the same manner as ordinary *ad valorem* taxes and that the special taxes shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for *ad valorem* taxes.

The rate and method of apportionment of the special tax authorized by Ordinance No. 942 is the rate and method approved by voters within the District and as further reflected in Exhibit A "Rate and Method" of Ordinance No. 942. A complete copy of Exhibit A "Rate and Method" is on file with the Clerk of the Board of Supervisors and is available for public inspection and copying in that office in accordance with the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code. Ordinance No. 942 takes effect immediately upon its adoption in accordance with Section 25123(c) of the Government Code.

**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

The State Legislature enacted the Mello-Roos Act of 1982 to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD). Riverside Orchard View Lane 15, LLC is the Developer of Tract 31199 (Developer) and requested that the County of Riverside Economic (EDA) assist them in forming a district for the County of Riverside (County) to cover the costs associated with the maintenance of public improvements within the district. A special tax shall be levied on each individual parcel located within the boundary of the CFD to fund the costs associated with services for street lights maintenance including energy charges, operation, maintenance, and administrative costs of streetlights, landscape maintenance, including streetscape which may include, but is not limited to, all landscaping materials such as, ground cover, shrub, trees, plants, irrigation, trash removal, weed control, water costs, and other abatements, electricity, repair/replacement and inspection.

Each new CFD is created for a specific residential development or developments when facilities are requested to be maintained by the County. A special tax is levied according to a Rate and Method of Apportionment (RMA) developed to the specific features within that District, and a special tax levy is annually placed on the tax roll for each Assessor Parcel Number (APN) noted in the CFD Boundary Map. Developer has petitioned the County to include their property into Community Facilities District 17-6M (Amberley). The boundaries of CFD 17-6M (Amberley) will encompass the entire Tract Map 31199 and is projected to include 15 assessable single family dwelling units.

On February 27, 2018, the County of Riverside Board of Supervisors approved agenda item 3.19. Resolution No. 2018-005, a resolution of intention as the initial step for forming the CFD and declares the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by the Developer. The Resolution also directed that the Board of Supervisors hold a public hearing

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

and submit the formation of the proposed CFD 17-6M (Amberley) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

On April 10, 2018, per agenda item 9.1, the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2018-060, a Resolution of the Board of Supervisors of the County of Riverside of Formation of Community Facilities District 17-6M (Amberley) of the County of Riverside, Authorizing the Levy of a Special Tax within Said District to Pay for Certain Landscaping and Street Lighting Services; Calling a Special Election to submit to the Respective Qualified Voters the Question of Levying Such Special Tax and Establishing an Appropriations Limit for Said District; and Designating the Election Official For Such Matters. Under the same agenda item, the required CFD report, Certificate of Registrar of Voters stating there are less than twelve registered voters, and Concurrence of Election Official in Date of Special Election were all received and filed.

The attached Statement of the Election Official regarding the Canvass of the Election declares the election results which was 10 'YES' votes for Proposition A and Proposition B as described in Section 14 of Resolution 2018-060 (9.1 on 4/10/2018). Adoption of Proposed Resolution No. 2018-085 a Resolution of the Board of Supervisors of the County of Riverside will declare the results of the Consolidated Special Election within the boundary of Community Facilities District 17-6M (Amberley). Proposed County Ordinance No. 942 would authorize and levy special taxes within boundary of Community Facilities District 17-6M (Amberley).

**Reference**

The CFD Rate and Method of Apportionment (RMA) is consistent with the Mello-Roos Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy taxes within this CFD after complying with the requirements of the Mello-Roos Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The formation of the CFD adheres to Board Policy B-12 entitled "Land Secured Financing Districts" which was revised on January 27, 2015 to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD).

**Impact on Residents and Businesses**

Only the parcels with Assessor Parcel Numbers (APN) within the boundaries of the CFD which are represented by the Recorded Boundary Map are impacted by the special tax. By setting up this mechanism for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources. By specifically collecting and using the special tax revenue within the boundary of the CFD, there is a financial mechanism in place to insure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding the maintenance of Developer

STATE OF CALIFORNIA**

installed and County required infrastructure, particularly landscaping and streetlights. The Developer shall and is obligated to provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

1. The budget for fiscal year 2018-19, as reflected in the Rate and Method of Apportionment, will result in a Maximum Special Tax of \$4,746 per taxable unit annually for a Residential Property and \$9,811 per acre annually for Multi-Family Residential and Non-Residential property (as defined in the Rate and Method of Apportionment attached as Exhibit A to the Ordinance). The Maximum Special Tax amount may be adjusted by the minimum of 2% or a maximum of 6% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U) in effect in the previous Fiscal Year, as it stands as of March of each year over the base index for March of 2019. There are no General Funds used in this project.

### SUMMARY OF ORDINANCE NO. 942 AN ORDINANCE OF THE COUNTY OF RIVERSIDE AUTHORIZING THE LEVY OF A SPECIAL TAX WITHIN COMMUNITY FACILITIES DISTRICT NO. 17-6M (AMBERLEY) OF THE COUNTY OF RIVERSIDE

This summary is presented pursuant to California Government Code Section 25124(b). A certified copy of the full text of Ordinance No. 942 may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside, located at 4080 Lemon Street 1st Floor, Riverside, California 92501.

Pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53311 of the California Government Code (the "Government Code"), on February 27, 2018, the Board of Supervisors (the "Board of Supervisors") of the County of Riverside adopted Resolution No. 2018-005, stating its intention to establish a community facilities district proposed to be named Community Facilities District No. 17-6M (Amberley) of the County of Riverside (the "District"), and to authorize the levy of special taxes to fund, pay for, and finance authorized lighting and maintenance services for streets, roads, parks, parkways and open space (the "Services") and to pay expenses incidental thereto and incidental to the levy and collection of the special taxes, so long as the special taxes are needed to fund the Services.

The purpose of Ordinance No. 942 is to provide for the levy of a special tax within the District. Ordinance No. 942 authorizes and levies special taxes within the District at the rate and in accordance with the method of apportionment approved by the voters at an election held on April 10, 2018 regarding the proposed levy of special taxes. Ordinance No. 942 provides that the Board of Supervisors, as the legislative body of the District, is authorized and directed each fiscal year to determine or cause to be determined the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the District. The special tax revenues shall be used to fund, pay for, and finance the Services and shall be levied so long as special taxes are needed to fund such Services. In addition, the special tax revenue may be used to replenish a reserve fund for the District, to pay the costs of administering the District, and fund the cost of collecting and administering the special tax. Ordinance No. 942 provides that the special taxes may be collected on the secured property tax roll in the same manner as ordinary ad valorem taxes and that the special taxes shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for ad valorem taxes.

The rate and method of apportionment of the special tax authorized by Ordinance No. 942 is the rate and method approved by voters within the District and as further reflected in Exhibit A "Rate and Method" of Ordinance No. 942. A complete copy of Exhibit A "Rate and Method" is on file with the Clerk of the Board of Supervisors and is available for public inspection and copying in that office in accordance with the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code. Ordinance No. 942 takes effect immediately upon its adoption in accordance with Section 25123(c) of the Government Code.
