2.1 *Master Declaration and Master Common Areas.* The Project is located within the development created under the Master Declaration and each Condominium is subject to all of the terms, covenants, restrictions and provisions contained in the Master Declaration. Each Owner of a Unit shall be a member in the Club as created under the Master Declaration.

3.9.2 Dogs, cats or other ordinary domestic household pets, provided that no more than a combined total of three (3) such pets shall be kept in any Unit, and no animal exceeding a weight of one hundred pounds (100 lbs) may be kept in a Unit. A dog or certified companion animal permitted under 3.9.1 shall be counted towards the three (3) pet limitation. The term "ordinary domestic household pets" expressly excludes poultry (such as chickens and peacocks), pigs or animals that could be considered livestock.

3.10 *Trash Disposal.* No rubbish or debris of any kind shall be placed or permitted to accumulate within or adjacent to any Unit and no odors shall be permitted to arise or emit therefrom, so as to render any such Unit or any portion thereof, or activity thereon, unsanitary, unsightly, offensive or detrimental to any other Unit or the Project Common Area or to the occupants of such other Unit. Trash, garbage, or other waste shall be kept only in sanitary containers and shall be regularly collected or shall be deposited in bins or other trash collection receptacles intended for trash collection purposes. 3.13 *Owner's Obligation for Taxes.* Each Owner shall be obligated to pay any taxes or assessments assessed by the County Assessor of the County against his or her Condominium and against his or her personal property.

3.14 *Owner Obligation for Assessments.* Each Owner shall be obligated to pay, before delinquent, any and all assessments levied under the Master Declaration against their Unit. In the event any assessment under the Master Declaration has been assessed against the Project as a whole and not against the individual Units then each Owner shall pay their proportionate share of the assessment.

3.15 *Compliance with Master Declaration.* Each Owner shall comply with and shall cause such Owner's guests and invitees to comply with the Master Declaration and Membership Rules .

3.16 *Indemnification.* Each Owner shall be liable to the other Owner for any damage to the Project Common Area that may be sustained by reason of the willful misconduct or negligence of the Owner, members of the Owner's family, and the contract purchasers, tenants, guests and invitees of the Owner. Each Owner, by acceptance of the deed to the Owner's Condominium, agrees to indemnify each and every other Owner and to hold them harmless from, and to defend them against, any claim of any person for personal injury or property damage occurring within the Unit of the indemnifying Owner, except to the extent that the injury or damage occurred by reason of the willful or negligent act or omission of the other Owner or person temporarily visiting his or her Unit, the Owner's family, and the contract purchasers, tenants, guests and invitees of the Owner.

4. PROJECT COMMON AREA MAINTENANCE AND PAYMENT OF EXPENSES

4.1 *Project Common Area.* The Project Common Area shall consist of all areas designated under the Condominium Plan for the mutual or joint use of Owners of the Project and including the following areas of the Project:

- (a) the ground level walkway from the street to the Units;
- (b) the elevator, stairway, landing and common entryway to both Units;
- (c) the utility room and closet at ground level;
- (d) the planter on rear balcony separating the Units; and
- (e) the roof of the Units and the Party Wall.

4.2 *Maintenance of Project Common Area.* By acceptance of the deed to a Condominium, each Owner covenants and agrees to pay for their share of the costs for maintaining and keeping the Project Common Area in a good condition and repair, which costs shall be paid equally by the Owners. Subject to Section 4.6 below, the Owner acceptable to both Owners ("Maintenance Coordinator") shall be primarily responsible for maintaining the Project Common Area subject to the last sentence of this Section. The Maintenance Coordinator shall, except in the case of an emergency, provide the other Owner with a written statement ("Maintenance Notice") of the necessary maintenance work which shall include the scope of the work, the specifications of any materials that will be used in the maintenance work and the estimated cost for such work. The Owner receiving a Maintenance Notice shall have seven (7) days to comment on the same or notify the Maintenance Coordinator in writing of any objection to the work. If an objection is made to the proposed maintenance work, the Owners shall meet and in good faith attempt resolve the objection to the work. If no written objection is given within seven (7) days after receipt of the Maintenance Notice the Owner receiving the Maintenance Notice shall be deemed to have approved the work and agreed to pay its proportionate cost thereof. The Maintenance Coordinator shall alternate biannually ("Term") between the Owners, unless otherwise mutually agreed to between the Owners.

4.3 *Payment of Maintenance Costs.* Each Owner shall deliver to the Maintenance Coordinator (or Owner performing the maintenance work) a check or other funds for its share of

the costs of the maintenance work within five business (5) days after a Maintenance Notice has been approved or deemed approved, and shall deliver any further payment needed to pay their share of the cost of the maintenance work upon completion of the same.

4.4 *Monthly Assessments – Reserves.* Upon the written request of either Owner, the Owners shall establish a monthly assessment for purposes of creating a reserve fund to pay for the maintenance and repair of the Project Common Area. The determination of monthly assessments and reserves shall be subject to the following:

4.4.1 *Procedure for Establishing Monthly Assessment.* At least once every three (3) years the Owners shall determine which portions of the Project Common Area improvements have a useful life of thirty (30) years or less. Upon determining the useful life of Project Common Area improvements, the monthly assessment shall be established to accumulate reserves to pay for the estimated costs to repair, replace or maintain the Project Common Area improvements having a useful life of thirty (30) years or less. If the Owners are unable to agree upon the estimated useful life of the Project Common Area improvements or the monthly assessment necessary to accumulate reserves for the same, then the Owners shall engage a company specializing in such services to perform a study of the Project Common Area improvements and the necessary reserves for the same.

4.4.2 *Reserve Account.* Upon determination of the monthly assessment amount, each Owner shall deposit such amount into a separately established account ("Reserve Account") on the first day of each calendar month. The Reserve Account shall be an interest-bearing account opened at a federally insured banking institution and shall be in the joint names of the Owners. The Reserve Account shall require two signatures for the removal of all funds, one signature from each Owner of a Unit.

4.4.3 *Payment of Repairs and Maintenance.* The costs for repairing, replacing or maintaining the Project Common Area improvements shall be paid out of the Reserve Account. To the extent reserve funds are insufficient to pay for necessary costs of repairing, replacing or maintaining the Project Common Area improvements the cost shall be paid by the Owners in accordance with Section 4.3 above.

4.5 *Performance of Maintenance Work.* All maintenance work for the Project Common Area shall be performed by licensed contractors and performed in a good and workmanlike manner.

4.6 *Appointment of Maintenance Coordinator.* The Maintenance Coordinator may resign from such position upon providing written notice to the other Owner. Upon any such resignation, the other Owner shall assume primary responsibility for maintaining the Project Common Area as the Maintenance Coordinator for a Term.

4.7 *Failure to Pay Maintenance Costs or Assessments.*

4.7.1 *Maintenance Costs.* If an Owner fails to perform its obligations hereunder, including the failure to pay its share of Project Common Area maintenance costs ("Defaulting Owner"), the other Owner shall have the right, but not the obligation, to advance the Defaulting

Owner's share of the costs and such Owner shall be entitled to receive interest on the funds so advanced at the rate of ten percent (10%) per annum, compounded annually, until paid.

4.7.2 *Monthly Assessments.* If monthly assessments have been established as provided in Section 4.4, any assessment not deposited into the Reserve Account within fifteen (15) days after the date due shall be delinquent and subject to a late charge in the amount of ten percent (10%) of the Assessment. If an assessment is not deposited within thirty (30) days of the date due, such assessment shall bear interest at the rate of ten percent (10%) per annum until paid.

4.7.3 *Remedies for Failure to Pay Maintenance Costs or Assessments.* If an Owner fails to pay its share of Project Common Area maintenance costs or assessment the non-defaulting Owner shall have the following rights:

(a) The non-defaulting Owner shall have the right to bring a collection action against the Defaulting Owner to collect the outstanding maintenance costs and/or assessments together with all interest thereon owed by the Defaulting Owner, and the non-defaulting Owner shall have the right to receive all attorney's fees and costs incurred in such action; and

(b) If the payment of any Project Common Area maintenance costs or monthly assessment shall remain outstanding for sixty (60) days or longer, the non-defaulting Owner shall have the right to place a lien against the Condominium of the Defaulting Owner in the amount of the delinquent payments plus all interest and costs that are incurred by the non-defaulting Owner or its authorized agent or representative in the collection of such amounts, including reasonable attorneys' fees. The non-defaulting Owner shall have the right to record an assessment lien against the Defaulting Owner's Condominium in accordance with Civil Code Sections 5650 through 5690 for collection of delinquent amounts and enforce the same in accordance with Civil Code Section 5700 et seq.

5. INSURANCE

5.1 *Liability Insurance.* Each Owner shall obtain and maintain comprehensive public liability insurance insuring the Owner and their respective family members, guests, invitees, and the agents and employees of each, against any liability incident to the ownership or use of the Project Common Area and ownership or use of Units and naming the other Owner as an additional insured to the policy. The limits of such insurance shall not be less than five million dollars (\$5,000,000) covering all claims for death, personal injury and property damage arising out of a single occurrence.

5.2 *Fire and Extended Coverage Insurance.* Each Owner shall obtain and maintain in force a policy of fire insurance for the full insurable value on a replacement cost basis of their Condominium and the Project Common Area, including structures and improvements located within their Unit and upon or within the Project Common Area. Each such policy shall be primary and non-contributory. To the extent available, the policy shall contain an agreed amount endorsement or its equivalent, an increased cost of construction or contingent liability from operation of building laws endorsement or their equivalents, an extended coverage endorsement, vandalism and malicious mischief coverage, a special form endorsement and a determinable cash adjustment clause or a similar clause to permit cash settlement covering full value of the

improvements in case of partial destruction and a decision not to repair or reconstruct the insured improvements.

5.3 Waiver of Subrogation. Neither Owner shall be liable to the other or to any insurance company (by way of subrogation or otherwise) insuring the other Owner for any loss or damage to any Unit, (even though such loss or damage might have been occasioned by the negligence of the other Owner, its agents, employees or contractors) if such loss or damage is covered by insurance benefiting the Owner suffering such loss or damage or is required to be covered by insurance pursuant to this Declaration or could have been insured against. Deductibles under insurance policies and other amounts that are self-insured shall be deemed covered by insurance and all claims for recovery thereof are hereby waived. An Owner shall require its respective insurance companies to include a standard waiver of subrogation provision in their respective policies.

6. PARTITION

Except as expressly provided herein, an Owner shall have no right to partition or divide the Owner's ownership of the Project Common Area. Partition of the entire Project, including the Project Common Area and can be had pursuant to California Civil Code §4610 upon a showing that one of the conditions described in California Civil Code §4610 have been met. Nothing in this Declaration shall prevent partition of a co-tenancy in a Condominium.

7. TERM OF DECLARATION

This Declaration shall continue in full force and effect for a term of sixty (60) years after the recordation hereof after which time it shall be automatically extended for successive periods of ten (10) years, unless either of the following occurs (i) the Project is partitioned as authorized in Article 6 hereof, or (ii) this Declaration is revoked pursuant by the unanimous agreement of the Owners of both Condominiums. Any revocation or termination of this Declaration shall be signed by the Owners of both Condominiums.

8. PROTECTION OF MORTGAGEES

8.1 *Mortgage Permitted.* Any Owner may encumber the Owner's Condominium with a Mortgage.

8.2 *Subordination.* Any lien created or claimed under the provisions of this Declaration is expressly made subject and subordinate to any first Mortgage that encumbers all or a portion of the Project, or any Condominium, made in good faith and for value, and no such lien shall in any way defeat, invalidate, or impair the obligation or priority of such Mortgage unless the Mortgagee expressly subordinates its interest, in writing, to such lien. If any Condominium is encumbered by a first Mortgage made in good faith and for value, the foreclosure of any lien created by any provision set forth in this Declaration shall not operate to affect or impair the lien of the Mortgage. On foreclosure of the first Mortgage, the lien for payment of Project Common Area maintenance costs that has accrued up to the time of foreclosure shall be subordinate to the lien of the Mortgage, with the foreclosure-purchaser taking title to the Condominium free of such lien, that has accrued up to the time of the foreclosure sale. On taking title to the Condominium

the foreclosure-purchaser shall only be obligated to pay Project Common Area maintenance costs accruing after the foreclosure-purchaser acquired title to the Condominium.

8.3 *Material Amendments and Actions Requiring Consent.* The affirmative vote or written consent of both Owners (or deemed consent as provided below in Section 8.4) shall be required for any material amendment to the provisions of this Declaration or the Condominium Plan.

8.4 *Material Amendment Defined and Mortgagee Consent.* If a Mortgagor is required to provide consent to an amendment to the provisions of this Declaration, a request to the mortgagor shall be in writing delivered by certified or registered mail, with a "return receipt" requested, to consent to or approve actions, additions or amendments requiring consent or approval under this Section 8. A Mortgagor who does not submit a written negative response to the requesting party within thirty (30) days after such receipt shall be deemed to have consented to or approved such request.

9. DISPUTE NOTIFICATION AND RESOLUTION PROCEDURES

9.1 *Binding Arbitration.* Subject to the limitations of Section 9.2, any dispute regarding the breach of this Declaration shall be decided by binding arbitration before JAMS pursuant to its rules governing arbitration pursuant to contract and subject to the following conditions and limitations:

(a) There shall be a single arbitrator, and such arbitrator shall be a retired superior court judge unless the parties agree otherwise;

(b) Any demand for arbitration must be made in writing to the other party and to JAMS. No demand for arbitration may be made after the date on which the institution of legal proceedings based on the claim, dispute, or other matter is barred by the applicable statute of limitations.

(c) The arbitrator shall have the power to grant legal and equitable remedies, and award damages, that may be granted or awarded by a judge of the Superior Court of the State of California. The arbitrator shall be required to follow California law, including all relevant precedential and statutory authority, in rendering their decision. The arbitrator shall prepare and provide to the parties a written decision on all matters subject to the arbitration, including factual findings and the reasons that form the basis of the arbitrator's decision. The arbitrator shall not have the power to commit errors of law or legal reasoning, and the award of the arbitrator shall be vacated or corrected for any such error or any other grounds specified in California Code of Civil Procedure §1286.2 or 1286.6. The award of the arbitrator shall be mailed to the parties no later than thirty (30) days after the close of the arbitration hearing.

(d) parties shall have the right to discovery in accordance with California Code of Civil Procedure §1283.05 and the arbitrator's permission shall not be required for the parties to take two (2) or fewer discovery depositions each. Any additional discovery depositions shall be subject to the agreement of the parties or the discretion of the arbitrator if the parties cannot otherwise agree. All discovery disputes shall be resolved by the arbitrator.

(e) The provisions of the California Evidence Code shall apply to the arbitration hearing.

(f) The arbitrator may, in his or her discretion, award the costs of arbitration, including the arbitrator's fees, to the prevailing party. Judgment on the arbitration award may be entered in any court having jurisdiction.

9.2 *Limitations on Arbitration.* The provisions of Section 9.1 above shall not (i) prohibit any Owner from filing a judicial action to enable the recording of a notice of pending action for order of attachment, receivership, injunction, or other provisional remedy, or (ii) prohibit an Owner from recovering costs for maintenance and repair of the Project Common Areas in accordance with Section 4.7 when the Defaulting Owner did not timely object to a Maintenance Notice as provided in Section 4.2, or (iii) prohibit Declarant or any Owner from collecting delinquent assessments in accordance with Section 4.7.

10. PROPERTY OWNERS' ASSOCIATION

10.1 *Transfer of Common Area.* Notwithstanding any provision in this Declaration to the contrary, the following provision shall apply:

The property owner's association established herein shall, if dormant, be activated, by incorporation or otherwise, at the request of the County of Riverside, and the property owners' association shall unconditionally accept from the County of Riverside, upon the County's demand, title to all or any part of the Common Area, more particularly described in Section 4.1. Such acceptance shall be through the president of the property owners' association, who shall be authorized to execute any documents required to facilitate transfer of the Common Area. The decision to require activation of the property owners' association and the decision to require that the association unconditionally accept title to the Common Area shall be at the sole discretion of the County of Riverside.

In the event that the Common Area, or any part thereof, is conveyed to the property owners' association, the association, thereafter, shall own such Common Area, shall manage and continuously maintain such Common Area, and shall not sell or transfer such Common Area, or any part thereof, absent prior written consent of the Planning Director of the County of Riverside or the County's successor-in-interest. The property owners' association shall have the right to assess the owner of each individual lot or unit for the reasonable cost of maintaining such Common Area, and shall have the right to lien the property of any such owner who defaults in the payment of a maintenance assessment. An assessment lien, once created shall be prior to all other liens recorded subsequent to the notice of assessment or other documents creating the assessment lien. This Declaration shall not be terminated, "substantially" amended, or property deannexed therefore absent the prior written consent of the Planning Director of the County of Riverside or the County's successor-in-interest. A proposed amendment shall be considered "substantial" if it affects the extent, usage or maintenance of the Common Area established pursuant to this Declaration. In the event of any conflict between this Declaration and the Articles of Incorporation, the Bylaws, or the property owners' association Rules and Regulation, if any, this Declaration shall control.

10.2 *Formation of Association.* If the County of Riverside shall require the transfer of the Common Area to a property owners' association as provided in Section 10.1 above, the Owners shall form a non-profit mutual benefit association as required thereunder.

11. GENERAL PROVISIONS

11.1 *Headings.* The headings used in this Declaration are for convenience only and are not to be used to interpret the meaning of any of the provisions of this Declaration.

11.2 *Severability.* The provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any provision or provisions shall not invalidate any other provisions.

11.3 *Cumulative Remedies.* Each remedy provided for in this Declaration shall be cumulative and not exclusive. Failure to exercise any remedy provided for in this Declaration shall not, under any circumstances, be construed as a waiver of the remedy.

11.4 *Amendment.* This Declaration may only be amended upon the unanimous agreement of both Owners and any amendment shall be signed by both Owners.

11.5 *Violations as Nuisance.* Every act or omission in violation of the provisions of this Declaration shall constitute a nuisance and, in addition to all other remedies herein set forth may be abated or enjoined by any Owner.

11.6 *No Discriminatory Restriction.* No Owner shall execute or cause to be recorded any instrument which imposes a restriction upon the sale, leasing or occupancy of the Owner's Unit on the basis of race, sex, marital status, national ancestry, color or religion.

11.7 *Liberal Construction.* The provisions of this Declaration shall be liberally construed to effectuate its purpose. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce said provision thereafter.

11.8 *Notification of Sale.* Concurrently with the consummation of the sale of any Condominium under circumstances whereby the transferee becomes an Owner of the Condominium, or within five (5) business days thereafter, the transferee shall notify the other Owner in writing of such sale. Such notification shall set forth the name of the transferee, the transferee's Mortgagee (if any) and the transferor, the transferee's and the Mortgagee's mailing address, and the date of sale. Before the receipt of such notification, any and all communications required or permitted to be given by the Declarant or either Owner shall be deemed to be duly made and given to the transferee if duly and timely made and given to said transferee's transferor.

11.9 *Number; Gender.* The singular shall include the plural and the singular unless the context requires the contrary, and the masculine, feminine and neuter shall each include the masculine, feminine or neuter, as the context requires.

11.10 *Notices.* Each Owner shall provide the other Owner with an address for receiving notices under the Declaration. Mailing addresses may be changed at any time upon written notification

to the other Owner. If an Owner has not given an address different from their Condominium, then the address for the Condominium owned by such Owner shall be used for notices. Notices shall be deemed received forty-eight (48) hours after mailing by certified mail, return receipt requested, at the mailing address above specified. Notices shall also be deemed received twenty-four (24) hours after being sent by overnight delivery. Notices given by personal delivery to any occupant of a Condominium over the age of eighteen (18) years shall be deemed given upon delivery.

11.11 *Exhibits.* All exhibits, if any, referred to are attached to this Declaration and incorporated by reference.

11.12 *Easements Reserved and Granted; Easements as Rights.* Any easements referred to in this Declaration shall be deemed reserved or granted, or both reserved and granted, by reference to this Declaration in a deed to any Condominium.

11.13 *Binding Effect.* This Declaration shall inure to the benefit of and be binding on the successors and assigns of the Declarant, and the heirs, personal representatives, grantees, tenants, successors and assigns of the Owners.

11.14 *Estoppel.* Within ten (10) days of a written request, an Owner shall execute an estoppel certificate confirming the compliance by the other Owner of the requirements of this Declaration or a detailed explanation of any alleged non-compliance.

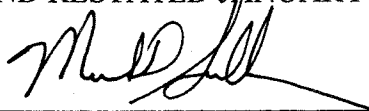

11.15 *Right of First Offer.* Each Owner is hereby provided with a one-time Right of First Offer (subject to the provisions set forth below) to purchase (the "Right of First Offer") the Unit of the other Owner. For purposes of this Declaration, an "Affiliated Entity" shall be deemed affiliated with an Owner if such entity is a trust, partnership, limited liability company or other entity formed for the benefit of one or more of such Owner's family members or an entity controlled by, controlling or under common control with such Owner. If an Owner ("Offering Owner") desires to offer an Offering Owner's Unit for sale to a party other than an Affiliated Entity, then prior to doing so or entering into any listing agreement for such sale, the Offering Owner shall deliver written notice of same to the other Owner, which shall include the terms and conditions upon which the Offering Owner is prepared to offer such Unit for sale, including the proposed purchase price, due diligence period, closing date and other material terms (an "Offer Notice"). The other Owner (the "Receiving Owner") shall have until 5:00 pm Pacific Time on the date that is five (5) business days after the Receiving Owner's receipt of such Offer Notice (the "Acceptance Deadline") to deliver to the Offering Owner a written notice that the Receiving Owner elects to purchase the Unit upon the terms and conditions set forth in the Offer Notice; it being agreed that if the Receiving Owner does not accept the Offer Notice due to the purchase price contained therein, then the Receiving Owner shall, prior to the Acceptance Deadline, notify Offering Owner in writing of the purchase price it would be willing to accept (the "Acceptable Price"). The Receiving Owner's failure to timely accept the Right of First Offer in writing before the Acceptance Deadline shall be deemed the Receiving Owner's waiver of its Right of First Offer for such Offer Notice. Also, the Receiving Owner's failure to timely provide the Offering Owner notice of the Acceptable Price in writing before the Acceptance Deadline shall be deemed the Receiving Owner's waiver of any further Right of

First Offer hereunder. To the extent the Receiving Owner properly and timely notifies the Offering Owner in writing that it is declining to exercise its Right of First Offer hereunder, and properly and timely notifies the Offering Owner in writing of the Acceptable Price, in both instances prior to the Acceptance Deadline, the Right of First Offer hereunder shall be reinstated in the event that (a) the Offering Owner desires to offer the Unit for sale or revise the existing offer of the Unit, such that the purchase price that it is willing to accept is equal to or less than 105% of the Acceptable Price; or (b) the Offering Owner subsequently receives an offer that it desires to accept from a third party to purchase the Unit at a price that is equal to or less than 105% of the Acceptable Price. To the extent that the Receiving Owner does not exercise its Right of First Offer hereunder (and to the extent that the requirements of clauses (a) and/or (b) do not otherwise apply), the Offering Owner shall be free to sell the Unit upon such terms and conditions as are acceptable to the Offering Owner in its sole and absolute discretion. If the Receiving Owner timely accepts the Right of First Offer by delivering written notice to the Offering Owner on or before the Acceptance Deadline, then the Owners shall enter into a purchase agreement pursuant to the terms contained in the Offer Notice within thirty (30) days following the Receiving Owner's exercise of the Right of First Offer. Notwithstanding the foregoing, the Right of First Offer shall be a one-time right in favor of the first Owners to acquire title to a Unit from Declarant. Accordingly, in the event one of such Owners does not exercise its Right of First Offer hereunder (and to the extent that the requirements of clauses (a) and/or (b) do not otherwise apply) and the sale of the Offering Owner's Unit occurs, the Right of First Offer shall be of no further force or effect for either Unit Declarant has executed this instrument as of the date first written above.
