BACKGROUND:

The Coachella Valley Public Cemetery District (CVPCD) is a public cemetery district formed in 1928 by resolution of the Board of Supervisors under the authority of California Health and Safety Code sections 8125, et seq. The District serves the public cemetery needs of the residents of the district which spans 3,444 square miles in the Fourth Supervisorial District. A three member Board of Trustees governs the CVPCD. The board members are appointed by the Board of Supervisors to four-year terms.

On April 23, 2018, the Riverside County Civil Grand Jury issued a report on the CVPCD making certain findings and recommendations. Principal among them is that the Board of Trustees be expanded to five or seven members.

On June 12, 2018, the CVPCD Board of Trustees unanimously adopted a resolution pursuant to Health and Safety Code section 9025(a) requesting that the Board of Supervisors increase the number of members from three (3) to five (5) members.

Within sixty (60) days of receiving the District's resolution, the Board of Supervisors shall consider the resolution at a public hearing. At this hearing, the Board of Supervisors shall receive and consider any written or oral comments regarding the resolution. After receiving and considering those comments, the Board of Supervisors may adopt a resolution that orders the increase in the number of members of the District Board of Trustees.

It is recommended that the Board of Supervisors act to increase the number of members from three (3) to five (5) in order to promote the orderly functioning of District operations and improve the District's responsiveness to the residents of the District.

To whom it may concern,

I am concerned with the selection of Mr. Rosales, I have know Mr. Rosales for many years. As a person he is a great person and I am sure he would be able to fulfill his duties if appointed to the board. However due to Mr. Rosales current occupation of independent funeral sales consultant, will produce a conflict of interest to Mr. Rosales, especially when such services are held at the Cemetery. I am simply raising awareness and encouraging the board to reconsider Mr. Rosales at this time.
