BACKGROUND:

Summary

The Housing Authority of the County of Riverside (Housing Authority) is authorized to administer 9576 Housing Choice Voucher (HCV) units, a form of tenant based rental assistance, funded through the U.S. Department of Housing and Urban Development (HUD). HUD established the Section 8 Management Assessment Program (SEMAP) to rate its Section 8 Tenant-Based Rental Assistance HCV Program. HUD utilizes the SEMAP Certification (form HUD-52648) consisting of 14 required program indicators to rate performance. A copy of the Housing Authority's proposed SEMAP Certification is attached.

For the past 15 years the Housing Authority has achieved and maintained SEMAP High Performer status from HUD at the completion of its SEMAP Certification process. It is anticipated that High Performer status will be earned again for Fiscal Year 2017/18 after HUD reviews the current certification data along with the web-based reporting data. In order to submit the necessary SEMAP Certification (form HUD-52648) and related documents to HUD for Fiscal Year 2017/18, the Housing Authority is required to first obtain approval of the certification from the Board of Commissioners through an adopted resolution. Resolution No. 2018-003 is attached.

The Housing Authority's Annual SEMAP Certification, supporting documents and Resolution No. 2018-003 (collectively, the Plans) are not projects as defined by California Environmental Quality Act (CEQA) Section 21065 and State CEQA Guidelines Section 15378, because they are an administrative activity of the government that will not result in direct or indirect physical changes to the environment. The Plans consist of the administration and planning of ongoing programs to provide housing assistance to certain low income populations within the County of Riverside and will not result in direct or indirect physical changes to the environment and as

**SUBMITTAL TO THE BOARD OF COMMISSIONERS HOUSING AUTHORITY
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

such are not projects pursuant to State CEQA Guidelines Section 15378(b)(5). In the alternative, even if a determination is made that the Plans are a project subject to CEQA, the Plans are exempt pursuant to State CEQA Guidelines Section 15061(b)(3) as they will not have any potential for direct or reasonably foreseeable indirect physical environmental impact, only administrative and financial impacts. A Notice of Exemption will be filed by Housing Authority staff with the County Clerk within 5 days of the approval of the Plans and adoption of Resolution No. 2018-003. In addition, the Plans are exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to Title 24 Code of Federal Regulations Sections 58.34 (a)(1) and (a)(3), since the Plans are an administrative and planning/strategy activity.

County Counsel has reviewed and approved as to form Resolution No. 2018-003, approving the Annual SEMAP Certification. Staff recommends that the Board formally approve and adopt Resolution No. 2018-003 and approve and adopt the Annual SEMAP Certification for FY 2018-2019.

Impact on Residents and Businesses

SEMAP is a mechanism for HUD to rate agencies administering the HCV Program and has no direct impact on the residents and businesses in the County of Riverside.

SEMAP CERTIFICATION
(behind this page)

Section 8 Management Assessment Program (SEMAP) Certification

U.S. Department of Housing and Urban Development
Office of Public and Indian Housing

OMB Approval No. 2577-0215
(exp. 02/29/2020)

Public reporting burden for this collection of information is estimated to average 12 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number.

This collection of information is required by 24 CFR sec 985.101 which requires a Public Housing Agency (PHA) administering a Section 8 tenant-based assistance program to submit an annual SEMAP Certification within 60 days after the end of its fiscal year. The information from the PHA concerns the performance of the PHA and provides assurance that there is no evidence of seriously deficient performance. HUD uses the information and other data to assess PHA management capabilities and deficiencies, and to assign an overall performance rating to the PHA. Responses are mandatory and the information collected does not lend itself to confidentiality.

Instructions Respond to this certification form using the PHA's actual data for the fiscal year just ended.

PHA Name	For PHA FY Ending (mm/dd/yyyy)	Submission Date (mm/dd/yyyy)
Housing Authority of the County of Riverside	06/30/2018	

Check here if the PHA expends less than \$300,000 a year in Federal awards
Indicators 1 - 7 will not be rated if the PHA expends less than \$300,000 a year in Federal awards and its Section 8 programs are not audited for compliance with regulations by an independent auditor. A PHA that expends less than \$300,000 in Federal awards in a year must still complete the certification for these indicators.

Performance Indicators

- 1. Selection from the Waiting List.** (24 CFR 982.54(d)(1) and 982.204(a))

(a) The PHA has written policies in its administrative plan for selecting applicants from the waiting list.

PHA Response Yes No

(b) The PHA's quality control samples of applicants reaching the top of the waiting list and of admissions show that at least 98% of the families in the samples were selected from the waiting list for admission in accordance with the PHA's policies and met the selection criteria that determined their places on the waiting list and their order of selection.

PHA Response Yes No

The PHA's method takes into consideration the location, size, type, quality, and age of the program unit and of similar unassisted units, and any amenities, housing services, maintenance or utilities provided by the owners.

PHA Response Yes No

(b) The PHA's quality control sample of tenant files for which a determination of reasonable rent was required shows that the PHA followed its written method to determine reasonable rent and documented its determination that the rent to owner is reasonable as required for (check one):

- 3. Determination of Adjusted Income.** (24 CFR part 5, subpart F and 24 CFR 982.516)

The PHA's quality control sample of tenant files shows that at the time of admission and reexamination, the PHA properly obtained third party verification of adjusted income or documented why third party verification was not available; used the verified information in determining adjusted income; properly attributed allowances for expenses; and, where the family is responsible for utilities under the lease, the PHA used the appropriate utility allowances for the unit leased in determining the gross rent for (check one):

PHA Response At least 90% of files sampled 80 to 89% of files sampled Less than 80% of files sampled
- 4. Utility Allowance Schedule.** (24 CFR 982.517)

The PHA maintains an up-to-date utility allowance schedule. The PHA reviewed utility rate data that it obtained within the last 12 months, and adjusted its utility allowance schedule if there has been a change of 10% or more in a utility rate since the last time the utility allowance schedule was revised.

PHA Response Yes No
- 5. HQS Quality Control Inspections.** (24 CFR 982.405(b))

A PHA supervisor (or other qualified person) reinspected a sample of units during the PHA fiscal year, which met the minimum sample size required by HUD (see 24 CFR 985.2), for quality control of HQS inspections. The PHA supervisor's reinspected sample was drawn from recently completed HQS inspections and represents a cross section of neighborhoods and the work of a cross section of inspectors.

PHA Response Yes No
- 6. HQS Enforcement.** (24 CFR 982.404)

The PHA's quality control sample of case files with failed HQS inspections shows that, for all cases sampled, any cited life-threatening HQS deficiencies were corrected within 24 hours from the inspection and, all other cited HQS deficiencies were corrected within no more than 30 calendar days from the inspection or any PHA-approved extension, or, if HQS deficiencies were not corrected within the required time frame, the PHA stopped housing assistance payments beginning no later than the first of the month following the correction period, or took prompt and vigorous action to enforce the family obligations for (check one):

Project Title: 2018-2019 Approval of the Housing Authority of the County of Riverside's Section 8 Management Assessment Program (SEMAP) Certification

Project Location (include county): Within the County of Riverside and Eleven Entitlement Cities within Riverside County

Project Description:

The Housing Authority of the County of Riverside is a Public Housing Agency (PHA). The Housing Authority annually submits the Section 8 Management Assessment Program (SEMAP) to rate its Section 8 Tenant-Based Rental Assistance Housing Choice Voucher (HCV) Program. HUD utilizes the SEMAP Certification (form HUD-52648) consisting of 14 required program indicators to rate performance. For the past 15 years the Housing Authority has achieved and maintained SEMAP High Performer status from HUD at the completion of its SEMAP Certification process. It is anticipated that High Performer status will be earned again for Fiscal Year 2017/18 after HUD reviews the current certification data along with the web-based reporting data. The Housing Authority's SEMAP Certification and supporting documents are not projects as defined by California Environmental Quality Act (CEQA) Section 21065 and State CEQA Guidelines Section 15378, because they are an administrative activity of the government that will not result in direct or indirect physical changes to the environment. The plans consist of the administration and planning of ongoing programs to provide housing assistance to certain low income populations within the County of Riverside and will not result in direct or indirect physical changes to the environment and as such are not projects pursuant to State CEQA Guidelines Section 15378(b)(5). Furthermore, the plans are also exempt from CEQA as they fall within the so-called "common sense" exemption pursuant to CEQA Guidelines as they will not have any potential for direct or reasonably foreseeable indirect physical environmental impact, only administrative and financial impacts. The County of Riverside Board of Commissioners has considered the Notice of Exemption pursuant to the California Environmental Quality Act (CEQA) and finds no substantial changes to the plans or circumstances under which the Plans will be undertaking necessitating further environmental documentation.
