BACKGROUND:

Summary

The Economic Development Agency has received a request to consent to an Assignment of Sublease Agreement between Michelle Sievers, (Assignor), and Larry H. Strasbaugh and Marla J. Strasbaugh, Trustee of the Larry and Marla Strasbaugh Revocable Trust, dated June 12, 2006 (Assignee) and also to consent to a hangar sale on the assigned subleased premises (Premises).

The original lease between the County of Riverside (as Lessor) and LaQuinta FBO Inc. (as Lessee), Signature Flight Support Corporation's predecessor-in-interest, was dated January 13, 2004 and subsequently amended pursuant to a First Amendment to Lease dated February 7, 2006 relating to the lease of approximately 18.44 acres of land. The original lease and amendments were superseded and replaced by a First Amended Lease (Lease) between the County and Signature Flight Corporation (Signature), whereby the size of the leased premises was reduced to 14.87 acres (Premises). Signature (as sublessor) and Michelle Sievers (as sublessee) entered into that certain Sublease dated November 1, 2004 (Sublease) relating to the

Premises. The Sublease is subject to the Lease. Pursuant to Section 27 of the Lease, the assignment of sublessee's interest under the Sublease requires approval of the County. The form of Consent to Assignment of Sublease is attached. The Assignment of Sublease Agreement and Sublease are attached as an exhibit to the Consent to Assignment of Sublease.

In connection with the Sublease, Michelle Sievers entered into the certain agreement with Assignee, dated February 6, 2018, known as the Purchase Agreement, and the Bill of Sale with assignee, dated May 1, 2018, the effectiveness of which is subject to the consent and approval by the County. The assignment of the Sublease and the sale of the hangar will not impact or modify the terms of the Lease including the existing use of Premises. The Purchase Agreement and Bill of Sale are attached as exhibits to the Consent to the Purchase Agreement and Bill of Sale.

Pursuant to the California Environmental Quality Act (CEQA), the Consent to Assignment of Sublease and Consent to Purchase Agreement and Bill of Sale were reviewed and determined to be categorically exempt from CEQA under State CEQA Guidelines 15301, Class 1 – Existing Facilities exemption, and State CEQA Guidelines 15061(b)(3), General Rule or “Common Sense” exemption. The proposed project, the Consent to Assignment of Sublease and the Consent to Purchase Agreement and Bill of Sale, is related to the subletting of property involving existing facilities and no expansion of an existing use will occur. In addition, it can be seen with certainty that there is no possibility that the proposed project may have a significant effect on the environment since it is merely a continuation of existing use.

Such rules, regulations, ordinances, codes, Rules and Regulations and laws are hereby made a part of this Sublease and Sublessee's failure to keep and observe the rules and regulations shall constitute a breach of the terms of this Sublease in like manner as if the same were contained herein. Sublessor shall use its good faith efforts to substantially complete the work required to be completed by Sublessor for delivery of the Premises to Sublessee, as described in **Exhibit "C"** to this Sublease (the "Sublessor's Work"). If possession of the Premises (including, without limitation, substantial completion of the Sublessor's Work) is not delivered to Sublessee on or before December 1, 2004 (the "Commencement Date"), either party may thereafter terminate this Sublease by giving written notice to the other party before such possession is delivered (except that such date shall be extended to the extent the delay in possession is caused or contributed by Sublessee, or by force majeure or "Act of God" as set forth in **Exhibit "C"**). If in accordance with good construction practices, applicable governmental requirements, the special conditions, plans and specifications approved by Sublessor. Sublessee shall comply with all construction, and labor regulations of Sublessor, and the County and shall provide reasonable insurance coverage required by Sublessor and the County, or other means of surety, to the reasonable satisfaction of Sublessor and the County shall be provided to ensure that, in the event that the Sublessee defaults and is unable to complete construction, there will be funds provided to return the Premises to the original condition and to satisfy any liens for labor and materials that may be brought for work on the Premises. All alterations or improvements performed by Sublessee shall be carried out by licensed contractors and said alterations and improvements shall be carried out in accordance with all applicable laws and regulations. Sublessee shall at Sublessee's sole cost and expense obtain all necessary permits, licenses and

authorizations in connection with the construction. Sublessee's work shall be subject to the general inspection of Sublessor and the County. Sublessee shall provide proof satisfactory to Sublessor and the County that Sublessee's contractor will (a) provide warranties for not less than one year against defects in workmanship, materials, and equipment; (b) carry or cause to be carried worker's compensation insurance covering all of the contractor's and its subcontractor's employees; and (c) carry public liability and property damage insurance which names Sublessor as an additional insured and required thirty (30) days prior written notice to Sublessor before any change in or cancellation of coverage becomes effective. The policy or policies shall contain liability limits of not less than One Million Dollars (\$1,000,000) single limit coverage. All improvements, additions to or alterations of the Premises except movable furniture and trade fixtures shall at the termination of this Sublease remain attached to and become part of the Premises and be surrendered to Sublessor, in good condition, reasonable use and wear excepted, or at the option of Sublessor shall be removed by Sublessee and the Premises restored to the same condition which existed prior to the installation of any alterations, additions or improvements. Sublessor shall have the right to post a notice of non-responsibility for liens arising out of any work performed, materials furnished and obligations incurred by Sublessee. Sublessee agrees to advise Sublessor and the County in writing at least ten (10) business days in advance of the date upon which alterations will commence in order to permit Sublessor or County to post such a notice. Sublessee shall keep the Premises free from any and all liens arising out of any work performed, materials furnished or obligations incurred by Sublessee. Sublessee shall indemnify, defend and hold Sublessor and County harmless against any claim, demand, liability or expense on account of claims for work done or materials supplied for Sublessee or person claiming under it.

11.0 Damage or Destruction. If the improvements to the Premises are damaged or destroyed during the term hereof, Sublessee may repair or rebuild said improvements to the condition immediately prior to the date of damage or destruction, within sixty (60) days after the occurrence of the event causing the damage or destruction. This Sublease shall continue and Sublessee shall diligently complete the repair or rebuilding of said improvements. Sublessee shall apply any insurance proceeds received as a result of damage to the improvements to the repair or replacement of said improvements.

12.0 Condemnation.

12.01 Total Taking. If all the Premises are taken or condemned for a public or quasi-public use, this Sublease shall terminate as of the date of condemnation and Sublessee shall thereupon be released from any liability thereafter occurring hereunder.

12.02 Partial Taking. If any part of the Premises are taken or condemned for a public or a quasi-public use by an entity and there is such a major change in the character of the property as to prevent Sublessee from using the Premises in substantially the same manner as theretofore used then in such event Sublessee may terminate this Sublease as of the date of condemnation by giving written notice to Sublessor within fifteen (15) days after the date of condemnation. If any

part of the Premises are taken or condemned for a public or quasi-public use and either party does not have the power to terminate this Sublease as hereinabove set forth, then this Sublease shall continue in full force and effect except that as to the part so taken this Sublease shall terminate as of the date of condemnation and the annual rent payable hereunder shall be adjusted so that Sublessee shall be required to pay for the remainder of the term only such portion of such rent as the value of the remaining part after condemnation bears to the value of the Premises at the date of condemnation. In the event that the parties are unable to agree upon an appropriate rate of rent, the rent shall be established by such arbitrators as may be agreed upon by the parties, or if there is no such agreement then by arbitration conducted pursuant to the then existing rules of the American Arbitration Association.

13.0 Assignments and Subleases.

13.01 Generally. No portion of the Premises or of Sublessee's interest in this Sublease may be acquired by any other person or entity, whether by sale, assignment, mortgage, sublease, transfer, without the express written approval of the Sublessor. Sublessor has the right to grant or withhold its consent as provided in Section 13.05 below. Any attempted transfer without consent shall be void and shall constitute a non-curable breach of this Sublease. If Sublessee is a partnership or limited liability company any cumulative transfer of more than twenty percent (20%) of the partnership or limited liability company interests shall require Sublessor's consent. If Sublessee is a corporation, any change in the ownership of a controlling interest of the voting stock of the corporation shall require Sublessor's consent.

13.02 Sublessee Affiliate. Sublessee may assign this Sublease or sublease the Premises without Sublessor's consent, to any corporation which controls, is controlled by or is under common control with Sublessee, or to any corporation resulting from the merger of or consolidation with Sublessee ("Sublessee's Affiliate"). In such case, any Sublessee's Affiliate shall assume in writing all of Sublessee's obligations under this Sublease.

13.03 No Release of Sublessee. No transfer permitted by this Article Thirteen, whether with or without Sublessor's consent, shall release Sublessee or change Sublessee's primary liability to pay the rent and to perform all other obligations of Sublessee under this Sublease. Sublessor's acceptance of rent from any other person is not a waiver of any provision of this Article Thirteen. Consent to one transfer is not a consent to any subsequent transfer. If Sublessee's transferee defaults under this Sublease, Sublessor may proceed directly against Sublessee without pursuing remedies against the transferee. Sublessor may consent to subsequent assignments or modifications of this Sublease by Sublessee's transferee, without notifying Sublessee or obtaining its consent. Such action shall not relieve Sublessee's liability under this Sublease.

13.04 First Offer to Sublessor. At all times during the term of this Sublease, prior to making any transfer of Sublessee's interest other than as provided in Paragraph 13.01 or 13.02, any proposed transfer of the Sublease and the Premises shall first be offered to Sublessor, who

shall have three (3) days to accept or reject any offer to sublease or purchase the Sublease and/or Premises. Sublessee shall provide a copy of any offer to purchase the Sublease or Premises immediately upon receipt by Sublessee.

13.05 Sublessor's Consent. Sublessee's request for consent to any transfer described in Section 13.01 shall set forth in writing the details of the proposed transfer, including the name, business of the prospective transferee, financial details of the proposed transfer (e.g., the term of and the rent and security deposit payable under any proposed assignment or sublease), and any other information Sublessor deems relevant. Sublessor shall have the right to withhold consent, or to grant consent, in its sole and absolute discretion based on the following factors: (i) the business of the proposed assignee or Sublessee (ii) and the proposed use of the Premises; and (ii) Sublessee's compliance with all of its obligations under the Sublease. Sublessor's consent to any such transfer shall not be unreasonably withheld.

13.06 No Merger. No merger shall result from Sublessee's sublease of the Premises under this Article Thirteen, Sublessee's surrender of this Sublease or the termination of this Sublease in any other manner. In any such event, Sublessor may terminate any or all subleases or succeed to the interest of Sublessee as Sublessor under any or all subleases.

14.0 Default.

14.01 Event of Default. Each of the following events shall be an event of default hereunder by Sublessee and a breach of this Sublease: (a) the failure by Sublessee to pay Sublessor any rent or other charges due under this Sublease as and when the same become due; (b) the failure by Sublessee to perform or observe any other agreements, terms, covenants or conditions, or Rules and Regulations attached hereto and made a part hereof, as such Rules and Regulations may be amended from time to time by Sublessor; (c) the filing by or against Sublessee in any court pursuant to any statute of the United States or of any state of a petition in bankruptcy or insolvency or for reorganization or arrangement or for the appointment of a receiver or trustee of all or any portion of Sublessee's property if within thirty (30) days after the commencement of any such proceedings against Sublessee or after such assignment for the benefit of creditors such petition shall not have been dismissed or such assignment shall not have been revoked; (d) the transfer of Sublessee's interest in this Sublease to any person, firm or corporation whether voluntarily or by operation of law except in the manner expressly permitted in this Sublease; or (e) vacating or abandoning the Premises by Sublessee at any time during the term hereof.

14.02 Sublessor's Remedies. In the event of default as described in section 14.01, Sublessor shall notify Sublessee in writing that Sublessee is in default, and Sublessee will then have a cure period of thirty (30) days from date of notice from Sublessor to cure such an event. Sublessor shall have the following remedies if Sublessee fails to correct default. The remedies are not exclusive; they are cumulative and in addition to any remedies now or later allowed by law. Sublessor can continue this Sublease in full force and effect. Sublessor can enter the

Premises and relet them or any part of them to third parties for Sublessee's account. No act by Sublessor in reletting the Premises allowed by this section shall terminate this Sublease. In the event of Sublessee's default and Sublessor's reentering of the Premises Sublessee agrees to pay Sublessor as an additional item of damages, the cost of repairs, alterations, redecorating, Sublease commissions and Sublessor's other expenses incurred in reletting the Premises to a new tenant.

14.03 Sublessor's Default. In the event Sublessor fails to keep its Master Lease current with the County, to include failure to make any payments of rent to County as and when due, and Sublessee has been making payments directly to Sublessor, Sublessee shall have the right, after giving Sublessor thirty (30) days notice to cure, to make the payments, directly to County. If Sublessor does not cure within the applicable time period, Sublessee shall have the right to enter into a direct Lease with County.

14.04 Attorneys Fees. In the event of any action at law or in equity between Sublessor and Sublessee arising out of or concerning this Sublease or any right or obligation derived therefrom, then in addition to all other relief at law or in equity, the prevailing party shall be entitled to recover from the unsuccessful party reasonable attorneys fees and costs incurred therein by the prevailing party.

15.0 Indemnity and Insurance

15.01 Waiver. This Sublease is made upon the express condition that Sublessee hereby waives all claims against Sublessor for damages to property or for injuries or death to any person or persons from any cause.

15.02 Indemnity. Sublessee hereby agrees to and shall indemnify and defend Sublessor and the County of Riverside against and hold Sublessor and the County of Riverside harmless from any and all claims, demands, actions, damages, liability and expense in connection with or for loss of or damage to property or injury or death to any person from any cause whatsoever while in, upon, or about the Premises or any such claims, demands or the like, arising from or out of any occurrence in, upon or at the Premises from or in connection with the occupancy or use by Sublessee of the Premises or any part thereof or from or in connection with the business conducted by Sublessee in the Premises or occasioned wholly or in part by any act or omission of Sublessee, its agents, contractors, employees, licensees or concessionaires.

15.03 Insurance Coverage. During the term of this Sublease including any extension or renewal thereof, Sublessee at its cost shall at all times maintain in full force and effect comprehensive public liability insurance and property damage insurance (each more particularly described below) upon the Premises and upon all aircraft, and automobiles operated by Sublessee at the Airport.

15.03. Hangar keeper's Liability (Ground Coverage). Should Sublessee's operations

include care or custody of aircraft stored on the Premises, Sublessee shall maintain Hangar keeper's legal liability insurance in an amount sufficient to fully cover the replacement value of all aircraft however, in no event shall the limit of liability be less than \$1,000,000 for which said custody is assumed while on the ground.

15.03.02 Hangar keeper's Liability (Flight Coverage). 15.03.03 Aircraft Liability. Sublessee, and Sublessee's affiliates, sublessees, and licensees, shall maintain aircraft liability insurance which shall provide combined single limit for bodily injury and property damage for all aircraft owned, leased or operated by any of them from the Premises with minimum limits of One Million Dollars (\$1,000,000). Proof of insurance will be required to show Sublessor to be named as an additional insured.

15.03.04 Fire Insurance. Sublessee shall maintain fire insurance covering the Premises and all improvements, including protection against perils included within the classification standard fire and extended coverage together with insurance against vandalism and malicious mischief; in an amount sufficient to fully cover the replacement cost of all improvements.

15.04 Other Insurance Requirements. Sublessee, and Sublessee's affiliates, sublessees, and licensees, shall maintain any additional and applicable insurance coverage as required by the County. All policies shall name Sublessor, and the County as an additional insured. Insurance shall be with a company or companies satisfactory to Sublessor and the County in the amounts of not less than that specified herein or in minimum amounts as may be subsequently adjusted by Sublessor or the County in the exercise of their commercial business judgment and consistent with airport industry practice for similar kinds of activities. Sublessee shall at all times during the term of this Sublease, including any extension or renewal hereof, provide Sublessor and the County with a certificate from the insurance carrier or carriers insuring Sublessee as set forth therein. Insurance policies shall not be subject to cancellation except after notice to Sublessor and the County by registered mail at least thirty (30) days prior to such cancellation. Where policies have normal expirations during the term of this Sublease or any extension thereof written evidence of renewal shall be furnished to Sublessor and the County thirty (30) days prior to such expiration.

15.05 Waiver of Subrogation. The parties release each other and their respective authorized representatives from any claims for damage to any person or to the Premises and to the fixtures, personal property, Sublessee improvements and alterations by Sublessor or Sublessee in or on the Premises that are caused by or result from risks insured against under any insurance policy carried by either party and in force at the time of any such damage to the extent

of the insurance proceeds received from such policy. Each party shall cause each insurance policy obtained by it to provide that the insurance company waives all right of recovery by way of subrogation against either party in connection with any damage covered by any policy. If the insurance cannot be obtained or the party in whose favor a waiver of subrogation is desired refuses to pay the additional premium charged the other party is relieved of the obligation to obtain a waiver of subrogation right with respect to the particular insurance involved.

16.0 Hazardous Substances. The provisions of this section, which govern Sublessee's, obligations with regard to hazardous substances, as defined below, shall survive termination of this Sublease.

16.01 Responsibility for and Definition of Hazardous Substances. Sublessee agrees to indemnify, defend, protect and hold Sublessor free and harmless from and against any and all claims, liability, loss, damage, actions or causes of action, costs and expenses (including attorney's fees) arising from or in connection with the presence of any Hazardous Substances other than those which can be shown to have been present in, on or under the Premises prior to the Commencement Date. Furthermore, Sublessee shall, at Sublessee's sole cost and expense, be responsible for the receiving, use, storage, handling, transportation, generation, spillage, migration, discharge, release, and disposition of all hazardous waste, toxic substances, or related materials including, without limitation, gasoline, oil, grease, battery acid, diesel fuel, flammable, combustible, explosive, corrosive, caustic, carcinogenic or radioactive matter, or any other Hazardous Substances to the extent any such are used, stored, brought onto, located on or shipped from within the Premises in connection with Sublessee's occupancy and use thereof, in accordance with all applicable rules, regulations, orders, ordinances, statutes, codes and laws. For purposes of this Sublease, "Hazardous Substances" shall include, but not be limited to petroleum or petroleum related materials and/or substances defined as "hazardous substances", hazardous materials", "hazardous waste" or "toxic substances" in any federal, state or local laws or regulations adopted or publications promulgated pursuant to said laws (hereinafter collectively referred to as the "Laws"). Sublessee shall at Sublessee's sole cost and expense, comply fully with all requirements of the Laws applicable to Sublessee's use of the Premises and obligations contained herein.

16.02 Cleanup of Hazardous Substances. In the event of a release, leak, spill, or threatened or actual contamination or deterioration of the Premises or groundwater by a Hazardous Substance, other than those which can be shown to have been present in, on or under the Premises prior to the Commencement Date, whether the result of an act or omission of Sublessee or its agents, employees, contractors, licensees, or invitees or any other third parties, Sublessee shall, immediately notify Sublessor, the County, and all appropriate health, safety and environmental regulatory agencies. Sublessee hereby covenants and agrees to implement and complete, at its sole cost and expense, and to the satisfaction of Sublessor and the County, all investigation and remediation measures required by such agency or agencies. If Sublessee fails to take such action, Sublessor may, but shall not be obligated, to, take such action. In such event, all

costs incurred by Sublessor or the County with respect to such cleanup activities shall be for the account of Sublessee and Sublessee shall promptly make reimbursement therefore. Sublessee shall not take any remedial action in response to the presence of any Hazardous Substances in any way connected with the Premises, nor enter into any settlement agreement, consent decree or other compromise in respect to any claims relating to any Hazardous Substances in any way connected with the Premises without first notifying the Sublessor and the County of Sublessee's intention to do so and affording Sublessor and the County ample opportunity to appear, intervene or otherwise appropriately assess and protect its interest and respect thereto.

16.03 Hazardous Substances from Subtenants or Assignees. As between Sublessor and Sublessee, Sublessee shall bear responsibility for the presence of any Hazardous Substances as a result of a subtenant's or assignee's activities, whether before, during or after construction, in or around any part of the Premises or the soil, groundwater or soil vapor on or under the Premises. Upon demand by Sublessor, Sublessee shall defend any investigation, action or proceeding alleging the presence of any Hazardous Substances in any such location, which affects the Premises or which is brought or commenced against Sublessor or the County, whether alone or together with Sublessee or any other person, all at Sublessee's own cost and by counsel to be approved by Sublessor. Sublessee shall promptly notify Sublessor and the County if Sublessee knows, suspects or believes that there may be any Hazardous Substances in or around the Premises, or in the soil, groundwater or soil vapor on or under the Premises, or that Sublessee or the Premises may be subject to any threatened or pending investigation by any governmental agency under any statute, code, regulation, rule, ordinance, order or other law pertaining to any Hazardous Substance.

16.06 Site Visits, Observations and Testing. Sublessor, the County, and their agents and representatives shall have the right from time to time to enter and visit the Premises to make observations of the Premises, take and remove soil or groundwater samples, and conduct tests. Sublessor is under no duty, however, to visit or observe the Premises or to conduct tests. No site visit, observation or testing by Sublessor shall result in a waiver of any default of Sublessee or impose any liability on Sublessor. In no event shall any site visit, observation or testing by Sublessor be a representation that Hazardous Substances are or are not present in, on or under the Premises or that there has been compliance with any statute, code, regulation, rule, ordinance,

order or other law pertaining to Hazardous Substances. Neither Sublessee nor any other party is entitled to rely on any site visit, observation or testing by Sublessor. Sublessor shall not be obligated to disclose to Sublessee or any other party any report or finding made as a result, or in connection with, any site visit, observation or testing by Sublessor. Sublessor shall not be obligated to disclose to Sublessee or any other party any report or finding made as a result, or in connection with, any site visit, observation or testing by Sublessor. Sublessee shall have the right at any time to take any action required to be taken, but not timely taken, by Sublessor, which may be necessary to prevent or cure a default under the terms of the Master Lease. To the extent that the County fails or refuses to perform its obligations under the Master Lease with respect to the leased Premises, Sublessor shall perform such obligations. Further, Sublessor agrees not to modify or surrender the Master Lease as it relates to this Sublease and the Premises, without the prior consent of Sublessee, and any modification or surrender made without such consent shall be null and void and shall have no effect on the rights of Sublessee under this Sublease.

The initial deposit is due upon execution of the Sublease by the parties and will be credited toward the Price to be paid by Sublessee as set forth above. The closing balance shall be due upon issuance of the Certificate of Occupancy. Upon the making of the final payment for construction of improvements, Sublessor will deliver the premises to Sublessee.

"Substantial Completion" is defined as that phase in the progress of the construction of the hangar building pursuant to the Plans when such construction is sufficiently complete so that the Sublessee may begin all of its work pursuant to Section III, completion of which would allow Sublessee to occupy and utilize the hangar building for its intended use. The "total price" of \$205,200.00 referenced above is inclusive of the Add-on expenses, which shall be paid by Sublessee to Sublessor separately, and in advance of any construction or installation related thereto. All sums due from Sublessee to Sublessor pursuant to this Exhibit "C" shall be considered "Additional Rent" under the Sublease.

III. SUBLESSEE'S WORK.

Sublessee shall construct such improvements to the interior of the hangar building, and connect to stubbed utilities, as Sublessee shall require, subject to Section 10 of the Sublease. Sublessee shall be responsible for the costs of all of Sublessee's work, including sales taxes and permit fees associated therewith. Sublessee may not begin work until Sublessee has paid all money due to Sublessor under Section II above.

Sublessee shall pay all sewer hookup fees due the Coachella Valley Water District respective to the hangar building. Sublessor cannot provide a certificate of occupancy to Sublessee until Sublessee pays these fees.

The Sublessee shall provide Sublessor proof of insurance required under the Sublease for liability, and damage to person and property, before commencing any construction and/or alteration on the Premises.

IV. SUBLESSOR'S CONSTRUCTION OF COMMON AREA IMPROVEMENTS.

Sublessor, at Sublessor's expense, will cause to have constructed the common area improvements as reflected on the Site Plan attached to the Sublease as Exhibit "A". Such improvements will include walkways, parking spaces, and ramp space.

V. FORCE MAJEURE.

In the event Sublessor is prevented, delayed, or stopped from performing any act, undertaking, or obligation by reason of an "event of force majeure," including excessive adverse

weather, strikes, lockouts, labor disputes, failure of power, acts of public enemies of this state or the United States of America, riots, insurrection, war, civil commotion, inability to obtain labor or materials, or the discovery of hazardous substances in the underlying ground requiring remediation that would interfere with construction of the improvements pursuant to the Plans, and/or any other cause (except financial) beyond its reasonable control, then the time for Sublessor's performance hereunder, and under Paragraph 9 of the Sublease, shall be extended one day for each day's prevention, delay, or stoppage by reason of such event of force majeure.

VI. ARBITRATION OF DISPUTES.

FIRST AMENDED LEASE

JACQUELINE COCHRAN REGIONAL AIRPORT

This First Amended Lease ("Lease") is entered into by and between the County of Riverside, a political subdivision of the State of California, ("County"), and Signature Flight Support Corporation, a Delaware corporation, ("Lessee"), under the following terms and conditions:

1. Recitals.

(a) County owns approximately fourteen and 87/100 (14.87) acres of improved land and certain improvements located thereon and owned by County, including, but not limited to a terminal building/office building/maintenance hangar of approximately 36,000 square feet and an office building of approximately 2,500 square feet commonly referred to as the "flight services building" (collectively and hereinafter referred to as the "County Improvements"), as well as improvements made by Lessee, all located at the Jacqueline Cochran Regional Airport, County of Riverside, State of California ("Leased Premises").

(b) County desires to lease said property to Lessee for the operation of a Full Service Fixed Base Operator business.

(c) Lessee desires to lease said property from County for the operation of a Full Service Fixed Base Operator business.

(d) Lessee is the Assignee of that certain Lease dated January 13, 2004 ("Original Lease") by and between the County of Riverside, as Lessor, and LaQuinta FBO Inc., a Delaware corporation doing business as Million Air LaQuinta, as Lessee, as subsequently amended pursuant to that First Amendment to Lease dated February 7, 2006, and assigned to Signature Flight Support Corporation on January 20, 2006, with respect to approximately eighteen and 44/100 (18.44) acres of land, including existing improvements and an obligation to construct improvements, at the Jacqueline Cochran Regional Airport in Thermal, California.

(e) Pursuant to the terms and conditions of the Original Lease set forth in Section 1(d) herein, Lessee was required to develop certain property in a phased development.

1 If phases remained undeveloped as of May 31, 2008, the County had an option to take back
2 that undeveloped property hereinafter known as the "Returned Phases", described and
3 sometimes referred to as Parcel "A" on Exhibit "G", attached hereto and by this reference
4 incorporated herein. The County timely exercised its option to take back the Returned Phases,
5 and thus the Leased Premises in this First Amended Lease represents a reduction from 18.44
6 acres to 14.87 acres. Pursuant to the Original Lease, the Returned Phases reverted back to
7 the County and required this amendment to reflect the reduced acreage and rent. The Original
8 Lease further required that such amendment shall include easements satisfactory to the
9 County through Lessee's initial phases providing access to future development of the Returned
10 Phases and to Taxiway A from The Returned Phases. It is the intent of the Parties that the
11 Occupants of Parcel "A" shall have the same rights of ingress and egress to Taxiways A and F
12 as the Occupants on the Leased Premises. Occupants is defined as a party pursuant to a
13 fully-executed and approved written lease, sublease, tenant agreement or a month-to-month
14 agreement on Parcel "A" or Leased Premises.

15 (f) This First Amended Lease replaces and supersedes all prior leases for the
16 subject property, including any amendments thereto

17 2. Description. The premises leased hereby consist of approximately fourteen and
18 87/100 (14.87) acres of improved land and certain improvements located thereon and owned
19 by County, including, but not limited to a terminal building/office building/maintenance hangar
20 of approximately 36,000 square feet and an office building of approximately 2,500 square feet
21 commonly referred to as the "flight services building" (collectively and hereinafter referred to as
22 the "County Improvements"), all located at the Jacqueline Cochran Regional Airport, County of
23 Riverside, State of California, being more fully described in Exhibit "A", attached hereto and
24 incorporated herein by reference. All other improvements have been built by Lessee. Said
25 property is hereafter referred to as the "Leased Premises." County and Lessee herein
26 acknowledge that Lessee has no fee title interest in or to the Leased Premises.

27 3. Term. This Lease shall commence on the date the last party approves and
28 executes this Lease and expires on January 31, 2034. The Lease term for the Original Lease

1 dated January 13, 2004 was for thirty (30) years which commenced on February 1, 2004 and
2 was set to terminate on January 31, 2034. The Parties intend that the term for this Lease shall
3 not add any time and expire as originally agreed.

4 (a) Any holding over by the Lessee after the expiration of this Lease shall be
5 on a day-to-day basis strictly, and continuing tenancy rights shall not accrue to the Lessee.

6 (b) With respect to the Leased Premises, subject to the provisions of
7 paragraphs 5, 9, 12(c), 19 and 21 hereof and provided that Lessee at the time of exercising the
8 option is in full compliance with the terms of this Lease, Lessee shall have the option to extend
9 the term of this Lease for an additional period of ten (10) years ("Renewal Term). Lessee shall
10 notify County in writing of its intention to exercise the option to extend not more than twelve
11 (12) months or fewer than six (6) months from the expiration date of the initial term.

12 4. Non Exclusive Right. It is understood and agreed that nothing herein contained
13 will be construed to grant or authorize the granting of an exclusive right within the meaning of
14 Section 308 of the Federal Aviation Act of 1958. (49 U.S.C.1349a). It is further understood that
15 nothing in this Agreement shall be construed to allow any Party to perform any act in
16 contravention and/or violation of FAA Order 5190.6A Airport Compliance Requirements, dated
17 October 2, 1989, as amended from time to time and the FAA Grant Assurances.

18 5. Use. Lessee shall make available the services of a "Full Service Fixed Base
19 Operator" ("FBO") in accordance with the Minimum Standards for Fixed Base Operators
20 Riverside County Airports, including any amendments thereto, attached hereto and
21 incorporated herein by this reference as Exhibit "C." The Leased Premises may be used for

13 including, but not limited to, the types, limits and conditions of insurance provided under this
14 Lease.

15 6. Rent and Fuel Flowage Fee.

16 (a) Base Rent: Commencing upon the first day of the month after lease
17 execution by all parties, Lessee shall pay to County the sum of seven thousand one hundred
18 thirty-three and 73/100 dollars (\$7,133.73) as the Base Rent for the Leased Premises.

19 The Base Rent is due and payable in advance on or before the first of
20 the appropriate month during the term of this Lease Agreement and shall be considered
21 delinquent, if not paid by the 15th of the month. If the monthly rent becomes delinquent, Lessee
22 will be charged a late fee equivalent to ten percent (10%) of the delinquent rental amount,
23 exclusive of late fees, for each month that rent is delinquent.(b) Base Rent Adjustment:

24 (1) Commencing July 1, 2010 and every July 1 through July 1, 2014,
25 the Base Rent will be adjusted as follows:

27 July 1, 2011-June 30, 2012 (\$522.74 per acre) x (14.87 acres) =\$7,773.14

1 July 1, 2013-June 30, 2014 (\$620.91 per acre) x (14.87 acres) = \$9,232.93

2 July 1, 2014-June 30, 2015 (\$639.54 per acre) x (14.87 acres) = \$9,509.96

3 (2) Beginning July 1, 2015 and on July 1 of every fifth (5th) year
4 thereafter, the monthly Base Rent shall be adjusted to one-twelfth (1/12) of eight percent (8%)
5 of the then-current aviation fair market value of the Land. Said aviation fair market value shall
6 be for the Land only and shall not include the value of the Improvements or other structures
7 placed on the Leased Premises by Lessee. In no event will application of this paragraph result
8 in a monthly Base Rent amount for the Land which is lower than the highest previous monthly
9 Base Rent for the Land.

10 The aviation fair market value for the Land will be established by a
11 property appraisal performed by an independent appraiser, knowledgeable and experienced in
12 the valuation of aviation property within the southern California Counties of Riverside, San
13 Bernardino, San Diego and Los Angeles. The appraiser shall be certified by, and be, in good
14 standing with the Appraisal Institute of Chicago IL with a current designation of "MAI" and the
15 appraisal shall be conducted in strict compliance with the Uniform Standards of Professional
16 Appraisal Practice ("USPAP"). In the event that the MAI designation ceases to exist, the
17 successor designation as designated by the Appraisal Institute of Chicago IL or its successor

20 adjustment date, County will notify by US Mail, potentially affected Lessees of its intent to issue
21 a Request for Qualifications and Proposal ("RFQP") and submit a copy of the Draft RFQP form
22 it intends to use. It will be the responsibility of the Lessees subject to the reappraisal to
23 establish amongst themselves a process for forming a committee to comment on the Draft
24 RFQP and to select up to two-fifths (2/5) of the appraisers that will be invited to respond to the
25 RFQP. In the event a majority of Lessees participating in the selection process are unable to
26 form a committee, comment on the Draft RFQP, select the designated number of appraisers or
27 give the County written notice thereof within two hundred ten (210) days prior to the rent
28 adjustment date, then County will select all of the appraisers to which the RFQP is sent. No

1 less than one hundred and eighty (180) days prior to the rent adjustment date, County will give
2 reasonable consideration to the comments received from the Lessee's Committee and shall
3 issue a Final RFQP to a minimum of five (5) appraisers meeting the foregoing qualifications.
4 Upon receipt of the responses to the RFQP, the County shall offer the responses to the
5 Lessee's Committee for viewing and comment for a period of fourteen (14) days, and after
6 reasonable consideration of the comments made, County shall select the appraiser pursuant to
7 the County's established guidelines. The cost of the appraisal and related processes shall be
8 borne by the County. The cost, if any, of forming and operating the Lessee's Committee shall
9 be borne by the Lessee Committee members.

10 Once established, the adjusted monthly Base Rent for the Land shall be
11 adjusted annually in the manner set forth in Section 6(b)(2) above. In no event will application
12 of this paragraph result in a monthly rental amount lower than the highest previous monthly
13 rental amount.

14 (3) Consumer Price Index - Beginning July 1, 2016, and at each July
15 1 thereafter, except for dates coinciding with the appraisals conducted every fifth year as

17 Price Index, All Urban Consumers, Los Angeles-Riverside-Orange County Area for the twelve

27 conditions then existing and the financial needs of the County's airports system. The County
28 may implement any such adjustments in the fuel flowage fee at any time. Such new or

2 Supervisors. Implementation of the new or adjusted fuel flowage fees shall not be pre-
3 conditioned upon amendment of any existing Lease. As of the date of this Lease fuel flowage

7 subject to a timely payment discount of \$0.02 per gallon applied to payments received within

9 are trained and skilled in order to competently perform the tasks related to the services being

2 Based Operators Riverside County Airports, Exhibit "C," as amended from time to time,
3 attached hereto and by reference incorporated herein.

6 thereon in a neat, safe, orderly and attractive condition during the term of this Lease, and
7 Lessee shall provide for the sanitary handling and disposal of all refuse accumulated as a
8 result of Lessee's use of the Leased Premises and the improvements thereon. In addition, the
9 exterior and interior improvements of the Leased Premises shall be maintained by Lessee in
10 good working condition and repair during the term of this Lease.

11 (ii) In the event of damage or destruction of all or any part of the
12 improvements within or upon the Leased Premises rendering said Leased Premises unusable,
13 for the purposes set forth in Section 5 herein, in whole or in part, Lessee shall repair such
14 damage or destruction with due diligence and without unreasonable delay. Time is of the
15 essence on the repair or replacement of damaged or destroyed improvements.

16 8. Permits, Licenses and Taxes. Lessee shall secure, at its expense, all
17 necessary permits and licenses as it may be required to obtain regarding the construction,
18 operation, maintenance, and termination or abandonment of activities upon the Leased
19 Premises, and Lessee shall pay for all fees and taxes levied or required by any authorized
20 public entity. Lessee recognizes and understands that this Lease may create a possessory
21 interest subject to property taxation and that Lessee may be subject to the payment of property
22 taxes levied on such interest.

23 9. On-Site Improvements

24 (a) Any improvements, alterations, and installation of fixtures to be
25 undertaken by Lessee shall have the prior written approval of the County after Lessee has
26 submitted to County the proposed site plans, building plans and specifications therefore, in
27 writing. In addition, Lessee understands and agrees that such improvements, alterations, and
28 installation of fixtures may be subject to County Ordinance Nos. 348 and 457, as well as other

1 applicable County ordinances, and that Lessee shall fully comply with such ordinances prior to
2 the commencement of any construction in connection therewith.

3 (b) All improvements are to be completed at Lessee's sole cost. Lessee
4 shall pay for construction of any required utility extensions and hookups (including all related
5 fees and charges) and any access road improvements. Plans for all improvements are to be
6 submitted to County for approval prior to start of any construction.

7 Lessee shall obtain performance, material, and labor payment bonds in
8 the amounts required by law and determined by County, and shall furnish County with copies
9 thereof prior to the commencement of such construction.

10 (c) All improvements, alterations, and fixtures shall remain or become, as
11 the case may be, the property of County, with the exception of trade fixtures as that term is
12 used in Section 1019 of the Civil Code; provided, however, that Lessee shall have the full and
13 exclusive use and enjoyment of such improvements, alterations, and fixtures during the term of
14 this Lease. At or prior to the expiration of this Lease, Lessee shall remove, at its expense,
15 such trade fixtures and restore said Leased Premises to their original shape and condition as
16 nearly as practicable, normal wear and tear excepted. In the event Lessee does not so remove
17 such trade fixtures, they shall become the property of the County for no further consideration of
18 any kind, and Lessee shall execute any documents that may be required or necessitated
19 conveying its interest in such improvements, alterations, and fixtures to County.

20 10. Off-Site Improvements

21 (a) County shall provide the following off-site improvements to serve the
22 site: (1) water, (2) sewer, and (3) a paved access road to the Leased Premises. Connections
23 to said off-site improvements shall be the sole cost and responsibility of Lessee as described in
24 Section 10(c). Additionally, Lessee shall be responsible for any improvements beyond those
25 listed in this section, including, but not limited to, electricity, telephone, and gas service.

26 (b) Lessee shall pay a sewer connection fee for each sewer connection and
27 a monthly sewer service fee to County. The amount of the fees shall be according to the fee
28 schedule in effect at the time of Lease execution. The monthly sewer service fee will be

1 adjusted from time to time and be based upon County's sewer service payments to the
2 Coachella Valley Water District and County's cost of repairing, maintaining, and administering
3 the airport's sewer system.

4 (c) It is understood by the parties hereto that utility services are available in
5 the general vicinity of the Leased Premises, but in order for the on-site improvements required
6 in Section 9 herein to be fully usable and operational, Lessee, at its expense, shall extend
7 and/or connect, or cause to be extended and/or connected, to such utility service facilities that
8 may be required or desired by Lessee in the use, operation, and maintenance of such on-site
9 improvements. Lessee shall pay all related fees and charges related to such utility extensions
10 and hookups. After such extensions and/or connections have been made, Lessee shall be
11 responsible for payment for the use of such utility services, without limitation, all electricity, gas,
12 telephone and water.

13 (d) Lessee shall obtain, or cause to be obtained performance, material, and
14 labor and payment bonds in the amounts required by law and determined by County and shall
15 furnish County with copies thereof prior to the commencement of such off-site improvements.

16 11. Compliance with Law. Lessee shall, at its sole cost and expense, comply with all
17 of the requirements of all governmental agencies now in force; or which may hereafter be in
18 force, pertaining to the Leased Premises, and any improvements hereafter constructed or
19 maintained thereon, and Lessee shall faithfully observe all laws and ordinances now or
20 hereafter in force in the use of the Leased Premises.

21 12. County's Reserved Rights.

22 (a) The Leased Premises are accepted by Lessee subject to any and all
23 existing easements or other encumbrances, and County and its agents, employees, or
24 subcontractors shall have the right to enter upon the Leased Premises and to install, lay,
25 construct, maintain, repair and operate such sanitary sewers, drains, storm water sewers,
26 pipelines, manholes, connections, water, oil and gas pipelines, and telephone and telegraph
27 power lines and such other facilities and appurtenances (collectively "Infrastructure") necessary
28 or convenient to use in connection therewith, over, in, upon, through, across and along the

1 Leased Premises or any part thereof. County also reserves the right to grant additional
2 franchises, easements, rights of way permits in, over and upon, along or across any and all
3 portions of said Leased Premises for such Infrastructure as and County may elect; provided,
4 however, that no right of the County provided for in this section shall be executed so as to
5 interfere unreasonably with Lessee's use hereunder, or impair the security of any secured
6 creditor of Lessee. County shall cause the surface of the Leased Premises to be restored to
7 its original condition (as they existed prior to any such entry) upon the completion of any
8 construction by County or its agents. In the event such construction renders any portion of the
9 Leased Premises unusable, the rent shall abate pro rata as to such unusable portion during the
10 period of such construction. County will provide thirty (30) days advance notice, or as soon as
11 is practicable, to Lessee before County exercises any of County's rights set forth in this
12 Section; provided, however, in the event such right must be exercised by reason of emergency,
13 then County shall give Lessee such notice as is reasonable under the existing circumstances.

14 (b) County reserves the right to further develop or improve the aircraft
15 operating area of Jacqueline Cochran Regional Airport as it deems appropriate. County
16 reserves the right to take any action it considers necessary to protect the aerial approaches of
17 the Jacqueline Cochran Regional Airport against obstruction, together with the right to prevent
18 the Lessee from erecting or permitting to be erected, any building or other structure on the
19 Jacqueline Cochran Regional Airport, which in the reasonable opinion of County, would limit
20 usefulness of the Jacqueline Cochran Regional Airport or constitute a hazard to aircraft.

21 (c) During the time of war or national emergency, County shall have the
22 right to lease the landing area of the Jacqueline Cochran Regional Airport, or any part thereof,
23 to the United States Government for military use and, if such lease is executed, the provisions
24 of this Lease insofar as they are inconsistent with the provisions of such lease to the
25 Government, shall be suspended. In that event, a just and proportionate part of the rent
26 hereunder shall be abated, and the period of such closure shall be added to the term of this
27 Lease, or any extensions thereof, so as to extend and postpone the expiration thereof unless
28 Lessee otherwise elects to terminate this Lease.

1 (d) Notwithstanding any provisions herein, this Lease shall be subordinate to
2 the provisions of any existing or future agreement between County and the United States,
3 relative to the operation or maintenance of the Jacqueline Cochran Regional Airport, the terms
4 and execution of which have been or may be required as a condition precedent to the
5 expenditure or reimbursement to County of Federal funds for the development of said airport.

6 (e) Nothing contained herein shall be construed to prevent County from
7 closing runways, ramps, taxiways or aprons or other Airport property for capital improvement
8 projects from time to time at the reasonable discretion of County and with reasonable written
9 notice to Lessee.

10 (f) This Lease is subject to the provisions set forth in Exhibit "B" (Federally
11 Required Lease Provisions), attached hereto and by this reference made a part of this Lease.

12 13. Taxiways. County reserves a non exclusive easement on any and all taxiways
13 included in the Leased Premises for the public's ingress and egress to ramps and runways for
14 the specific purposes of landing, take-off, and taxiing of aircraft. All such uses shall be in
15 accordance with the laws of the United States of America and the State of California, and the
16 rules and regulations promulgated by their authority with respect to aviation and navigation,
17 and in accordance with all reasonable rules and regulations, applicable ordinances of County.

18 14. Returned Phases. Pursuant to the terms and conditions of the Original Lease,
19 as referenced in Section 1(d) and (e) herein, approximately 3.57 acres of undeveloped Leased
20 Premises reverted back to the County, referred herein as the "Returned Phases". The County
21 and the public (airport users) require access through the previously developed Leased
22 Premises to access taxiways and ramps within the Airport. County reserves a non exclusive
23 easement to allow access through the Leased Premises for use by the Occupants, as defined
24 in Section 1(e) herein, for ingress and egress for Parcel "A" as shown on Exhibit "G". This
25 easement shall allow ingress and egress to Taxiway A through the Leased Premises to the
26 heavy ramp and Taxiway F by way of the ingress and egress access as shown on Exhibit "G".
27 It is the intent of the Parties that the Occupants of Parcel "A" have the same right of access
28 through the Leased Premises to Taxiway A and Taxiway F as the Occupants of Phases 1, 2 &

1 3 of the Leased Premises. The Parties agree that the Occupants of Parcel "A" will use the
2 east/west bound ingress and egress access across the Leased Premises, to be known as the
3 Primary Access. In the event that the Primary Access is unavailable, the north/south bound
4 ingress and egress access across the Leased Premises, known as the Secondary Access, will
5 be used. For purposes of this Lease, "unavailable" shall mean unusable and obstructed due to
6 construction, improvements, or maintenance work that is being performed. The Primary
7 Access shall not be deemed to be unavailable merely because there is a temporary obstruction
8 that can be moved in a timely manner to allow Occupants to use the Primary Access. Primary
9 and Secondary Access are shown on Exhibit "G". The referenced easements shall be in a
10 form satisfactory to the County.

11 15. Inspection of Premises. County, through its duly authorized agents, shall have,
12 upon reasonable notice, during normal business hours, the right to enter the Leased Premises
13 for the purpose of inspecting, monitoring and evaluating the obligations of Lessee hereunder
14 and for the purpose of doing any and all things which it is obligated and has a right to do under
15 this provided that the inspection does not unreasonably interfere with Lessee's business.

16 16. Quiet Enjoyment. Lessee shall have, hold, and quietly enjoy the use of the
17 Leased Premises so long as Lessee shall fully and faithfully perform the terms and conditions
18 that the Lessee is required to do under this Lease.

19 17. Compliance with Government Regulations. Lessee shall, at Lessee's sole cost
20 and expense, comply with the requirements of all local, state, and federal statutes, regulations,
21 rules, ordinances, and orders now in force or which may be hereafter in force, pertaining to the
22 Leased Premises. The final judgment, decree, or order of any Court of competent jurisdiction,
23 or the admission of Lessee in any action or proceedings against Lessee, whether Lessee be a
24 party thereto or not, that Lessee has violated any such statutes, regulations, rules, ordinances,
25 or orders in the use of the Leased Premises, shall be conclusive of that fact as between County
26 and Lessee.

27 18. Discrimination or Segregation
28

1 (a) Lessee shall not discriminate in Lessee's recruiting, hiring, promotion,
2 demotion or termination practice on the basis of race, religious creed, color, national origin,
3 ancestry, sex, age, physical handicap, medical condition, or marital status with respect to its
4 use of the Leased Premises hereunder, and Lessee shall comply with the provisions of the
5 California Fair Employment and Housing Act (Government Code Sections 12900 et seq.), the
6 Federal Civil Rights Act of 1964 (P. L. 88-352), and all amendments thereto, Executive Order
7 No. 11246 (30 Federal Register 12319), as amended, and all Administrative Rules and
8 Regulations issued pursuant to said Acts and orders with respect to its use of the Leased
9 Premises.

10 (b) Lessee shall not discriminate against or cause the segregation of any
11 person or group of persons on account of race, religious creed, color, national origin, ancestry,
12 sex, age, physical handicap, medical condition, or marital status in the occupancy, use, tenure
13 or enjoyment of the Leased Premises, nor shall Lessee, or any person claiming under or
14 through Lessee, establish or permit any such practice or practices of discrimination or
15 segregation with reference to the selection, location, number, use, or occupancy of any
16 persons within the Leased Premises.

17 (c) Lessee assures that it will undertake an affirmative action program as
18 required by 49 CFR, Part 21, to insure that no person shall on the grounds of race, creed, color,
19 national origin, or sex be excluded from participating in any employment activities covered in
20 49 CFR, Part 21, with respect to its use of the Leased Premises. Lessee further assures that
21 no person shall be excluded on these grounds from participating in or receiving services or
22 benefits of any program or activity covered herein with respect to its use of the Leased
23 Premises. Lessee further assures that it will require that its subcontractors and independent
24 contractors provide assurance to Lessee that they similarly will undertake affirmative action
25 programs and that they will require assurances from their subcontractors and independent
26 contractors, as required by 49 CFR, Part 21, to the same effect with respect to their use of the
27 Leased Premises.
28

1 19. Termination by County. County shall have the right to terminate this Lease
2 forthwith:

3 (a) In the event a petition is filed for voluntary or involuntary bankruptcy for
4 the adjudication of Lessee as debtors.

5 (b) In the event that Lessee makes a general assignment, or Lessee's
6 interest hereunder is assigned involuntarily or by operation of law, for the benefit of creditors.

7 (c) In the event of abandonment of the Leased Premises by Lessee.

8 (d) In the event Lessee fails or refuses to perform, keep or observe any of
9 Lessee's duties or obligations hereunder; provided, however, that Lessee shall have thirty (30)
10 days in which to correct Lessee's breach or default after written notice thereof has been served
11 on Lessee by County.

12 (e) In the event Lessee fails, or refuses, to meet its rental obligations, or any
13 of its obligations hereunder, or as otherwise provided by law.

14 (f) Failure of Lessee to maintain insurance coverage required herein and to
15 provide evidence of coverage to the County.

16 (g) Failure of the Lessee to require all tiers of sublessees and/or contractors
17 to indemnify the County and to have appropriate insurance coverages and/or failure by Lessee
18 to monitor each sublessee and/or contractor for current and correct Certificates of Insurance
19 and required endorsements throughout the term of this lease.

20 20. Termination by Lessee. Lessee shall have the right to terminate this Lease
21 in the event County fails to perform, keep or observe any of its duties or obligations hereunder;
22 provided, however, that County shall have thirty (30) days in which to correct its breach or
23 default after written notice thereof has been served on it by Lessee; further provided, however,
24 that in the event such breach or default is not corrected, Lessee may elect to terminate this
25 Lease in its entirety or as to any portion of the premises affected thereby, and such election
26 shall be given by an additional thirty (30) day written notice to County.

27 21. Eminent Domain. If any portion of the Leased Premises shall be taken by
28 eminent domain and a portion thereof remains which is usable by Lessee, in its discretion, for

1 the purposes set forth in Section 5 herein, this Lease shall, as to the part taken, terminate as of
2 the date title shall vest in the condemnor, or the date prejudgment possession is obtained
3 through a court of competent jurisdiction, whichever is earlier, and the rent payable hereunder
4 shall abate pro rata as to the part taken; provided, however, in such event County reserves the
5 right to terminate this Lease as of the date when title to the part taken vests in the condemnor
6 or as of such date of prejudgment possession. If all of the Leased Premises are taken by
7 eminent domain, or such part be taken so that the Leased Premises are rendered unusable for
8 the purposes set forth in Section 5 herein, this Lease shall terminate. If a part or all of the
9 Leased Premises be so taken, all compensation awarded upon such taking shall be
10 apportioned between County and Lessee according to law.

11 22. Hold Harmless/Indemnification. Lessee shall indemnify and hold harmless
12 the County of Riverside, its Agencies, Districts, Special Districts and Departments, their
13 respective Directors, officers, Board of Supervisors, elected and appointed officials, employees,
14 agents and representatives (the "Indemnified Parties") from any liability whatsoever, including
15 but not limited to, property damage, bodily injury, or death, based or asserted upon any services
16 of Lessee, its officers, employees, subcontractors, agents or representatives arising out of or in
17 any way relating to this Lease and Lessee shall defend at its sole expense and pay all
18 reasonable costs and fees, including but not limited to, attorney fees, cost of investigation,
19 defense and settlements or awards, on behalf of the Indemnified Parties in any claim or action
20 based upon such liability.

21 With respect to any action or claim subject to indemnification herein by Lessee, Lessee
22 shall, at Lessee's sole cost, have the right to use counsel of their choice and shall have the right
23 to adjust, settle, or compromise any such action or claim without the prior consent of County;
24 provided, however, that any such adjustment, settlement or compromise in no manner
25 whatsoever limits or circumscribes Lessee's indemnification to the Indemnified Parties as set
26 forth herein.

27 Lessee's obligation hereunder shall be satisfied when Lessee has provided County the
28 appropriate form of dismissal relieving County from any liability for the action or claim involved.

1 The specified insurance limits required in this Agreement shall in no way limit or
2 circumscribe Lessee's obligations to indemnify and hold harmless the Indemnified Parties
3 herein from third party claims.

4 In the event there is conflict between this clause and California Civil Code Section 2782,
5 this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not
6 relieve the Lessee from indemnifying the Indemnified Parties to the fullest extent allowed by law.

7 Lessee shall require each sublessee and/or contractor of every tier to indemnify the
8 County of Riverside as respects any claims arising from their sub-lease and/or contract.

9 23. Insurance. Lessee shall procure and maintain or cause to be maintained, at
10 it sole cost and expense, the following insurance coverages during the term of this Lease.
11 These requirements, with the approval of the County's Risk Manager, may be modified to
12 reflect the activities associated with the Lessee provided that any changes are reasonable in
13 nature and consistent with industry standards. The procurement and maintenance of the
14 insurance required below will not diminish or limit Lessee's obligation to indemnify or hold the
15 County harmless. Lessee agrees to have in place insurance coverage as it is required and
16 applicable. This Section shall be construed to require Lessee to have all insurance required
17 under this provision, in place from the date of Commencement of this Lease.

18 (a) Workers Compensation. Lessee shall maintain statutory Workers'
19 Compensation Insurance (Coverage A) as described by the laws of the State of California.
20 Policy shall include Employers' Liability (Coverage B) including Occupational Disease with
21 limits not less than \$1,000,000 per person per accident. Policy shall be endorsed to provide a
22 Waiver of Subrogation in favor of the County of Riverside its Agencies, Districts, Special
23 Districts, and Departments, their respective directors, officers, Board of Supervisors,
24 employees, elected or appointed officials, agents or representatives.

25 (b) Airport Liability. Lessee shall maintain Airport Liability Insurance
26 coverage including, but not limited to, premises/operations liability, contractual liability,
27 products and completed operations liability, independent contractors, personal and advertising
28 injury liability covering all claims or lawsuits of any nature whatsoever which may arise from or

1 out of Lessee's performance under the terms of the lease agreement. Policy shall name all the
2 County of Riverside its Agencies, Districts, Special Districts, and Departments, their respective
3 directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or
4 representatives as Additional Insureds. Policy's limit of liability shall not be less than
5 \$25,000,000 per occurrence combined single limit and in the annual aggregate as applicable.
6 The policy shall be endorsed to provide Hangar Keeper's Legal Liability Insurance (Ground and

8 subject to the conditions relating hereto as set forth in Section 28 herein. Lessee shall give

25 be secured by a mechanics, materialmen's or other lien against the Leased Premises or
26 County's interest therein, and will cause each such lien to be fully discharged and released at
27 the time the performance of any obligation secured by such lien matures or becomes due;
28 provided, however, that if Lessee desire to contest any such lien, it may do so, but

9 bound by all the terms and conditions contained in this Lease, and all of the parties thereto

FEDERALLY REQUIRED LEASE PROVISIONS

FEDERALLY REQUIRED LEASE PROVISIONS

1. The Lessee for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that in the event facilities are constructed, maintained, or otherwise operated on the said property described in this lease agreement for a purpose for which a U.S. Department of Transportation (DOT) program or activity is extended or for another purpose involving the provision of similar services or benefits, the Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
2. The Lessee for himself, his personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that: (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, and (3) that the Lessee shall use the premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-Discrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
3. That in the event of breach of any of the above nondiscrimination covenants, the County of Riverside, herein called the County, shall have the right to terminate the lease agreement and to reenter and repossess said land and the facilities thereon, and hold the same as if said lease agreement had never been made or issued. This provision does not become effective until the procedures of 49 CFR Part 21 are followed and completed, including expiration of appeal rights.
4. The Lessee shall furnish its accommodations and/or services on a fair, equal, and not unjustly discriminatory basis to all users thereof, and it shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or service; provided, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

5. Non-compliance with Provision 4 above shall constitute a material breach thereof, and in the event of such noncompliance, the County shall have the right to terminate this lease agreement and the estate thereby created without liability therefore or, at the election of the County or the United States, either or both said Governments shall have the right to judicially enforce these Provisions.
6. The Lessee agrees that it shall insert the above five provisions in any sublease agreement by which said Lessee grants a right or privilege to any person, firm, or corporation to render accommodations and/or services to the public on the premises herein leased.
7. The Lessee assures that it will undertake an affirmative action program as required by 14 CFR Par 152, Subpart E, to ensure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Lessee assures that it will require that its covered suborganizations provide assurances to the Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR 152, Subpart E, to the same effort.
8. The County reserves the right to further develop or improve the landing area of the airport as it sees fit, regardless of the desires or view of the Lessee and without interference or hindrance.
9. The County reserves the right, but shall not be obligated to the Lessee, to maintain and keep in repair the landing area of the airport and all publicly-owned facilities of the airport, together with the right to direct and control all activities of the Lessee in this regard.
10. This lease agreement shall be subordinate to the provisions and requirements of any existing or future agreement between the County and the United States relative to the development, operation, or maintenance of the airport.
11. There is hereby reserved to the County, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the premises herein leased. This public right of flight shall include the right to cause in said airspace any noise inherent in the operation of any aircraft used for navigation or flight through the said airspace or landing at, taking off from, or operating on the Jacqueline Cochran Regional Airport.

12. The Lessee agrees to comply with the notification and review requirements covered in Part 77 of the Federal Aviation Regulations in the event future construction of a building is planned for the leased premises, or in the event of any planned modification or alteration of any present or future building or structure situated on the leased premises.
13. The Lessee, by accepting this lease agreement, expressly agrees for itself, its successors and assigns that it will neither erect nor permit the erection of any structure or object, nor permit the growth of any tree, on land leased hereunder with a height that exceeds the height limitation formula specified in Part 77 of the Federal Aviation Regulations without first obtaining the approval of the DOT and the County, which approval can be sought by submitting FAA Form 7460-1 (copy attached). In the event that the aforesaid covenants are breached, the County reserves the right to enter upon the land leased hereunder and to remove the offending structure or object and cut the offending tree, all of which shall be at the expense of the Lessee.
14. The Lessee, by accepting this lease agreement, agrees for itself, its successors and assigns that it will not make use of the leased premises in any manner, which might interfere with the landing and taking off of aircraft from Jacqueline Cochran Regional Airport or otherwise constitute a hazard. In the event that the aforesaid covenant is breached, the County reserves the right to enter upon the premises hereby leased and cause the abatement of such interference at the expense of the Lessee.
15. It is understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 308a of the Federal Aviation Act of 1958 (49 USC 1349a)
16. This lease agreement and all the provisions hereof shall be subject to whatever right the United States Government now has or in the future may have or acquire affecting the control, operation, regulation, and taking over of said airport or the exclusive or non-exclusive use of the airport by the United States during time of war or national emergency.
