Sergeant Epps is happy to provide this presentation to agencies upon request. Interested agencies can contact Sergeant Epps for more information [repps@riversidesheriff.org](mailto:repps@riversidesheriff.org)

**VI) Standing Items**

- a) California Operational Area Coalition (COAC) – This group has been inactive but plans to resume.
- b) SEMS/NIMSCAST – no update at this time.
- c) Grant Updates and Status Reports
  - 1) The 2016 SHSP applications are due May 2<sup>nd</sup>.
  - 2) Agencies need to turn in their reimbursement requests.
- d) COMM Groups/Sub-Committees/Task Forces – These groups meet on a regular basis. If you have any questions about Comm Groups, please speak with your Community Readiness Emergency Services Coordinator.
  - 1) CERT – A CERT Program Managers meeting will be scheduled soon. A T3 CERT class is scheduled to take place June 13-16<sup>th</sup>, 2016.
  - 2) Volunteer Organizations Active in Disasters (VOAD) – This group is currently working on developing a Tabletop Exercise (TTX) membership drive.
- e) CalOES
  - 1) Pastor Guevara stated that the next Drought Conference Call with the State is scheduled to take place in May. MARAC is scheduled to take place April 28<sup>th</sup> at the Riverside County EMD Riverwalk office. CalOES Access and Functional Needs will be hosting training at the Ben Clark Training Center on April 19<sup>th</sup> and 20<sup>th</sup>. CalOES is also hosting a Southern Region Speakers Series entitled: Planning for Animals on May 25<sup>th</sup>, at the Irvine Regional Park.
  - 2) Steve Diaz shared that the next Capstone meeting will take place at Riverwalk on May 12<sup>th</sup>. A Commodities Movement Exercise will take place at MARB on June 22<sup>nd</sup> from 10:00-2:00. In November, the National Guard and DOD will be conducting a Type I POD in Riverside.
  - 3) Mona Bontty reminded everyone to keep a look out for reports of dry wells. Cal OES is recruiting in Santa Barbara and Los Alamitos for ESC positions – contact Doug Huls or Pastor Guevara. An Intern position is available through the summer. The State is developing curriculum for an AFN Active Shooter training.

- f) LHMP - The County's application for funding to support completion of the LHMP has been submitted to the State. Sarah Bruns, EMD Planning Coordinator, will be the new County contact for the LHMP. Sara can be contacted at (951)358-7100.

**VII) Roundtable & Public Comment**

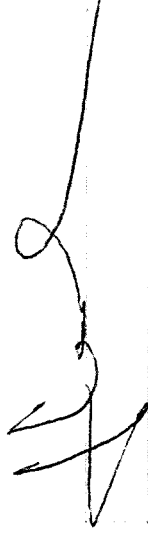

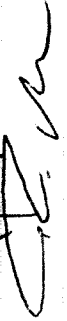

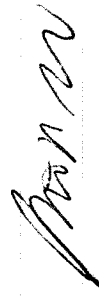

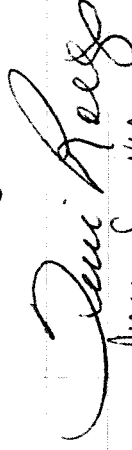

- a) Gina McGough announced that the County will be implementing a new Reverse 911 System contracted through a company called SwiftReach. Gina introduced two new EMD employees: Ralph Mesa is a newly hired Emergency Services Coordinator assigned to the desert areas; and Jennifer Smith is a newly hired Program Coordinator overseeing the Volunteer Programs.
- b) Kathleen Henderson shared that EOC-specific training will be offered the week of May 9<sup>th</sup>. EMD will be sending a flyer out to the OA on what the classes are and how to register.
- c) Mark Annas announced that the Riverside UASI still has some spots available for the Earthquake class coming up in June. Go to the TEEEX website for registration.
- d) Alia Rodriguez shared that the MARB Air Show is this coming weekend. Alia is proud to announce that the City of Moreno Valley, Office of Emergency Management, has been nominated to receive the Helen Putnam Award for their efforts to bring communities together toward preparedness.
- e) Maria De Los Santos announced that 211 Riverside County has introduced a Senate Bill to facilitate access to disaster preparedness and response. Please contact Maria if you are interested in providing a letter of support for that bill. Maria De Los Santos (951)328-8288.
- f) Rick Landers shared that Dusty Williams, General Manager of County Flood, has retired after 39 years. One thing that Dusty shared with his department was the fact that most floods in Riverside County happen during non-El Niño years.
- g) Ramon Leon announced that the Statewide Medical and Health Exercise will take place November 17, 2016.
- h) Victoria Burns was introduced as the newly appointed Deputy Director of the Emergency Management Department.
- i) The next OAPC in July will include a speaker from a law firm who will share their real life experience with Continuity of Operations, as a result of a fire. Also, the County of Riverside Environmental Health Department will be sharing their experience and lessons learned while responding to the aftermath of the San Bernardino County Terrorist Shooting last year.

- VIII) Next Quarterly OAPC Meeting..... Thursday, July 14, 2016**  
**Next Annual Disaster Council Meeting..... Thursday, January 12, 2017**

**IX) Adjournment**

**Subject:** September Palo Verde Comm Meeting

**Importance:** High

Hello All,

Just wanted to remind everyone that we will be having our normal Palo Verde Comm meeting next Wednesday the 21 at Blythe City Hall starting at 1pm. We will be getting a weather update from the National Weather Service (Ken Waters) via phone with a Power Point presentation. We will also have Sarah Bruns giving the group a quick briefing about the County of Riverside LHMP (Local Hazard Mitigation Plan).

What I would like to do also after both presentation is get some hard dates to start ICS/SEMS/NIMS training for the city and the surrounding agencies. This training will be a total of 4 hours and we could have more than one to accommodate everyone. I will be sending everyone a calendar invite.

Blythe Fire- I know we had Oct 13<sup>th</sup> for the ICS/SEMS/NIMS training. That date will not work, so if we could look at another day with the same time. You could reach me on my cell which is listed below.

Place: Blythe City Hall

Date: Wednesday, September 21, 2016

Time: 1:00 pm

If you have any questions please feel free to email or call me.

Thanks,

**Ralph Mesa Jr.**

## 2018 State Hazard Mitigation Plan Kick-Off Meeting Goals and Objectives

Please review the overall 2013 State Hazard Mitigation Plan goals and objectives listed below and consider the following questions:

(Note : the entire 2013 plan can be downloaded at: <http://www.caloes.ca.gov/cal-oes-divisions/hazard-mitigation/hazard-mitigation-planning/state-hazard-mitigation-plan>. The complete goals and objectives are in Section 2.3, pages 26-30)

1. Do the 2013 goals and objectives adequately reflect your understanding of **California's** hazard mitigation effort at present and planning for the near term (next 5 years)?
2. Do the 2013 goals and objectives adequately reflect your understanding of **your agency/organization's** hazard mitigation effort at present and planning for the near term (next 5 years)?
3. Which goals and objectives would you like to change for the 2018 SHMP, and how?
4. What additional hazard mitigation goals and objectives, if any, would you suggest for consideration in the 2018 SHMP?

---

### **Goal 1: Significantly reduce life loss and injuries.**

- Objective 1: Improve understanding of the locations, potential impacts, and linkages among threats hazards, vulnerability, and measures needed to protect life safety and health.
- Objective 2: Develop and provide updated information about threats, hazards, vulnerabilities, and mitigation strategies to state, regional, and local agencies, as well as private sector groups.
- Objective 3: Promote enforcement of relevant state regulations and local ordinances that significantly reduce life loss and injuries.
- Objective 4: Maximize the likelihood that structures are modified, as necessary, over time to meet life safety standards.
- Objective 5: Encourage the incorporation of mitigation measures into repairs, major alterations, new development, and redevelopment practices, especially in areas subject to substantial hazard risk.
- Objective 6: Advance community resilience through preparation, adoption, and implementation of state, regional and local multi-hazard mitigation plans and projects.

### **Goal 2: Minimize damage to structures and property, as well as interruption of essential services and activities.**

- Objective 1: Encourage new development to occur in locations avoiding or minimizing exposure to hazards and enhance design requirements to improve resiliency in future disasters.
- Objective 2: Encourage life and property protection measures for all communities and structures located in hazard areas.
- Objective 3: Reduce repetitive property losses due to flood, fire and earthquake by updating land use, design, and construction policies.
- Objective 4: Research, develop, and promote adoption of cost-effective building and development laws, regulations, and ordinances exceeding the minimum levels needed for life safety.
- Objective 5: Establish and maintain partnerships among all levels of government, private sector, community groups, and institutions of higher learning that improve and implement methods to protect life and property.
- Objective 6: Support the protection of vital records, and strengthening or replacement of buildings, infrastructure, and lifelines to minimize post-disaster disruption and facilitate short-term and long-term recovery.
