BACKGROUND:

Summary

On July 21, 2015, Agenda Item 3.43 and 3.62 were approved by the Board of Supervisors, with strict limitations to dollar amounts for various Agreement types with specific delegation of signature authority. The approval of Resolution 2016-157 which Authorize the Purchasing Agent to Initialize and Implement Public Contract Code Section 20131, subsection (c), for Procurement not to Exceed \$750,000 per Vendor Per Twelve Month Period was renewed and approved by the Board on July 12, 2016, Agenda Item 3-29 and again on July 11, 2017, Agenda Item 3.42.

Riverside University Health System-Medical Center (RUHS-MC) primary objective was to reduce the time normally required to finalize an Agreement. Typical Agreements might provide equipment for patient service, initiate student internships, or they might generate new net revenue. In each case there is a sizable benefit to expediting the approval process. The secondary objective was to remove items that are repetitive or routine and thus help declutter the Boards agenda.

RUHS continue to report the Agreements signed under specific delegated authority. Incorporated into this Board action is a report of all the Agreements signed in the fourth (4th) quarter for Fiscal Year 2017/2018.

Impact on Citizens and Businesses

Delegated authority allows for patient services to be delivered faster and more efficiently. Those Agreements that increase revenue or accelerate payments improve the hospital's fiscal health.
