On motion of Supervisor Tavaglione, seconded by Supervisor Washington, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, October 16, 2018 be adjourned in memory of Henry Wilson Coil Jr., an 85-year-old native of Riverside, California who passed away on October 3, 2018.

Born at Riverside Community Hospital in 1932, Henry will always be remembered as a true humanitarian and inspirational force in the community. His construction firm and personal giving preserved historic buildings, built multiple schools, and strengthened programs for young people and the arts. He was the founder and longtime president of Tilden-Coil Constructors, Inc., a Riverside based construction and engineering firm that has built or expanded dozens of K-12 and higher education schools in the Inland Empire as well as a wide variety of general construction and restoration projects, ranging from the Pechanga Hotel and Casino in Temecula to the 1903 Riverside County Courthouse and, most recently, the 1926 Savings and Loan Building on Market Street, which was repurposed into The Center for Social Justice and Civil Liberties.

As the founding director of UCR's California Museum of Photography, Henry served on the advisory board's early years with famed photographer Ansel Adams, and in 2012, donated \$900,000 to UCR's Barbara and Art Culver Center of the Arts, to name the Coil Brothers Atrium in honor of his three younger siblings, Horace, James, and John. In 2012, as a tribute to his parents, he pledged \$5 million to the Riverside Community College District for the Henry W. Coil Sr. and Alice Edna Coil School for the Arts.

Henry also served as a Riverside City Councilman from 1963 to 1967 and sat on numerous boards and community organizations, including the Community Foundation, the American Red Cross, Riverside Arts Foundation, the Boy Scouts, the Mission Inn Foundation, and the UCR Foundation. He received many awards including the Boy Scouts' Distinguished Eagle Award and the 2011 Roy Hord Volunteer of the Year Award.

Henry graduated from the University of California, Berkeley in 1954 with degrees in both civil engineering and geology. He proudly served in the U.S. Navy, serving as a Seabee in the Philippines. He used his GI Bill to earn a law degree at Western State University in Fullerton but went to work for Tilden Construction Company instead of pursuing law. He resigned as president in 1998, but still went into the office every day as "past president."

Henry was a loving husband to his wife Linda and a devoted brother, uncle, and friend. His memory and passionate spirit will live forever in the hearts of those who knew and loved him.

The Board of Supervisors commemorates his service to the Country and the County of Riverside.

IT WAS FURTHER ORDERED that the Board of Supervisors expresses its heartfelt condolences to the family of Henry Wilson Coil Jr.

I hereby certify that the foregoing is a full true, and correct copy of an order made and entered on
October 16, 2018 of Supervisors Minutes.
