BACKGROUND:

Summary

The Riverside County Agricultural Commissioner's Office has reviewed the emergency conditions necessitating the declaration of August 10, 1999, and find that these conditions still exist. Government Code Section 8630 requires the Board to review the need for continuation of the local emergency every 30 days.

CLERK OF THE BOARD: Due to unique circumstances and unknown duration of the situation, request that renewal of this declaration be automatically submitted as an agenda item every 30 days until request to terminate is submitted by the Riverside County Agricultural Commissioner's Office.
