BACKGROUND:

Summary

On April 18, 2017, Item 3.29, the Board of Supervisors (Board) approved the agreements necessary for the development of a new three level 200,000 square foot Medical Office Building (MOB) and a new lobby/café (Pavilion) to be constructed at the RUHS Medical Center property located at 26520 Cactus Avenue in Moreno Valley.

The Pavilion is intended to serve as the hospital's new main entrance and will provide secure access from the vehicle drop off zone into the hospital. This project will construct the Pavilion connection at the exterior of the hospital, as well as provide the necessary improvements to the interior portion in order to accommodate the connection. The Project will include remodeling approximately 1,100 square feet of interior space to create a new Security Operations Center that will serve the entire campus.

On June 19, 2018, Item 3.9, the Board approved a pre-qualified list of architectural and engineering firms. Due to their experience and successful completion of similar projects, as well as their being the lead architect on the new MOB; EDA recommends moving forward with Ware Malcomb to provide the design of the bridge connection and interior improvements to the hospital and approve Kitchell to provide preconstruction and CM services through completion of the RUHS Pavilion Connection and SOC project.

EDA recommends the Board approve the preliminary project budget in the amount of \$1,881,570 and professional services agreements with Ware Malcomb and Kitchell to continue moving forward and expedite the completion of the project.

In accordance with the CEQA Guidelines and Riverside County CEQA implementing procedures, an Initial Study was prepared to analyze the construction and operation of the RUHS MOB. As part of the Project, the Initial Study included a lobby/café (Pavilion). The Project was found to not have a significant effect on the environment and the Board adopted a Mitigated Negative Declaration on April 18, 2017, Agenda Item 3-29. The interior improvements to the existing hospital required to accommodate the connection to the Pavilion and the SOC are minor interior modifications that would not affect the use of the facility or result in any new effects that were not previously identified. The RUHS Pavilion and SOC project was reviewed and determined that nothing further is required pursuant to CEQA because the effects of the project remain unchanged and consistent with what has been previously analyzed nor does it substantially change the use.

Impact on Residents and Businesses

The RUHS Pavilion Connection and SOC project will allow RUHS to provide a more secure pedestrian entrance into the hospital, a greater ability monitor, and assist security measures throughout the campus for the hospital patrons and staff.

1 PROFESSIONAL SERVICES AGREEMENT

2 For Pavilion Connection and Security Operation Center Project

3 FM08430008463

4 This Agreement is made and entered as of the date of the last signature on the signature page of
5 this contract by and between KITCHELL CEM, INC. (herein referred to as "CONSULTANT"),
6 and the COUNTY OF RIVERSIDE, a political subdivision of the State of California, (herein
7 referred to as "COUNTY").

8 WHEREAS, Government Code Section 31000 et seq. authorizes the COUNTY to
9 contract for services with a person who is specially trained and experienced, and who is competent
10 to perform the special services required; and

11 WHEREAS, CONSULTANT has the expertise, special skills, knowledge and
12 experience to perform the duties set out herein.

13 NOW THEREFORE, in consideration of the mutual covenants contained herein,
14 the parties hereto agree as follows:

15 1. SCOPE OF SERVICES: CONSULTANT shall provide construction management
16 consulting services for the Pavilion Connection and Security Operation Center Project in
17 accordance with this Agreement and as outlined and specified in Exhibit "A" consisting of one
18 page attached hereto and by this reference incorporated herein.

19 1.1 CONSULTANT represents and maintains that it is skilled in the professional
20 calling necessary to perform all services, duties and obligations required by this Agreement
21 to fully and adequately complete the project. CONSULTANT shall perform the services
22 and duties in conformance to and consistent with the standards generally recognized as
23 being employed by professionals in the same discipline in the State of California.
24 CONSULTANT further represents and warrants to the COUNTY that it has all licenses,
25 permits, qualifications and approvals of whatever nature are legally required to practice its
26 profession. CONSULTANT further represents that it shall keep all such licenses and
27 approvals in effect during the term of this Agreement.
28

1 2. PERIOD OF PERFORMANCE: CONSULTANT shall commence performance of
2 services within one (1) calendar day after execution of this Agreement, and shall diligently perform
3 the services as required through **April 20, 2020**, unless sooner terminated as specified in Paragraph
4 8, or extended as provided in Paragraph 13. All applicable indemnification provisions in this
5 Agreement shall remain in effect following the termination of this Agreement.

6 3. COMPENSATION: The COUNTY shall pay the CONSULTANT for services
7 performed and expenses incurred as follows:

8 3.1 COUNTY shall pay to CONSULTANT for services performed in accordance
9 with the Scope of Services as described above. The total amount of compensation
10 paid to CONSULTANT under this Agreement shall not exceed the maximum of
11 **One Hundred Eighty Thousand Dollars (\$180,000)** including any reimbursable
12 expenses, unless a written amendment to the Agreement is executed by both parties
13 prior to performance of additional services.

14 3.2 Said compensation shall be paid in accordance with an invoice submitted to
15 COUNTY by CONSULTANT within fifteen (15) days from the last day of each
16 calendar month, and COUNTY shall pay the invoice within thirty (30) working
17 days from the date of receipt of the invoice.

18 3.3 The basis for the monthly invoice and payment thereon shall be on an hourly
19 completion basis to be billed monthly.

20 4. INDEPENDENT CONTRACTOR: COUNTY retains CONSULTANT on an
21 independent contractor basis. CONSULTANT is not, and shall not be considered to be in any
22 manner, an employee, agent or representative of the COUNTY. CONSULTANT shall not be
23 entitled to any benefits payable to employees of COUNTY including County Workers'
24 Compensation benefits. COUNTY is not required to make any deductions from the compensation
25 payable to CONSULTANT under this Agreement, and as an independent contractor,
26 CONSULTANT hereby holds COUNTY harmless from any and all claims that may be made
27 against COUNTY based upon any contention by any third party that an employer-employee
28 relationship exists by reason of this Agreement.

1 Personnel performing any services under this Agreement on behalf of CONSULTANT
2 shall at all times be under CONSULTANT'S exclusive direction and control. CONSULTANT
3 shall pay all wages, salaries and other amounts due such personnel in connection with their
4 performance of service and as required by law. CONSULTANT shall be responsible for all reports
5 and obligations respecting such personnel, including but not limited to, social security taxes,
6 income tax withholdings, unemployment insurance, and workers' compensation insurance.

7 5. CONSULTANT'S RESPONSIBILITY: It is understood that the CONSULTANT
8 has the skills, experience and knowledge necessary to perform the services agreed to be performed
9 under this Agreement, and that the COUNTY relies upon the CONSULTANT'S representations
10 about its skills, experience and knowledge to perform the CONSULTANT'S services in a
11 competent manner. Acceptance by the COUNTY of the services to be performed under this
12 Agreement does not operate as a release of said CONSULTANT from responsibility for the work
13 performed. It is further understood and agreed that the CONSULTANT is apprised of the scope
14 of the work to be performed under this Agreement and the CONSULTANT agrees that said work
15 can and shall be performed in a fully competent manner.

16 6. INDEMNITY AND HOLD HARMLESS – The CONSULTANT agrees to and
17 shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Departments
18 and Special Districts, their respective directors, officers, Board of Supervisors, elected and
19 appointed officials, employees, agents and representatives (hereinafter individually and
20 collectively referred to as "Indemnitees") from all liability, including, but not limited to loss, suits,
21 claims, demands, actions, or proceedings caused by any alleged or actual negligence, recklessness,
22 willful misconduct, errors or omissions of CONSULTANT, its directors, officers, partners,
23 employees, agents or representatives or any person or organization for whom CONSULTANT is
24 responsible, arising out of or from the performance of services under this Agreement. To the extent
25 a loss, suit, claim, demand, action, or proceeding is based on actual or alleged acts or omissions of
26 CONSULTANT which are not design professional services, CONSULTANT shall indemnify
27 Indemnitees whether or not CONSULTANT is negligent.

28 The duty to indemnify does not include loss, suits, claims, demands, actions, or

1 proceedings caused by actual negligence of Indemnitees; however, any actual negligence of
2 Indemnitees will only affect the duty to indemnify for the specific act found to be negligence, and
3 will not preclude a duty to indemnify for any act or omission of CONSULTANT.

4 CONSULTANT shall defend and pay, at its sole expense, all costs and fees, including but
5 not limited to attorney fees, cost of investigation, and defense, in any loss, suits, claims, demands,
6 actions, or proceedings based or alleged to be based on any act or omission of CONSULTANT
7 arising out of or from the performance of services under this contract. The duty to defend applies
8 to any alleged or actual negligence, recklessness, willful misconduct, error or omission of
9 CONSULTANT. The duty to defend shall apply whether or not CONSULTANT is a party to the
10 lawsuit, and shall apply whether or not CONSULTANT is directly liable to the plaintiffs in the
11 lawsuit. The duty to defend applies even if Indemnitees are alleged or found to be actively
12 negligent, unless the act or omission at issue was caused by the sole active negligence of
13 Indemnitees. The duty to defend however only applies to the acts or omissions of the
14 CONSULTANT.

15 The specified insurance provisions and limits required in this contract shall in no way limit
16 or circumscribe CONSULTANT'S obligations to indemnify and hold harmless Indemnitees from
17 third party claims.

18 In the event there is conflict between the indemnity and defense provisions and California
19 Civil Code Section 2782 and 2782.8, the indemnity and defense provisions shall be interpreted to
20 comply with Civil Code sections 2782 and 2782.8.

21 7. INSURANCE: Without limiting or diminishing the CONSULTANT'S obligation
22 to indemnify or hold the COUNTY harmless, CONSULTANT shall procure and maintain or cause
23 to be maintained, at its sole cost and expense, the following insurance coverage during the term of
24 this Agreement. As respects to the insurance section only, the COUNTY herein refers to the
25 County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective
26 directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or
27 representatives as Additional Insureds.

1 A. Workers' Compensation:

2 If the CONSULTANT has employees as defined by the State of California, the
3 CONSULTANT shall maintain statutory Workers' Compensation Insurance
4 (Coverage A) as prescribed by the laws of the State of California. Policy shall
5 include Employers' Liability (Coverage B) including Occupational Disease with
6 limits not less than \$1,000,000 per person per accident. The policy shall be
7 endorsed to waive subrogation in favor of The County of Riverside.

8 B. Commercial General Liability:

9 Commercial General Liability insurance coverage, including but not limited to,
10 premises liability, unmodified contractual liability, products and completed
11 operations liability, personal and advertising injury, and cross liability coverage,
12 covering claims which may arise from or out of CONSULTANT'S performance of
13 its obligations hereunder. Policy shall name the COUNTY as Additional Insured.
14 Policy's limit of liability shall not be less than \$1,000,000 per occurrence combined
15 single limit. If such insurance contains a general aggregate limit, it shall apply
16 separately to this agreement or be no less than two (2) times the occurrence limit.

17 C. Vehicle Liability:

18 If vehicles or mobile equipment are used in the performance of the obligations
19 under this Agreement, then CONSULTANT shall maintain liability insurance for
20 all owned, non-owned or hired vehicles so used in an amount not less than
21 \$1,000,000 per occurrence combined single limit. If such insurance contains a
22 general aggregate limit, it shall apply separately to this agreement or be no less than
23 two (2) times the occurrence limit. Policy shall name the COUNTY as Additional
24 Insureds.

25 D. Professional Liability:

26 CONSULTANT shall maintain Professional Liability Insurance providing
27 coverage for the CONSULTANT'S performance of work included within this
28 Agreement, with a limit of liability of not less than \$1,000,000 per occurrence and

1 \$2,000,000 annual aggregate. If CONSULTANT'S Professional Liability
2 Insurance is written on a claims made basis rather than an occurrence basis, such
3 insurance shall continue through the term of this Agreement and CONSULTANT
4 shall purchase at his sole expense either 1) an Extended Reporting Endorsement
5 (also, known as Tail Coverage); or 2) Prior Dates Coverage from new insurer with
6 a retroactive date back to the date of, or prior to, the inception of this Agreement;
7 or, 3) demonstrate through Certificates of Insurance that CONSULTANT has
8 maintained continuous coverage with the same or original insurer. Coverage
9 provided under items; 1), 2) or 3) will continue as long as the law allows.

10 E. General Insurance Provisions - All lines:

11 1) Any insurance carrier providing insurance coverage hereunder shall be
12 admitted to the State of California and have an A M BEST rating of not less than
13 A: VIII (A:8) unless such requirements are waived, in writing, by the County Risk
14 Manager. If the County's Risk Manager waives a requirement for a particular
15 insurer such waiver is only valid for that specific insurer and only for one policy
16 term.

17 2) The CONSULTANT must declare its insurance self-insured retention for
18 each coverage required herein. If any such self-insured retention exceed \$500,000
19 per occurrence each such retention shall have the prior written consent of the
20 County Risk Manager before the commencement of operations under this
21 Agreement. Upon notification of self-insured retention unacceptable to the
22 COUNTY, and at the election of the Country's Risk Manager, CONSULTANT'S
23 carriers shall either; 1) reduce or eliminate such self-insured retention as respects
24 this Agreement with the COUNTY, or 2) procure a bond which guarantees payment
25 of losses and related investigations, claims administration, and defense costs and
26 expenses.

28 furnish the County of Riverside with either 1) a properly executed original

3 County Risk Manager, provide original Certified copies of policies including all
4 Endorsements and all attachments thereto, showing such insurance is in full force
5 and effect. Further, said Certificate(s) shall contain the covenant of the insurance
6 agent/producer that thirty (30) days written notice shall be given to the County of
7 Riverside prior to cancellation of such insurance except ten (10) days for
8 cancellation due to nonpayment. In the event of a material modification,
9 cancellation, expiration, or reduction in coverage, this Agreement shall terminate
10 forthwith, unless the County of Riverside receives, prior to such effective date,
11 another properly executed original Certificate of Insurance and original copies of
12 endorsements or certified copies of the policies, including all endorsements and
13 attachments thereto evidencing coverage's set forth herein and the insurance
14 required herein is in full force and effect. *CONSULTANT shall not commence*
15 *operations until the COUNTY has been furnished original Certificate (s) of*
16 *Insurance and certified original copies of endorsements and if requested, review*
17 *original of the policies of insurance including all endorsements and any and all*
18 *other attachments as required in this Section. An individual authorized by the*
19 *insurance carrier to do so on its behalf shall sign the original endorsements for*
20 *each policy and the Certificate of Insurance. Upon COUNTY'S request,*
21 *CONSULTANT shall make available for inspection by County Risk Manager, at*
22 *a mutually agreeable location, copies of CONSULTANT'S insurance policies.*

23 4) It is understood and agreed to by the parties hereto that the
24 CONSULTANT'S insurance shall be construed as primary insurance, and the
25 COUNTY'S insurance/or deductible and/or self-insured retentions or self-insured
26 program shall not be construed as contributory.

27 5) If, during the term of this Agreement or any extension thereof, there is a
28 material change in the scope of services; or, there is a material change in the

1 equipment to be used in the performance in the scope of work; or, the term of this
2 Agreement, including any extension thereof, exceeds five (5) years; the COUNTY
3 reserves the right to adjust the types of insurance and the monetary limits of liability
4 required under this Agreement, if in the County Risk Manager's reasonable
5 judgment, the amount or type of insurance carried by the CONSULTANT has
6 become inadequate.

7 6) CONSULTANT shall pass down the insurance obligations contained herein
8 to all tiers of subcontractors working under this Agreement.

9 7) The insurance requirements contained in this Agreement may be met with
10 a program(s) of self-insurance acceptable to the COUNTY.

11 8) CONSULTANT agrees to notify COUNTY of any claim by a third party or
12 any incident or event that may give rise to a claim arising from the performance of
13 this Agreement.

14 8. TERMINATION: COUNTY may, by written notice to CONSULTANT, terminate
15 this Agreement in whole or in part at any time. Such termination may be for COUNTY'S
16 convenience or because of CONSULTANT'S failure to perform its duties and obligations under
17 this Agreement including, but not limited to, the failure of CONSULTANT to timely perform
18 services pursuant to the Scope of Services described in this Agreement.

19 8.1 Discontinuance of Services. Upon Termination, CONSULTANT shall,
20 unless otherwise directed by the Notice, discontinue all services and deliver to the
21 COUNTY all data, estimates, graphs, summaries, reports, and other related materials as
22 may have been prepared or accumulated by CONSULTANT in performance of services,
23 whether completed or in progress.

24 8.2 Effect of Termination For Convenience. If the termination is to be for the
25 convenience of the COUNTY, the COUNTY shall compensate CONSULTANT for
26 services satisfactorily provided through the date of termination. CONSULTANT shall
27 provide documentation deemed adequate by COUNTY to show the services actually
28 completed by CONSULTANT prior to the date of termination. This Agreement shall

1 terminate thirty (30) days following receipt by the CONSULTANT of the written Notice
2 of Termination.

3 8.3 Effect of Termination For Cause. If the termination is due to the failure of
4 CONSULTANT to fulfill its obligations under this Agreement, CONSULTANT shall be
5 compensated for those services which have been completed in accordance with this
6 Agreement and accepted by the COUNTY. In such case, the COUNTY may take over the
7 work and prosecute the same to completion by contract or otherwise. Further,
8 CONSULTANT shall be liable to the COUNTY for any reasonable additional costs
9 incurred by the COUNTY to revise work for which the COUNTY has compensated
10 CONSULTANT under this Agreement, but which the COUNTY has determined in its sole
11 discretion needs to be revised in part or whole to complete the Project. Prior to
12 discontinuance of services, the COUNTY may arrange for a meeting with CONSULTANT
13 to determine what steps, if any, CONSULTANT can take to adequately fulfill its
14 requirements under this Agreement. In its sole discretion, County's Representative may
15 propose an adjustment to the terms and conditions of the Agreement, including the contract
16 price. Such contract adjustments, if accepted in writing by the Parties, shall become
17 binding on CONSULTANT and shall be performed as part of this Agreement. In the event
18 of termination for cause, unless otherwise agreed to in writing by the parties, this
19 Agreement shall terminate seven (7) days following the date the Notice of Termination was
20 mailed to the CONSULTANT. Termination of this Agreement for cause may be
21 considered by the COUNTY in determining whether to enter into future agreements with
22 CONSULTANT.

23 8.4 Notwithstanding any of the provisions of this Agreement,
24 CONSULTANT'S rights under this Agreement shall terminate (except for fees accrued
25 prior to the date of termination) upon dishonesty, or a willful or material breach of this
26 Agreement by CONSULTANT, or in the event of CONSULTANT'S unwillingness or
27 inability for any reason whatsoever to perform the duties hereunder, or if the Agreement is
28 terminated pursuant to Section 8. In such event, CONSULTANT shall not be entitled to

1 any further compensation under this Agreement.

2 8.5 Cumulative Remedies. The rights and remedies of the parties provided in
3 this Section are in addition to any other rights and remedies provided by law or under this
4 Agreement.

5 9. CONFLICT OF INTEREST: CONSULTANT covenants that it presently has no
6 interest, including but not limited to, other projects or independent contracts, and shall not acquire
7 any such interest, direct or indirect, which would conflict in any manner or degree with the
8 performance of services required under this Agreement. CONSULTANT further covenants that
9 in the performance of this Agreement, no person having any such interest shall be employed or
10 retained by it under this Agreement.

11 10. ADMINISTRATION: The Deputy Director, Economic Development Agency,
12 Project Management Office (or designee) shall administer this Agreement on behalf of COUNTY.

13 11. ASSIGNMENT: This Agreement shall not be assigned by CONSULTANT, either
14 in whole or in part, without prior written consent of COUNTY. Any assignment or purported
15 assignment of this Agreement by CONSULTANT without the prior written consent of COUNTY
16 will be deemed void and of no force or effect.

17 12. NONDISCRIMINATION: CONSULTANT represents that it is an equal
18 opportunity employer and it shall not discriminate against any employee or applicant for
19 employment because of race, religion, color, national origin, ancestry, sex, physical condition, or
20 age. Such non-discrimination shall include, but not be limited to, all activities related to initial
21 employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or
22 termination.

23 13. ALTERATION: No alteration or variation of the terms of this Agreement shall be
24 valid unless made in writing and signed by the parties hereto, and no oral understanding or
25 agreement not incorporated herein shall be binding on any of the parties hereto. No additional
26 services shall be performed by CONSULTANT without a written amendment to this Agreement.

27 CONSULTANT understands that the County Purchasing Agent or the County Board of
28 Supervisors are the only authorized COUNTY representatives who may at any time, by written

1 order, make any alterations within the general scope of this Agreement.

2 If CONSULTANT feels that any work requested of it is beyond the scope of services under
3 this Agreement, any claim by the CONSULTANT for adjustment under this paragraph shall be
4 made within thirty (30) days of when the CONSULTANT is requested to perform the disputed
5 scope of work.

6 14. LICENSE AND CERTIFICATION: CONSULTANT verifies upon execution of
7 this Agreement, possession of a current and valid license and certification in compliance with any
8 local, State, and Federal laws and regulations relative to the scope of services to be performed
9 under this Agreement and that services will be performed by properly trained and licensed staff.

10 15. CONFIDENTIALITY: CONSULTANT shall maintain the confidentiality of any
11 and all records and information accessed or processed under this Agreement. CONSULTANT
12 shall not disclose, except as permitted by this Agreement or as authorized by the COUNTY, any
13 oral or written communication, information, or effort of cooperation between COUNTY and
14 CONSULTANT, or between COUNTY and CONSULTANT and any other party.

15 16. DOCUMENTS: The COUNTY acknowledges that the CONSULTANT'S reports,
16 drawings, specifications, field data, field notes, laboratory test data, calculations, estimates and
17 other similar documents are instruments of professional service, not products. Although
18 ownership of such documents normally is retained by the CONSULTANT they nonetheless shall
19 in this instance become upon their creation the property of the COUNTY whether the Project is
20 constructed or not. The COUNTY may use design documents and the designs depicted in them,
21 without the CONSULTANT'S consent, in connection with the Project, or other COUNTY
22 Projects, including, without limitation, future additions, alterations, connections, repairs,
23 information, reference, use or occupancy of the Project(s). Any reuse of the documents by
24 COUNTY without the written consent of the CONSULTANT shall be at COUNTY'S sole risk
25 and without liability or legal exposure to the CONSULTANT, and COUNTY shall indemnify,
26 defend and hold the CONSULTANT harmless from any claims or losses arising out of such use
27 of the design documents by the COUNTY.

1 16.1 Upon completion of services, the CONSULTANT shall furnish to the COUNTY a
2 copy of any final documents. The CONSULTANT shall furnish one reproducible set along
3 with an electronic copy of the documents.

4 17. JURISDICTION, VENUE: This Agreement is to be construed under the laws of

Dear Ms. McCray:

Kitchell is pleased to present you with a proposal to provide the County of Riverside with general construction management consulting assistance for the RUHS MOB Pavilion and SOC Project. We will provide construction management services on an hourly, not to exceed basis in support of the project as directed by the County. Our construction management services may include review of plans, RFI's and submittals and attending meetings on behalf of the owner along with other basic construction oversight.

Our proposed fee for these services is detailed below. Per a conversation with EDA our work will be billed on an hourly, not to exceed amount:

- Hourly rate of \$165 for a Project Manager
- General Conditions Allowances of \$27,500
- Total not to exceed fee of \$180,000 for a Project Manager part-time for a 6 month construction timeline

Kitchell is committed to providing collaborative and client-focused services that provide long term value for our clients. Additional services such as constructability reviews and estimating can be negotiated as needed. We thank you for the consideration and we look forward to the opportunity to work with you in the future. Should you have any questions upon your review, please feel free to contact me directly at 909.361.8533.

Sincerely,

Kitchell, CEM

1.6.1 Retention. Architect may, with prior written approval by County granted or withheld in the sole and absolute discretion of County, retain Subconsultants to perform portions of the services required by this Agreement.

1.6.2 Approval. Architect's request for approval to retain a Subconsultant shall be submitted in a writing that describes the name of the proposed Subconsultant and the full contractual terms of the Subconsultant's retention, including, without limitation, the scope of services, total or maximum price and/or hourly rates, terms of reimbursement (including any markups or multipliers) and insurance. A copy of the entire proposed contract to be executed by Architect for the retention of the Subconsultant shall be provided to County if requested by County. County shall have sole and absolute discretion in approving or disapproving any Subconsultant. County shall use its best efforts to approve or disapprove of a proposed Subconsultant within seven (7) Days of Architect's request therefor and receipt by County of information requested by County pursuant to this Paragraph 1.6.2. Basic Services or Additional Services charged by Subconsultants who have not been approved by, or whose contractual terms of retention have not been submitted to, County pursuant to this Paragraph 1.6.2 will be deemed performed at Architect's Own

Expense.

1.6.3 Pre-Approval. County has pre-approved the Subconsultants listed in Subconsultants and County Consultants List - Exhibit "F" attached hereto. Such pre-approval shall be deemed to be approval by County in accordance with Paragraph 1.6.2, above.

1.6.4 Written Contracts. Subconsultants shall be retained by written contract with Architect. Every contract entered into between Architect and a Subconsultant and between a Subconsultant and lower-Tier Subconsultant shall contain appropriate language whereby each Subconsultant, of every Tier, accepts and agrees, without thereby creating any contractual obligation on the part of County to the Subconsultant or any other Subconsultant, of any Tier, to be bound by all of the obligations of this Agreement, including, without limitation, those obligations pertaining to indemnification, insurance, records retention, audit, dispute resolution and ownership of Design Documents and Intellectual Property Rights. Architect further agrees to include in its contracts with its first-Tier Subconsultants the following provisions: (1) a contingent assignment of the contract to County or its designee, contingent only upon written acceptance by County or its designee; and (2) the optional right of County to directly contract with the Subconsultant for the performance of services related to the Project that are not within the scope of Architect's Basic Services under this Agreement.

1.6.5 Supervision. All Basic Services that are within the field of professional practice of a Subconsultant approved by County and retained by Architect shall be directly performed or supervised by such Subconsultant. Notwithstanding the foregoing, Architect shall remain solely responsible, as between Architect, on the one hand, and County or any other person or entity to whom County may be liable, on the other hand, for the adequacy of the Subconsultant's performance and its compliance with the requirements of this Agreement.

1.6.6 Termination. Architect may, upon advance written notice to County, terminate and replace the services of any County-approved Subconsultant, subject in all cases to the prior written approval of County, which approval shall not be unreasonably withheld, conditioned or delayed.

1.6.7 No County Responsibility. Neither County's approval of the Architect's retaining a Subconsultant nor County's review or approval of a Subconsultant's contractual terms of retention, even if those terms conflict with this Agreement, shall give rise to any liability or responsibility on the part of County for the acts or omissions of the Subconsultant, waive any of County's rights, or relieve Architect of any of its obligations, under this Agreement. Architect shall remain solely responsible to County, notwithstanding County's approval of any Subconsultant or its contractual terms of retention, for the quality and performance of such Subconsultant's services, and for the content, enforceability, and enforcement of all contractual terms relating to such Subconsultant's performance of services for the Project.

1.7 OWNERSHIP OF DOCUMENTS

1.7.1 Property of County. Subject to the provisions of this Section 1.7, all Design Documents, including any designs, building designs or other depictions underlying or shown in them, shall be deemed the sole and exclusive property of County and ownership thereof is irrevocably vested in County, whether the Project is constructed or not.

1.7.2 Assignment of Rights. Architect shall, without further request or consideration from County, obtain and cause to be transferred to County, in writing, any and all Intellectual Property Rights in the Design Documents, including any designs, building designs or other depictions underlying or shown in them, free and clear of any liens or other encumbrances, claims or rights of third parties, and cooperate with County in securing and registering such rights so that County shall own all Intellectual

Property Rights and any other tangible and/or intangible property rights in or associated with the Design Documents. Such transfer and assignment will be effective for the entire duration of the Intellectual Property Rights therein and include, but are not be limited to, all rights in related plans, specifications, documentation, derivative works and moral rights.

1.7.3 County Use. Without limitation to the other provisions of this Section 1.7, County shall have the right to use the Design Documents for: (1) the construction, use, occupancy or maintenance of the Project, including, without limitation, future additions, alterations, corrections or repairs to the Project; and (2) for the design, construction, use, occupancy or maintenance of any future building projects by County; provided, however, that if the County uses the Design Documents for any of the purposes set forth in Clause (2) of this Paragraph 1.7.3, then County will, without limitation to its other obligations set forth in Paragraph 1.7.8, below, indemnify and hold harmless Architect and its Subconsultants as set forth in Clause (3) of Paragraph 1.7.8, below.

1.7.4 No Infringement. Architect represents and warrants that the Design Documents, whether prepared by Architect or a Subconsultant, and the use of the Design Documents in the ordinary course are free of any claim of infringement or any other violation of any Intellectual Property Right or other right of any third party.

1.7.5 Distribution. Except as otherwise stated in this Paragraph 1.7.5, Architect shall not copy, offer to sell, display, prepare derivative works of, distribute, make, or otherwise commercialize, any of the Design Documents, or any substantially or confusingly similar likeness thereof, for any purpose, without the prior written consent of County, which consent may be granted or denied in the sole and absolute discretion of County. Notwithstanding the foregoing, nothing herein shall be interpreted as limiting the right of Architect to copy, offer to sell, display, prepare derivative works of, distribute, make, or otherwise commercialize any standard or pre-existing details or designs, including details or designs that are part of the public domain, that are generally known or in use by other design professionals or which were developed or created by Architect or a Subconsultant prior to or independent of the services performed under this Agreement. County hereby grants to Architect and its Subconsultants a license during the term of Architect's performance of this Agreement and prior to final payment to Architect, revocable at will by County in the event of a termination of this Agreement, to use and copy the Design Documents and the designs depicted in or underlying them for the purpose of performing the services required under this Agreement.

1.7.6 Inspection. County shall have the right at any time or times, upon prior written request by County, to review the status and condition of the Design Documents while in development or during construction and to request that copies thereof be provided to County.

1.7.7 Delivery. Architect shall, at any time upon request by County and without request by County upon or after termination or full performance of this Agreement, promptly deliver to County the originals and copies (including paper and electronic versions) of all Design Documents, whether prepared by Architect or the Subconsultants. Electronic versions shall be submitted using AutoCAD, Adobe Acrobat or other software satisfactory to County and shall be in a form that is indexed and editable. Architect shall be permitted to retain copies, including reproducible copies, of the Design Documents for its files, information and reference.

1.7.8 Indemnification. County shall indemnify and hold harmless Architect and its Subconsultants against Loss resulting from: (1) the use of the Design Documents by County in a manner not permitted by Paragraph 1.7.3, above; (2) a modification by or at the request of County of the Design Documents, without the prior written consent of the Architect (in the case of Design Documents prepared by Architect) or the Subconsultant responsible for preparation of the Design Documents (in the case of Design Documents prepared by a Subconsultant); or (3) the use of the Design Documents by County in

the manner permitted by Clause (3) of Paragraph 1.7.3, above.

1.7.9 Disputes. Payment shall not be interpreted as a condition to, nor shall disputes between County and Architect diminish or in any way limit, the rights of County under this Section 1.7.

1.8 APPLICABLE LAWS

1.8.1 Compliance by Architect. Subject to the other provisions and limitations of this Section 1.8 and without intending to limit Architect's right to Additional Services Compensation pursuant to Article 3, below, for changes in Applicable Laws, Architect shall, at all times in its performance under this Agreement, comply with Applicable Laws. Subject to the provisions of Paragraph 1.8.4, below, Architect shall not be relieved from its obligation under this Paragraph 1.8.1 by the errors or oversights by Governmental Authorities in their issuance of general approvals or permitting of Design Documents for the Project.

1.8.2 Changes in Laws. Architect is obligated, exercising the standard of professional care set forth in Section 1.3, above, to keep informed and advise County of changes in Applicable Laws that affect the Project and promptly inform County of such changes in advance of their becoming effective.

1.8.3 Disability Laws. The Architect's duty with respect to conforming its Design Documents to Disability Laws shall be limited to the application and incorporation of the technical requirements of either or both (as applicable by the terms of the Disability Laws) the Americans With Disabilities Act (ADA) and the Fair Housing Administrations Act (FHAA), as well as the technical requirements of other Disability Laws. The County acknowledges and agrees that such technical requirements may be subject to different interpretations, legal or otherwise, and that the Architect cannot, and does not, guaranty or warrant compliance with all interpretations of Disability Law requirements; provided, however, that the Architect remains at all times obligated to interpret applicable technical requirements of Disability Laws exercising the standard of professional care set forth in Section 1.3, above.

1.8.4 Conflicts in Interpretations. Nothing stated in this Agreement shall be interpreted as creating or implying any responsibility or liability on the part of Architect for a Conflicting Interpretation of an Applicable Law.

1.8.5 Legal Notices. Architect shall provide such legal notices or certifications as may be required by Applicable Laws to be provided by architects providing design services for comparable projects, including, without limitation, notice that Work is being, or is about to be, carried out at the Site, information concerning the identity of the Contractor and Separate Contractors and other required information concerning the condition or performance of the Work. Copies thereof shall be submitted to County for review and approval prior to their being distributed, posted or published.

1.8.6 Direct Communications. Architect shall not communicate directly with any Governmental Authority without County's prior approval, which shall not be unreasonably delayed, conditioned or withheld.

1.9 TIME OF ESSENCE

All time limits set forth in this Agreement pertaining to Architect's performance of any obligation or act for the benefit of County or the Project are deemed to be of the essence to this Agreement.

**ARTICLE 2
BASIC SERVICES**

2.1 BASIC SERVICES, ADDITIONAL SERVICES, EXCLUDED SERVICES

2.1.1 Basic Services. Architect's Basic Services consist of the professional design and engineering services, whether provided by Architect or its Subconsultants, described in this Article 2, including, without limitation, those specific Basic Services listed and checked "Yes" in the Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto, as well as any other services, within the scope of Architect's or its Subconsultants' fields of professional practice, that are reasonably inferable as being necessary, or that are customarily furnished by other providers of professional services of the type and nature provided for in this Agreement, to accomplish the Basic Services expressly required by this Agreement. Basic Services do not include Additional Services or Excluded Services.

2.1.2 Additional Services. Additional Services are those services so defined as Additional Services in Article 3, below. Additional Services shall be performed only if authorized in writing by County in the manner required by Article 3, below.

2.1.3 Excluded Services. Excluded Services are services so designated as "Excluded Services" in the Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto. Excluded Services shall not be performed by Architect unless mutually agreed upon between County and Architect.

2.1.4 Phases. References in this Agreement or its exhibits to performance of Basic Services during a particular Phase is for convenience only and not as a limitation, with the understanding that Basic Services described in this Agreement as being part of a particular Phase shall be performed by Architect as and whenever reasonable and necessary for the proper and complete design of the Project.

2.2 PROGRAM

2.2.1 Initial Program. Architect shall, as part of its Basic Services performed during the Planning/Programming Phase, review and revise the Initial Program as necessary to meet the County's expressed criteria and requirements for the Project.

2.2.2 Final Program. A Final Program shall be approved by County in writing upon completion of the Planning/Programming Phase. Architect shall thereafter proceed to complete the design of the Project in accordance with the Final Program.

2.2.3 Changes. Subject to Architect's rights to Additional Services Compensation for Additional Services authorized in accordance with Article 3, below, County reserves the right, exercised in its sole and absolute discretion, to modify the Initial Program and Final Program at any time. No other changes to the Initial Program or Final Program are permitted.

2.2.4 Notice. If Architect learns of any circumstances (including, without limitation, any directive or instruction by County or any other Project Team member) which involve, or if implemented may result in, a deviation from the Final Program, it shall promptly, prior to performance of any services or further services related thereto, notify the County in writing and request approval of such deviation. Such written notice shall include a statement of the impact that such deviation, if approved and implemented, would have upon the Architect's Project Schedule and the Fixed Limit and an estimate of the cost to County of any related Additional Services Compensation permitted under Article 3, below. Upon written

approval by County, Architect shall proceed to revise the Design Documents to conform to such approved deviations. Deviations from the Final Program are the sole responsibility of the Architect and any services required by Architect or its Subconsultants to modify the Design Documents as a result thereof shall be performed at the Architect's Own Expense, unless the Architect has specifically informed the County in writing of such deviation and the County has given specific written approval thereof in accordance with this Paragraph 2.2.4.

2.2.5 Integrated Design. The requirements of the Final Program shall be deemed to include the requirement that Architect and its Subconsultants adopt an integrated approach to the design of the Project that makes optimal use of opportunities for the synergies of different design elements into an integrated whole that is energy efficient and economical to construct, maintain and operate.

2.3 FIXED LIMIT

2.3.1 Fixed Limit Amount. The Fixed Limit for the Project is Six Hundred Twenty-Five Thousand Dollars (\$625,000). The Fixed Limit shall not be reduced except upon mutual agreement of County and Architect. The County shall have the right, exercised in its sole and absolute discretion, to increase the Fixed Limit at any time or for any reason.

2.3.2 Architect's Obligation. It is the obligation of the Architect and its Subconsultants to design the Project for a total sum of Construction Costs that does not exceed the Fixed Limit by more than ten percent (10%) of the Fixed Limit as adjusted in accordance with Paragraph 2.3.4, below.

2.3.3 Review of Estimates. Architect shall carefully review any Estimates of Construction Costs provided to it by County or a County Consultant and exercising the standard of care set forth in Section 1.3, above, advise County if any portions thereof that are excessive, inadequate or otherwise irregular. Architect shall provide such information as County or County Consultants may reasonably require in order to assist them in preparing or revising such Estimates of Construction Costs.

2.3.4 Fixed Limit Adjustments. The Architect is not responsible for, and the Fixed Limit shall be increased on account of, any of the following:

.1 an adjustment to the Fixed Limit provided for by Paragraph 2.3.8, below, due to County's rejection of a non-programmatic design revision recommended by Architect;

.2 a change to the Final Program approved by County that is requested in writing by County and that materially increases the Construction Costs for the Project;

.3 a change to the Design Documents that is ordered or approved in writing by County after the start of construction and that is not the result of information in the Design Documents that constitutes an error, omission, deficiency, conflict or violation of Applicable Laws or that is the result of the negligence, willful misconduct or violation of an Applicable Law by Architect or a Subconsultant or a breach of this Agreement by Architect; or

.4 demonstrated and quantifiable escalations in costs of construction materials and/or labor as reported by the Engineering News Record or other recognized industry publication on construction prices, for construction costs in the classification area that includes the County of Riverside, or if more than one classification area includes the County of Riverside that classification area that is most precisely reflective of the prices in the County of Riverside; subject to the further conditions that an adjustment to the Fixed Limit pursuant to this Subparagraph 2.3.4.4 for escalation shall only be permitted: (1) if bids for construction have not been opened by County within three (3) months after approval by County of the Final Construction Documents and (2) such escalation adjustment shall be limited to the

escalation that occurs during the period of time starting with the expiration of such 3-month period and ending when bids for the Project are actually opened by the County.

2.3.5 Notice of Overruns. In addition to and without limitation upon the Architect's obligations under Paragraph 2.3.6, below, Architect shall, exercising the standard of care set forth in Section 1.3, above, advise County within five (5) Days of learning of any circumstances indicating that Construction Costs for the Project are reasonably likely to exceed the Fixed Limit.

2.3.6 Redesign Services. Without limitation to Architect's obligation under Paragraph 2.3.2, above, if at any time the Fixed Limit as adjusted in accordance with Paragraph 2.3.4, above, is exceeded by more than ten percent (10%) of such adjusted Fixed Limit by either: (1) the sum of the Construction Costs to construct the Project that are set forth in an Estimate of Construction Costs prepared by Architect, a Subconsultant or a County Consultant; or (2) the "lowest responsive bid" obtained by the County from a responsible contractor pursuant to a competitive bidding process, then Architect shall, if so directed by County in writing, propose and, if further directed by County in writing, implement revisions to the Design Documents (including, without limitation, multiple redesign alternatives) for the purpose of reducing the sum of Construction Costs to an amount that is within the sum of the Fixed Limit as adjusted in accordance with Paragraph 2.3.4, above, plus ten percent (10%) of such adjusted Fixed Limit. The Architect shall clearly identify, in writing, at the time its redesign recommendations are submitted whether its recommendations are consistent or inconsistent with the Final Program. Nothing stated in this Paragraph 2.3.6 or elsewhere in this Agreement shall be interpreted as obligating County to accept, or to pay additional compensation to Architect for, any redesign recommendation, or any redesign services to implement a redesign recommendation, that is inconsistent with the Final Program.

2.3.7 Architect's Own Expense. Services by Architect or a Subconsultant to redesign pursuant to Paragraph 2.3.6, above, shall be performed at Architect's Own Expense.

2.3.8 Non-Programmatic Revisions. The Fixed Limit shall be adjusted in accordance with Paragraph 2.3.4, above, if and to the extent that the total of the Construction Costs for the Project exceeds such Fixed Limit by more than ten percent (10%) of such Fixed Limit due to the County's refusal or failure to accept a redesign recommendation that is consistent with the Final Program and that is submitted by Architect in accordance with the requirements of Paragraph 2.3.6, above. The amount of such adjustment to the Fixed Limit shall be based on the reasonable, estimated reduction in Construction Costs that would have been achieved if the County had accepted the Architect's recommendation.

2.3.9 Basic Services. All services required to be performed by Architect or its Subconsultants in compliance with the Architect's obligations under this Section 2.3 shall be furnished as part of Basic Services.

2.3.10 Continuous Performance. In the event of a dispute over the amount of total Construction Costs estimated or incurred to construct the Project as designed by Architect and its Subconsultants, Architect shall, without interruption or delay to its Basic Services and without waiving Architect's right to an appropriate adjustment to the Fixed Limit, perform as directed by County.

2.3.11 No Limitation. Nothing stated herein shall be interpreted as a limitation on any of County's rights or remedies that may exist under Applicable Laws, including, without limitation, the right to terminate this Agreement for default (with or without extending to Architect the opportunity to redesign) in the event of a failure by Architect to perform any of its obligations under this Section 2.3.

2.4 DESIGN DOCUMENT SUBMISSIONS

2.4.1 Submission to County. Architect shall make such formal submittals of Design

Documents to County as and when required by the terms of the Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto. All submissions by Architect of Drawings or Specifications for review by County shall be accompanied by a transmittal listing the issuance and revision dates of each document submitted, including, without limitation, a complete list by sheet numbers of all Drawings comprising the submission and a comprehensive narrative explaining all significant changes and additions made since the last formal submission of Drawings to County. All such submissions shall be in multiple sets and such format as required in the Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto. Electronic versions shall be submitted using AutoCAD, Adobe Acrobat or other software satisfactory to County.

2.4.2 County Approval. County shall promptly approve or disapprove, with explanation of the reasons for disapproval, of all formal submittals of Design Documents that are required by the terms of the Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto. County's review is not for the purpose of discovering errors, omissions, conflicts, lack of coordination, ambiguities or violations of Applicable Laws in the Design Documents. Architect shall, notwithstanding any review or approval of Design Documents by the County, remain solely responsible for the content, completeness, accuracy and sufficiency of all Design Documents prepared by Architect or its Subconsultants and, except for deviations approved by County in accordance with Paragraph 2.2.4, above, for their compliance with the Final Program and Fixed Limit.

2.4.3 Governmental Authorities. Unless otherwise directed in writing by County, submission of Design Documents to Governmental Authorities for their review or approval shall be sufficiently complete at the time of submission so as to require either no, or only minimal and minor, corrections and supplementation.

2.4.4 Corrections. Services and related costs required to make corrections that are the result of information in the Design Documents constituting errors, omissions, conflicts, lack of coordination or violations of Applicable Laws shall under no circumstances constitute grounds for Additional Services Compensation. Moreover, if the Basic Services Compensation is based upon hourly rates and if such corrections are, in the reasonable opinion of County, excessive then any services and associated costs and expenses to make those corrections that are so judged by County to be excessive shall be performed and incurred at the Architect's Own Expense. All corrections shall be incorporated into the next Design Documents submission and highlighted by notation or clouding or if not incorporated then such submission shall be accompanied by a written statement to County, not in the form of notes or clouding on the Design Documents, explaining why such corrections were not incorporated.

2.4.5 Restrictive Specifications. Architect shall not, without the prior written approval of County, include or permit there to be included a Restrictive Specification in the Design Documents. For purposes of this Paragraph 2.4.5, a Restrictive Specification is any portion of the Design Documents that: (1) expressly or impliedly calls for the supply, furnishing or installation of any material, product, equipment, or other thing by a single producer of a particular brand, trade name, or manufacturer to the exclusion of other producers; (2) does not expressly permit the submission for consideration and possible approval by County in accordance with the requirements of California Public Contract Code §3400 of other "or equal" materials, products, equipment or things produced under or by another brand, trade name or manufacturer; or (3) fails to list a brand, trade name or manufacturer that is known to Architect or its Subconsultants to be a brand, trade name or manufacturer that produces a material, product, equipment, or other thing in California that is equal to the material, product, equipment or other thing specified in the Design Documents.

2.4.6 Legal Review. Architect understands and acknowledges that County has developed standard forms of legal terms and conditions governing bidding and performance of the Work. Unless approved in writing by County, Architect shall not include provisions in its Final Construction Documents that modify or conflict with the terms of the County's standard forms. In order to assist Architect is this

regard, Architect shall, if it wishes County to review its Design Documents for such possible modifications or conflicts, submit drafts to the County requesting the County's legal review. Such submission shall afford the County at least thirty (30) Days to perform such review without causing Delay to the Project. All communications between Architect and County's legal advisors with respect to the matters addressed by this Paragraph 2.4.6 constitute confidential attorney-client communications, protected attorney work product and contain other confidential information that is not to be disclosed to third parties. Architect shall maintain such confidentiality, privileges and protections against any intentional or inadvertent disclosure or other action within the control of Architect or its Subconsultants that might cause such privileges or protections to be lost or diminished.

2.5 CONSTRUCTION DOCUMENTS

Without limitation to the other provisions this Agreement requiring the production, preparation or delivery of documents or things by Architect, the Construction Documents delivered to County shall include those Design Documents described in Construction Document Deliverables – Exhibit "O" attached hereto in a condition that is appropriate to each of the descriptions of the Phases of Basic Services set forth in the Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto.

2.6 DESIGN COORDINATION STANDARDS

All Drawings and Specifications submitted by Architect to County for its review shall conform to the Design Coordination Standards. Notwithstanding the division or delegation by Architect of responsibility for preparation of some portions of the Design Documents to separate Subconsultants, Architect shall remain responsible for the complete coordination, in every respect and without limitation, of the information contained in the Design Documents, whether prepared by Architect or its Subconsultants.

2.7 COMMUNICATIONS

Architect shall comply with all written procedures issued by County for the conduct of communications relating to the Project or among the Project Team members. All communications with County shall be directed or copied to the attention of the Assistant CEO/EDA. County will endeavor to furnish Architect with copies of written communications from County to its Contractor, Separate Contractors and County Consultants that pertain to the Architect's services under this Agreement.

2.8 CONSTRUCTION MEANS, METHODS AND SAFETY

Unless the Architect has breached this Agreement or Architect or a Subconsultant has violated an Applicable Law, acted with willful misconduct or violated the standard of care set forth in Section 1.3, and then only to the extent of such breach, willful act or violation, Architect shall have no responsibility or liability with regard to, and Contractor and the Separate Contractors shall be solely responsible for, all selections (other than those selections expressly dictated by Architect or the Subconsultants in the Design Documents) of, and all supervision, implementation and enforcement relating to, construction means, methods, sequence, techniques, procedures or related matters involving health and safety of persons or protection of property at the Site during construction.

2.9 REJECTION OF WORK

2.9.1 Recommendations by Architect. Architect shall recommend in writing to County the rejection of Work that Architect determines or believes does not conform to the Contract Documents, including, without limitation, Work that has not been inspected or tested in accordance with the requirements of the Contract Documents.

2.9.2 County Approval. The decision whether to reject any portion of the Work recommended for rejection by Architect shall be made only after consultation with and upon written approval by County.

2.9.3 No Duty of County. Neither County's authority under this Section 2.9 nor a decision made in good faith by County in accordance with the provisions of this Section 2.9 either to reject or not reject Work shall give rise to a duty or liability of County to Architect, Contractor, or any other person or entity to reject Work, whether or not such rejection is recommended by Architect.

2.9.4 Contractor Responsibility. No determination by Architect, that is exercised in good faith and in accordance with the standard of care set forth in Section 1.3, above, to recommend or not recommend rejection of Work shall give rise to any liability on the part of Architect for Defective Work provided by Contractor or a Separate Contractor. No recommendation by Architect to reject or not reject Work shall be interpreted as relieving Contractor or any Separate Contractor of its responsibility for failing to comply with the Contract Documents.

2.9.5 No Authority to Stop Work. Architect shall immediately recommend to County the stopping of the Work if circumstances come to Architect's attention that reasonably require the stopping of the Work in order prevent Loss to County or injury or damage to persons or property. Nothing stated herein or elsewhere in this Agreement or its exhibits shall be interpreted as giving Architect or the Subconsultants the right or authority, under any circumstances, to direct any Contractor or Separate Contractor to stop performance of the Work.

2.10 PERMITS, APPROVALS

2.10.1 Submission to Governmental Authorities. Architect shall promptly submit all necessary applications and other documents required by Applicable Laws for obtaining building permit(s) and approvals of Governmental Authorities for the construction of the Project that are not customarily submitted and secured by the Contractor or Separate Contractors.

2.10.2 Off-Site Improvements. Architect recognizes that it is of critical importance to County that permits for off-Site improvements be obtained prior to the Bidding Phase and Architect will plan and schedule the performance of its services accordingly.

2.10.3 Notice to County. Architect shall notify the County in writing upon receipt of those permits and approvals that are within the scope of Architect's responsibility under this Section 2.10, specifying in detail the scope of Work covered thereby. If Architect learns that any required permit or approval that it believes County is obligated to obtain directly has not been obtained, Architect shall notify County immediately in writing specifying the permit or approval required and the time frame within in which it must be obtained in order to not cause Delay to the Project.

2.10.4 Expiration. Architect shall notify County in writing at least ninety (90) Days prior to the date that any permit or approval obtained by Architect will expire and shall notify the County immediately in writing if it learns that any other permit or approval will expire in fewer than ninety (90) Days.

2.11 TESTING AND INSPECTIONS

2.11.1 Recommendations by Architect. Architect shall recommend in writing and include in the provisions of its Specifications, any special inspection or testing of the Work if, in Architect's or any Subconsultant's professional judgment, such inspection or testing is required by Applicable Laws or is necessary or advisable.

2.11.2 Review of Reports. Architect and its Subconsultants shall review all inspection reports,

laboratory reports, and test data generated from the conduct of special inspections or testing recommended by Architect pursuant to Paragraph 2.11.1, above, in order to determine whether such data conforms with the requirements of the Contract Documents and Submittals approved by Architect.

2.11.3 Additional Inspection, Testing. Architect shall recommend additional inspection or testing not required by the Contract Documents that Architect, in the exercise of the standard of care set forth in Section 1.3, above, determines is necessary, at any point in time that Work is being fabricated, installed or completed, in order to confirm that the Work conforms to the Contract Documents.

2.11.4 No Duty of County. Neither the authority of County, County Consultants or Inspectors of Record to decide whether inspection or testing is needed, nor a decision made in good faith by any of them to order or not order inspection or testing, shall give rise to a duty or liability of County to Architect, Contractor, or any other person or entity.

2.11.5 Defective Work. No determination that is made by Architect in accordance with the standard of care set forth in Section 1.3, above, to recommend or not recommend testing or inspection shall give rise to any liability on the part of architect for Defective Work performed by a Contractor or Separate Contractor or be interpreted as relieving any Contractor or Separate Contractor of its responsibility for Defective Work.

2.12 COUNTY CONSULTANTS

2.12.1 Retention. Architect shall advise County on the appropriate time for retention of County Consultants, not identified in Subconsultants and County Consultants List - Exhibit "F", whose services are necessary to the implementation of the Project.

2.12.2 Prequalification. Architect shall provide advice on retention of County Consultants sufficiently in advance to allow time for prequalification and selection of County Consultants in accordance with Applicable Laws and the guidelines, practices and procedures of County. At points in time appropriate to the stage and status of a Project, Architect shall assist County with prequalification and selection of County Consultants, including: (1) preparation of prequalification criteria; (2) preparation of requests for qualifications; (3) conduct of prequalification conferences and responses to questions by proposers; (4) evaluation of proposers; (5) establishment of a list of prequalified professionals; and (6) preparation of a definitive scope of services.

.2 furnishing County Consultants with information, as soon as it is available to Architect or its Subconsultants, that the Architect should reasonably expect, in the exercise of the standard of care set forth in Section 1.3, above, the County Consultants may require in order to adapt their work product to the requirements, constraints and limitations of the Site, Existing Improvements and the Design Documents prepared by Architect or its Subconsultants;

.3 evaluating and interpreting the work product of County Consultants to determine if it is consistent with (1) the express, written requirements of Governmental Authorities, including, without limitation, permits and approvals that have been issued or will be required for the Project, and (2) the

observable or known conditions at the Site and in Existing Improvements;

.4 evaluating the work product of the County Consultants to determine it is consistent with the Architect's design intent;

.5 assuming primary and lead responsibility to initiate and maintain a regular and continuous exchange of information among the Architect, Subconsultants, and County Consultants so that the coordination required by this Paragraph 2.12.3 is accomplished in a manner that avoids inconsistencies, conflicts, omissions, unnecessary revisions and duplication of effort; and

.6 promptly advising County in writing if Architect or a Subconsultant learns of any defects or deficiencies in the work product prepared by a County Consultant; provided, however, that nothing stated in this Paragraph 2.12.3 shall be interpreted as relieving the County Consultants of liability or responsibility for their work product nor as creating or implying an assumption of any duty or responsibility on the part of the Architect or any Subconsultant for matters that are outside the scope of their respective fields of professional practice.

2.13 MEETINGS

2.13.1 Basic Services. Architect shall, throughout all Phases of performance of its Basic Services, attend all meetings with County and other Project Team members that are either requested by County or that are reasonably necessary to maintain progress of the Project and shall promptly address and resolve matters in question. Except as otherwise provided in Paragraph 2.13.6, below, attendance at all such meetings, regardless of the number, frequency, timing or duration of meetings requested or required, are part of Basic Services.

2.13.2 Participants. Architect shall arrange for and ensure attendance at meetings by those persons employed by Architect and its Subconsultants who are knowledgeable in the matters to be discussed. If any such person is not available, another person reasonably familiar with such matter shall attend in his/her place.

2.13.3 Conduct of Meetings. Architect shall come to all meetings prepared to discuss the status of the Project (including both the status of design and construction) and to address any matters in question brought to Architect's attention by other Project Team members. Unless excused by County, Architect's representative attending the meeting shall remain present for the duration of the meeting.

2.13.4 Action Items. Architect shall respond promptly with respect to matters assigned to Architect or its Subconsultants at meetings for action or resolution.

2.13.6 Numerical Limitations. If under the terms of Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto or elsewhere in this Agreement or its exhibits, County and Architect have agreed to limit the number of meetings required to be attended by Architect or its Subconsultants as part of Basic Services, then the following provisions shall apply:

.1 **Formal Project Meetings.** In order for a meeting to be considered included in and subject to an agreed numerical limitation applicable to meetings attended as part of Basic Services, the meeting must be a Formal Project Meeting. With respect to each Formal Project Meeting, Architect's

Basic Services shall include, for all persons attending the meeting on behalf of Architect and its Subconsultants, all time expended by Architect and its Subconsultants: (1) in preparation for, travel (including subsistence) to and from, and attendance at the Project Meeting; (2) in the preparation, review and correction of Project Meeting minutes; and (3) in performing services to follow-up on matters identified in the Project Meeting for further action by a Project Team member, unless and except such follow-up action is based on circumstances constituting independent and authorized grounds for performance of Additional Services and payment of Additional Services Compensation

.2 Other Basic Services Meetings. Except for meetings that are required as part of an Additional Service, participation in meetings, conferences and conversations, whether face-to-face or otherwise that do not constitute a Formal Project Meeting, regardless of their frequency, number, duration or timing, shall all be considered part of Basic Services and are not subject to any agreed limitation on frequency, number, duration or timing.

.3 Additional Services. Formal Project Meetings that exceed the total number of Project Meetings agreed to be included as Basic Services shall, subject to the other terms and conditions applicable to Additional Services set forth in Article 3, below, constitute an Additional Service provided that Architect notifies County in writing, as far in advance of the Formal Project Meeting as reasonably practicable, that participation in the Formal Project Meeting is believed by Architect to constitute an Additional Service. Such notice, if timely and properly given, shall be deemed to satisfy the requirement for written notice required under Section 3.4, below, and no separate or additional written notice shall be required pursuant to Section 3.4, below. Failure to give such notice shall result in such meeting being deemed to not be a Formal Project Meeting, in which case such meeting will be attended by Architect and its pertinent Subconsultants as part of Basic Services pursuant to Subparagraph 2.13.6.2, above.

.4 Phase Limitations. Architect shall not be entitled to Additional Services Compensation for time spent by Architect or its Subconsultants in connection with Formal Project Meetings on the basis that the number of meetings occurring in a Phase exceeds the number of meetings allocated to that Phase unless the total aggregate number of Formal Project Meetings (whether attended by Architect or a Subconsultant) occurring during all Phases exceeds the total aggregate number of meetings agreed to for all Phases (including meetings to be attended by Architect or a Subconsultant). Further, if the number of such Formal Project Meetings occurring during a Phase is fewer than the agreed number of meetings (including meetings to be attended by Architect or a Subconsultant) allocated to that Phase, the shortfall shall be "banked" and available for use by County on any other Phase in which the number of such Formal Project Meetings exceeds the agreed number of meetings (including meetings to be attended by Architect or a Subconsultant) allocated to that Phase. Architect shall not be required to reduce its Basic Services Compensation in the event that the total aggregate number of Formal Project Meetings (whether attended by Architect or a Subconsultant) occurring in all Phases is fewer than the agreed aggregate total of meetings for all Phases.

2.14 SITE AND EXISTING IMPROVEMENTS

Architect shall (1) carefully review all reports, studies, surveys, data and other documents concerning the conditions, both visible and concealed, at the Site and in Existing Improvements that are: (a) provided to Architect by the County (including, but not limited to, the Reference Documents listed in the Reference Documents List - Exhibit "J" attached hereto); (b) recorded with the County's Office of the County Recorder; (c) on file with, and available for review (without necessity of a formal public records request) from, the County's departments responsible for planning, zoning and construction within the County; and (2) exercising the standard of care set forth in Section 1.3, above, identify and review any other reports, studies, surveys, data and other documents that are reasonably available from other sources concerning the conditions, both visible and concealed, at the Site and in Existing Improvements. Costs incurred by Architect to use the system (including, without limitation, the purchase of any software) shall be at Architect's Own Expense. County shall have the right, exercised in its sole and absolute discretion, to cease operation of the electronic program management system at any time upon written notice to Architect if County determines that continued operation is not in the best interests of the County.

2.16.1 Master Project Schedule. Architect shall meet the requirements of the Master Project Schedule - Exhibit "D" attached hereto, including, without limitation, the dates set forth therein for completion of each Phase of Architect's Basic Services, subject to such extensions as are permitted by Paragraph 2.16.3, below.

2.16.2 Architect's Project Schedule. Architect shall, within ten (10) Days after execution of this Agreement by County and Architect, prepare and submit for County's approval an Architect's Project Schedule for the Project that: (1) conforms to and incorporates the deadlines and time periods applicable to each Phase as set forth in the Master Project Schedule; (2) coordinates and integrates the planning, programming, design and other activities of Project Team members in appropriate detail to County's satisfaction; (3) shows estimated commencement, duration, responsible parties and sequence for planning, programming and design; (4) shows the interdependencies of the planning and design activities; and (5) shows deadlines and estimates of time for review and receipt of all approvals, decisions and other information to be provided by County and Governmental Authorities, allowing a reasonable time for such review, approvals and decisions.

2.16.3 Time Extensions. Architect shall be entitled to an adjustment of the Master Project Schedule and Architect's Project Schedule for, and shall not be considered in default of this Agreement because of, unavoidable and unforeseeable Delays that are beyond Architect's and its Subconsultants' reasonable control and beyond Architect's responsibility under this Agreement (such as, but not limited to, strikes, lockouts, work slowdowns or stoppages, accidents, acts of God, failure of any Governmental Authority to act in a reasonably timely manner, failure by County to timely provide information or approvals or Delays caused by the fault of the Contractor or Separate Contractors) for which Architect has given written notice to County of the circumstances of such Delay within three (3) Days after first learning of such circumstances. Failure to provide such written notice shall result in a waiver by Architect of any right to an adjustment to the Architect's Project Schedule on account of such circumstances. Without limitation to the foregoing, neither the bankruptcy, insolvency nor financial inability of Architect or any Subconsultant, nor any failure by a Subconsultant to perform any obligation imposed by contract or Applicable Laws, shall constitute a grounds for extension under the terms of this Paragraph 2.16.3.

2.16.4 Schedule Updates. Architect shall, no less frequently than monthly, update and expand the level of detail in the Architect's Project Schedule as the Project progresses, indicating current status of scheduled activities and projections of potential completion of major tasks. If significant variance from planned activities occurs, Architect shall recommend recovery plans to County and, upon obtaining County's approval thereof, modify the Architect's Project Schedule to incorporate such recovery plans.

2.16.5 County Approvals. Failure by County, a County Consultant or any other Project Team member to provide an approval, decision or other information needed by Architect shall not constitute grounds for extension to the Architect's Project Schedule unless such approval, decision or other information is not provided, without reasonable justification, within seven (7) Days after written request therefor by Architect delivered to the Project Team member from whom such approval, decision or other information is required, with a copy to County, stating that failure to provide such approval, decision or other information within seven (7) Days may or will result in Architect seeking an extension of the Architect's Project Schedule on the grounds of Delay.

2.16.6 County Review. Architect is solely responsible, notwithstanding County's review or approval thereof, for the completeness, accuracy and suitability of the Architect's Project Schedule and all updates thereof.

2.16.7 No Delay by Architect. Architect shall not delay its interpretations, decisions, reviews or other functions pursuant to this Agreement or otherwise cause or contribute to a Delay to the progress of design or construction of the Project.

2.16.8 Delay Costs. Architect's sole and exclusive right and remedy for recovery or compensation for Losses related to Delay, of any kind, are: (1) its right to Additional Services to the extent permitted by Paragraph 3.2.6, below; and (2) its right to adjustment of the Hourly Rates, if any, provided for by this Agreement. Submittals by Architect and Subconsultants for USGBC approval shall, as a part of Basic Services, be corrected or revised, as deemed necessary by the USGBC for issuance of such approvals and design credits. In the event that, due to an error or omission by Architect or a Subconsultant in the preparation of its submittal to USGBC, an appeal is necessary, Architect shall provide as part of Basic Services the services, including revisions to its submittals that are necessary to the prosecution of the appeal to a final resolution.

ARTICLE 3 ADDITIONAL SERVICES

3.1 DEFINITION

Additional Services are services, which if authorized by and performed in accordance with this Agreement, are paid for by County in the form of Additional Services Compensation. Additional Services consist solely and exclusively of those services listed in Section 3.2, below, and those other services

marked by a "No" designation in the Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto. Additional Services, whether or not listed in this Article 3 or the Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto, do not include any service that arises, in whole or in part, from the breach of this Agreement by Architect, an act or omission of Architect or a Subconsultant constituting negligence (ordinary or professional), willful misconduct or violation of Applicable Laws or information contained in the Design Documents constituting errors, omissions, conflicts, ambiguities or violations of Applicable Laws.

3.2 ENUMERATION OF ADDITIONAL SERVICES

In addition to those services listed in the Description of Basic, Additional and Excluded Services - Exhibit "B" that are marked "No" (indicating that they are not part of Basic Services), the following services constitute Additional Services:

3.2.1 preparing revisions to the Design Development Documents or Construction Documents that are: (1) required to implement changes, additions or deletions to the Final Program that are material in scope and are requested and approved by County in writing after County's approval of the completed Schematic Design Documents, or (2) the result of issuance by County of written directives or instructions that materially conflict with prior written directives or instructions by County; or (3) required by reasonably unforeseeable enactments or revisions of Applicable Laws enacted subsequent to the preparation of the portion of the Design Development Documents or Construction Documents affected thereby;

3.2.2 providing services as necessary to correct Defective Work furnished by Contractor or a Separate Contractor;

3.2.3 providing services in connection with a mediation, arbitration, or legal proceeding, except where a party to such proceeding has alleged in good faith the occurrence of any of the following: (1) breach of this Agreement by Architect; (2) an act or omission of Architect or a Subconsultant constituting negligence, willful misconduct, or violation of Applicable Laws; or (3) that the Design Documents prepared by Architect or a Subconsultant contain information constituting errors, omissions, conflicts, ambiguities, or violations of Applicable Laws;

3.2.4 providing services made necessary by termination of the Contractor or a Separate Contractor, but only to the extent such services exceed the level of services that would have been provided in the absence of such termination;

3.2.5 providing services to make revisions to the Design Development Documents or Construction Documents due to a substantial inaccuracy in any surveys, test data or other information provided by County pursuant to Section 4.2 of this Agreement under circumstances in which the inaccuracy was not known or reasonably discoverable by Architect or a Subconsultant at the time the portion of the Design Documents being revised was originally prepared by Architect or such Subconsultant;

3.2.6 providing Basic Services for the Construction Phase of a Project that, solely due to circumstances giving rise to a right of Architect to an extension of time under Paragraph 2.16.3, above, are required to be performed following the sixtieth (60th) Day after (1) the original date for Final Completion established by the Construction Contract at the time the Construction Contract is executed by County and Contractor; plus (2) the number of Days of any Periods of Inactivity under this Agreement; provided, however, that nothing herein shall be interpreted as entitling Architect to be paid duplicative compensation (both as Additional Services and Basic Services) for services covered under and compensated by its Basic Services Compensation; or

3.2.7 subject to the provisions of Paragraph 2.13.6, above, if the scope of Basic Services set forth in Description of Basic, Additional and Excluded Services - Exhibit "B" attached hereto expressly limits Basic Services to a specific number of hours, instances or occasions, providing services that are requested by County that exceed the number of hours, instances or occasions that are agreed to be provided as part of Basic Services.

3.3 AUTHORIZATION BY COUNTY

Additional Services shall be performed only if authorized and directed in writing by County in advance and in accordance with this Article 3.

3.4 NOTICE TO COUNTY

Architect shall notify County in writing within five (5) Days after learning of any circumstance (including, without limitation, any direction or request by County or other Project Team member) that Architect believes may give rise to performance of Additional Services. Unless otherwise provided in Section 3.5, below, Architect waives the right to compensation for Additional Services performed without prior written approval by Assistant CEO/EDA expressly acknowledging that the service is an Additional Service.

3.5 DISPUTES

If a good faith dispute arises as to whether a particular service performed or to be performed is a Basic Service or an Additional Service, Architect will, if requested to do so by County in writing, nevertheless promptly perform such service and pay any expenses associated with such performance, pending resolution of such dispute. Neither County's request, Architect's performance or County's acceptance of such performance nor County's payment therefor will constitute a waiver on the part of County or Architect of their respective rights or defenses with respect to the appropriate classification of such service or expense, which rights and defenses shall remain subject to determination in accordance with Article 11, below.

ARTICLE 4 COUNTY RESPONSIBILITIES

4.1 ADMINISTRATION BY COUNTY

4.1.1 **County Requirements.** County shall provide information regarding its objectives, schedule, constraints, criteria, space requirements and relationships, flexibility, expandability, special equipment and Site requirements.

4.1.2 **County Approvals.** County shall promptly respond to Architect's submittals and requests for decisions, approvals or information; provided, however, that no failure by County to respond shall entitle Architect to an adjustment of the Master Project Schedule or Architect's Project Schedule except as permitted by Section 2.16, above. County's review, approval or evaluation of Design Documents shall neither be interpreted as an assumption by County of any responsibility or liability for the technical accuracy or completeness of the Design Documents nor as relieving Architect of any liability or responsibility under this Agreement.

4.1.3 **Assistant CEO/EDA.** Subject in all cases to approval by the Board of Supervisors as required by Applicable Laws, the Assistant CEO/EDA is the sole representative of County with authority on behalf of County to: (1) approve or revise the Final Program or Fixed Limit; (2) approve of any extension to the Master Project Schedule or Architect's Project Schedule; (3) authorize the performance of Additional Services; or (4) authorize the incurring of Reimbursable Expense in amounts that exceed

any applicable monetary limitations agreed to in writing between County and Architect.

4.1.4 Board Approval. Notwithstanding anything stated in this Agreement to the contrary, only the Board of Supervisors has authority on behalf of County to commit or bind County to an obligation to pay any sum of money or additional compensation that exceeds or is beyond the limits of the agreed Basic Services Compensation.

4.2 SURVEYS, SERVICES AND REPORTS

4.2.1 Reference Documents. County has provided or made available to Architect for its review the Reference Documents listed in the Reference Documents List - Exhibit "J" attached hereto. Execution of this Agreement shall be deemed acknowledgement by Architect that it has received and read the Reference Documents and in entering into this Agreement has taken into consideration the matters disclosed thereby. County makes no representation that the Reference Documents so listed constitute all of the documents in its custody that may be pertinent to the matters addressed in said Reference Documents or pertinent to Architect's preparation of its Design Documents for the Project.

4.2.2 Testing and Inspection. County shall directly contract for and pay the costs of such special testing and inspection that, based upon the recommendations of Architect pursuant to Section 2.11, above, are specified by Architect in the Final Construction Documents.

4.2.3 Land Survey. If requested by Architect and required for the performance of this Agreement by Architect, County shall furnish a land survey of the Site and the location on the Site of Existing Improvements, prepared by a licensed surveyor, including grades and lines of streets, alleys, pavements and adjoining property and locations, dimensions and elevations of trees and Existing Improvements above the surface of the ground.

County shall, based upon the recommendations of Architect, furnish geotechnical data and reports, or employ County Consultants to provide such data or reports, when reasonably deemed necessary by Architect, including test logs, soil classifications, soil bearing values and other data and information reasonably appropriate to identifying and evaluating subsoil conditions at the Site.

4.2.5 County's Expense. The services, information, surveys and reports to be furnished by County as required under this Section 4.2 shall, except as otherwise provided in this Agreement, be furnished at County's expense.

4.2.6 No Warranty by County. In performing its obligations under this Agreement, Architect shall be entitled to rely upon the accuracy and sufficiency of surveys, data, reports or other information furnished by County pursuant to this Article 4 (including, without limitation, the Reference Documents and any drawings, design or technical specifications furnished by County as referenced in Paragraph 4.2.8, below); however, County does not impliedly or expressly warrant the accuracy or suitability thereof and County shall have no liability to Architect (other than as permitted by Article 3, above, for authorized Additional Services Compensation) in the event that such surveys, data, reports or other information are found to be inaccurate, incomplete or insufficient.

4.2.7 Notice of Defects. County and Architect shall each provide prompt written notice to the other party if either becomes aware of any defect or deficiency in the Design Documents.

4.2.8 County-Furnished Designs. Drawings, designs or technical specifications provided by the County to the Architect for the Architect's use in connection with its performance under this Agreement (including, without limitation, drawings, designs or technical specifications prepared by

Architect for other projects previously designed by Architect for County or prepared by other architects, engineers or design professionals, and that County directs be replicated, in whole or in part, by Architect in its Design Documents) are provided for the convenience of the Architect with the understanding that Architect will, based upon a careful and thorough review of them, make any changes or revisions that Architect deems appropriate or necessary before using or incorporating any portion thereof into the Design Documents for the Project. Any portion thereof that is used or incorporated by Architect or any Subconsultant in the Design Documents shall be the sole risk of Architect who shall be solely responsible for the accuracy, completeness and sufficiency thereof to the same extent as if such incorporated drawings, designs or technical specifications were originally prepared by Architect solely for use on the Project.

4.3 ACCESS TO SITE

Architect shall at all times during performance of this Agreement have access to the Site and to the Work, at whatever stage the Work is in its preparation or progress, to facilitate Architect's performance of its obligations under this Agreement. Architect is responsible to see to it that employees of Architect and its Subconsultants, at all times while present on the Site of the Project, comply with the safety requirements applicable to the Site, including, but not limited to the requirements of the safety programs of Contractor and Separate Contractors performing Work on the Site.

4.4 APPROVALS

Approvals by or on behalf of County of Design Documents prepared by Architect, or of any design or engineering services performed under this Agreement, shall not, under any circumstances, be interpreted as relieving Architect from its sole responsibility to produce and prepare such documents and perform such services in a manner that strictly complies with this Agreement, Applicable Laws and the standards of performance applicable to Architect's performance under this Agreement.

ARTICLE 5 ARCHITECT'S COMPENSATION

5.1 BASIC SERVICES COMPENSATION

5.1.1 Total Compensation. Architect shall be paid a total Basic Services Compensation for performance of Basic Services (including, without limitation, Basic Services performed by Subconsultants) comprised exclusively of (1) Basic Services Fees plus (2) authorized Reimbursable Expenses. INITIALS 

5.6 DISPUTES

If a good faith dispute arises as to whether a service is Basic Services or Additional Services or whether an expense is reimbursable as a Reimbursable Expense, Architect will nevertheless promptly perform such service and pay such expense, if requested to do so by County in writing, pending resolution of such dispute. Neither County's request, Architect's performance nor County's payment therefor or thereof will constitute a waiver on the part of County or Architect of their respective rights or defenses with respect to the appropriate classification of such service or expense, which rights and defenses shall remain subject to determination in accordance with Article 11, below.

5.7 NO WAIVER OR RELEASE OF RIGHTS

Neither authorization nor payment by County of any amount for Basic Services, Additional Services or Reimbursable Expenses shall be interpreted as a waiver, release or settlement of any rights or claims that County may have: (1) for Losses resulting from the fault, negligence or willful misconduct of the Architect or its Subconsultants or the breach by Architect of an obligation under this Agreement; or (2) to recoup and recover from Architect amounts paid by County that were not in fact due and owing to Architect under the terms of this Agreement at the time they were paid.

ARTICLE 6 PAYMENTS TO ARCHITECT

6.1 INVOICES FOR PAYMENT

6.1.1 Invoice Submission. On the 1st day of each month, Architect shall submit to County an accurate and complete Invoice for Payment, using the Invoice for Payment Form - Exhibit "N" attached hereto, signed by Architect and requesting payment for the preceding thirty (30) Day period as follows:

.1 Basic Services Fees. Amounts included in an Invoice for payment for Basic Services Fees shall be computed in accordance with the following provisions, as applicable:

(1) Fixed and Maximum Fees. Amounts included by Architect in its Invoices for Payments for Basic Services Fees on account of Basic Services or any portion of Basic Services for which a Fixed Fee or a Maximum Hourly Fee has been agreed to in Section 5.1, above, shall not exceed a pro rated portion of the agreed Basic Services Fees based on the product of (1) the percentage of completion of such Basic Services that has been actually achieved by Architect, multiplied times (2) the agreed Fixed Fee or Maximum Hourly Fee applicable to such Basic Services; and provided further, that where such Basic Services or portion of Basic Services are to be performed in Phases, such pro rated portion shall be proportionate to and shall not exceed for any Phase of such Basic Services or portion of Basic Services, the percentage of such Basic Services Fees that is assigned to such Phase in the Payment Schedule - Exhibit "I" attached hereto.

(2) Basic Services Allowances. Amounts included by Architect in its Invoices for Payments for Basic Services Fee on account of Basic Services covered by a Basic Services Allowance shall not, prior to the time that the Basic Services Fees incurred equal the Basic Services Allowance amount, exceed a pro rated portion of the agreed Basic Services Allowance amount based on the product of (1) County's Good Faith Determination of the percentage of completion of such Basic Services Allowance that has been actually achieved by Architect, multiplied times (2) the agreed Basic Services Allowance amount. If and when the Basic Services Fees incurred for Basic Services covered by a Basic Services Allowance equal the Basic Services Allowance amount, the Architect shall, if County has previously approved in writing of further Basic Services Fees being incurred in excess of the amount of the Basic Services Allowance, thereafter include in its Invoices for Payment the actual amount of such

Basic Services Fees incurred up to, but not exceeding, any additional maximum amount authorized by County as part of such approval.

.2 Additional Services Fees. Architect's Invoice for Payment shall include amounts for Additional Services Fees earned for the proper performance of Additional Services authorized pursuant to Article 3, above. Each item of Additional Services shall be separately itemized, in accordance with the following methods of calculation, as applicable:

(1) Lump Sum: If the agreed Additional Services Fees are based on a lump sum price, by taking the County's Good Faith Determination of the percentage of the Additional Services properly completed and multiplying that percentage times the agreed lump sum price for such Additional Services and subtracting therefrom payments previously made on account thereof.

(2) Hourly/Not-to-Exceed: If the Additional Services Fees are based on an hourly compensation, by taking the number of hours of Additional Services performed during the thirty (30) Day period covered by the Invoice for Payment and multiplying those hours times the applicable Hourly Rates for such personnel; provided, however, that if the parties have agreed to a not-to-exceed amount for such Additional Services Fees, then under no circumstances shall the total of the amounts paid and payable by County for such Additional Services Fees at any time exceed a pro rata share of the agreed not-to-exceed amount for such Additional Services based on County's Good Faith Determination of the percentage of such Additional Services properly completed in accordance with this Agreement multiplied times the agreed not-to-exceed amount.

.3 Reimbursable Expenses. Architect's Invoice for Payment shall include amounts for authorized Reimbursable Expenses incurred and paid by Architect during the thirty (30) Day period covered by the Invoice for Payment that have not been previously reimbursed by County. Reimbursable Expenses associated with Basic Services and Additional Services shall be separately itemized. Reimbursable Expenses for Additional Services shall be further separately itemized to correspond to the Additional Service for which they were incurred and paid.

6.2 PAYMENT SCHEDULE FOR BASIC SERVICES

The County's obligation for payment of Basic Services Fees for any Phase of Basic Services shall under no circumstances exceed a pro rata share of either the lump sum amount or Maximum Hourly Fee (as applicable pursuant to Section 5.1, above) that County is obligated to pay for Basic Services Fees. Such pro rated share shall be calculated based on the percentages assigned to each Phase of Basic Services in the Payment Schedule - Exhibit "I" attached hereto. In cases where only a portion of a Phase is completed, the amount payable shall not exceed County's Good Faith Determination of the percentage of Basic Services completed within that Phase expressed as a separate percentage of the percentage of overall Basic Services allocated in the Payment Schedule to that Phase.

6.3 ACCOMPANYING DOCUMENTATION

Each Invoice for Payment shall be accompanied by the following:

6.3.1 in the case of Basic Services and Additional Services performed and compensated on an hourly basis, detailed time summaries for Basic Services and Additional Services performed during the period of time covered by the Invoice for Payment that are broken down by time keeper, task and time expended (block billings are not permitted) and copies of all time sheets prepared by any time keeper who performed any part of the Basic Services and Additional Services which are the subject of the Invoice for Payment and which reflect or record such Basic Services and Additional Services;

6.3.2 copies each of the invoices, receipts and other documentation verifying the amounts of Reimbursable Expenses for which reimbursement is sought in the Invoice for Payment, along with a tally of all Reimbursable Expenses requested in the Invoice for Payment the sum of which totals the total amount of Reimbursable Expenses for which reimbursement is sought by Architect in the Invoice for Payment;

6.3.3 conditional waivers and releases of stop payment notice rights executed by Architect and its Subconsultants, of every Tier, using the Release Forms - Exhibit "M" attached hereto, conditionally releasing to the fullest extent allowable by Applicable Laws all stop payment notice rights for all services performed and costs incurred during the period of time covered by the then-current Invoice for Payment;

6.3.4 unconditional waivers and releases of stop payment notice and bond rights executed by Architect and its Subconsultants, of every Tier, using the Release Forms - Exhibit "M" attached hereto unconditionally releasing to the fullest extent allowable by Applicable Laws all stop payment notice and bond rights for all services performed and costs incurred during the period of time covered by the Invoice for Payment immediately preceding the current, pending Invoice for Payment; and

6.3.5 such other documentation substantiating Architect's or its Subconsultants' charges or time as may be reasonably requested by County.

6.4 REVIEW AND PAYMENT

6.4.1 Review by County. County shall, within fourteen (14) Days after receipt of an Invoice for Payment prepared and submitted in accordance with this Agreement, notify Architect if the Invoice for Payment is approved or rejected, in whole or in part, along with an explanation of the reason(s) for any disapproval.

6.4.2 Payment by County. Payment of undisputed amounts included in an Invoice for Payment prepared and submitted in accordance with this Agreement shall be made by County monthly within thirty (30) Days after receipt by County of the Invoice for Payment requesting payment that is prepared and submitted in accordance with this Agreement.

6.5 PAYMENT DISPUTES

Without limitation to County's rights under Section 6.6, below, in the event there is a good faith dispute over a request for payment included in an Invoice for Payment, County shall have the right to either: (1) make all or part of such disputed payment to Architect without prejudice to County's right to contest the amount so paid; or (2) withhold only the amount of such payment as to which County makes a Good Faith Determination that there is a dispute and provide to Architect written notice of the reason(s) for such withholding. County and Architect shall use their good faith efforts to attempt to resolve their dispute as quickly as practicable under the circumstances. Architect shall not be entitled to terminate this Agreement or suspend performance of its services hereunder on account of such nonpayment provided that County makes payment of all undisputed sums. If County withholds payment under Clause (2) of this Section 6.5 and if it is determined subsequently that County's withholding was wrongful, County shall pay such amount to Architect plus any penalties that may be due pursuant to California Civil Code Section 3320; no additional amounts shall be payable to Architect for interest on such unpaid amounts. If County chooses to proceed under Clause (1) of this Section 6.5 and it is subsequently determined that County overpaid Architect, Architect shall refund to County the amount of such payment plus accrued interest computed at the Interest Rate from the date of such overpayment until refunded.

6.6 WITHHOLDING BY COUNTY

Without limitation to County's rights under California Civil Code Section 3320, County shall have the right, after written notice to Architect, to withhold from payment to Architect 150% of the amount of any Loss resulting from, or threatened as a result of, the negligence of Architect or a Subconsultant or a failure by Architect to perform an obligation under this Agreement. Such withholding shall not constitute a final determination or waiver of any rights or liabilities of County or Architect with respect to responsibility for such Loss, which rights and liabilities shall remain subject to determination in accordance with Article 11 of this Agreement.

6.7 LIENS, STOP PAYMENT NOTICES, CLAIMS

Except as otherwise provided herein, Architect shall not permit to be created or to remain undischarged any lien, encumbrance, stop payment notice, claim or charge (collectively, "lien") which arises out of, or relates to, the provision by Architect or its Subconsultants of any services or things under this Agreement upon the property of County, the construction fund of County, or the income from any such property or construction fund, or any part thereof, or suffer any other matter or thing whereby the estate, rights and interest of County in the Project property or construction fund, or any part thereof, might be impaired. If any such lien is filed, then within thirty (30) Days after notice of filing thereof Architect shall cause the same to be fully discharged of record, released and removed by any lawful means available, such as, but not limited to, payment, deposit, bond, order of a court of competent jurisdiction or otherwise. If Architect shall fail to cause such lien to be so discharged within the period aforesaid, then, in addition to any other right or remedy, County may, but shall not be obligated to, discharge the lien by any means, including, but not limited to, withholding amounts pursuant to Section 6.6, above, paying the amounts claimed to be due (including, without limitation, interest and attorney's fees claimed due), bonding or any other means that County determines, in its sole and absolute discretion, appropriate. Any Loss incurred by County as a result of Architect's failure to comply with its obligations under this Section 6.7 shall be paid by Architect to County on demand. Architect shall be excused from its obligations under this Section 6.7 with respect to, but only to the extent of, amounts included in a lien that are unpaid to the claimant upon the lien as the direct result of County's breach of its payment obligations to Architect under this Agreement.

ARTICLE 7 ACCOUNTING, RECORDS AND AUDIT

7.1 FINANCIAL MANAGEMENT

Architect shall set up and exercise accounting and control systems for the proper financial management of its performance under this Agreement that are satisfactory to County, comply with the prevailing custom and practice for similar projects and afford County the ability to verify all charges and duplicate all calculations made by the Architect and Subconsultants.

7.2 RECORD KEEPING

7.2.1 Books and Records. Architect shall keep full and detailed books and records concerning the Project, including, without limitation, all documents (including, all hard copies and computer readable data, if it exists) that comprise or relate or refer to any of the following: (1) agreements, contracts, proposals, commitments, invoices, billings, statements, receipts, checks, certificates, releases, waivers, plans, specifications, notes, schedules, reports, studies, test data, approvals, permits, applications, diaries, logs, photographs, videos, shop drawings, samples, product data, job reports, change orders, field orders, directives, orders, bulletins, transmittals, requests for information, addenda, receipts, vouchers, correspondence, memoranda, messages, minutes, accounting records, job files, settlement agreements, and general ledgers; (2) any charge, cost or expense for which

Architect seeks reimbursement or payment by County as part of any Invoice for Payment, Claim or other demand; and (3) any other documents that County, in its reasonable judgment, deems relevant to the Project.

7.2.2 Maintenance and Retention. Architect shall at all times maintain such books and records in an organized and systematic form that allows for reasonably easy access and review and shall retain and preserve such books and records for a period of ten (10) years after the later of either final payment to Architect under this Agreement or Final Completion of the Project, or for such longer period as may be required by Applicable Laws.

7.3 INSPECTION, PRODUCTION AND AUDITING

Architect shall allow County and the auditor for the State of California (and their respective authorized representatives, auditors, and attorneys), not later than the third business day after written notice to Architect, full access at Architect's offices nearest to the Project to inspect, audit and copy any or all of Architect's books and records as described in Section 7.2, above. Architect shall, at Architect's Own Expense, furnish facilities and staff assistance for, and cooperate fully with, such inspection or audit. Audits by the County and the auditor for the State of California may be conducted jointly or separately. Upon request, Architect shall provide reproducible copies of such books and records for reproduction by or on behalf of the person conducting the audit. Except as otherwise provided in Section 7.4, below, such reproduction shall be at the expense of the entity conducting the audit. The audit rights provided for under this Section 7.3 may be exercised at any time, and as often, before or after Final Completion, as County or the auditor for the State of California deems, in its sole and absolute discretion, necessary.

7.4 NONCOMPLIANCE BY ARCHITECT

7.4.1 Cost of Audit. If an inspection or audit pursuant to Section 7.3, above, discloses that any amount (other than amounts permitted under the terms of this Agreement to be charged by Architect as lump or fixed fee charges) cannot be verified due to a failure by Architect or any Subconsultant to comply with this Article 7, has been improperly, inaccurately or excessively charged to County by Architect or any Subconsultant or has been overpaid by County, and if the total of such amounts for any calendar year audited is five percent (5%) or more of the total amount (exclusive of amounts permitted under the terms of this Agreement to be charged by Architect as lump or fixed fee charges) invoiced to County during such year, then Architect shall pay, at Architect's Own Expense, 100% of the actual cost to County and/or the State of California of such inspection or audit and any resulting report. If such inspection, audit or report is by County using in-house staff, then such actual cost to County shall be computed on the basis of two (2) times the direct payroll of the staff completing such inspection, audit or report.

7.4.2 County Remedies. Without limitation to any of County's rights or remedies for recovery or withholding of any amounts from Architect as may be permitted by Applicable Laws or elsewhere in this Section 7.4 or this Agreement, if an inspection or audit pursuant to Section 7.3, above, discloses that an amount has been overpaid by County, then County shall have the right to withhold such amount from any payments due to Architect or if no payments are due Architect shall immediately reimburse such amount to County. Amounts overpaid by County shall earn interest at the Interest Rate from the date of overpayment until the date reimbursed by Architect to County.

7.4.3 Withholding. In addition, and without limitation upon any of the other provisions for withholding of payment that are set forth in this Section 7.4 or elsewhere in this Agreement, County shall have the right to withhold from any payment to Architect an additional sum of up to ten percent (10%) of any amount claimed due by Architect until (other than amounts permitted to be charged by Architect as lump or fixed fee charges) has fully complied with any outstanding and unsatisfied request for

performance by Architect of any obligation under this Article 7. Upon Architect's full compliance, such sum withheld under this Paragraph 7.4.3 shall be released to Architect.

7.4.4 Legal Proceedings. Architect's compliance with the requirements of this Article 7 shall be a condition precedent to maintenance by Architect of any legal action or arbitration against County relating to Architect's or County's performance under or related to this Agreement.

7.5 SUBCONSULTANTS

Architect shall ensure that the provisions of this Article 7 are included in all contracts entered into by Subconsultants, of every Tier, who perform services for the Project; provided, however, that Architect shall have the right to limit the scope of a Architect's obligation to allow for inspection or audit of books and records concerning actual costs of performance to costs that are related to: (1) costs of Subconsultant's administering its performance under its contract with Architect for the Project; (2) services that are performed on an hourly or cost reimbursement basis; (3) Additional Services; (4) cost or expenses that are payable on a reimbursement basis; and (4) Claims.

ARTICLE 8 DEFAULT, TERMINATION AND SUSPENSION

8.1 TERMINATION BY COUNTY FOR CAUSE

8.1.1 Default by Architect. Architect shall cure any default in performance of its obligations under this Agreement within two (2) Days after receipt of written notice from County; provided, however, that if the breach cannot reasonably be cured within such time, then Architect will commence to cure the breach within two (2) Days and will diligently and continuously prosecute such cure to completion within a reasonable time, which shall in no event be later than ten (10) Days after receipt of such written notice. Nothing herein shall be interpreted as obligating County to give an opportunity to cure in the case of an emergency or if the default is of the type that County determines, in good faith, cannot be cured, or cannot be fully cured, within the time periods set forth in this Section 8.1.

8.1.2 Remedies Upon Default. In the event of any default by Architect, including, without limitation, a default that Architect fails to cure within the time periods set forth in Paragraph 8.1.1, above, then County may by written notice to Architect, effective upon Architect's receipt of such notice or upon such later date as may be set forth in such notice, pursue any remedies available under Applicable Laws, including, without limitation, the following:

.1 Take-Over. County may, without terminating this Agreement, terminate or discontinue the Architect's performance and delete, take over or arrange for performance by others of some or all of the Basic Services and Additional Services, reserving to itself all rights to recover all Losses, including, without limitation, any Losses related thereto.

.2 Termination. County may terminate this Agreement upon written notice, reserving to itself all rights to recover all Losses, including, without limitation, all Losses related thereto.

8.1.3 Rights Cumulative. All of County's rights and remedies under this Agreement are cumulative and shall be in addition to those rights and remedies available under Applicable Laws. No termination or other action taken by County after exercise of its rights under this Article 8 shall prejudice any other rights or remedies of County provided by Applicable Laws or by this Agreement.

8.1.4 Disability, Insolvency. In addition to the other rights granted to County under this Agreement or Applicable Laws, County shall have the right to terminate this Agreement for default by

giving seven (7) days written notice to Architect, if: (1) Architect is an individual and should die or be adjudged incompetent; (2) Architect attempts to assign this Agreement; (3) a petition of bankruptcy is filed by Architect or Architect is adjudicated or admitted to be a bankrupt in connection with an involuntary petition of bankruptcy filed against Architect; (4) Architect should make a general assignment for the benefit of creditors; or (5) a receiver should be appointed on account of Architect's insolvency.

8.1.5 Architect Obligations. Upon Architect's receipt from County of notice of County's exercise of any of its rights under Paragraph 8.1.2, above, Architect shall, unless the notice directs otherwise, do the following:

.1 immediately discontinue the performance of Basic Services and Additional Services to the extent specified in the notice;

.2 provide to County a description, in writing, no later than seven (7) Days after receipt of the notice of termination, of all contracts with Subconsultants that are outstanding, including, without limitation, with respect to each such contract separately, the terms of the original price, payments made to date, the balance owing, the status of the services performed and any outstanding withholding of funds or default, and a copy of the contract and any written changes, amendments or modifications thereto, together with such other information as County may determine necessary in order to decide whether it is in County's best interests to accept assignment of, or request Architect to terminate, the contract; and

.3 thereafter only perform such Basic Services and Additional Services as may be necessary to complete the portion of the Basic Services and Additional Services not terminated, taken over or discontinued.

8.1.6 Completion by County. In the event County exercises its rights under Paragraph 8.1.2, above, County shall have the further right, without releasing Architect from liability for failure to fulfill this Agreement, to proceed to complete the Basic Services and Additional Services by any means that County determines is expedient and withhold all or a portion of the monies, if any, owing to Architect until County has completed such Basic Services and Additional Services.

8.1.7 Payment to Architect.

.1 **Terminated Services.** With respect to any or all Basic Services and Additional Services that are terminated, discontinued or taken over by County pursuant to an exercise by County of its rights under Paragraph 8.1.2, above, and without limitation to County's other rights under this Agreement or Applicable Laws: (1) if the Losses to County, whether incurred or threatened, arising out of any default by Architect (whether or not such default was the subject of the County's notice of default) or County's exercise of its remedies for default by Architect, exceed the amount of Basic Services Compensation and Additional Services Compensation calculated pursuant to Sections 6.1 and 6.2, above, that was earned by Architect for such Basic Services and Additional Services performed up to, and not beyond, the effective date of such termination, discontinuance or take over by County, then Architect shall be liable to County for the difference and shall promptly remit same to County; or (2) if the sum of such Losses is less than the amount of such Basic Services Compensation and Additional Services Compensation, then County shall pay the difference to Architect within forty-five (45) Days after receipt by County of an Invoice for Payment prepared in accordance with this Section 8.1 and Sections 6.1 through 6.3, above, requesting payment of such Basic Services Compensation and Additional Services Compensation.

.2 **Continuing Services.** In the event of a partial termination, discontinuance or take over by County pursuant to an exercise by County of its rights under Paragraph 8.1.2, above, and

[Handwritten initials]

without limitation to County's other rights under this Agreement or Applicable Laws: (1) with respect to that portion of Basic Services or Additional Services that is not terminated, discontinued or taken over by County, County shall make a Good Faith Determination of an adjustment in the Basic Services Compensation and Additional Services Compensation under this Agreement to reflect the reduction in the scope of Basic Services and Additional Services remaining to be performed by Architect; and (2) Architect shall continue performance of such Basic Services and Additional Services and shall be paid by County therefor in accordance with the terms of this Agreement.

.3 Conversion. In the event a termination, discontinuance or take over by County for cause pursuant to this Section 8.1 is determined to be wrongful, Architect's right to payment or recovery shall be governed by the provisions of Subparagraphs 8.2.2.1 through 8.2.2.3, below, in lieu of any other rights, remedies or recovery provided for by Applicable Laws.

8.2 TERMINATION WITHOUT CAUSE

8.2.1 Termination for Convenience. Upon at least three (3) Days' written notice to Architect prior to the effective date of an exercise of a right under this Section 8.2, County shall have the right, in its sole and absolute discretion and without cause and for its convenience, to terminate, discontinue or take over all or any portion of this Agreement or Architect's performance under this Agreement. Upon receiving such notice, Architect shall, unless the notice directs otherwise, take the actions required by Paragraph 8.1.5, above.

8.2.2 Payment to Architect.

.1 Terminated Services. With respect to any or all Basic Services and Additional Services that are terminated, discontinued or taken over by County pursuant to Paragraph 8.2.1, above, Architect shall, within seven (7) Days after exercise by County of a right to terminate, discontinue or take over pursuant to Paragraph 8.2.1, above, submit to County an Invoice for Payment prepared in accordance with Sections 6.1 through 6.3, above, for the amount of Basic Services Compensation and Additional Services Compensation that was earned by Architect for such Basic Services and Additional Services performed up to, and not beyond, the effective date of such termination, discontinuance or take over by County. Without limitation to County's rights under Sections 6.5 and 6.6, above, within forty-five (45) Days after receipt by County of an Invoice for Payment prepared in accordance with this Section 8.2, County shall pay to Architect the amount, if any, owing to Architect under this Paragraph 8.2.2.

.2 Continuing Services. In the event of a partial termination, discontinuance or take over by County pursuant to an exercise by County of its rights under Paragraph 8.2.1, above, and without limitation to County's other rights under this Agreement or Applicable Laws: (1) with respect to that portion of Basic Services or Additional Services that is not terminated, discontinued or taken over by County, County shall make a Good Faith Determination of an adjustment in the Basic Services Compensation and Additional Services Compensation under this Agreement to reflect the reduction in the scope of Basic Services and Additional Services remaining to be performed by Architect; and (2) Architect shall continue performance of such Basic Services and Additional Services and shall be paid by County therefor in accordance with the terms of this Agreement.

.3 Exclusive Remedy. Architect agrees to accept the payments provided for under this Paragraph 8.2.2 as its sole and exclusive right and remedy in lieu of all other rights and claims that Architect may have under this Agreement or Applicable Laws for recovery of Losses caused or claimed to be caused by County's termination, discontinuance or take over of this Agreement, including, without limitation, Losses associated with lost profits, lost opportunity, and other consequential damages.

8.3 SUSPENSION BY COUNTY

County shall have the right to order, in writing, a suspension of performance of all services by Architect without cause and for County's convenience. If services are entirely suspended by written order of County for a continuous period of more than sixty (60) consecutive Days, and such suspension is not due to a breach of this Agreement by Architect or the negligence, willful misconduct or violation of an Applicable Law by Architect or a Subconsultant, and if County thereafter requests in writing that Architect resume performance following such suspension, then Architect shall be entitled to payment as additional compensation of any unavoidable direct, out-of-pocket costs payable by Architect or Subconsultants to third-party vendors of supplies as a result of such suspension. No other adjustment to Architect's compensation and no other recovery by Architect or any Subconsultant of Losses associated with such suspension shall be permitted.

8.4 TERMINATION BY ARCHITECT

8.4.1 Architect's Remedies. If County fails within the applicable time period for payment provided for in Article 6, above, to make payment of sums that are not in good faith disputed by County and fails to cure such failure within thirty (30) Days after receipt of written notice of nonpayment from Architect, then, upon an additional ten (10) Days' written notice to County of intent to terminate, Architect may terminate this Agreement. The foregoing constitutes the Architect's sole and exclusive right to terminate this Agreement for any reason, including, but not limited to, any breach by County.

8.4.2 Payment to Architect. In the event of a termination by Architect pursuant to this Section 8.4, Architect's right to further payment or recovery shall be governed by the provisions of Subparagraphs 8.2.2.1 through 8.2.2.3, above, in lieu of any other rights, remedies or recovery provided for by Applicable Laws.

ARTICLE 9 INDEMNIFICATION

9.1 INDEMNIFICATION BY ARCHITECT

9.1.1 Basic Indemnity. To the fullest extent permitted by Applicable Laws, Architect agrees to defend (through legal counsel reasonably acceptable to County), indemnify, and hold harmless County of Riverside, its Agencies, Districts, Departments and Special Districts, Board of Supervisors, elected and appointed officials, and each of their respective directors, members, officers, employees, agents, representatives and volunteers ("Indemnitee(s)"), and each of them, from any and all Losses that arise out of or relate to any act or omission constituting ordinary and not professional negligence (including, without limitation, negligent breach of contract), recklessness, or willful misconduct on the part of Architect or its Subconsultants, or their respective employees, agents, representatives, or independent contractors. Architect further agrees to and shall indemnify and hold harmless the Indemnitees from all liability arising from suits, claims, demands, actions, or proceedings made by agents, employees or subcontractors of Architect for salary, wages, compensation, health benefits, insurance, retirement or any other benefit not explicitly set forth in this contract and arising out of work performed for County pursuant to this Agreement. The Indemnitees shall be entitled to the defense and indemnification provided for hereunder regardless of whether the Loss is in part caused or contributed to by the acts or omissions of an Indemnitee or any other person or entity; provided, however, that nothing contained herein shall be construed as obligating Architect to indemnify and hold harmless any Indemnitee to the extent not required under the provisions of Paragraph 9.1.3, below.

9.1.2 Indemnity for Professional Negligence. To the fullest extent permitted by Applicable Law, Architect agrees to defend through legal counsel reasonably acceptable to County, indemnify and

hold harmless the Indemnitees, and each of them, against any and all Losses that arise out of, pertain to, or relate to, any negligence, recklessness or willful misconduct constituting professional negligence on the part of Architect or its Subconsultants, or their respective employees, agents, representatives, or independent contractors. The Indemnitees shall be entitled to the defense, and indemnification provided for hereunder regardless of whether the Loss is, in part, caused or contributed to by the acts or omissions of an Indemnitee or any other person or entity; provided, however, that nothing contained herein shall be construed as obligating Architect to indemnify and hold harmless any Indemnitee to the extent not required under the provisions of Paragraph 9.1.3, below. Architect shall defend and pay, all costs and fees, including but not limited to attorney fees, cost of investigation, and defense, in any loss, suits, claims, demands, actions, or proceedings to the extent and in proportion to the percentage, such costs and fees arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of Architect arising out of or from the performance of professional design services under this Agreement. The duty to defend applies to any alleged or actual negligence, recklessness, willful misconduct of Architect. The cost for defense shall apply whether or not Architect is a party to the lawsuit, and shall apply whether or not Architect is directly liable to the plaintiffs in the lawsuit. The duty to defend applies even if Indemnitees are alleged or found to be actively negligent, but only in proportion to the percentage of fault or negligence of Architect.

9.1.3 Limitations on Indemnity Obligation. Without affecting the rights of County under any other provision of this Agreement, Architect shall not be required to indemnify or hold harmless or provide defense or defense costs to an Indemnitee for a Loss due to that Indemnitee's negligence, recklessness or willful misconduct; provided, however, that such negligence, recklessness or willful misconduct has been determined by agreement of Architect and Indemnitee or has been adjudged by the findings of a court of competent jurisdiction.

9.1.4 Subconsultant Indemnity Agreements. Architect agrees to obtain or cause to be obtained executed defense and indemnity agreements with provisions identical to those set forth in this Section 9.1 from each and every Subconsultant, of every Tier.

9.1.5 No Limitation by Insurance. Architect's indemnification obligations under this Agreement shall not be limited by the amount or type of damages, compensation or benefits payable under any policy of insurance, workers' compensation acts, disability benefit acts or other employee benefit acts.

9.1.6 Enforcement. The Indemnitees shall be entitled to recover their attorneys' fees, costs and expert and consultant costs in pursuing or enforcing their right to defense and/or indemnification under this Agreement.

ARTICLE 10 INSURANCE

10.1 ARCHITECT'S INSURANCE

10.1.1 Required Coverages. Prior to the commencement of any services, Architect shall, at its own expense, purchase from, and maintain with, a company or companies lawfully authorized and approved by Governmental Authorities to do business in the jurisdiction in which the Project is located and having an A.M. Best Company rating of no less than A-8, the insurance coverages set forth in this Section 10.1, which coverages shall remain in force throughout Architect's performance of this Agreement and for such longer periods as may be required by this Agreement, unless such requirements are waived, in writing, by the County's Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer, such waiver is only valid for that specific insurer and only for one policy term after which full compliance with this Section 10.1 shall be required. Except as otherwise expressly provided in this

Section 10.1, such policies and coverages shall, without limitation, protect Architect from claims which may arise out of, or result from, the Architect's performance of this Agreement, whether such performance be by itself or by any Subconsultant, or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable, and shall comply with the following requirements:

.1 Commercial General Liability insurance on a form at least as broad as Insurance Services Office ("ISO") Commercial General Liability Coverage "occurrence" form CG20101185 (Form B) or ISO Comprehensive General Liability "occurrence" form acceptable to the County with the Broad Form Comprehensive General Liability Endorsement GLO404 (with no Property Damage Liability exclusions pertaining to loss by explosion, collapse or underground damage), including, without limitation, coverage for bodily injury, sickness, disease, or death of any person, injury to, or destruction of tangible property, including loss of use resulting therefrom, blanket contractual liability coverage (including, without limitation, coverage for the Architect's indemnification obligations set forth in Article 9, above), and including an endorsement amending the aggregate limits to apply on a per location or per project basis, with limits of liability coverages of no less than the following amounts:

\$2,000,000	General Aggregate (Other Than Products-Completed Operations)
\$2,000,000	Products-Completed Operations Aggregate Limit for a period of five (5) years following Final Completion and Acceptance of the Project
\$2,000,000	Personal and Advertising Injury Limit
\$2,000,000	Per Occurrence Limit

.2 Professional Liability insurance, issued on a "claims made" basis, with limits of liability coverage in the amounts of no less than the following: (1) if the Fixed Limit is \$5 million or less: \$1,000,000 per claim and \$1,000,000 in the annual aggregate; (2) if the Fixed Limit is over \$5 million and \$10 million or less: \$2,000,000 per claim and \$2,000,000 in the annual aggregate; and (3) if the Fixed Limit is over \$10 million: \$5,000,000 per claim and \$5,000,000 in the annual aggregate. Such policy shall provide coverage (including, without limitation, all costs and expenses resulting from the investigation and defense of any claim) for damages from claims for bodily injury or property damage to County or to any third party (including, without limitation, loss of use of damaged and non-damaged property) due to any breach of duty in the performance of professional services. Professional liability coverage shall have an inception date or a retroactive date coinciding with, or prior to, the date of execution of this Agreement or the date of first performance of any services under this Agreement, whichever date is earlier, and coverage shall continue uninterrupted until five (5) years after Final Completion and Acceptance of the entire Project. Coverage for such post-completion period may be provided by renewal or replacement of the policy for each of five (5) years or by a five-year extended reporting period endorsement that reinstates the aggregate limit for the extended reporting period. Renewal or replacement policies shall not allow for any advancement of the retroactive date. Any deductible or self-insured retention under the foregoing professional liability policy shall not, except with the approval of County granted or withheld in the County's sole and absolute discretion, exceed \$500,000.

.3 Motor Vehicle Liability insurance issued on an ISO Business Auto Coverage form, including Symbol 1, acceptable to the County with limits of liability coverage of not less than \$1,000,000 per occurrence combined single limit for bodily injury and property damage for all owned, hired, and non-owned vehicles.

.4 Workers' Compensation insurance (Coverage A) as prescribed by the laws of the State of California. The Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits of not less than \$1,000,000 per person per accident and shall provide a Borrowed Servant/Alternate Employer Endorsement.

10.1.2 Notice of Cancellation. Each policy of insurance shall: (1) be in a form, and with insurers, satisfactory to County; (2) incorporate such endorsements as County may reasonably request;

INITIALS 

and (3) provide for thirty (30) Days' advance notice to County of non-renewal, material change, cancellation, or potential exhaustion of aggregate limits.

10.1.3 Additional Insureds. Architect shall have the following named as Additional Insureds by means of endorsement to its General Liability, Excess (or Umbrella) Liability, and Motor Vehicle Liability policies: (1) the Indemnitees; (2) the persons or entities listed in the Additional Insureds List - Exhibit "L" attached hereto; and (3) all subsidiary companies, corporations, entities, joint ventures, LLC's, or partnerships that are owned, managed or controlled by the entities listed in Clauses (1) or (2) of this Paragraph 10.1.3. Such coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. The "Insured" clause covering Additional Insureds shall: (a) be no more restrictive than the coverage afforded by ISO 2010 11/85 edition; (b) state that the coverage provided to the Additional Insureds is primary and non-contributing with any other insurance available to the Additional Insureds; and (c) require a waiver of subrogation in favor of all Additional Insureds.

10.1.4 Self Insured Retentions. Policies of insurance for the coverages described in Paragraph 10.1.1, above, with the sole exception of professional liability insurance, shall not have self insured retentions which exceed \$500,000 per occurrence. All deductibles and self insured retentions on insurance required to be obtained by Architect under this Agreement shall be borne by Architect at its sole expense and without reimbursement by County.

10.1.5 Certificates of Insurance. Prior to the commencement of any services under this Agreement, and at any time thereafter upon County's request during the term of this Agreement, Architect shall provide County with written evidence of the required coverages in the form of certificates of insurance with the applicable endorsements (including, without limitation, an endorsement confirming coverage for the Additional Insureds) attached or copies of the policies. County reserves the right to require complete, certified copies of all required insurance policies at any time, including endorsements providing the coverages required by this Agreement.

10.1.6 Waiver of Subrogation. For Commercial General Liability and Workers' Compensation insurance, the insurer shall agree to waive all rights of subrogation against the Additional Insureds for Losses arising from activities and operations of an insured in the performance of services under this Agreement.

10.1.7 Lapse in Coverage. If Architect or any Subconsultant, for any reason, fails to maintain any insurance coverage which is required pursuant to this Agreement, the same shall be deemed a material breach of this Agreement. County, at its sole option, may thereupon terminate this Agreement and obtain damages from Architect resulting from said breach. Alternatively, County may purchase such coverage (but has no obligation to do so) and, without further notice to Architect, may deduct from sums due to Architect any premium costs advanced by County for such insurance.

10.1.8 Subconsultants. Except as otherwise stated in Subconsultant Insurance Requirements - Exhibit "P" attached hereto, Subconsultants shall be required to maintain insurance on the same terms and with the same coverages as required of Architect under this Agreement.

ARTICLE 11 DISPUTE RESOLUTION

11.1 RESOLUTION OF DISPUTES

Disputes between County and Architect shall be resolved by way of an action filed in the Superior Court of the State of California, in and for the County of Riverside.

11.2 GOOD FAITH DETERMINATIONS

Wherever in this Agreement it is provided that the County may or shall make a determination or decision in the exercise of good faith (including, without limitation, provisions in this Agreement calling for a Good Faith Determination), any such determination or decision that the person exercising such right on behalf of County believes in good faith to be a proper exercise of County's rights and to have a reasonable basis in fact, whether or not such determination is in fact proper, reasonable or correct or adjudged to be so, shall be complied with by Architect without Delay to Architect's performance under this Agreement. However, unless this Agreement expressly provides otherwise, neither such good faith determination or decision nor Architect's compliance therewith shall be interpreted as precluding the Architect from exercising its rights to seek adjudication of its rights in the manner permitted by this Agreement or Applicable Laws.

11.3 ATTORNEY'S FEES

If any legal action, arbitration, or other legal proceeding is brought in connection with, or related to, the interpretation, performance, or enforcement of this Agreement, including, but not limited to, an action to rescind this Agreement, the prevailing party therein shall be entitled to recover from the other party the prevailing party's actual costs, expenses, and attorneys' fees at arbitration, mediation, trial, and on appeal, including, without limitation, a sum for time expended by in-house attorneys and paralegals. The determination of the "prevailing party" shall be based upon the party who prevails upon the matters actually litigated or arbitrated and shall not be determined solely based on which party receives a net monetary recovery.

ARTICLE 12 ROYALTIES, PATENTS, COPYRIGHTS AND TRADE SECRETS

12.1 ROYALTIES

Architect shall pay all royalties and license fees in connection with its performance of this Agreement. Compensation for such royalties and fees is included in Architect's Basic Services Compensation and shall not be separately reimbursed.

12.2 INFRINGEMENT

Architect shall not infringe any United States patent, copyright, trade secret, or other proprietary right for or in any work of authorship, material, product, or any other form of intellectual property, or any part thereof (including, without limitation, software, hardware, service, design or equipment), used or furnished in connection with this Agreement.

12.3 NOTICE BY ARCHITECT

In those instances where Architect has reason to believe that a particular design, process, or product of one or more manufacturers that Architect is directed to use by County would infringe upon any of the rights listed in Section 12.2, above, Architect shall immediately notify County of its belief and the reasons therefor in writing.

**ARTICLE 13
MISCELLANEOUS**

13.1 GOVERNING LAW AND VENUE

This Agreement shall, without regard to the law of conflicts of laws that may otherwise call for application of the laws of a different jurisdiction, be governed by the laws of the State of California. The Superior Court for the County of Riverside shall have exclusive jurisdiction over any litigation arising out of or relating to this Agreement.

13.2 HAZARDOUS SUBSTANCES

13.2.1 Introduction by Architect. Architect and its Subconsultants shall not cause or knowingly permit, or include in its Design Documents any provision allowing for, any Hazardous Substances to be deposited, stored, disposed, placed, generated, manufactured, buried, refined, transported, treated, discharged, handled, or located on the Site or in Existing Improvements, except as may be specifically authorized in writing by County; provided, however, that Hazardous Substances may be specified for temporary use or storage where reasonably required for, and in quantities appropriate to, the performance of the Work and where the use and storage of such Hazardous Substances is permitted by, and specified to be performed in conformity with, Applicable Laws. Should Architect or a Subconsultant violate the foregoing obligation, Architect shall at its own expense and without limitation to County's other rights or remedies for default immediately: (1) inform County in writing of such event; (2) advise County with respect to any release reporting or notification requirement that may apply as a result of such event; (3) assist County in complying with any such reporting or notification requirement as determined by County; and (4) perform any investigation, remediation, removal, or other response that is necessary or desirable in order to abate or clean up the condition resulting from such event, to the full satisfaction of County and any applicable Governmental Authority. Such Hazardous Substances shall be removed and properly disposed of as soon as they can be accepted at an appropriate disposal facility, and in no event later than sixty (60) Days after such waste is generated, unless a longer time is approved by County.

13.2.2 Existing Hazardous Substances. Architect recognizes that Hazardous Substances may exist at or beneath the ground at the Site and that certain waste materials, such as, but not limited to, drill cuttings and drilling fluids, must be handled as if contaminated until a determination as to whether they are Hazardous Substances is made. If the Architect's Basic Services do not include the investigation or assessment of environmental conditions or Hazardous Substances, then in the event Architect or its Subconsultants encounter materials existing or otherwise present at the Site that are reasonably believed to be Hazardous Substances that have not been rendered harmless, Architect and/or Subconsultant shall report the condition to County in writing and County shall be solely responsible for arranging for and paying the costs lawfully to transport, store, treat, recycle, dispose of, or otherwise handle the Hazardous Substances present at the Site. If the Architect's Basic Services include the investigation or assessment of environmental conditions or Hazardous Substances, then Architect shall: (1) promptly make a determination whether the materials encountered are Hazardous Substances; (2) promptly advise County of the options and costs for handling, storing and disposing of such materials (whether they are Hazardous Substances or not); (3) appropriately handle, contain and label such materials as are Hazardous Substances in accordance with Applicable Laws; (4) promptly inform County that such handling, containerization and labeling have been performed; and (5) leave the containers on Site in an appropriate designated location for lawful storage and disposal by County. County shall be solely responsible for arranging for and paying the costs to lawfully transport, store, treat, recycle, dispose of or otherwise handle Hazardous Substances generated by Architect's proper performance of its professional services. Should the proper and lawful transportation and disposal of any such materials be required, Architect's responsibilities shall be limited to preparing manifests or related documents for execution by County. In this regard, County shall sign all manifests and bills of lading, and approve similar documents,

including subcontracts for disposal activities, that identify County as the generator/owner of any hazardous or contaminated material that is removed from the Site. County shall be solely responsible for notifying all appropriate federal, state, local or other governmental agencies of the existence of any Hazardous Substances on or about the Site or discovered during performance of this Agreement; no such notice shall be given by Architect without prior discussion and approval by County.

13.3 NO WAIVER

A waiver, by either party to this Agreement, of any breach of any term, covenant, or condition contained herein shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition contained herein, whether of the same or a different character. County's approval, acceptance or use of, or payment for, all or any part of Architect's services shall not in any way alter Architect's obligations, or waive any of County's rights, under this Agreement.

13.4 NO THIRD-PARTY RIGHTS

Nothing contained in this Agreement is intended to make any person or entity who is not a signatory to this Agreement a third-party beneficiary of any right or obligation created by this Agreement or by operation of Applicable Laws.

13.5 EXTENT OF AGREEMENT

This Agreement represents the entire Agreement between County and Architect for the furnishing of services to the Project, and supersedes all prior negotiations, representations or agreements, either written or oral, and may be amended only by written instrument signed by both County and Architect.

13.6 SUCCESSORS AND ASSIGNS

This Agreement shall be binding upon County and Architect and their respective successors and assigns. Neither the performance of this Agreement nor any part thereof, nor any monies due or to become due hereunder, nor any claim hereunder, may be assigned by Architect without the prior written consent and approval of County, which may be granted or withheld in County's sole and absolute discretion. This Agreement and all of County's rights in and to the Design Documents may be assigned by County upon written notice to Architect. County shall have no liability or responsibility to Architect for payment for any services performed or cost incurred after the date of such assignment and notice thereof by County to Architect.

13.7 CONFIDENTIALITY

The Architect acknowledges that, in the course of the Architect's employment and performance under this Agreement, the County may make available to the Architect, and the Architect may utilize and may participate in the creation of, proprietary and confidential information, including, without limitation, plans, specifications, projected and actual budgets, construction and development schedules, operating procedures, pricing data, transaction terms, Site-related information, studies (including survey, soil, environmental, structural, topographic and seismic) and other Project information (hereinafter collectively, "Proprietary Information"). The Architect agrees on behalf of itself and its employees, officers, board members and Subconsultants that all Proprietary Information shall be kept strictly confidential. Such confidentiality obligation includes, without limitation, the following covenants by Architect: (1) the Proprietary Information shall not be disclosed, either verbally or in writing, to a person or entity that is not related to the Project; (2) the Proprietary Information shall not be disclosed to any person or entity related to the Project other than County unless such disclosure is essential to the Architect's performance of this Agreement or to the performance by a Project-related person or entity of its Project-related work, services

or obligations; (3) Architect shall not publicly reveal any Proprietary Information unless such disclosure is essential to the Architect's performance of this Agreement or to the performance by a Project-related person or entity of its Project-related work, services or obligations; (4) subject to the provisions of Paragraph 1.7.7, above, Architect shall return all Proprietary Information (including all copies made thereof) to County upon request and in any event within sixty (60) Days after termination or full performance of this Agreement; (5) Architect shall not be deemed the author of any of the Proprietary Information and retains no Intellectual Property Rights in the Proprietary Information; (6) to the extent the Architect provides any Proprietary Information to a Subconsultant, the Architect shall be responsible for obtaining and enforcing a written agreement from each such Subconsultant pursuant to which such Subconsultant agrees to be bound by the terms of this Section 13.7; and (7) in the event that the Architect or any Subconsultant is required, or becomes legally compelled, to disclose any of the Proprietary Information or take any other action prohibited hereby, the Architect will provide County with prompt written notice so that the County may seek a protective order or other appropriate remedy and/or waive in writing compliance with the provisions of this Section 13.7. County shall have full recourse under Applicable Laws in enforcing this Section 13.7, including without limitation the right to seek specific performance and injunctive relief and to recover all damages resulting from a violation hereof. Architect shall instruct all of its employees working on the Project of the foregoing confidentiality obligation.

13.8 INDEPENDENT CONTRACTOR

Architect is and shall at all times remain, as to County, a wholly independent contractor, both in respect to its design and construction administration obligations, as well as all other acts or omissions that occur in connection with its performance of this Agreement. Neither County nor any of its agents shall have control over the conduct of Architect or any of Architect's officers, agents or employees, except as otherwise herein set forth. Architect shall not, at any time, or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of County.

13.9 ARCHITECT'S REPRESENTATIONS

Without limitation to any other covenants, agreements, or representations contained in this Agreement, Architect warrants and represents that: (1) it is financially solvent, able to pay its debts as they mature and possessed of sufficient working capital to complete the services and perform the obligations required by this Agreement; (2) it is authorized to do business in the State of California; (3) it is duly licensed in accordance with Applicable Laws to enter into this Agreement for performance of the services to be provided by this Agreement; and (4) all services required to be performed by this Agreement or performed under this Agreement shall be performed by persons duly licensed in accordance with Applicable Laws to perform such services. Architect shall require that the foregoing warranties be provided, in writing, by each of its Subconsultants as part of its contracts with its Subconsultant.

13.10 SURVIVAL

The provisions of this Agreement which by their nature survive, or involve a right that is to be or may be exercised by or afforded to a party, or an act or obligation that is to be assumed or performed by a party, after the point in time that full performance or termination of this Agreement has occurred, including, without limitation, all obligations of indemnification, insurance, audit, dispute resolution, confidentiality, ownership of documents and records retention, shall remain in full force and effect after full performance or termination of this Agreement.

13.11 SEVERABILITY

In the event a provision of this Agreement, or portion thereof, is held to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions or portions shall not be

affected, and such remaining provisions or portions shall be enforceable to the fullest extent allowable by Applicable Laws in order to give maximum legal force and effect to those provisions or portions that are not invalid, illegal or unenforceable.

13.12 INTERPRETATION

Architect and County acknowledge that the terms of this Agreement have been mutually negotiated and, accordingly, shall not be interpreted against either County or Architect on the basis that either party was solely responsible for or in control of the drafting of this Agreement.

13.13 ADVERTISING

Architect may not use County's name or refer to County or the Project, directly or indirectly, in any promotional materials, advertisement, news release or release to any professional or trade publication without County's prior written approval, which may be granted or withheld in its sole and absolute discretion.

13.14 ELECTRONIC DOCUMENTS

In the event of any conflict between a document contained in an electronic file and the hard copy of such document maintained in the files of County or Architect, the hard copy shall control.

13.15 EXECUTION

Execution by means of signature of a party hereto on a facsimile copy or electronically transmitted copy shall be binding to the same extent as execution of an original.

13.16 COUNTERPARTS

This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together shall constitute the same agreement.

13.17 TITLES FOR CONVENIENCE

The table of contents and the headings of articles and paragraphs are for convenience only and shall not modify rights and obligations created by this Agreement.

13.18 NONDISCRIMINATION

Architect shall comply, and cause its Subconsultants, of every Tier, to comply, with all requirements of Applicable Laws pertaining to equal opportunity employment and nondiscrimination, including, without limitation, those requirements prohibiting discrimination against or segregation of any person or group of persons on account of age, ancestry or national origin, color, creed, disability, gender, marital status, race, religion or sexual orientation, nor shall Architect permit any such practice prohibited by such requirements to take place in connection with the selection, location or number of consultants or vendors employed. Architect shall include the provisions of this Section 13.18 in all contracts entered into with Subconsultants for performance of services provided for under this Agreement.

13.19 SERVICES PERFORMED BY ARCHITECT OR AFFILIATES

The Architect shall not enter into any subcontract, contract, agreement, purchase order, or other arrangement ("Arrangement") for the furnishing of any portion of the services provided for in this

Agreement with any party or entity if such party or entity is an Affiliated Entity (as defined below), unless such Arrangement has been approved in writing by the County after full disclosure in writing by the Architect to the County of such affiliation or relationship and all details relating to the proposed Arrangement. The term "Affiliated Entity" as used in this Section 13.19 means any entity related to or affiliated with the Architect or with respect to which the Architect has direct or indirect ownership or control, including, without limitation: (1) any entity owned in whole or part by the Architect; (2) if the Architect is a corporation, any holder of more than 10% of the issued and outstanding shares of the Architect; (3) if Architect is not a corporation, any holder of an ownership interest in Architect; or (4) any entity in which any officer, director, employee, partner, or shareholder (or member of the family of any of the foregoing persons) of the Architect, or any entity owned by the Architect, has a direct or indirect interest which interest includes, but is not limited to, that of a partner, employee, agent, or shareholder.

13.20 REBATES, KICKBACKS

Architect represents and warrants that it has neither paid or agreed to pay, nor will it pay, any sums or any other consideration to any member of the Board of Supervisors or any other director, officer, employee, agent or other representative of County in connection with this Agreement or any services hereunder, nor has any such payment or agreement for payment been requested or solicited by any such member, director, officer, employee, agent or representative. Architect hereby acknowledges that it understands that this representation and warrant constitute a material inducement upon which County is relying in entering into and performing this Agreement.
