**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

Should the Board approve the Commercial Cannabis Ordinance and Program on this same Board agenda (Agenda Item 19.1), the Planning Department recommends that a single source consulting contract be entered into with Hinderliter, de Llamas and Associates (HdL Companies). HdL Companies has over 33 years of direct experience establishing and implementing medical and adult-use cannabis regulatory programs which include: establishing land-use regulations, permit processes, staffing plans, cost recovery fees, regulatory compliance, financial audits and law enforcement training. They have conducted over 11,000 cannabis compliance inspections and investigations in Colorado, California and Nevada, and have reviewed and processed over 1,200 applications in the last three years. Furthermore, HdL Companies currently provides cannabis consultant services to the Counties of Contra Costa, Inyo, Monterey, San Benito, and Stanislaus. Within Riverside County, HdL Companies has provided Cannabis consulting services to the cities of Moreno Valley, Blythe, and Perris.

Staff is recommending that the County engage HdL Companies to assist in various services, including: 1) Developing an estimate of permitting costs 2) Determining a Baseline Public/Community Benefit rate that will cover the County's regulatory costs associated with allowing commercial cannabis uses; 3) Performing background checks; and 4) Assisting County staff in evaluating and ranking development proposals. It should be noted that HdL Companies has been assisting Stanislaus County, which is also utilizing development agreements, in a similar effort. Once the number of submitted applications that will need to be reviewed and ranked is determined, staff will return to the Board with an amendment to the HdL Companies contract to perform this additional work.

**Impact on Residents and Businesses**

Should the Board move forward with establishing a regulatory program for commercial cannabis operations, residents and businesses of Riverside County will benefit from having a thorough regulatory process of cannabis management which will serve to reduce impacts from a commercial cannabis program and provide public benefit to affected communities.

**Additional Fiscal Information**

This contract will be funded by Deposit Based Fees.
