**BACKGROUND:**

Riverside County Workforce Development Board (WDB) is a private sector led policy and oversight body that supports economic expansion and the development of the regional workforce. The WDB is governed by the Workforce Innovation and Opportunity Act of 2014 (WIOA) which mandates that 50% of the WDB's members must come from the business community. In addition, WDBs are required to have representation from universities or community colleges and other training providers, as well as economic development and workforce program leaders. This ensures that federal funds for workforce development activities are expended on training and career coaching that meets the needs of the business community. Pursuant to WIOA, the Board of Supervisors, led by the Board Chairman who serves as the Chief Local Elected Official (CLEO), is responsible for appointing the WDB members for two year terms.

Mr. Jamil Dada, Vice-President of Provident Bank and highly distinguished community leader, has been a long-time member and Chairman of the WDB. As a Gubernatorial Appointee, he has been a member of the California Workforce Development Board (CWDB) since 2004 and has served as Chairman for two years. He is a Board Member of the National Association of Workforce Boards (NAWB) in Washington DC, for which he has served as Chairman for two years. Mr. Dada also serves as President of the March Field Air Museum and Chairman of the Riverside Chamber of Commerce's Military Affairs Council. In addition to supporting our military,

he is also very passionate about Base Joint Use efforts, collaborating to bring good jobs to former Base surplus land. Mr. Dada's extensive involvement and connections within the local, statewide, and national workforce communities have brought recognition to the WDB. He is involved with Governor-led initiatives and has helped connect business leaders, educators, and other organizations and stakeholders to address employment and training needs of the community while striving to meet local, regional and state workforce plan goals.

Mr. Dada has expressed interest in continuing to serve on the WDB as a Private Sector Representative for District Five. If approved he will serve a two year term commencing October 12, 2018 and expiring October 12, 2020.
