BACKGROUND:

Summary

By Minute Order dated July 31, 2018 (Agenda Item 3.63), the County of Riverside (County) Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the La Sierra Avenue Resurfacing Project, in the Community of Lake Hills. The project limits are El Sobrante Road to the County of Riverside/City of Riverside boundary (approximately 200-feet North of Middleborough Road), approximately 2.4 miles.

The project will remove the existing asphalt pavement and place 0.17' of rubberized hot mix asphalt pavement overlay. Sixteen existing curb ramps will be replaced with ADA compliant access ramps to comply with the ADA standards.

The improvements include installation of asphalt concrete overside drains, placement of asphalt concrete dike, asphalt concrete driveway, reconstruction of concrete driveways, curb ramps, cross-gutters, spandrels, utility adjustments, detector loops, video detection cameras at four signalized intersections, striping, thermoplastic pavement markings, construction of ground-in rumble strips along the centerline of various segments of the road to alert drivers when they stray from the lanes, and other associated work.

A portion of La Sierra Avenue is in the City of Riverside. The City portion includes the easterly half of the street, from Cleveland Avenue to the north end of this project (approximately 200-feet North of Middleborough Road). The City was invited to participate in resurfacing their half of the street, but declined.

On April 28, 2017, Senate Bill 1 (SB1) was passed to improve the state's aging transportation infrastructure, particularly roads and bridges. Because of this, the County is now able to improve the condition of roads in need of resurfacing or reconstruction and has included them in the County Transportation Improvement Program (TIP). La Sierra Avenue resurfacing is urgently needed to improve an aging road in a state of disrepair. Without SB1, this needed road repair project would have been shelved until funding became available.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account issued addendum on their Contractor's Bid in order to be considered for award. The addendum was issued to clarify and modify the approved contract documents. The addendum is attached and designated as Addendum No. 1.

The County of Riverside Transportation Department (Transportation Department) recommends award of the following schedules of work in the Contract amount of \$2,008,439:

Base Bid Schedule: La Sierra Avenue Resurfacing Project
Alternate Bid Schedule 1: Western Municipal Water District (WMWD) Facilities Adjustments
Alternate Bid Schedule 2: City of Riverside Facilities Adjustments.

WMWD and the City of Riverside have concurred with the bid prices proposed by All American Asphalt for alternate bid schedules 1 and 2.

A reimbursement agreement between the County of Riverside and WMWD for utility adjustments in the amount of \$41,790.00 was executed on August 30, 2018. WMWD will be 100% responsible for the cost of the utility adjustments.

A reimbursement agreement between the County of Riverside and City of Riverside for utility adjustments in the amount of \$7,960.00 was executed on September 11, 2018. The City of Riverside will be 100% responsible for the cost of the utility adjustments.

The Director of Transportation has the authority to sign reimbursement agreements for utility adjustments up to \$50,000 per Minute Order dated February 28, 2006 (Agenda Item 3.52).

The Contractor is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents, which meet the requirements of the Contract.

Project No. C6-0074

Impact on Residents and Businesses

The purpose of this project is to rehabilitate the deteriorated segment of La Sierra Avenue from El Sobrante Road to County of Riverside/City of Riverside boundary (approximately 200-feet North of Middleborough Road) to provide the public with a smooth paved roadway that will improve the safety and efficiency of vehicular traffic.

The work is scheduled to begin in Fall of 2018. The work will be phased to keep the road open during construction as much as possible and will take approximately two months to complete.

SUPPLEMENTAL:

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Additional Fiscal Information

The contract is recommended to be awarded to All American Asphalt for the total amount of \$2,008,439.

The project will be funded with Gas Tax/SB-1, City of Riverside and WMWD funds. There are no General Funds used in this project.

The La Sierra Resurfacing Project is expected to be completed within the proposed budget as shown on Attachment "A", which includes the contract award amount and other associated costs.

Contract History and Price Reasonableness

Four bids were received ranging from \$2,008,439 to \$2,494,650. The basis for the selection of a contractor is the lowest responsive and responsible bid.

All received bids were responsive to the bidding requirements set forth for the project. The lowest responsible bid was submitted by All American Asphalt in the amount of \$2,008,439 which is \$307,568 (13%) below the Engineer's Estimate.

Straight Excess Liability Policy

There are provisions in this policy that restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as such in **underlying insurance**. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured(s)" means any person or organization qualifying as such in **underlying insurance** but only to the extent and within the scope for which such "insured(s)" qualify for coverage in **underlying insurance**.

Words and phrases that are printed in bold-face type are defined in this policy. These definitions are found in **SECTION VI. DEFINITIONS** of this policy or in the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations and in accordance with the provisions of this policy, we agree with you to provide coverage as follows:

Insuring Agreements

SECTION I. COVERAGE

- A. We will pay on behalf of the insured those damages covered by this insurance in excess of the total Applicable Limits of **underlying insurance**. This policy includes:
1. The terms and conditions of **underlying insurance** to the extent such terms and conditions are not inconsistent or do not conflict with the terms and conditions referred to in Paragraph 2. below; and
 2. The terms and conditions that apply to this policy.
- B. Notwithstanding anything to the contrary contained in Paragraph A. above, if **underlying insurance** does not apply to damages for reasons other than exhaustion of total applicable limits of insurance by payment of **loss**, then this policy does not apply to such damages.
- C. The amount we will pay under this policy is limited as described in **SECTION II. LIMITS OF INSURANCE**.
- D. We have no obligation under this policy with respect to any settlement made without our consent.
- E. The insurance afforded under this policy applies to bodily injury or property damage only if prior to the Policy Period, neither you nor any **authorized person** knew that the bodily injury or property damage had occurred, in whole or in part. If you or any **authorized person** knew, prior to the Policy Period, that the bodily injury or property damage occurred, then any continuation, change or resumption of such bodily injury or property damage during or after the Policy Period will be deemed to have been known prior to the Policy Period.

Bodily injury or property damage which occurs during the Policy Period and was not, prior to the Policy Period, known to have occurred by you or any **authorized person** includes any continuation, change or resumption of that bodily injury or property damage after the Policy Period; and

Bodily injury or property damage will be deemed to have been known to have occurred at the earliest time when you or any **authorized person**:

1. Reports all or any part of, the bodily injury or property damage to us or any other insurer;
2. Receives a written or verbal demand or claim for damages because of the bodily injury or property damage; or
3. Becomes aware by any other means that bodily injury or property damage has occurred or has begun to occur.
