Re: Letter of Support for the Riverside County 2017 Continuum of Care
2017 HUD Consolidated Application-Housing Authority Street to Home PSH Project

Dear Ms. Torno:

The Riverside University Health System – Behavioral Health works regularly with Housing Authority programs. We support their program as a partner through many avenues, including that we collaborate in reporting on the services provided to their tenants through our various programs. The Behavioral Health program projects the amount of approximately \$28,748.25 for the cost of in kind services provided for the Housing Authority Street to Home project renewal application for Permanent Supportive Housing services for individuals, families and unaccompanied youth. The time period is July 1, 2018 through June 30, 2019.

Our program will provide quarterly reports of funding expended to provide services that include, but are not limited to, case management, supportive services, outreach, food, utilities and other housing support services provided through our programs.

Sincerely,

Lynne M. Brockmeier

INTRODUCTION

This handbook provides project administration guidelines and financial reporting requirements for Subrecipients under contract with Riverside County Department of Public Social Services (DPSS) to operate the U.S. Department of Housing and Urban Development (HUD) grant-funded Continuum of Care (CoC) Program. This handbook does not supersede any law, regulation, or policy issued by the U.S. Government or HUD with regard to this program.

Assistance to homeless individuals was authorized by the McKinney-Vento Homeless Assistance Act of 1987 as amended by the Housing and Community Development Act of 1992, approved October 28, 1992. The Act established numerous programs to promote the development of housing and supportive services to assist homeless persons in the transition from streets and shelters to permanent housing and to achieve maximum self-sufficiency. The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, consolidates three of the separate homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program known as the Continuum of Care Program (CoC). The HEARTH Act also codifies in law the Continuum of Care planning process, a longstanding part of HUD's application process to assist homeless persons by providing greater coordination in responding to their needs.

DPSS, as the HUD Grantee, partners with government and non-profit organizations through a contract to provide housing and supportive services to individuals and families experiencing homelessness within Riverside County.

This handbook is intended to outline the DPSS policies and procedures as well as provide the appropriate federal codes and regulations for the HUD Continuum of Care Program to ensure compliance.

Recipient - the entity that receives the grant award and executes the grant agreement with HUD. A recipient may choose to subgrant part of all of the CoC Program grant to one or more subrecipients to operate the project, or the recipient may operate the project directly.

Subrecipient - an entity that receives a subgrant from the recipient to carry out the operation of the project.

A. FISCAL COMPONENTS

The Subrecipient's financial system must comply with 2 CFR Part 200:

1. CLAIMS

Although federal regulations affecting claiming may change during the course of your grant, the regulations that were in effect at the time your grant was approved will usually apply until your grant expires or is renewed.

NOTE: Electronic claims are not accepted. A claim will not be considered as received until a hard copy of the claim with an original signature on the DPSS 3106 is received by DPSS.

2. CLAIM FORMS

Claims should be received by DPSS no later than 30 days after the end of the month in which services were provided using the DPSS 3106 HUD Programs Claim Form (see attached) with the required supporting documentation (see Section 5 *Supporting Documentation*).

NOTE: If the DPSS 3106 claim form is updated during the grant period, the most current version of the DPSS 3106 should be used.

3. TIME/ACTIVITY REPORTS

Time/Activity reports (see attached) are required for all staff (see Section 5 *Supporting Documentation*). Time/Activity reports are required to show the actual hours that staff worked in a particular activity on a grant. *The time/activity report hours must match the total hours on the payroll documentation that is provided.*

4. REIMBURSEMENTS/DISBURSEMENT OF FUNDS

Generally, reimbursement payments are sent within forty-five (45) days after receipt of a claim. An expenditure which is not authorized by the Agreement, or which cannot be adequately documented, shall be disallowed and will not be paid to the Subrecipient.

The most common causes for a delay in reimbursement is:

- Lack of documentation
- Incomplete documentation
- Unclear documentation

Once your claim has been reviewed, we will send you back a letter indicating any differences. If you disagree with any disallowance, please request any correction within 30 days from the date of the letter.

Any reimbursements that are made, and are found later to be ineligible by HUD or any other regulating entity, must be repaid by the Subrecipient upon request.

5. MATCH

All eligible funding costs, except leasing, must be matched with no less than a 25 percent cash or in-kind contribution. No match is required for leasing. The match requirements apply to project administration funds, along with the traditional expenses—operations, rental assistance, supportive services, and HMIS. Match must be met for each operating year. Match must be submitted with each monthly claim.

Match can be cash or in-kind. Matching funds provided by the Subrecipient must be money provided to the project by one or more of the following: the Subrecipient, the federal government, state and local governments, and/or private resources. Matching funds provided by state or local government used in a matching contribution are subject to maintenance of effort requirements. Match provided by other funding sources must be eligible to be used as match for the CoC program.

For an in-kind match, the Subrecipient may use the value of property, equipment, goods, or services contributed to the project, provided that, if the Subrecipient had to pay for such items with grant funds, the costs would have been eligible. If third-party services are to be used as a match, the Subrecipient and the third-party service provider that will deliver the services must enter into a memorandum of understanding (MOU)—**before the grant is executed**—documenting that the third party will provide such services and value towards the project.

All match must be for eligible activities.

If sufficient match is not included in each monthly claim to meet the required match percentage, DPSS reserves the right to move reimbursement requests to match to fulfill the match requirement.

6. PROGRAM INCOME

Subrecipients may use program income on any eligible costs in Subpart D of the CoC Program Interim Rule. Therefore, Subrecipients are prohibited from using program income on any costs that would not be eligible to charge to the CoC Program grant. Subrecipients must document that the program income was expended in accordance with the requirements of the CoC Program. With each monthly claim the Program Income Report (see attachment) must be submitted to show how the Program Income has been expended. The report will be started with your first 2017 NOFA grant claim and be updated each month and included with each monthly claim. Reimbursement is contingent on the inclusion of this report with each claim.

7. SUPPORTING DOCUMENTATION

The general rule for supporting documentation is that for any program cost that is to be reimbursed (or used as match), provide the invoice which documents that a cost was incurred, and a receipt, or a copy of a check, or a check stub to substantiate the amount paid. Supporting documentation must be **legible, clear, and organized**. DPSS must be able to tie your request to the amounts claimed after each line item on the Claim Form. Costs can only be reimbursed if they have been included in the original Technical Submission/Application.

Documentation for each budget category should be bundled together and identified with a summary sheet or label identifying the Line Item Number or the Activity as listed on the Claim Form. A spreadsheet itemizing the expenses, or at a minimum, an adding machine tape showing the expenses with a matching amount on the claim form is helpful. The clearer the information is that you provide, the quicker we will be able to process the claim.

Fiscal staff reviews each claim for expenses that are:

- Allowable
- Allocable
- Reasonable

DPSS will require proof that due diligence was achieved on the part of the subrecipient to ensure that the purchase is reasonable and was made using the procurement standards found referenced below under Procurement Standards.

12. BUDGET MODIFICATIONS

After the effective date of this Agreement, no changes to program budget, funded homeless service providers, or eligible activities shall be made without prior approval from DPSS. Any changes to this Agreement must be made in writing and approved by DPSS prior to implementing the change. No requests will be approved retroactively.

- **Changes within a Budget Category**

Changes can be made to individual line items within a category, if all of the following conditions are met:

- The total amount of the Agreement does not change;
- The Subrecipient delivers a written request to DPSS, that adequately documents the need for a change and specifically identifies the items to be reduced/increased;
- The modification cannot remove any line item that was included in the original Application or Technical Submission (if applicable);
- Modification requests (i.e., other than rollovers) must be submitted to DPSS no later than forty-five (45) days prior to the end of the grant period.

- **Changes between Budget Categories (up to 10 percent)**

Changes can be made between categories of up to 10 percent over the life of the grant, if all of the following conditions are met:

- The total amount of the Agreement does not change;

- The Subrecipient delivers a written request to DPSS, that adequately documents the need for a change and specifically identifies the categories and line items to be reduced/increased;
- The modification cannot remove any line item that was included in the original Application or Technical Submission (if applicable);
- Modification requests must be submitted to DPSS no later than **ninety (90) days** prior to the end of the grant period.

- **Major Changes**

Changes from the initial application that substantially affect the grant. All requests for major changes must be approved in writing by DPSS prior to implementing the change. No requests will be approved retroactively. The following are examples of significant changes:

- a change in project site;
- additions and deletions of eligible activities;
- a shift of 10 percent or more of funds from one approved activity to another over the life of the grant;
- a change in the target population; or
- a change in the number of participants to be served.

- **Conditions for Approval**

Changes may be approved if all of the following conditions are met:

- The Subrecipient delivers a written request to DPSS, no later than **ninety (90) days** prior to the end of the grant, and adequately documents the need for change; and
- approval is received by HUD.

- **Requests for Approval**

Request will be forwarded to HUD for their approval and any one of the following will take place:

- HUD will approve change as requested;
- HUD will approve change and reduce dollars;
- HUD will deny request.

13. ADVANCES

A one-time advance may be requested *by new projects* for an amount not to exceed 1/12th of the total grant amount (less the DPSS Admin). If an advance is issued it will be recouped with the first six monthly claims that are submitted. 17% of the advance will be recouped from each of the first 5 claims and 15% will be recouped from the 6th claim submitted (if there are not enough funds in a claim to recoup, the difference will be added to the next claim).

1. **Advance Request.** The subrecipient must submit a written request on agency letterhead and complete the DPSS 3106 form. With the request, the subrecipient must also submit their written procedures outlining their process as per the Federal Register 2 CFR Part 200. The procedure must adhere to CFR 2 Part 200.305(b)(1): *The non-Federal entity must be paid in advance, provided it maintains or demonstrates the willingness to maintain both written procedures that minimize the time elapsing between the transfer of funds and disbursement by the non-Federal entity, and financial management systems that meet the standards for fund control and accountability as established in this part. Advance payments to a non-Federal entity must be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the non-Federal entity in carrying out the purpose of the approved program or project. The timing and amount of advance payments must be as close as is administratively feasible to the actual disbursements by the non-Federal entity for direct program or project costs and the proportionate share of any allowable indirect costs. The non-Federal entity must make timely payment to contractors in accordance with the contract provisions.*
2. **Advances are held to a minimum amount from CFR 2 Part 200.305(b)(1):** *Advance payments to a non-Federal entity must be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the non-Federal entity in carrying out the purpose of the approved program or project. The timing and amount of advance payments must be as close as is administratively feasible to the actual disbursements by the non-Federal entity for direct program or project costs and the proportionate share of any allowable indirect costs. The non-Federal entity must make timely payment to contractors in accordance with the contract provisions.*
3. **Advances are held in interest bearing accounts, with interest being returned to HUD annually from CFR 2 Part 200.305(b)(8) and (9):**

(8) The non-Federal entity must maintain advance payments of Federal awards in interest-bearing accounts, unless the following apply:

- (i) The non-Federal entity receives less than \$120,000 in Federal awards per year.*
- (ii) The best reasonably available interest-bearing account would not be expected to earn interest in excess of \$500 per year on Federal cash balances.*
- (iii) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.*
- (iv) A foreign government or banking system prohibits or precludes interest bearing accounts.*

(9) Interest earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually. Interest amounts up to \$500 per year may be retained by the non-Federal entity for administrative expense.

DPSS reserves the right to approve or deny any advance request based on funding availability.

14. SUBCONTRACTS

Subrecipient must provide copies of any subcontracts or MOU's for any services (including In-Kind Match) that will be provided under this grant prior to those services being provided.

B. UNEXPENDED FUNDS AND CLOSE-OUTS

The Subrecipient shall complete all necessary closeout procedures, including the APR, required by DPSS within a period of not more than sixty (60) calendar days from the expiration date of this Agreement. This time period will be referred to as the financial closeout period. After the expiration of the financial closeout period, those funds not paid to the Subrecipient under this Agreement shall be recaptured by HUD. DPSS is not liable for any expenses or costs associated with this Agreement after the expiration of the financial closeout period.

The Subrecipient, if required to have an A-133 audit, shall provide a final financial audit for activities performed under this Agreement within thirty (30) days from finalization of audit.

C. INSPECTION AND AUDITS

1. The Subrecipient shall maintain auditable books, records, documents, and other evidence pertaining to costs and expenses in this Agreement (refer to Recordkeeping Requirements).

2. Authorized representatives of DPSS and the federal government shall have access to any books, documents, papers, electronic data, and other records, which these representatives may determine to be pertinent to this Agreement for the purpose of performing an audit, evaluation, inspection, review, assessment, or examination. These representatives are authorized to obtain excerpts, transcripts, and copies, as they deem necessary. Further, these authorized representatives shall have the right, upon request, to inspect or otherwise evaluate the work performed under this Agreement and the premises in which it is being performed.
3. This access to records includes, but is not limited to, service delivery, referrals, and financial and administrative documents for five (5) years after final payment was made, or until all pending county, state, and federal audits are completed, whichever is later.
4. Should the Subrecipient disagree with any audit conducted by DPSS, the Subrecipient shall have the right to employ a licensed, Certified Public Account (CPA) to prepare and file with DPSS a certified financial and compliance audit (in compliance with generally accepted government auditing standards) of related services provided during the term of this Agreement. The Subrecipient will not be reimbursed by DPSS for such an audit.
5. In the event the Subrecipient does not make available its books and financial records at the location where they are normally maintained, the Subrecipient agrees to pay all necessary and reasonable expenses, including legal fees, incurred by DPSS in conducting any audit.
6. All Agreement deliverables and equipment furnished or utilized in the performance of this Agreement shall be subject to inspection by DPSS at all times during the term of this Agreement. The Subrecipient shall provide adequate cooperation to any employee assigned by DPSS in order to permit their determination of the Subrecipient's conformity with specifications and adequacy of performance and services being provided in accordance with this Agreement.
7. As per 2 CFR Part 200.501 Audit Requirements and HUD Information Bulletin CPD-2018-03, subrecipients must submit a copy of their most current audit report to DPSS within the "earlier of 30 days after receipt of the auditor's report(s), or nine months after the end of the audit period".

D. WITHHELD PAYMENTS

Unearned payments under this Agreement may be suspended or terminated if grant funds to DPSS are suspended terminated, or if the Subrecipient refuses to accept additional conditions imposed on it by HUD or DPSS.

DPSS has the authority to withhold funds under this Agreement pending a final determination by DPSS of questioned expenditures or indebtedness to DPSS arising from past or present agreements between DPSS and the Subrecipient. Upon final determination by DPSS of

disallowed expenditures or indebtedness, DPSS may deduct and retain the amount of the disallowed or indebtedness from the amount of the withheld funds.

Payments to the Subrecipient may be withheld by DPSS if the Subrecipient fails to comply with the provisions of this Agreement.

E. FISCAL ACCOUNTABILITY

The Subrecipient agrees to manage funds received through DPSS in accordance with sound accounting policies; incur and claim only eligible costs for reimbursement; and adhere to accounting standards established in OMB Circular 2 CFR Part 200.

The Subrecipient must establish and maintain on a current basis an accrual accounting system in accordance with generally accepted accounting principles and standards. Further, the Subrecipient must develop an accounting procedure manual. Said manual shall be made available to DPSS upon request or during fiscal monitoring visits.

F. AVAILABILITY OF FUNDING

Funding for this Agreement is subject to the continuing availability of funds provided to DPSS during the Agreement period. DPSS will inform the Subrecipient, immediately upon notice from HUD, of any limitation of the availability of funds. Both parties understand that DPSS makes no commitment to fund this project beyond the term of this Agreement.

G. REPORTING

Reporting due dates are determined by a project's operating start date. Each year is funded separately, and funds cannot be automatically rolled over from one year to another. Additionally, funds may only be rolled over within the same multi-year grant contract; funds may not be rolled over from one contract to another. Please note that different programs have different operating start dates.

1. The Subrecipient agrees to complete the Annual Performance Report (APR) in e-snaps, SAGE or any other system designated by HUD and submit to DPSS an electronic copy within sixty (60) days after the end of each operating year. Failure to submit an APR may lead to a delay in receiving future grant funds. Upon review for completeness and accuracy, DPSS will submit the APR to HUD as required.
2. Additional reports may be requested at any time by DPSS and/or HUD to meet other applicable reporting or audit requirements, as well as evaluating project performance.

H. RECORDKEEPING REQUIREMENTS

The Subrecipients must establish and maintain standard operating procedures for ensuring that Continuum of Care program funds are used in accordance with the recordkeeping requirements and must establish and maintain sufficient records to enable DPSS/HUD to determine whether the Subrecipient is meeting the requirements of 24 CFR Part 578.103.

1. The Subrecipient must maintain and follow written intake procedures to ensure program compliance. The procedures must require documentation at intake of the evidence relied upon to establish and verify homeless or chronically homeless status. The procedures must establish the order of priority for obtaining evidence as third-party documentation first, intake worker observations second, and certification from the person seeking assistance third. Records contained in an HMIS, or comparable database used by victim service or legal service providers, are acceptable evidence of third-party documentation and intake worker observations if the HMIS, or comparable database, retains an auditable history of all entries, including the person who entered the data, the date of entry, and the change made, and if the HMIS prevents overrides or changes of the dates on which entries are made.
2. As part of the Chronically Homeless definition, evidence that the individual is a homeless individual with a disability must include documentation at intake of the evidence relied upon to establish and verify the disability of the person applying for homeless assistance. Acceptable evidence of the disability includes written verification of the disability from a professional licensed by the state to diagnose and treat the disability and his or her certification that the disability is expected to be long-continuing or of indefinite duration and substantially impedes the individual's ability to live independently; written verification from the Social Security Administration; the receipt of a disability check (e.g., Social Security Disability Insurance check or Veteran Disability Compensation); intake staff-recorded observation of disability that, no later than 45 days from the application for assistance, is confirmed and accompanied by the required evidence.
3. Subrecipient must ensure that records of all grant activities are complete and correct to enable DPSS/HUD to determine whether recipient and Subrecipients are meeting CoC Program Interim Rule requirements and must be retained for the five (5) years after final payment has been made or until all pending DPSS, state, and federal audits, if any, are completed, whichever is later. If a restrictive covenant is in effect, records shall be maintained until the covenant expires.

The Subrecipient agrees to keep all records containing protected information secure and confidential.

4. Program participant records. In addition to evidence of homeless or chronically homeless status, as applicable, the Subrecipient must keep records for each program participant that document:

- Coordinated Entry System. Subrecipients must retain evidence of referral received from Coordinated Entry System and/or HomeConnect that initiated program assistance.
- Services provided. All services, assistance and type of supportive services provided to the program participant, including evidence that the Subrecipient has conducted an annual assessment of services for those program participants that remain in the program for more than a year and adjusted the service package accordingly, and including case management services as provided in § 578.37(a)(1)(ii)(F). Where applicable, compliance with the termination of assistance requirement in § 578.91.
- Annual income. For each program participant who receives housing assistance where rent or an occupancy charge is paid by the program participant, the Subrecipient must keep the documentation of annual income specified by HUD and completed by the Subrecipient; and source documents (e.g., most recent wage statement, unemployment compensation statement, public benefits statement, bank statement) for the assets held by the program participant and income received before the date of the evaluation; to the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., employer, government benefits administrator) or the written certification by the Subrecipient's intake staff of the oral verification by the relevant third party of the income the program participant received over the most recent period; or to the extent that source documents and third-party verification are unobtainable, the written certification by the program participant of the amount of income that the program participant is reasonably expected to receive over the 3-month period following the evaluation. Income of program participants must be calculated in accordance with 24 CFR 5.609 and 24 CFR 5.611(a).
- Calculation of occupancy charges. The Subrecipient must retain evidence of compliance with the § 578.77 Calculating occupancy charges and rent, if occupancy charges are imposed.
- Utility allowance. For all utility allowance calculations, Subrecipients must utilize the most current utility allowance charts provided by the Housing Authority of the County of Riverside (see attachment).
- Housing standards. The Subrecipient must retain documentation of compliance with the housing standards in § 578.75(b), including inspection reports.
- Occupancy agreements and leases. Subrecipient must retain all signed occupancy agreements or leases for program participants residing in housing.

I. PARTICIPATION IN COORDINATED ENTRY SYSTEM

CoC funded projects are required to participate in the local Coordinated Entry System. As defined by HUD:

“Coordinated entry is a key step in assessing the needs of homeless individuals and families and prioritizing them for assistance. In addition to engaging people who are seeking assistance, Coordinated Entry processes should be integrated with communities’ outreach work to ensure that people living in unsheltered locations are prioritized for help. Coordinated Entry should achieve several goals:

- make it easier for persons experiencing homelessness or a housing crisis to access the appropriate housing and service interventions;
- prioritize persons with the longest histories of homelessness and the most extensive needs;
- lower barriers to entering programs or receiving assistance; and,
- ensure that persons receive assistance and are housed as quickly as possible.

J. ASSESSMENT AND MONITORING

Riverside County is on record the applicant and grantee for the HUD grant funds. As such, the Riverside County DPSS is responsible for ensuring that the funds received by Subrecipients are utilized according to federal law and policy, and that goals established in the Project Application, Technical Submission, and Contract are being met. To ensure that the County and Subrecipients comply with HUD and all applicable policies, DPSS will conduct on-site program, financial, and contract compliance monitoring visits at least once annually.

Reviews will be conducted by representatives from the Homeless Programs Unit (lead) and the Subrecipient’s liaison from the Fiscal Unit. The purpose of the monitoring visit is to assess how well the Subrecipient is implementing its grant and/or to offer technical assistance.

In preparation for the on-site monitoring visit, the monitoring team will contact the Subrecipient to arrange a mutually convenient date for the visit, explain the purpose of the monitoring visit, and provide an advance copy of the monitoring tool.

The County will follow a monitoring plan and conduct a Monitoring Visit Entrance Meeting and Exit Meeting. During the Entrance meeting, the monitoring team will meet Subrecipient key personnel and provide an overview of the review process. At the Exit meeting, the County will review and comment on areas which might be a finding or a concern during the visit.

DPSS will prepare Monitoring Report for the review not later than thirty (30) days after the visit. The Subrecipient will be given, if appropriate, thirty (30) days to respond to the report, including submission of a corrective action plan to address concern/finding.

Subrecipients agree to facilitate and be subject to monitoring grant activities by DPSS to ensure compliance with applicable CoC Program regulations and requirements. In addition, projects

will be evaluated for HUD System Performance Measures outcome. The monitoring must cover each program, function or activity.

1. An onsite monitoring visit of the homeless service provider shall occur whenever deemed necessary by DPSS, but at least once during the grant period.
2. DPSS will monitor the performance of the Subrecipient based on a risk assessment and according to the terms of this Agreement.
3. DPSS will monitor the Subrecipient and funded project based on the performance measures used by HUD in the Continuum of Care Program. In the event that project-level or system-wide performance consistently remains in the lowest quartile compared to all participant Service Areas in the Continuum of Care allocation, DPSS will work collaboratively with the Subrecipient to develop performance improvement plans which will be incorporated into this Agreement.
4. If it is determined that a Subrecipient falsified any certification, application and/or client information, financial, or contract report, the Subrecipient shall be required to reimburse the full amount of the CoC award to DPSS, and may be prohibited from any further participation in the CoC Program. DPSS may impose any other actions permitted under 24 CFR 576.501 (c).

K. HOUSING QUALITY STANDARDS

Subrecipients of CoC Program grant funds must abide by Housing Quality Standards (HQS) and suitable dwelling size required under 24 CFR 982.401 and § 578.75 General Operations of the Continuum of Care Program Interim Rule. In addition, Subrecipients must provide housing or services that comply with all applicable State and local housing codes, licensing requirements, and any other requirements in the project's jurisdiction.

Subrecipients prior to providing assistance on behalf of a program participant must physically inspect each unit to assure that the unit meets housing quality standards. This requirement is designed to ensure that program participants are placed in housing that is suitable for living.

Housing provided to a CoC program participant must be decent, safe, and sanitary. This applies to leased housing and where rental assistance payments are made. § 578.75(b)

Assistance will not be provided for units that fail to meet HQS, unless the owner corrects any deficiencies within 30 days from the date of the initial inspection and the recipient or Subrecipient verifies that all deficiencies have been corrected.

Subrecipients must follow the HQS General Requirements listed below and must complete HUD 52580 HQS Inspection Checklist (24 CFR § 982.401). See Attachment on page 20.

1. Sanitary facilities;

2. Food preparation and refuse disposal;
3. Space and security;
4. Thermal environment;
5. Illumination and electricity;
6. Structure and materials;
7. Interior air quality;
8. Water supply;
9. Lead-based paint;
10. Access;
11. Site and neighborhood;
12. Sanitary condition; and
13. Smoke Detectors.

Following are the types of inspections to be performed:

1. Initial: An inspection that must take place to ensure that the unit passes HQS before assistance can begin; this inspection is conducted upon receipt of Request for Tenancy Approval;
2. Annual: An inspection to determine that the unit continues to meet HQS; this inspection must be conducted within 12 months of the last annual inspection;
3. Complaint: An inspection caused by the authority receiving a complaint from any source regarding the unit by anyone;
4. Special/Quality Control: An inspection requested/conducted by a third party.

DPSS will verify that the initial and annual inspections were conducted during project monitoring which will occur approximately 6 months after project implementation. DPSS will monitor Housing Quality Standards (HQS) in accordance with the Code of Federal Regulations 24 CFR 578.75(b) and 24 CFR Part 982, by conducting quality control inspections for a sample of ten percent (10%) of a project's actively enrolled units, to meet HUD requirements. The purpose of Quality Control inspections is to ascertain that Subrecipients are conducting accurate and complete inspections, and to ensure that there is consistency among inspectors in the application of HQS.

L. LEASE AGREEMENT

Lease agreement is a statutory requirement and requires a lease that has an initial term of at least one year, is renewable, and is terminable only for cause. The leases must be automatically renewable upon expiration for terms that are a minimum of one month long, except on prior notice by either party.

Subrecipient must retain a copy of a duly executed lease-agreement in the participant's file.

M. RENT REASONABLENESS

The Subrecipient must determine whether the rent charged for the unit receiving rental assistance is reasonable in relation to rents being charged for comparable unassisted units, taking into account the location, size, type, quality, amenities, facilities, and management and maintenance of each unit. Reasonable rent must not exceed rents currently being charged by the same owner for comparable unassisted units. Per § 578.51 (g) of the Continuum of Care Interim Rule.

The Subrecipient agrees to obtain and retain records of rent reasonableness for all CoC Program participants prior to providing assistance.

N. HEARTH ACT COMPLIANCE

This section is to ensure compliance with the requirements of the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH Act): Continuum of Care (CoC) Program Interim Rule.

1. Participation of Homeless Individuals

The HEARTH Act CoC Program Interim Rule states that the recipient or Subrecipient must document its compliance with the homeless participation requirements under § 578.75(g), which is as follows:

Participation of homeless individuals.

1. Each Subrecipient must provide for the participation of not less than one homeless individual or formerly homeless individual on the board of directors or other equivalent policymaking entity of the Subrecipient, to the extent that such entity considers and makes policies and decisions regarding any project, supportive services, or assistance provided under this part. This requirement is waived if a Subrecipient is unable to meet such requirement and obtains HUD approval for a plan to otherwise consult with homeless or formerly homeless persons when considering and making policies and decisions.
2. Each Subrecipient of assistance under this part must, to the maximum extent practicable, involve homeless individuals and families through employment; volunteer services; or otherwise in constructing, rehabilitating, maintaining, and operating the project, and in providing supportive services for the project.

2. Faith-Based Activities

Pursuant to Section 8406 (b) (2) of the State Regulations, Subrecipient shall not require, as a condition of Program Participant housing, participation by Program Participants in any religious or philosophical ritual, service, meeting or rite.

The HEARTH Act CoC Program Interim Rule states that the Subrecipient must document its compliance with faith-based activities requirements under § 578.87(b), which is as follows:

Faith-based activities.

1. Equal treatment of program participants and program beneficiaries.
 - (i) Program participants. Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the Continuum of Care program. Neither the Federal Government nor a State or local government receiving funds under the Continuum of Care program shall discriminate against an organization on the basis of the organization's religious character or affiliation. Recipients and Subrecipients of program funds shall not, in providing program assistance, discriminate against a program participant or prospective program participant on the basis of religion or religious belief.
 - (ii) Beneficiaries. In providing services supported in whole or in part with federal financial assistance, and in their outreach activities related to such services, program participants shall not discriminate against current or prospective program beneficiaries on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.
2. Separation of explicitly religious activities. Subrecipients of Continuum of Care funds that engage in explicitly religious activities, including activities that involve overt religious content such as worship, religious instruction, or proselytization, must perform such activities and offer such services outside of programs that are supported with federal financial assistance separately, in time or location, from the programs or services funded under this part, and participation in any such explicitly religious activities must be voluntary for the program beneficiaries of the HUD-funded programs or services.
3. Religious identity. A faith-based organization that is a Subrecipient of Continuum of Care program funds is eligible to use such funds as provided under the regulations of this part without impairing its independence, autonomy, expression of religious beliefs, or religious character. Such organization will retain its independence from federal, State, and local government, and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use direct program funds to support or engage in any explicitly religious activities, including activities that involve overt religious content, such as worship,

religious instruction, or proselytization, or any manner prohibited by law. Among other things, faith-based organizations may use space in their facilities to provide program-funded services, without removing or altering religious art, icons, scriptures, or other religious symbols. In addition, a Continuum of Care program-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

3. Involuntary Family Separation

The HEARTH Act CoC Program Interim Rule states that the recipient or subrecipient must document its compliance with involuntary family separation requirements under § 578.93(e), which is as follows:

(e) Prohibition against involuntary family separation. The age and gender of a child under age 18 must not be used as a basis for denying any family's admission to a project that receives funds under this part.

4. Discrimination Policy

Federal and California State laws note that discrimination can be based on race, color, national origin or gender. Discrimination can also be based on age, religion, disability, familial status or sexual orientation.

O. HOUSING FIRST

The Housing First model prioritizes rapid placement and stabilization in permanent housing that does not have service participation requirements or preconditions. This means projects must allow entry to program participants regardless of their income, current or past substance use, history of victimization (e.g., domestic violence, sexual assault, childhood abuse), and criminal record – with the exception of restrictions imposed by federal, state or local law or ordinance (e.g., restrictions on serving people who are listed on sex offender registries).

Subrecipients must commit to applying the Housing First model to all CoC Program funded projects.

P. ENVIRONMENTAL REQUIREMENTS

The Subrecipient shall supply all available, relevant information necessary for DPSS to perform for each property any environmental review as required under 24 CFR Part 50. The Subrecipient shall also carry out mitigating measures required by DPSS or select an alternate eligible property.

The Subrecipient, or any subcontractor of the Subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project, or commit or local funds for eligible activities under this part, until HUD has performed an environmental review under 24 CFR Part 50 and the Subrecipient has received HUD approval of the property.

For all funded applications, DPSS will inform the Subrecipient of any required additional environmental review.

Q. TERMINATION OF ASSISTANCE TO PROGRAM PARTICIPANTS

The interim rule provides that a recipient may terminate assistance to a participant who violates program requirements or conditions of occupancy. The recipient must provide a formal process that recognizes the due process of law. Recipients may resume assistance to a participant whose assistance has been terminated. Recipients that are providing permanent supportive housing for hard-to-house populations of homeless persons must exercise judgment and examine all circumstances in determining whether termination is appropriate. Under this interim rule, HUD has determined that a participant's assistance should be terminated only in the most severe cases.

R. PROJECT RENEWALS

If the Subrecipient wishes to renew its contract with Riverside County DPSS, the Subrecipient will need to apply through the HUD NOFA (Notice of Funding Availability) competitive process during the final year of the active grant.

All approved renewal applications will be submitted as part of the County's Consolidated Application. Problems that could prevent a program from being submitted for renewal, or receiving a low ranking score include, but are not limited to, failure to meet program goals, low performance, mismanagement of funds, or failure to serve the population targeted in the project application.

During the application process, all applications are evaluated and ranked by an independent review panel. The review and evaluation process is approved by the CoC Board of Governance and include evaluation of project performance, compliance with rules and regulations and cost effectiveness.

S. CRIMINAL BACKGROUND

The Subrecipient providing services to minors is required to conduct criminal background records checks on all employees, subcontractors, and volunteers providing services under the Continuum of Care Program. Subrecipient must retain a copy of a criminal background records verification and available for review by DPSS.

Additional Information

Now that you have completed Part 1 of the application, please review Parts 2-7, which are in Read Only mode. Screen 3C, which is mandatory for all PH-PSH projects and screens 6D, 7A and 7B which are mandatory for all projects will be editable and must be answered prior to submission.

Once you are done reviewing, you will be guided to a "Submissions without Changes" screen. At this screen if you decide no edits or updates are required to any screens other than the mandatory questions for 3C and/or 6D,7A and 7B, you are allowed to submit the application without ever needing to edit the rest of the application. However, if you determine that changes need to be made to the application, we have given you the ability to open up individual screens for edit, instead of the entire application.

Once you select the screens you want to edit via checkboxes, you will click "Save", and those screens will be available for edit. An important reminder, once you make those selections and click "Save", you cannot uncheck those boxes. You are allowed to select additional boxes even after saving your initial selections. Again, you must click "Save" for those newly selected screens to be available for edit.

If your project is a First Time Renewal, your project will not be able to utilize the "Submit Without Changes" function. The Submissions Without Changes page will be automatically set to "Make Changes" and you will be required to input data into the application for all required fields relevant to the component type.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

The Housing Authority (HACR) proposes to renew the Project Based grant with Operation Safehouse of the Desert (Proj. Based w/ OSH). This project proposes to serve 13 homeless youth (ages 18-24) with a disability. The project has dedicated 2 beds to chronically homeless youth and commits to serving additional youth with grant savings. The project site is at two locations, 72695 La Canada Way, Thousand Palms, CA, and 4509 Main Street, Riverside, CA; this allows for greater flexibility in offering client choice in linking to supportive services while maintaining the participant rooted in the community of their choice.

With a funding allocation of \$72,803, HACR provides project-based rental assistance and partners with Operation Safehouse of the Desert to coordinate supportive services. Since the renewal funding can only support 6 youth, the goal will be to identify youth who can be transitioned to regular Section 8 vouchers through the Housing Authority's "Moving-On Preference" which allows for households who have utilized a special rental assistance program for at least 1 year and no longer require supportive services. To align with HUD's policy priorities established through Opening Doors, HACR endeavors to work collaboratively with Operation Safehouse of the Desert to implement a Housing First model and remove program entry barriers to better serve the homeless youth of Riverside County. The project will commit to serving homeless youth without preconditions for sobriety, mental health stability, or criminal background (with exceptions for state or federally mandated restrictions). The partnership is also moving towards implementing a Housing First model in supportive services where goals are encouraged and set collaboratively with the participant, but not required; participants will continue to be encouraged to make positive behavioral changes to support independent living, avoid lease violations, promote health and wellness, and achieve a greater level of self-determination. Aligning with HUD's national Opening Doors policy to serve homeless youth under a Housing First model is a big step forward, certainly a welcome one, which will allow the project to reach and serve the youth most in need of this intervention.

The project is committed to filling units using the Coordinated Entry's prioritization system for CH individuals/families utilizing a universal assessment tool (VI-SPDAT). Going forward, in accordance with CPD 14-012, also adopted by the Riverside County Continuum of Care earlier this year, the project will prioritize and serve individuals with the longest lengths of homelessness and greatest service barriers. Both partners will also participate in the CES weekly navigation meetings.

3C. Dedicated Plus

Dedicated and DedicatedPLUS

A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.
