BACKGROUND:

Summary

By Minute Order dated July 17, 2018 (Agenda Item 3.48), the County of Riverside (County) Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Temescal Canyon Road Widening Projects, and for the Temescal Canyon Road Drainage Improvement Project at Coldwater Creek located within the Community of Temescal Valley.

The project includes widening of two segments of Temescal Canyon Road from two to four travel lanes between Dawson Canyon Road and Dos Lagos Drive in the community of Temescal Valley as described below:

1. Dawson Canyon Road to 0.7 miles north (Dawson Canyon Segment)
2. Dos Lagos Drive to Leroy Road (Dos Lagos Segment)

The work also includes applying a slurry seal and new pavement striping to the existing four-lane roadway between the above two segments as part of the Dawson Canyon Segment plans, and the installation of drainage facilities as part of the Temescal Canyon Road Drainage Improvement at Coldwater Creek.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,

During the advertisement period, six addenda were issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account issued addenda on their Contractor's Bid in order to be considered for award. The addenda were issued to clarify and modify the approved contract documents. The addendum are attached and designated as Addendum No. 1, 2, 3, 4, 5 and 6.

The contractor, Bador Construction Company is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents, which meet the requirements of the Contract.

The Contract will include the following schedules of work:

Impact on Residents and Businesses

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Since the expansion of I-15 from Cajalco Road to Lake Elsinore is not anticipated to be completed in the foreseeable future, the widening of Temescal Canyon Road from two to four lanes is the only available short term strategy to ease congestion. Construction activities will strive to minimize impacts by maintaining one lane of travel in each direction during peak hours. The proposed improvements will increase safety, reduce vehicle emissions, improve access for emergency service responders, and improve the quality of life for residents and commuters along the Temescal Valley corridor.

Full road closure is required for the installation of the two reinforced concrete boxes under the road at Coldwater Creek. The public will be notified and the Department will coordinate with the community, and local companies with trucking operations, in advance of the full closure of Temescal Canyon Road between Glen Ivy Road and Trilogy Parkway.

The Widening Projects work is scheduled to begin in the Fall of 2018, and the Drainage Improvement Project will begin in the Summer of 2019. The projects will take approximately ten months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The contract is recommended to be awarded to Beador Construction Company for the total amount of \$13,581,730.

The project will be funded with local Measure A Regional Arterial (MARA) funds, State Senate Bill 1 Local Partnership Program (SB1 LPP) funds, DIF AP6 Major Improvements Funds - Temescal Canyon Area, Transportation Uniform Mitigation Fee (TUMF) Northwest zone funds, Temescal Valley Community funds, and Gas Tax/HUTA. The Alternative Bid Schedules A, and C-D will be 100% funded by each agency responsible for the cost of the utility adjustments and relocations, which include the City of Corona, TVWD, EVMWD, and SAWPA, no County funds will be used for these alternatives.

City of Corona approved the Funding Agreement in the amount of \$419,070.12 at their October 17th, 2018 City Council Meeting, and is on this board agenda as a separate item.

TVWD approved the Funding Agreement in the amount of \$384,610.88 at their October 23rd, 2018 Board of Directors Meeting, and is on this board agenda as a separate item.

EVMWD approved the Funding Agreement in the amount of \$413,379.13 at their October 26th, 2018 Board Meeting, and is on this board agenda as a separate item.

SAWPA funds were authorized via Letter Agreement executed on October 4, 2018 in the amount of \$47,286.70. The Director of Transportation has the authority to sign reimbursement agreements up to \$50,000 per Minute Order dated February 28, 2006 (Agenda Item 3.52).

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The project is expected to be completed within the proposed budget as shown on Attachment "A", which includes the contract award amount and other associated costs.

There are no General Funds used in this project.

Contract History and Price Reasonableness

Four bids were received ranging from \$13,988,730 to \$17,217,571. The basis for the selection of a contractor is the lowest responsive and responsible bid.

All received bids were responsive to the bidding requirements set forth for the project. The lowest responsible bid was submitted by Beador Construction Company in the amount of \$13,988,730 which is \$1,204,221 (8%) below the Engineer's Estimate. However the contract award amount is \$13,581,730 which is 1,409,721 (9.4%) below the Engineer's Estimate.

Comments

The Temescal Canyon Drainage Project was originally awarded for construction with the Temescal Canyon Left Turn Widening Project per Minute Order 3-49 of July 26, 2016. The construction of the Drainage Project was delayed due to the wet winter of 2017, long delays in the submittal and fabrication process of the reinforced concrete drainage boxes, and challenges with the timely execution of the road closure that was necessary for construction. Due to these delays, the contractor missed the summer school recess window for construction. Residents impacted by the construction requested that the project be postponed until summer to reduce traffic impacts. The Drainage Project is now being rebid with a Summer 2019 construction window.

COMMERCIAL EXCESS LIABILITY POLICY

Various provisions in this policy restrict coverage. Read the entire policy and any underlying insurance carefully to determine rights, duties and what is covered and not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations and any other person or organization qualifying as an Insured under the "Underlying Insurance". The words "we" and "us" refer to the COMPANY shown in the DECLARATIONS. Other words and phrases that appear in quotation marks have special meanings. Refer to Definitions (SECTION V).

SECTION I – EXCESS LIABILITY INSURANCE

1. Insuring Agreement

- a. We will pay those sums in excess of the limits shown in Item 6 of the Declarations, Schedule of Underlying Insurance, that you become legally obligated to pay as damages because of injury to which this insurance applies, provided that the "Underlying Insurance" also applies, or would apply but for the exhaustion of its applicable Limits of Insurance.
- b. This insurance is subject to the same terms, conditions, agreements, exclusions and definitions as the "Underlying Insurance", except:
 - (1) We will have no obligation under this insurance with respect to any claim or suit that is settled without our consent; and
 - (2) With respect to any provisions to the contrary contained in this insurance.
- c. The amount we will pay for damages shall not exceed the Limits of Insurance stated in Item 4. of the Declarations.
- d. We will have the right to participate in the defense of claims or suits against you seeking damages because of injury to which this insurance may apply. We will have a duty to defend such claims or suits when the applicable limit of insurance of the "Underlying Insurance" has been exhausted by payment of judgments, settlements and any cost or expense subject to such limit. We may, at our discretion, investigate and settle any claim or suit. Our right and duty to defend end when the applicable limit shown in the Declarations has been used up by our payment of judgments or settlements.

SECTION II – EXCLUSIONS

The exclusions applicable to the "Underlying Insurance" also apply to this insurance.

SECTION III – LIMITS OF INSURANCE

1. The Limit of Insurance shown in the Declarations as EACH OCCURRENCE is the most we will pay for damages arising out of any one occurrence or offense.
2. The Limit of Insurance shown in the Declarations as AGGREGATE WHERE APPLICABLE shall apply in the same manner as the aggregate limits shown in the SCHEDULE OF UNDERLYING INSURANCE.

SECTION IV – CONDITIONS

If any of the following conditions are contrary to conditions contained in the "Underlying Insurance" the provisions contained in this policy apply.

1. Appeals

In the event the underlying insurer(s) elects not to appeal a judgment in excess of the limits of the "Underlying Insurance", we may elect to make such an appeal. If we so elect, we shall be liable, in addition to the applicable Limits of Insurance, for all defense expenses we incur.

2. Maintenance of "Underlying Insurance"

- a. You agree to maintain the "Underlying Insurance" in full force and effect during the term of this policy, and to inform us within 30 days of any replacement or material change of that "Underlying Insurance" by the same or another company. If you do not maintain the "Underlying Insurance" in full force and effect or fail to meet all conditions and warranties of such "Underlying Insurance", this policy shall apply as if those policies were available and collectible.
- b. Reduction or exhaustion of the aggregate limit of any "Underlying Insurance" by payments for judgments, settlements or any costs or expenses subject to that limit, will not be a failure to maintain "Underlying Insurance" in full force and effect.
- c. No statement contained in this condition limits our right to cancel or not renew this policy.

For purposes of this policy, if any "Underlying Insurance" is not available or collectible because of:

- a. the bankruptcy or insolvency of the underlying insurer(s) providing such "Underlying Insurance"; or
- b. the inability or failure for any other reason of such underlying insurer(s) to comply with any of the obligations of its policy;

then this policy shall apply (and amounts payable hereunder shall be determined) as if such "Underlying Insurance" were available and collectible.

3. Other Insurance

This insurance is excess over any other valid and collectible insurance whether primary, excess, contingent or any other basis, except other insurance written specifically to be excess over this insurance.

4. Cancellation

1. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering advance written notice of cancellation to us.
2. We may cancel this policy by mailing or delivering written notice of cancellation to the first Named Insured at least:
 - a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or
 - b. 60 days before the effective date of cancellation if we cancel for any other reason.
3. We will mail or deliver our notice to the Named Insured's last mailing address known to us.
4. Notice of cancellation will state the effective date of cancellation. The policy will end on that date.
5. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.
6. If notice is mailed, proof of mailing will be sufficient proof of notice.

5. Policy Period

This insurance will respond to injury or damage that occurs, or arises from an offense committed, during the Policy Period shown in the Declarations.

SECTION V – DEFINITIONS

1. "Underlying Insurance" means the policies or self-insurance listed in the Schedule of Underlying Insurance, any replacements thereof and other policies purchased or issued for newly acquired or formed organizations. Policies purchased or issued replacements of policies or self-insurance listed in the Schedule of Underlying Insurance or for newly acquired or formed organizations shall not be more restrictive than those listed in the Schedule of Underlying Insurance. All "Underlying Insurance" shall be maintained by you in accordance with Condition 2. of this policy.

We have officially signed this policy below. This policy is not valid unless countersigned on the Declaration page by our fully authorized representative.
