

FEDERALLY REQUIRED LEASE PROVISIONS

1. The Lessee for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that in the event facilities are constructed, maintained, or otherwise operated on the said property described in this lease agreement for a purpose for which a U.S. Department of Transportation (DOT) program or activity is extended or for another purpose involving the provision of similar services or benefits, the Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
2. The Lessee for himself, his personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that: (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, and (3) that the Lessee shall use the premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-Discrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
3. That in the event of breach of any of the above nondiscrimination covenants, the County of Riverside, herein called the County, shall have the right to terminate the lease agreement and to reenter and repossess said land and the facilities thereon, and hold the same as if said lease agreement had never been made or issued. This provision does not become effective until the procedures of 49 CFR Part 21 are followed and completed, including expiration of appeal rights.
4. The Lessee shall furnish its accommodations and/or services on a fair, equal, and not unjustly discriminatory basis to all users thereof, and it shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or service; provided, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

5. Non-compliance with Provision 4 above shall constitute a material breach thereof, and in the event of such noncompliance, the County shall have the right to terminate this lease agreement and the estate thereby created without liability therefore or, at the election of the County or the United States, either or both said Governments shall have the right to judicially enforce these Provisions.
6. The Lessee agrees that it shall insert the above five provisions in any sublease agreement by which said Lessee grants a right or privilege to any person, firm, or corporation to render accommodations and/or services to the public on the premises herein leased.
7. The Lessee assures that it will undertake an affirmative action program as required by 14 CFR Par 152, Subpart E, to ensure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Lessee assures that it will require that its covered suborganizations provide assurances to the Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR 152, Subpart E, to the same effort.
8. The County reserves the right to further develop or improve the landing area of the airport as it sees fit, regardless of the desires or view of the Lessee and without interference or hindrance.
9. The County reserves the right, but shall not be obligated to the Lessee, to maintain and keep in repair the landing area of the airport and all publicly-owned facilities of the airport, together with the right to direct and control all activities of the Lessee in this regard.
10. This lease agreement shall be subordinate to the provisions and requirements of any existing or future agreement between the County and the United States relative to the development, operation, or maintenance of the airport.
11. There is hereby reserved to the County, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the premises herein leased. This public right of flight shall include the right to cause in said airspace any noise inherent in the operation of any aircraft used for navigation or flight through the said airspace or landing at, taking off from, or operating on the French Valley Airport.

12. The Lessee agrees to comply with the notification and review requirements covered in Part 77 of the Federal Aviation Regulations in the event future construction of a building is planned for the leased premises, or in the event of any planned modification or alteration of any present or future building or structure situated on the leased premises.
13. The Lessee, by accepting this lease agreement, expressly agrees for itself, its successors and assigns that it will neither erect nor permit the erection of any structure or object, nor permit the growth of any tree, on land leased hereunder with a height that exceeds the height limitation formula specified in Part 77 of the Federal Aviation Regulations without first obtaining the approval of the DOT and the County, which approval can be sought by submitting FAA Form 7460-1 (copy attached). In the event that the aforesaid covenants are breached, the County reserves the right to enter upon the land leased hereunder and to remove the offending structure or object and cut the offending tree, all of which shall be at the expense of the Lessee.
14. The Lessee, by accepting this lease agreement, agrees for itself, its successors and assigns that it will not make use of the leased premises in any manner, which might interfere with the landing and taking off of aircraft from French Valley Airport or otherwise constitute a hazard. In the event that the aforesaid covenant is breached, the County reserves the right to enter upon the premises hereby leased and to cause the abatement of such interference at the expense of the Lessee.
15. It is understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 308a of the Federal Aviation Act of 1958 (49 USC 1349a)
16. This lease agreement and all the provisions hereof shall be subject to whatever right the United States Government now has or in the future may have or acquire affecting the control, operation, regulation, and taking over of said airport or the exclusive or non-exclusive use of the airport by the United States during time of war or national emergency.

INSTRUCTIONS FOR COMPLETING FAA FORM 746

PLEASE TYPE or PRINT

ITEM #1. Please include the name, address, and phone number of a personal contact point as well as the company name.

ITEM #2. Please include the name, address, and phone number of a personal contact point as well as the company name.

ITEM #3. New Construction would be a structure that has not yet been built.

Alteration is a change to an existing structure such as the addition of a side mounted antenna, a change to the marking and lighting, a change to power and/or frequency, or a change to the height. The nature of the alteration shall be included in ITEM #21 "Complete Description of Proposal".

Existing would be a correction to the latitude and/or longitude, a correction to the height, or if filing on an existing structure which has never been studied by the FAA. The reason for the notice shall be included in ITEM #21 "Complete Description of Proposal".

ITEM #4. If Permanent, so indicate. If Temporary, such as a crane or drilling derrick, enter the estimated length of time the temporary structure will be up.

ITEM #5. Enter the date that construction is expected to start and the date that construction should be completed.

ITEM #6. Please indicate the type of structure. **DO NOT LEAVE BLANK.**

ITEM #7. In the event that obstruction marking and lighting is required, please indicate type desired. If no preference, check "other" and indicate "no preference". **DO NOT LEAVE BLANK.** NOTE: High intensity lighting shall be used only for structures over 500' AGL. In the absence of high intensity lighting for structures over 500' AGL, marking is also required.

ITEM #8. If this is an existing tower that has been registered with the FCC, enter the FCC Antenna Structure Registration number here.

ITEM #9. and #10. Latitude and longitude must be geographic coordinates, accurate to within the nearest second or to the nearest hundredth of a second if known. Latitude and longitude derived solely from a hand-held GPS instrument is NOT acceptable. A hand-held GPS is only accurate to within 100 meters (328 feet) 95 per cent of the time. This data, when plotted, should match the site depiction submitted under ITEM #20.

ITEM #11. NAD 83 is preferred; however, latitude/longitude may be submitted in NAD 27. Also, in some geographic areas where NAD 27 and NAD 83 are not available other datums may be used. It is important to know which datum is used. **DO NOT LEAVE BLANK.**

ITEM #12. Enter the name of the nearest city/state to the site. If the structure is or will be in a city, enter the name of that city/state.

ITEM #13. Enter the full name of the nearest public-use (not private-use) airport (or heliport) or military airport (or heliport) to the site.

ITEM #14. Enter the distance from the airport or heliport listed in #13 to the structure.

ITEM #15. Enter the direction from the airport or heliport listed in #13 to the structure.

ITEM #16. Enter the site elevation above mean sea level and expressed in whole feet rounded to the nearest foot (e.g. 17' 3" rounds to 17, 176" rounds to 18'). This data should match the ground contour elevations for site depiction submitted under ITEM #20.

ITEM #17. Enter the total structure height above ground level in whole feet rounded to the next highest foot (e.g. 173" rounds to 18'). The total structure height shall include anything mounted on top of the structure, such as antennas, obstruction lights, lightning rods, etc.

ITEM #18. Enter the overall height above mean sea level and expressed in whole feet. This will be the total of ITEM #16 + ITEM #17.

ITEM #19. If an FAA aeronautical study was previously conducted, enter the previous study number.

ITEM #20. Enter the relationship of the structure to roads, airports, prominent terrain, existing structures, etc. Attach an 8-1/2" X 11" non-reduced copy of the appropriate 7.5 minute U.S. Geological Survey (USGS) Quadrangle Map MARKED WITH A PRECISE INDICATION OF THE SITE LOCATION. To obtain maps, Contact USGS at 1-800-435-7627 or via Internet at "http://mapping.usgs.gov". If available, attach a copy of a documented site survey with the surveyor's certification stating the amount of vertical and horizontal accuracy in feet.

ITEM #21.

- For transmitting stations, include maximum effective radiated power (ERP) and all frequencies.
- For antennas, include the type of antenna and center of radiation (Attach the antenna pattern, if available).
- For microwave, include azimuth relative to true north.
- For overhead wires or transmission lines, include size and configuration of wires and their supporting structures (Attach depiction).
- For each pole/support, include coordinates, site elevation, and structure height above ground level or water.
- For buildings, include site orientation, coordinates of each corner, dimensions, and construction materials.
- For alterations, explain the alteration thoroughly.
- For existing structures, thoroughly explain the reason for notifying the FAA (e.g. corrections, no record of previous study, etc.).

Filing this information with the FAA does not relieve the sponsor of this construction or alteration from complying with any other federal state or local rules or regulations. If you are not sure what other rules or regulations apply to your proposal, contact local/state aviation and zoning authorities.

Paperwork Reduction Work Act Statement: This information is collected to evaluate the effect of proposed construction or alteration on air navigation and is not confidential. Providing this information is mandatory for anyone proposing construction or alteration that meets or exceeds the criteria contained in 14 CFR, part 77. We estimate that the burden of this collection is an average 19 minutes per response. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. I. INTRODUCTION

Riverside County is the owner (sponsor) of the following six airports in Riverside County: Blythe, Chiriaco Summit, Desert Center, Desert Resorts Regional, French Valley, and Hemet Ryan. The Riverside County Economic Development Agency (EDA) is the county agency responsible for operation of the County's airports.

Minimum standards are established to promote and attract a professional level of aviation services to the County's airports while safeguarding the public's interest. The Minimum Standards provide a framework that strengthens the relationship between the Sponsor and the Fixed Base Operator (FBO). They offer information, advice and, where necessary, they provide strict regulation so that both the prospective and experienced FBO may have a firmer understanding of the many considerations which contribute to a safe, successful, and useful operation. The standards are intended to be the minimum requirements for those wanting to provide aeronautical services to the public at Riverside County airports. Operators are encouraged to exceed the minimum requirements.

FBOs are responsible for complying with the Minimum Standards and shall be familiar with revisions made to the Standards. All FBOs on the airports must comply with the standards herein as well as all applicable government regulations; however, leases executed prior to August 16, 1988, are exempt until lease renegotiations. The County's airports are subject to federal, state, and local rules and regulations. The County has adopted local rules and regulations to implement Federal Aviation Administration (FAA) requirements and to provide for safe and orderly operation on the airports. Local rules and regulations governing airport activities include, but are not limited to, applicable portions of the following:

1. Ordinance No. 576 - Rules and Regulations for Operation of County Airports
2. Fixed Base Operator Minimum Standards
3. County Airport Fueling Standards
4. Special Event Permit Policy
5. Airport Design Standards

Federal and state rules and regulations include, but are not limited to: FAA Grant Assurances; FAA Order 5190.6A - Airport Compliance Requirements; Federal Airport Regulations (FAR's); State Aeronautics Act (PUC § 21000); Government Code § 50470 - 50478; ADA Regulations; the California Environmental Quality Act (CEQA); and the National Environmental Policy Act (NEPA).

II. DEFINITIONS

AERONAUTICAL ACTIVITY - Any activity or service that involves, makes possible, or is required for the operation of aircraft, or which contributes to or is required for the safety of such operations.

AGREEMENT, LEASE, OR PERMIT - A contractual agreement between the EDA and an entity granting a concession or otherwise authorizing the conduct of certain activities which is in writing, executed by both parties, and enforceable by law.

AIRPORT - Includes the following six (6) airports owned by Riverside County: Blythe, Chiriaco Summit, Desert Center, Desert Resorts Regional, French Valley, and Hemet Ryan, and its environs, such as, the property, buildings, facilities, and improvements within the exterior boundaries of each airport as it now exists or as it may hereafter be extended, enlarged, or modified.

AIRPORT SPONSOR - The designated entity or duly authorized representative, appointed by the Board of Supervisors, to manage the operation and development of Blythe, Chiriaco Summit, Desert Center, Desert Resorts Regional, French Valley, and Hemet Ryan airports.

ALP - Airport Layout Plan

APPLICANT - A person, persons, firm, partnership, or corporation desiring to acquire the use of a portion of an airport, or to establish or use any facility on an airport for an aeronautical activity or special event and who shall apply in writing and in the manner or form prescribed for authorization to establish such activities.

CEQA - California Environment Quality Act

COUNTY - County of Riverside, the FAA authorized airport sponsor.

EDA - Riverside County Economic Development Agency, the County agency designated to oversee and manage the County airports.

EQUIPMENT - All machinery, together with the supplies, tools, and apparatus necessary for the safe and proper procedure of the activity being performed.

FAA - Federal Aviation Administration

FAR - Federal Aviation Regulation

FIXED BASE OPERATOR (FBO) - Any person, firm, partnership, corporation, association, limited partnership, or any other legal entity duly licensed and authorized by written agreement with the Airport Sponsor (the County) to provide specific aeronautical services at an Airport, under strict compliance with such agreement and pursuant to these and all applicable regulations and standards.

FUEL - FAA authorized aviation fuel, including jet fuel

FUEL FARM - Any portion of an Airport, authorized by the Airport Sponsor, as an area in which gasoline or any other type of fuel may be stored.

FULL SERVICE FBO - An FBO which provides certain essential aeronautical services (e.g. aircraft maintenance and repair, flight instruction, fueling of aircraft, transient aircraft parking guidance, positioning of wheel chocks and tie-downs, fireguard for engine starts, baggage handling, standardized ground service and recovery equipment, pilots' lounge, and restrooms), subject to restrictions agreed to during lease negotiations (see Table A below for complete guidelines).

LIMITED SERVICE FBO - An FBO which provides certain of the aeronautical services provided by a Full Service FBO, subject to restrictions imposed by leasehold size requirements and to restrictions agreed to during lease negotiations (see Tables B through H below for complete guidelines).

MINIMUM STANDARDS - The qualifications and criteria set forth herein as the minimum requirements to be met as a condition for an FBO to conduct an aeronautical activity on an EDA sponsored airport.

NEPA - National Environmental Policy Act

THE BOARD - The Riverside County Board of Supervisors

TLMA - Transportation and Land Management Agency

III. AIRPORT RULES AND REGULATIONS

A. Lease

All revenue generating, commercial and/or business activities, at County operated airports are required to secure a lease approved by the County Board of Supervisors (the "Board") prior to commencement of any commercial activity.

Prospective lessees should begin the process by requesting a meeting with County staff. The purpose of the initial meeting is to introduce staff, show the available sites,

and answer any questions. At the conclusion of this meeting the prospective lessee will be asked to submit a Lease Application and proposal.

Upon receipt of a lease application and proposal, County staff will review the proposal and will provide a written response. Once an agreement has been reached on the deal points and development proposal, a lease will be prepared for execution by the lessee. The lease shall be executed in three counterparts and all three copies shall be returned to the County. The County will then schedule the lease for consideration at the next available Board of Supervisors' meeting. ***Please be advised that the County Board of Supervisors is the only entity that can make a binding lease commitment and development may not proceed until the Board has approved the lease.***

Exclusive rights for any aeronautical activity will not be issued at any County airport. This is to ensure that airport patrons are offered competitive market prices for services.

B. Airport Layout

All new leases and new airport development shall comply with the current FAA approved Airport Layout Plan (ALP) for each airport. In addition, Desert Resorts Regional, French Valley, and Hemet Ryan airports have adopted Airport Master Plans and all new development shall comply with those master plans. Lessee proposals that conflict with ALP's and Master Plans will not be approved.

C. Signs

All signs (commercial, traffic, services, advertising, etc.) must receive written approval from the Assistant County Executive Officer / EDA or Designee prior to their placement. The request for approval should include the size, location, and design of sign. All outdoor advertising shall comply with County Ordinance No. 348 and applicable federal and state laws. FAA Form 7460-1, *Building Design, Construction, and/or Alteration*, must be submitted to the FAA Western Pacific Region for review and determination, with a copy of the form sent to the Assistant County Executive Officer / EDA

D. Building Design, Construction, and/or Alterations

All design, construction, and/or alterations shall be in compliance with Airport Design Guidelines. The County reserves the right to review and approve all architectural design of all construction or alterations to be performed on County operated airports.

The County reserves the right to review and approve the design and construction methods of all development at the County operated airports. All buildings shall comply with local codes and regulations as to their construction. FAA Form 7460-1, *Building Design, Construction, and/or Alteration*, must be submitted to the FAA for their review

and assessment with a copy of the form submitted to the Assistant County Executive Officer / EDA.

The County reserves the right to require a Material and Performance Bonds or a Letter of Credit prior to the construction of any facility for the return of funds expended by the County in the event that the applicant defaults on any obligations.

E. Inspections

The County reserves the right to make periodic inspections of the leased premises during reasonable hours to ensure lease compliance and Lessee's adherence with all applicable regulations. County staff, County contractors, the FAA, and/or the State of California may conduct inspections, under this provision.

F. Flying Clubs

All flying clubs located at Riverside County operated airports shall be nonprofit organizations. All rights shall be equally shared between members. No member shall share in profits, earnings, salaries, or other forms of compensation. The Flying Club shall not be engaged in any type of commercial operation. A copy of the Flying Club's Charter and By-laws, or other comparable documents, must be filed with the Aviation Division. Flying clubs must submit annual financial reports and furnish the County with proof of insurance of the types listed on Appendix A.

A minimum of one (1) aircraft, properly certified, is required for a flying club. Flight instruction shall only be offered to club members. The instructor must be a club member or an instructor who is a lessee on the airport for the purpose of flight instruction.

G. Waiver from Minimum Standards

Any tenant or prospective tenant wishing to waive any minimum standard set forth in the approved Minimum Standards must submit a letter to the Assistant County Executive Officer / EDA expressing their hardship to conform with the Minimum Standards. The Assistant County Executive Officer/EDA has the discretion of approving or disapproving the waiver as it would apply to the future viability of the airport, subject to applicable provisions, which may be contained in the tenant's lease approved by the Board. Waivers may be granted on a temporary basis, and may be withdrawn or terminated at the Director's discretion.

H. Civil Rights

All individuals using the County operated airports must comply with all the provisions of the Federal Civil Rights Act of 1964. The tenant or prospective tenant shall ensure

there shall be no discrimination in the availability of any services or commodities based on race, religious creed, color, national origin, ancestry, sex, age, physical handicap, medical condition, or marital status.

I. Insurance

The FBO shall procure, maintain, and pay premiums during the term of the agreement for insurance of the types and the minimum limits set forth by the County for each aeronautical activity. The FBO shall obtain and maintain insurance (See Appendix A), which contains an endorsement that the "County of Riverside, including its elected officials, officers, employees, and agents" are named as additional insured. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California unless such requirement is waived, in writing, by the Assistant County Executive Officer / EDA and/or the County Risk Manager. Each insurance company shall have an A.M. BEST rating of not less than A:VIII (A:8).

Proof of insurance must be submitted to the Assistant County Executive Officer / EDA prior to commencement of operations and upon each insurance renewal. The FBO shall provide either 1) a properly executed original Certificate(s) of Insurance and 'certified original' copies of Endorsements effecting coverage as required herein, or 2) if requested to do so in writing by the Assistant County Executive Officer / EDA and/or County Risk Manager, provide original Certified copies of policies including all endorsements and all attachments thereto, showing such insurance is in full force and effect. Certificate(s) shall contain the covenant that thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration, or reduction in coverage of such insurance. Certificates of Insurance and the policies shall covenant that their coverage is primary and the County's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as primary.

If any policy contains a general aggregate limit, it shall apply separately to the Agreement with the County or be less than two (2) times the occurrence limit. All insurance policies are subject to review by the County's Department of Risk Management. The Assistant County Executive Officer / EDA, upon the advice of the County Risk Manager, reserves the right to increase the limits, or require additional insurance coverage, beyond those set forth in these Minimum Standards, subject to applicable provisions of the tenant's lease.

J. Lot Size

Lot sizes may vary according to the type of operation. If available, aircraft tie-downs and hangar space, as well as automobile parking spaces, may be leased from the County to meet these minimum standards. The number of aircraft, hangar, or automobile parking spaces shall be determined during lease negotiations.

K. Outdoor Storage

No outside storage will be permitted except behind enclosed block walls, screened from public view, or as approved by the Assistant County Executive Officer / EDA.

L. Maintenance

Lessee shall be responsible for the adequate maintenance of leased property and in compliance with all applicable Federal, State, and Local health and safety regulations.

IV. SCOPE OF SERVICES

Each aeronautical activity has a separate scope of services. The services required of a Full-Service FBO include the Minimum Standards for all combinations of aeronautical activities. The cumulative effect of the Minimum Standards will not equate to any minimum standard greater than that applicable to the Full-Service FBO.

Table A - FULL SERVICE FBO

Each airport shall have a minimum of one (1) Full Service FBO. **Mandatory Requirements:** Full Service FBOs shall provide: aircraft maintenance & repair; flight instruction; fueling of aircraft; transient aircraft parking guidance; positioning of wheel chocks and tie-downs; fireguard for engine starts; baggage handling upon request; have available and provide standardized ground service equipment and recovery equipment for aircraft weighing up to 30,000 lbs at FVA, 40,000 lbs at HRA, and 80,000 lbs at DRRA (service and recovery equipment shall include, but not be limited to, wheel chocks, tie-down ropes or chains, aircraft jacks, tow bars, auxiliary power units, and aircraft tugs); pilots' lounge; and restrooms. **Optional Requirements:** In addition to the required services listed in the preceding sentence, Full Service FBOs may provide: aircraft sales or leasing (including financing), sales of aircraft parts and supplies, radio and avionics sales and repair, aircraft storage hangars and tie-downs, painting and upholstering of aircraft, leasing or renting of automobiles, and operating a restaurant or café.

<u>REQUIREMENT</u>	<u>MINIMUM STANDARD</u>	<u>PURPOSE / OTHER</u>
LOT SIZE: 3 acres or 130,680 SF		
Hangar area	14,000 SF	For aircraft storage
Outside storage area	30,000 SF	For tie-down or apron parking
Building space	2,000 SF	For offices, pilots' lounge and briefing area, conference rooms, classrooms, and restrooms
Automobile parking	20 spaces, with landscaping as required by Ord. 348	For employees per shift and customer parking
Fuel farm	Refer to Fueling Standards	
Landscaping	To be determined during lease negotiations	Landscaping required around vehicle parking, sidewalks, and building
<u>CERTIFICATION:</u>		
As applicable for each activity	FAA, State, and/or other responsible agency as applicable	For safe and efficient operation of airport and aeronautical activities

FBOs providing aircraft fueling and servicing	Refer to Airport Fueling Standards	
<u>INSURANCE:</u>		
Refer to Appendix A		

Table B - AIRCRAFT MAINTENANCE

An aircraft airframe, engine, and accessory maintenance and repair FBO shall provide one or a combination of airframe, engine, and accessory overhauls and repair services on aircraft up to and may include business jet aircraft and helicopters. This category shall include the sale of aircraft parts and accessories.

<u>REQUIREMENT</u>	<u>MINIMUM STANDARD</u>	<u>PURPOSE / OTHER</u>
LOT SIZE: ½ acre or 21,780 SF		
Hangar area	6,000 SF	For aircraft storage
Tie-down or apron parking	One (1) per 1,000 SF of hangar space	Outside storage
Building space	400 SF	For offices, public phone, and restrooms
	200 SF	Office storage room
Automobile parking	One (1) per 1,000 SF of hangar area, with landscaping as required by Ord. 348	For employees per shift and customer parking
Landscaping	Specific plans to be determined during lease negotiations	Landscaping required around vehicle parking, sidewalks, and building

Table E - AIRCRAFT SALES AND LEASING

An aircraft sales and/or lease FBO engages in the sale and/or lease of aircraft to the public. New aircraft sales involves the sale of new aircraft through franchises or licensed dealerships (if required by local, county, or state authority) or distributorship (either on a retail or wholesale basis) of an aircraft manufacturer. Aircraft sales FBOs may also engage in the sale of used aircraft. This can be accomplished through various methods, including matching potential purchasers with an aircraft (brokering), assisting a customer in the purchase or sale of an aircraft, or purchasing used aircraft and marketing them to potential purchasers. A new aircraft sales and/or leasing FBO must show capability to support maintenance agreements for aircraft sold or leased. A used aircraft sales FBO may also provide such repair, services, and parts as may be necessary to support the operation of aircraft sold. Some requirements may not be appropriate to the sale of used aircraft because of each aircraft's unique operational history. An aircraft sales FBO may also finance aircraft purchases, subject to the applicable licensing requirements.

STORM WATER POLLUTION PREVENTION PLAN INTRODUCTION AND PURPOSE

The California airport group members have submitted their Notices of Intent (NOIs) and are now in the compliance phase of the California General Permit. The General Permit requires airport discharges to: eliminate non-storm water discharges; develop and implement a storm water pollution prevention plan; and perform monitoring of discharges to the storm water drainage system.

The required Storm Water Pollution Prevention Plan (SWPPP) must emphasize the storm water Best Management Practices (BMPs) and be designed to comply with Best Available Technology Economically Achievable (BAT) and Best Conventional Pollutant Control Technology (BCT). The SWPPP has two major objectives: 1) to identify the source of pollutants that affect the quality of the industrial storm water discharge; and 2) to describe practices which may be implemented to reduce the pollutants in the industrial storm water discharge.

The SWPPP is to be certified and implemented by October 1, 1992. Although the SWPPP is not submitted to the Regional Board, it must be retained on file at the airport for the duration of the permit. The SWPPP must be available for Regional Board and public review. The Regional Board may notify airport representatives if the SWPPP does not meet the minimal requirements. Within 30 days of the notice, the airport must submit a time schedule in which the required changes will be made. Once the changes have been made, the airport will provide written certification to verify the completed change. The documentation should then be retained as part of the SWPPP.

The airport is responsible for amending the SWPPP whenever there is a change in construction, operation, or maintenance, which will affect the quality or quantity of the industrial storm water discharge. The SWPPP should also be amended if the objective of controlling pollutants in the storm water discharge is not being achieved.

FACILITY DATA COLLECTION

The general permit requires that the following information be gathered in order to determine and evaluate pollution sources:

- Site map
- Topographic map
- Description of significant material handling
- List of pollutants with potential to be present
- Size of airport and percentage of impervious areas
- Spill history
- Summary of existing sampling data

Description of Significant Material Handling

Significant Materials Treated or Stored

- Significant Materials Stored:
- 1) 12,000 gallons Avgas (underground)
 - 2) 12,000 gallons Jet-A (underground)
 - 3) 12,000 gallon Avgas (above ground)
 - 4) Used motor oil

Significant Materials Disposed:

- 1) Fuel from underground tanks are used in aircraft. Underground and above ground tanks are regulated by Title 23 of the California Health and Safety Code, E.P.A. underground tank regulations, and Riverside County Ord.No. 617.
- 2) Used motor oil is recycled through a licensed contractor.

Significant Materials Spilled Or Leaked (in significant quantities to storm water after November 19, 1988): No significant spills have been reported.

Materials Management Practices:

- 1) All hazardous material spills must be reported to the airport manager, County Hazardous materials Div. Of County Health, and Riverside County Fire. Liquid absorbent materials are stored at the airport.
- 2) Areas where materials are stored and or have the possibility to spill are inspected monthly, with spot inspections during the daily airport inspections.
- 3) Insure material handlers have proper licenses and training.

Equipment Management Practices:

- 1) All equipment inspected monthly, i.e. fuel trucks, service equip. dispensers etc.
- 2) Preventive maintenance scheduled to prevent leaks.
- 3) Drip pans available to install under leaks.
- 4) Spill Kits installed on all fuel trucks.

Vehicle Management Practices:

- 1) Scheduled preventive maintenance.
- 2) Cleaning vehicles with only biodegradable solvents and soaps, in designated areas only.
- 3) Routine daily inspections of vehicles.

Material Loading, Unloading, and Access Areas:

- 1) All personnel are to have proper training or licensing.
- 2) Restrict material handling area to trained personnel only.
- 3) Inspect equipment monthly to insure proper working order and notify responsible party if faulty.

Existing Structural Controls (to reduce pollutants in storm water):

- 1) Oil water separators installed; floor drains in hangars and disposed of in the sanitary sewer system.
- 2) Oil and water separators installed at the aircraft wash areas, disposed of into the sanitary sewer system.
- 3) Monthly inspections of all aircraft tie downs, auto parking lots, streets and hangar areas.

Existing Non-Structural Controls (to reduce pollutants in storm water):

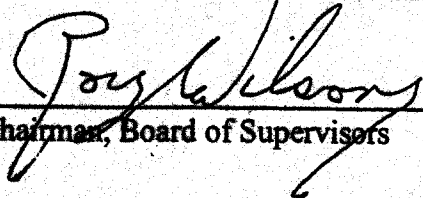

- 1) Use of dirt roads is restricted to airport employees for inspections and emergency response to aircraft accidents.
- 2) Monthly inspections of all drains, ditches, flood control berms and outfalls to insure no dry weather signs of runoff water are present.

Airport Industrial Storm Water Treatment Facilities:

- 1) No facilities are now on the airport.

SUBORDINATION, NON-DISTURBANCE AND ATTORNNMENT AGREEMENT

THIS SUBORDINATION, NON-DISTURBANCE AND ATTORNNMENT AGREEMENT ("Agreement") is made on this 7th day of July, 2004 by and between The County of Riverside (hereinafter referred to as the "County") and Amicorp Enterprises, Inc. or Assignee hereinafter referred to as "Sublessee".

RECITALS

WHEREAS, the County has leased to Murrieta Executive Airpark (MEA), LLC ("Lessee") certain parcels of land (the "Land") located at French Valley Airport in the County of Riverside, State of California, under the French Valley Airport Lease dated October 1, 2001 (the "Ground Lease").

WHEREAS, the Lessee desires to sublease to Sublessee certain parcels of the Land described as parcel number 9 upon which aircraft hangar buildings are erected, pursuant to that certain Sublease in effect between Lessee and Sublessee dated October 1, 2003 (the "Sublease").

WHEREAS, the Lessee and Sublessee desire that the County consent to the Sublease and provide assurances to Sublessee that its possession of the parcel numbered 9 will not be disturbed.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **CONFIRMATION.** The County hereby confirms the following:
 - (1) The Land is owned by the County. The Land is leased by the Lessee pursuant to the Ground Lease. No consent or approval of any other person or entity is required in order for the County to enter into, or as a condition to the effectiveness of, this Agreement.
 - (2) Except as set forth in the recitals herein, the Ground Lease has not been amended or modified in any

respect, and the Ground Lease is presently in full force and effect.

2. **NON-DISTURBANCE.** Subject to paragraph 3 below, the County agrees that, so long as no uncured event of default has occurred under the Sublease and during any cure periods provided by the Sublease, the County will not disturb the Sublessee's possession of parcel number 9 under the Sublease, during the term of the Ground Lease, or any extension or renewal thereof.
3. **ATTORNMENr.** If the Lessee's interest in the Ground Lease is terminated prior to the expiration of the term of the Ground Lease, Sublessee will be deemed to have automatically succeeded to the Lessee's interest in the Ground Lease and Sublessee will be bound to the County, according to the Ground Lease (but only to the extent that the Ground Lease pertains to parcel number 9), for the balance of the term of the Ground Lease and any extension thereof as if Sublessee was the original lessee under the Ground Lease, and, accordingly, Sublessee will attorn to the County as its lessor, immediately and upon the termination of Lessee's interest in the Ground lease. Upon such attornment the rights and obligations of Sublessee and the County will be the same as they would have been if Sublessee had been the lessee under the Ground Lease, subject to Paragraph 4 below. In furtherance of this provision, the County and Sublessee agree that they will, if either of them shall so request, enter into a new lease with respect to parcel number 9, upon the same terms and conditions as those set forth in the Ground Lease. In such event, the rent payable to the County will be the rent as set forth in the Sublease.

4. **LIMITATIONS ON OBLIGATIONS.** If Sublessee succeeds to Lessee's interests in the Ground Lease with respect to parcel number 9, Sublessee will not be:

- (a) Liable for any act or omission of its predecessors in interest to the Ground Lease;
- (b) Subject to any offsets or defenses that the County may have against its predecessors in interest to the Ground Lease;
- (c) Bound by any amendment or modification of the Ground Lease which pertains to parcel number 9 made without its consent and written approval;
- (d) Liable for the payment of any rent payable to the County in accordance with the Ground Lease in excess of the rent defined in 3 above;
- (e) Liable for the default, act or omissions of parties, other than Sublessee, who have succeeded to Lessee's interests in the Ground Lease with respect to land and premises covered by the Ground Lease.

5. **SUBORDINATION.** The Sublease now is, and will be, subject and subordinate to the Ground Lease.

6. **CONSENT.** Whenever the consent of the County is required under the Ground Lease or the Sublease, with respect to actions of the Sublessee such consent will not be unreasonably withheld or delayed.

7. **AMENDMENTS AND BINDING EFFECT.** This agreement may be modified only by an agreement in writing signed by the parties hereto. This Agreement will inure to the benefit of and will be binding upon the County, Sublessee and their successors and assigns.

19. MEA shall not be used for lodging or manufacturing, cooking or food preparation except within designated kitchen areas.
20. Occupant shall comply with all safety, fire protection and evacuation regulations established by MEA or any applicable governmental agency.
21. MEA reserves the right to waive any one of these rules or regulations, and/or as to any particular Occupant, and any such waiver shall not constitute a waiver of any other rule or regulation or any subsequent applicant thereof to such Occupant.
22. Occupant assumes all risks from theft or vandalism and agrees to keep its premises within MEA locked as may be required.
23. MEA reserves the right to make such other reasonable rules and regulations as it may from time to time deem necessary for the appropriate operation and safety of MEA and its occupants. Occupant agrees to abide by these and such rules and regulations.

EXHIBIT D

VEHICLE PARKING RULES

1. Parking areas shall be used only for parking by vehicles no longer than full size, passenger automobiles herein called "Permitted Size Vehicles." Vehicles other than Permitted Size Vehicles are herein referred to as "Oversized Vehicles."
2. Occupants shall not permit or allow any vehicles that belong to or are controlled by Occupant or Occupant's employees, suppliers, shippers, customers or invitees to be loaded, unloaded, or parked in areas other than those designated by MEA for such activities.
3. MEA reserves the right to relocate all or part of parking spaces and to reasonably allocate them between compact and standard size spaces, as long as the same complies with applicable laws, ordinances and regulations.
4. Users of the parking area will obey all posted signs and park only in the areas designated for vehicle parking.
5. Unless otherwise instructed, every person using the parking area is required to park and lock his own vehicle. MEA will not be responsible for any damage to vehicles, injury to persons or loss of property, all of which risks are assumed by the party using the parking area.
6. The maintenance, washing, waxing or cleaning of vehicles in the parking areas is prohibited.
7. MEA shall be responsible for seeing that all of its employees, agents and invitees comply with the applicable parking rules, regulations, laws and agreements; however, MEA is not responsible for the acts or omissions of other Occupants and their employees, agents and invitees.
8. Occupant shall be responsible for seeing that all of its employees, agents and invitees comply with the applicable parking rules, regulations, laws and agreements.
9. MEA reserves the right to modify these rules and/or adopt such other reasonable and non-discriminatory rules and regulations as it may deem necessary for the proper operation of the parking area.
10. Such parking use as herein provided is intended merely as a license only and no bailment is intended or shall be created hereby.

AIRCRAFT RULES

1. The aircraft to be hangared at MEA must fit within the assigned hangared area. The aircraft must not be allowed to protrude or infringe into an adjacent area so as to diminish the usability of another aircraft parking space, constitute a safety hazard, intrude into entryways or taxiways or otherwise block the public right of way. Helicopter flight or taxi operations within the MEA area are prohibited.
2. No improvement, change or alteration to the leased hangar or common space may be made without the written authorization of MEA.
3. No business or commercial activity or any type may be conducted from this facility without the written approval of MEA and the County of Riverside.
4. Aircraft maintenance is prohibited in the aircraft taxiways and aircraft hangars where aircraft are stored in common. Limited maintenance may be performed in the individual aircraft hangars so long as such maintenance does not interfere with the use and enjoyment of the facilities by the other Occupants and does not constitute a hazard, threat or liability to the facilities or its occupants. Spray painting, the use of open flames or welding and storage of flammables, caustics, oxidizers, reactants or any hazardous substances or materials are prohibited.
5. Fueling of an aircraft while in a hangar is prohibited.
6. Only Occupants of MEA and their invited guests are authorized access to the airport operations area.
7. Occupant shall operate his aircraft in a safe, courteous manner and faithfully observe all applicable federal, state and local laws, including all Federal Aviation Administration and County of San Diego rules and regulations. In addition, Occupant shall faithfully comply with all rules and regulations adopted from time to time by MEA.
