BACKGROUND:

Summary

POST has agreed to reimburse the Sheriff's Department for the cost incurred during the provision of the LEDS and/or FOS Instructor courses conducted at BCTC, for up to 50 students.

Pursuant to the State's standard agreement (number 18112333) POST will pay for 20 students to take the POST certified LEDS course at a cost not to exceed \$480.17 per student and 30 students to take the POST certified FOS course at cost not to exceed \$721.67 per student, which equates to a total reimbursement of \$31,253.50 in FY 2018-2019. The POST reimbursement revenue is in the Sheriff's Department proposed FY 2018-2019 budget, and therefore no budget adjustment is necessary.

Impact on Residents and Businesses

The two simulator training courses fulfill eight hours of the 24 hours of POST mandated perishable skills training required biennially of California peace officers employed by a POST-certified agency. The department relies on training within simulated, yet realistic, scenarios to hone an officers' ability to react quickly and appropriately when faced with similar conditions in the field.
