BACKGROUND:

Summary

By Minute Order dated September 11, 2018 (Agenda Item 3.32), the County of Riverside (County) Board of Supervisors authorized the Clerk of the Board to advertise the Construction of Sidewalk at Camino Aventura in the Desert Hot Springs Area; and at El Centro Way and La Canada Way in the Thousand Palms Area.

The improvements consist of construction of sidewalk, curb and gutter, driveways and Americans with Disabilities Act (ADA) compliant curb ramps.

Additional improvements will include removal and replacement of existing asphalt concrete pavement in localized areas, reconstruction of driveways, cross gutter, removal of trees, relocation of roadside signs, placement of thermoplastic traffic stripes and pavement markings, and other work as may be required.

The contract documents include the following bid schedules of work:

- Base Bid Schedule. A: Camino Aventura Sidewalk and associated work.
- Base Bid Schedule. B: Thousand Palms Area Sidewalk and associated work.
- Alternate Bid Schedule. 1: Mission Springs Water District (MSWD) utility covers adjustments located within Camino Aventura.

MSWD has concurred with the bid prices proposed by All American Asphalt for alternate bid schedule 1. The reimbursement agreement between the County and MSWD was executed on July 5, 2018 under Director of Transportation authority per Minute Order dated February 28, 2006 (Agenda Item 3.52)

The contractor, All American Asphalt is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents which meet the requirements of the Contract.

Project No.: C6-0067 (Camino Aventura).

State project No. ATPL-5956(259)

Project No.: C6-0068 (Thousand Palms Area) El Centro Way and La Canada Way.
State project No. ATPL-5956(257)

Impact on Residents and Businesses

The improvements are expected to enhance public health, increase mobility for non-motorized users, increase public safety, reduce greenhouse gases, and will improve access to adjacent schools through the construction of sidewalks on Camino Aventura, El Centro Way and La Canada Way.

The work is scheduled to begin in early January 2019 and will take approximately three months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The contract is recommended to be awarded to All American Asphalt for a total amount of \$2,019,191. The project will be funded with Active Transportation Program (ATP) funds for which the Transportation Department successfully competed, and Gas Tax. MSWD will pay 100% for the necessary utility cover adjustments.

The proposed budgets as shown on Attachment "A" includes the contract award amount and other associated costs. There are no General Funds used in this project.

Contract History and Price Reasonableness

Six bids were received on October 3, 2018 ranging from \$1,697,650 to \$3,592,420. The basis for the selection of a contractor is the lowest responsive and responsible bid.

The bid submitted by Gentry General Engineering, Inc. (GGE) in the amount of \$1,697,650 contained several mistakes; GGE requested relief from their bid without penalty to avoid working at a financial loss.

Public Contract Code (PCC) § 5101 et. seq. permits an awarding authority to relieve a bidder of its bid as a result of a mistake. Transportation Department staff and County Counsel have reviewed the request and recommend the Board of Supervisors to grant the request for relief of the bid without penalty. The request was made in accordance with PCC §5101 and §5103. A letter prepared by the Transportation Department dated October 25, 2018, responds to GGE's request and is attached as Attachment "B".

The next lowest and responsible bid was submitted by All American Asphalt in the amount of \$2,019,191. The third low bid is 0.7% more than All American Asphalt's bid and the average value of bids, not including GGE's bid, is \$2,653,236. The Transportation Department

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

recommends acceptance and award of the bid from second lowest and responsible bidder, All American Asphalt.

Dear Mr. Gentry:

Gentry General Engineering, Inc. (GGE) submitted the apparent low bid for the subject project on October 3, 2018. By letter dated October 4, 2018, GGE requested relief from its bid.

There were six bids were received for the referenced project. GGE was announced as apparent low bidder after these bids were publically opened. After initial County review of GGE's proposed costs, several mathematical errors were noticed and corrected per the Instruction to Bidders' subsection "Bids" requirements. Attached is a copy of the summary of bids for your use and reference.

The day after the bid opening, GGE submitted a letter requesting relief from its bid.

Public Contract Code (PCC) § 5101 et. seq. permits an awarding authority to relieve a bidder of its bid because of a mistake. The County of Riverside Transportation Department (Department) concludes that the information provided by GGE meets the requirements of PCC § 5101 and § 5103. Accordingly, the Department will recommend to the County of Riverside Board of Supervisors to formally relieve GGE of its bid.

The County currently intends to relieve GGE of its bid, by Board of Supervisor approval, on December 4, 2018. The County will also award this project to the next low bidder.

Request for Relief of Bid

Pursuant to PCC § 5105, GGE is prohibited from further bidding on this project.
