BACKGROUND:

Summary

Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2018-152 adopted September 25, 2018, the Board of Supervisors noticed a public hearing for December 11, 2018, to receive testimony regarding the Annexation of Zone 202 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Zone 202 will fund the maintenance and servicing of streetlights and runoff catch basin filters within public rights-of-way located southerly of Alessandro Boulevard in the March Air Reserve area and includes 4 commercial parcels totalling 54.40 acres.

On September 26, 2018 a notice of the public hearing and information sheet, a mail-in ballot, an impartial analysis, and a copy of Resolution No. 2018-152 was mailed to all property owners within Zone 202, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2018-152 in an appropriate newspaper at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2018-152 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two (2) other public locations within the County.

Impact on Residents and Businesses

The new assessment is for the purpose of providing the maintenance and servicing of streetlights and runoff catch basin filters within public right-of-way.

Only the commercial property owners within the proposed boundaries of Zone 202, which are represented by Plot Plan No. 25422, as described in the attached Exhibit "A" (a two page exhibit containing a description and diagram) are impacted by the cost of this annexation. The property owners within the proposed boundaries of Zone 202 have petitioned the County of Riverside to annex their property to L&LMD No. 89-1-C and understand that this annexation will result in an assessment on their property to fund the maintenance and servicing of the aforementioned improvements (streetlights and runoff catch basin filters).

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for fiscal year 2019-20 for Zone 202 is \$6,602.00. This will result in an assessment for fiscal year 2019-20 within Zone 202 of \$122.00 per acre. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), if any, as it stands as of March of each year over the base index for March of 2019.

WHEREAS, such proceedings shall comply with the requirements of Article XIID of the California Constitution (hereinafter "Article XIID"), the Act, and Section 4000 of the Elections Code requiring voter approval of the proposed assessment to be levied by L&LMD No. 89-1-C for Zone 202; and with the Clerk of the Board of Supervisors in accordance with Sections 22608 and 22585 et. seq. of the Street and Highways Code and Section 4 of Article XIID; and

WHEREAS, said Engineer has filed the Report with the Clerk of the Board of Supervisors and the Report has been presented to and considered by the Board of Supervisors; and

WHEREAS, the Applicant has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election to be held on December 11, 2018; and

WHEREAS, it is necessary that the Board of Supervisors adopt a resolution of intention pursuant to Section 22587 of the Streets and Highways Code, which fixes and gives notice, pursuant to Section 22588 of the Streets and Highways Code, of the time and place of a public hearing on said Report, the annexation of Zone 202, and the assessments to be levied on parcels within Zone 202 beginning in fiscal year 2019-20;

NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED by the Board of Supervisors in regular session assembled on September 25, 2018 as follows:

Section 1. Findings. The Board of Supervisors, after reviewing the Report, finds that:

(a) The foregoing recitals are true and correct;

- (b) The Report contains all matters required by Sections 22565 through 22574 of the Streets and Highways Code and Section 4 of Article XIID and may, therefore, be approved by the Board of Supervisors;
- (c) The annual assessment for fiscal year 2019-20 on all parcels within Zone 202 will be \$122.00 per acre.

Section 2. Intent. The Board of Supervisors hereby declares its intention to order the annexation of Zone 202, as described and shown in Exhibit "A", to L&LMD No. 89-1-C, and to levy and collect an annual assessment on all assessable lots and parcels of property within Zone 202 commencing with the fiscal year 2019-20 as set forth in the Report. The Report expressly states that there are no parcels or lots within Zone 202 that are owned by a federal, state or other local governmental agency that will benefit from the services to be financed by the annual assessments. The annual assessments will be collected at the same time and in the same manner as property taxes are collected, and all laws providing for the collection and enforcement of property taxes shall apply to the collection and enforcement of said assessments.

Section 3. Boundaries. All the property within the boundaries of Zone 202 is proposed to be annexed to L&LMD No. 89-1-C and shall include that property in the unincorporated area of the County as described and shown in Exhibit "A".

Section 4. Description of Services to be Provided. The services authorized for Zone 202 of L&LMD No. 89-1-C are:

- (a) The maintenance and servicing of runoff catch basin filters within the public right-of-way including the removal of petroleum hydrocarbons and other pollutants from water runoff; and

Section 5. Amount to be Levied. The assessment to be levied upon each parcel that benefits from the annexation of Zone 202 to L&LMD No. 89-1-C will be \$122.00 per acre for fiscal year 2019-20. As stated in the Report, the total budget for Zone 202 for the fiscal year 2019-20 is \$6,602.00; there are 4 parcels that are to be assessed that aggregate to 54.40 acres. Each succeeding fiscal year the special assessment may be subject to an annual adjustment that is the greater of two percent (2%) or the cumulative percentage increase, if any, in the Consumer Price Index for all Urban Consumers ("CPI-U") for the Riverside-San Bernardino-Ontario California Standard Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of the United States Department of Labor. The annual CPI-U adjustment will be based on the cumulative increase, if any, in the Index as it stands on March of each year over the base Index for March of 2019. Any increase larger than the greater of 2% or the CPI-U annual adjustment requires a majority approval of all the property owners in Zone 202. The Board of Supervisors will levy the assessment in each subsequent fiscal year until the Board of Supervisors undertakes proceedings for the dissolution of Zone 202 of L&LMD No. 89-1-C. The annual assessment will fund the services described in Section 4 of this Resolution. For further particulars, reference is to be made to the Report on file in the Office of the Clerk of the Board of Supervisors.

Section 6. The Property to be Annexed. The property to be annexed to L&LMD No. 89-1-C is Zone 202. The boundaries of Zone 202 are located within the unincorporated area of the County and are described and shown in the Report and Exhibit "A".

Reference is made to the Report for a full and detailed description of the services, the boundaries of Zone 202, and the annual assessment to be levied upon assessable lots and parcels within Zone 202 proposed to be annexed to L&LMD No. 89-1-C.

Section 8. Public Hearing. The question of whether Zone 202 shall be annexed to L&LMD No. 89-1-C and an annual assessment levied beginning with fiscal year 2019-20 shall be considered at a public hearing (hereinafter the "Public Hearing") to be held on December 11, 2018, at 9:30 a.m. at the

meeting room of the Board of Supervisors of the County at 4080 Lemon Street, 1st Floor, Riverside, California.

Section 9. Majority Protest. Each owner of record of property within Zone 202 is to receive by mail an assessment ballot that shall conform to the requirements of Section 4 of Article XIID and Section 4000 of the California Elections Code. The assessment ballots are to be returned prior to the Public Hearing. The agency shall not impose an assessment if there is a majority protest. A majority protest exists if, upon the conclusion of the hearing, ballots submitted in opposition to the assessment exceed the ballots submitted in favor of the assessment. In tabulating the ballots, the ballots shall be weighted according to the proportional financial obligation of the affected property.

BACKGROUND:

Summary

Landscaping and Lighting Maintenance Districts (L&LMDs) are formed for the purpose of creating a funding mechanism to pay for the installation and maintenance of landscaping, streetlights, traffic signals, runoff catch basin filters, decorative fencing, and other roadside features within the road right-of-way. Within an established L&LMD, zones are created for specific developments, a fee structure is developed specific to the features within that zone, and the zone is then assessed through a tax levy on an annual basis for the installation and maintenance of the features within that particular zone.

L&LMD No. 89-1-C was formed in 1994, Resolution No. 94-389, and currently consists of 138 individual zones with different fee structures spread throughout Riverside County. The commercial property owner of Plot Plan No. 25422, as described in the attached Exhibit "A", has petitioned the County to annex their property into L&LMD No. 89-1-C, creating Zone 202. The boundaries of Zone 202 will encompass the entire Plot Plan No. 25422 and will include the maintenance and servicing of streetlights and runoff catch basin filters.

Adoption of Resolution No. 2018-151 appoints the Director of the Transportation Department, or her designee, as the Engineer to prepare a Report regarding the proposed annexation of Zone 202 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2018-152 declares the Board of Supervisors' intention of ordering the annexation of Zone 202 to L&LMD No. 89-1-C. The annexation of Zone 202 to L&LMD No. 89-1-C will fund the maintenance and servicing of streetlights and runoff catch basin filters within a public right-of-way located southerly of Alessandro Boulevard in the March Air Reserve area and includes 4 commercial parcels totalling 54.40 acres.

Consistent with the Board of Supervisors' direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:00 a.m. on December 11, 2018 to receive testimony for and against the proposed assessment. Each property owner within the proposed Zone 202 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2018-152, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Zone 202 will be annexed to L&LMD No. 89-1-C.

There is only one individual/entity which owns all of the property within the proposed boundaries of Zone 202, and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on December 11, 2018.

Reference

At the direction of the County of Riverside Board of Supervisors, L&LMD No. 89-1-C was formed in 1994 by Resolution No. 94-389 authorizing the annexation of new zones into L&LMD No. 89-1-C for the purpose of levying assessments to pay for the installation and maintenance of landscaping, streetlights and other right-of-way approved improvements.

The zone-specific Engineer's Report for fiscal year 2019-20 was prepared in compliance with the requirement of Article 4, Chapter 1 of the Landscaping and Lighting Act of 1972, which is Part 2, Division 15 of the California Streets and Highways Code. The County initiates annexation proceedings for the annual levy of assessments by passing a resolution, which proposes the new levy under the Landscaping and Lighting Act of 1972. This resolution also describes the improvements, describes the location of the zone within the District and finally orders an engineer, who is a registered professional engineer certified by the State of California, to prepare and file a detailed report.

In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution, creating new procedures that must be followed to levy annual assessments under the Landscaping and Lighting Act of 1972. A County may levy annual assessments for an assessment district after complying with the requirements of the Landscaping and Lighting Act of 1972 and the provisions of Proposition 218 Right to Vote on Taxes Act.

Impact on Residents and Businesses

The new assessment is for the purpose of providing the maintenance and servicing of streetlights and runoff catch basin filters within a public right-of-way.

Only the commercial property owners within the proposed boundaries of Zone 202, which are represented by Plot Plan No. 25422, as described in the attached Exhibit "A" (a two-page exhibit containing a description and diagram) are impacted by the cost of this annexation. By setting up an assessment for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon public funding sources.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for fiscal year 2019-20 for Zone 202 is \$6,602. This will result in an assessment for fiscal year 2019-20 within Zone 202 of \$122 per acre. The annual assessment may be adjusted annually by the greater of 2% or the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), if any, as it stands as of March of each year over the base index for March of 2019.
