On February 27, 2018 (#3-43), the Board approved and signed Amendment A01 to the DHCS Agreement #16-93238, which increased the Agreement maximum from \$126,640,221 to \$208,781,179.

SAPT services include Outpatient, Intensive Outpatient, Residential, Peri-natal Residential, Medication Assisted Treatment, Opioid Treatment, Withdrawal Management, Case Management, and Recovery Services. Since the implementation of DMC-ODS, the program has increased the number of consumers receiving residential services by 30%, and increased the number of consumers receiving Intensive Outpatient Services by 31%. **Impact on Residents and Businesses**

These services are an integral component of Behavioral Health's system of care aimed at improving the health and safety of consumers and the community.

**Additional Fiscal Information**

Drug Medi-Cal Services are funded by Federal and State sources, and do not require County funds. There are sufficient appropriations for FY18/19.

**E. Subcontractor Funding Limitations**

Contractor shall reimburse its subcontractors that receive a combination of Drug Medi-Cal Organized Delivery System (DMC-ODS) funding and other federal or county realignment funding for the same service element and location based on the subcontractor's actual costs in accordance with Medicaid reimbursement requirements as specified in Title XIX or of the Social Security Act, DMC-ODS Special Terms and Conditions (STCs), and STCs' Attachments. Payments at interim rates shall be settled to lower of actual cost or customary charge at year-end.

**F. Budget Contingency Clause**

It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, DHCS

**Exhibit B A2**  
**Budget Detail and Payment Provisions**

shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.

If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, DHCS shall solely have the option to either cancel this Agreement with no liability occurring to DHCS, or offer an amended agreement to Contractor to reflect the reduced amount.

**G. Expense Allowability/Fiscal Documentation**

1. Invoices, received from a Contractor and accepted and/or submitted for payment by DHCS, shall not be deemed evidence of allowable agreement costs.
2. Contractor shall maintain for review and audit and supply to DHCS upon request, adequate documentation of all expenses claimed pursuant to this Agreement to permit a determination of expense allowability.
3. If the allowability or appropriateness of an expense cannot be determined by DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles, and generally accepted governmental audit standards, all questionable costs may be disallowed and payment may be withheld by DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.
4. Costs and/or expenses deemed unallowable shall not be reimbursed or, if mistakenly reimbursed, those costs and/or expenses shall be subject to recovery by DHCS pursuant to Article III.DD of Exhibit A, Attachment I, the DMC-ODS STCs, and the STCs' Attachments.

**Section 2 - General Fiscal Provisions - DMC-ODS**

**A. Return of Unexpended Funds**

Contractor assumes the total cost of providing covered services on the basis of the payments delineated in this Exhibit B, Part II. Any State General Funds or Federal Medicaid funds paid to the Contractor, but not expended for DMC-ODS services shall be returned to DHCS.

**B. Amendment or Cancellation Due to Insufficient Appropriation**

This Agreement is valid and enforceable only if sufficient funds are made available to DHCS by the United States Government for the purpose of the DMC-ODS program. It is mutually agreed that if the Congress does not appropriate sufficient funds for this

**Exhibit B A2**  
**Budget Detail and Payment Provisions**

program, DHCS solely has the option to void this Agreement or to amend the Agreement to reflect any reduction of funds.

**C. Exemptions**

Exemptions to the provisions of Item B above, of this Exhibit, may be granted by the California Department of Finance provided that the Director of DHCS certifies in writing that federal funds are available for the term of the Agreement.

**D. Allowable costs**

Allowable costs, as defined and in accordance with the DMC-ODS STCs and the STCs' Attachments, shall be determined in accordance with Title 42, Code of Federal Regulations (CFR), Chapter IV, Subchapter B, Parts 405 and 413, and Centers for Medicare and Medicaid Services (CMS), "Medicare Provider Reimbursement Manual (Publication Number 15)," which can be obtained from the Centers for Medicare & Medicaid Services, or [www.cms.hhs.gov](http://www.cms.hhs.gov).

**Part II - Reimbursements**

**Section 1 - General Reimbursement**

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

3. The funds identified for the fiscal years covered by under this Section, within this Exhibit, are subject to change depending on the availability and amount of funds appropriated by the Legislature and the Federal Government. The amount of funds available for expenditure by the Contractor shall be limited to the amount identified in the final allocations issued by DHCS for that fiscal year. Changes to allocated funds will require written amendment to the Agreement.
4. For each fiscal year, DHCS may settle costs for services to the Contractor and its subcontractors based on each fiscal year-end cost settlement report as the final amendment for the specific fiscal year cost settlement report to the approved Agreement.

**Section 2 - DMC-ODS**

- A. To the extent that the Contractor provides the covered services in a satisfactory manner, in accordance with the terms and conditions of this Agreement, DHCS agrees to pay the Contractor Federal Medicaid funds according to Article III of Exhibit A, Attachment I. Subject to the availability of such funds, Contractor shall receive Federal Medicaid funds and/or State General Funds for allowable expenditures as established by the Federal Government and approved by DHCS, for the cost of services rendered to beneficiaries.
- B. Any payment for covered services rendered pursuant to Exhibit A, Attachment I shall only be made pursuant to applicable provisions of Title XIX or Title XXI of the Social Security Act, the Welfare and Institutions (W&I) Code, the Health and Safety Code (HSC), the DMC-ODS STCs, and the STCs' Attachments.

**Exhibit B A2**  
**Budget Detail and Payment Provisions**

- C. It is understood and agreed that failure by the Contractor or its subcontractors to comply with applicable federal and state requirements in rendering covered services shall be sufficient cause for DHCS to deny payments, to recover payments, and/or terminate the Contractor or its subcontractor from DMC-ODS program participation. If DHCS or the Department of Health and Human Services (DHHS) disallows or denies payments for any claim, Contractor shall repay to DHCS the Federal Medicaid funds and/or State General Funds it received for all claims so disallowed or denied. The overpayment shall be recovered by any of the methods allowed in Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code and DMC-ODS STC 143(h)(vi).
- D. Before a denial, recoupment, or disallowances are made, DHCS shall provide the Contractor with written notice of its proposed action. Such notice shall include the reason for the proposed action and shall allow the Contractor 60 days to submit additional information before the proposed action is taken. This requirement does not apply to the DMC-ODS Post Service Post Payment Utilization Reviews.
- E. DHCS shall refund to the Contractor any recovered Federal DMC-ODS overpayment that is subsequently determined to have been erroneously collected, together with interest, in accordance with Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code.
- F. Contractor shall be reimbursed by DHCS on the basis of its actual net reimbursable cost, not to exceed the unit of service maximum rate.
- G. Claims submitted to the Contractor by a subcontracted provider that is not certified or whose certification has been suspended pursuant to the W&I Code section 14107.11 and 42 CFR 455.23, shall not be certified or processed for federal or state reimbursement by the Contractor. Payments for any DMC-ODS services shall be held by the Contractor until the payment suspension is resolved.
- H. In the event an Agreement amendment is required pursuant to the preceding paragraph, Contractor shall submit to DHCS information as identified in Exhibit E, Section 1(D). To the extent the Contractor is notified of DHCS Budget Act allocation prior to the execution of the Agreement, DHCS and the Contractor may agree to amend the agreement after the issuance of the first revised allocation.
- I. Reimbursement for covered services, other than Narcotic Treatment Program (NTP) services, shall be limited to the lower of:
  - 1. The provider's usual and customary charges to the general public for the same or similar services.
  - 2. The provider's actual allowable costs.
- J. Reimbursement to NTP shall be limited to the lower of either the Uniform Statewide Daily Reimbursement (USDR) rate, pursuant to W&I Code Section 14021.51(h), or the

provider's usual and customary charge to the general public for the same or similar service. However, reimbursement paid by a county to an NTP provider for services provided to any person subject to Penal Code Sections 1210.1 or 3063.1 and for which the individual client is not liable to pay, does not constitute a usual or customary charge to the general public for the purpose of this section (W&I Code Section 14021.51(h)(2)(A)).

- K. DHCS shall reimburse the Contractor the State General Funds and/or Federal Medicaid fund amount of the approved DMC-ODS claims and documents submitted in accordance with Article III of Exhibit A, Attachment I.
- L. DHCS will adjust subsequent reimbursements to the Contractor to actual allowable costs. Actual allowable costs are defined in the Medicare Provider Reimbursement Manual (CMS-Pub.15), which can be obtained from the Centers for Medicare & Medicaid Services, Baltimore, Maryland, or [www.cms.hhs.gov](http://www.cms.hhs.gov).
- M. Contractors and subcontractors must accept, as payment in full, the amounts paid by DHCS in accordance with the DMC-ODS STCs and the STCs' Attachments. Contractors and subcontractors may not demand any additional payment from DHCS, client, or other third party payers.
- N. Contractor shall require all subcontractors to comply with 45 CFR 162.410(a)(1) for any subpart that would be a covered health care provider if it were a separate legal entity. For purposes of this paragraph, a covered health care provider shall have the same definition as set forth in 45 CFR 160.103. DHCS shall make payments for covered services only if Contractor is in compliance with federal regulations.

- A. In addition to the requirements identified below, the Contractor and its subcontractors are required to meet the audit requirements as delineated in Exhibit C, General Terms and Conditions, and Exhibit D(F), Special Terms and Conditions, of this Agreement.
- B. All expenditures of county realignment funds, state and federal funds furnished to the Contractor and its subcontractors pursuant to this Agreement are subject to audit by DHCS. Objectives of such audits may include, but not limited to, the following:
  - 1. To determine whether units of service claimed/reported are properly documented by service records and accurately accumulated for claiming/reporting.
  - 2. To validate data reported by the Contractor for prospective agreement negotiations.
  - 3. To provide technical assistance in addressing current year activities and providing recommendation on internal controls, accounting procedures, financial records, and compliance with laws and regulations.
  - 4. To determine the cost of services, net of related patient and participant fees, third-party payments, and other related revenues and funds.
  - 5. To determine that expenditures are made in accordance with applicable state and federal laws and regulations and Agreement requirements.
  - 6. To determine the facts in relation to analysis of data, complaints, or allegations, which may be indicative of fraud, abuse, willful misrepresentation, or failure to achieve the Agreement objectives of Exhibit C and D(F).
- C. Unannounced visits may be made at the discretion of the DHCS to the Contractor and/or its subcontractors.
- D. The refusal of the Contractor or its subcontractors to permit access to, and inspection of, electronic or print books and records, physical facilities, and/or refusal to permit interviews with employees, as described in this part, constitutes an express and immediate material breach of this Agreement and will be sufficient basis to terminate the Agreement for cause or default.
- E. Reports of audits conducted by DHCS shall reflect all findings, recommendations, adjustments, and corrective action as a result of its finding in any areas.

**Exhibit B A2**  
**Budget Detail and Payment Provisions**

**Section 2 - DMC-ODS Financial Audits**

- A. In addition to the audit requirements set forth in Exhibit D(F), DHCS may also conduct financial audits of DMC-ODS programs, exclusive of NTP services, to accomplish any of, but not limited to, the following audit objectives:
1. To review reported costs for validity, appropriate allocation methodology, and compliance with Medicaid laws and regulations.
  2. To ensure that only the cost of allowable DMC-ODS activities are included in reported costs.
  3. To determine the provider's usual and customary charge to the general public in accordance with CMS (The Medicare Provider Reimbursement Manual) (CMS-Pub.15), which can be obtained from the Centers for Medicare & Medicaid Services, Baltimore, Maryland, or [www.cms.hhs.gov](http://www.cms.hhs.gov), for comparison to the DMC-ODS cost per unit.

- B. In addition to the audit requirements set forth in Exhibit D(F), DHCS may conduct financial audits of NTP programs. For NTP services, the audits will address items A(3) through A(5) above, except that the comparison of the provider's usual and customary charge in A(3) will be to the DMC USDR rate in lieu of DMC-ODS cost per unit. In addition, these audits will include, but not be limited to:
1. For those NTP providers required to submit a cost report pursuant to W&I Code Section 14124.24, a review of cost allocation methodology between NTP and other service modalities, and between DMC-ODS and other funding sources.
  2. A review of actual costs incurred for comparison to services claimed.
  3. A review of counseling claims to ensure that the appropriate group or individual counseling rate has been used and that counseling sessions have been billed appropriately.

**Exhibit B A2**  
**Budget Detail and Payment Provisions**

4. A review of the number of clients in group sessions to ensure that sessions include no less than two and no more than twelve clients at the same time, with at least one Medi-Cal client in attendance.
  5. Computation of final settlement based on the lower of USDR or the provider's usual and customary charge to the general public.
  6. A review of supporting service, time, financial, and patient records to verify the validity of counseling claims.
- C. Contractor shall be responsible for any disallowances taken by the Federal Government, DHCS, or the Bureau of State Audits as a result of any audit exception that is related to its responsibilities. Contractor shall not use funds administered by DHCS to repay one federal funding source with funds provided by another federal funding source, or to repay federal funds with state funds, or to repay state funds with federal funds.
- D. Contractor agrees to promptly develop and implement any corrective action plans in a manner acceptable to DHCS in order to comply with recommendations contained in any audit report. Such corrective action plans shall include time-specific objectives to allow for measurement of progress and are subject to verification by DHCS within six months from the date of the plan.
- E. Contractor, in coordination with DHCS, shall provide follow-up on all significant findings in the audit report, including findings relating to a subcontractor, and submit the results to DHCS.

If differences cannot be resolved between DHCS and the Contractor regarding the terms of the final financial audit settlements for funds expended under Exhibit B, Contractor may request an appeal in accordance with the appeal process described in the Exhibit A, Attachment I and Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code. Contractor shall include a provision in its subcontracts regarding the process by which a subcontractor may file an audit appeal via the Contractor.

- F. Providers of DMC-ODS services shall, upon request, make available to DHCS their fiscal and other records to assure that such providers have adequate recordkeeping capability and to assure that reimbursement for covered DMC-ODS services are made in accordance with Exhibit A, Attachment I, the DMC-ODS STCs, and the STCs' Attachments. These records include, but are not limited to, matters pertaining to:
1. Provider ownership, organization, and operation

**Part IV - Records**

**Section 1 - General Provisions**

**A. Maintenance of Records**

Contractor shall maintain sufficient books, records, documents, and other evidence necessary for DHCS to audit Agreement performance and compliance. Contractor shall make these records available to DHCS, upon request, to evaluate the quality and quantity of services, accessibility and appropriateness of services, and to ensure fiscal accountability. Regardless of the location or ownership of such records, they shall be sufficient to determine if costs incurred by Contractor are reasonable, allowable and allocated appropriately. All records must be capable of verification by qualified auditors.

1. Contractor and subcontractors shall include in any contract with an audit firm a clause to permit access by DHCS to the working papers of the external independent auditor, and require that copies of the working papers shall be made for DHCS at its request.
2. Contractor and subcontractors shall keep adequate and sufficient financial records and statistical data to support the year-end documents filed with DHCS. All records must be capable of verification by qualified auditors.
3. Accounting records and supporting documents shall be retained for ten years. When an audit by the Federal Government, DHCS, or the California State Auditor has been started, the records shall be retained until completion of the audit and final resolution of all issues that arise in the audit. Final settlement shall be made at the end of the audit and appeal process.
4. Financial records shall be kept so that they clearly reflect the source of funding for each type of service for which reimbursement is claimed. These documents include, but are not limited to, all ledgers, books, vouchers, time sheets, payrolls, appointment schedules, client data cards, and schedules for allocating costs. All records must be capable of verification by qualified auditors.
5. Contractor's subcontracts shall require that all subcontractors comply with the requirements of Exhibit A, Attachment I, Article II and Article III.
6. Should a subcontractor discontinue its contractual agreement with the Contractor, or cease to conduct business in its entirety, Contractor shall be responsible for retaining the subcontractor's fiscal and program records for the required retention period. DHCS Administrative Manual (SAM) contains statutory requirements governing the retention, storage, and disposal of records pertaining to state funds. 7. In the expenditure of funds hereunder, Contractor shall comply with the requirements of SAM and the laws and procedures applicable to the obligation and expenditure of federal and state funds.

**B. Dispute Resolution Process**

1. In the event of a dispute under Exhibit A, Attachment I, Article III other than an audit dispute, Contractor shall provide written notice of the particulars of the dispute to DHCS before exercising any other available remedy. Written notice shall include the Agreement number. The Director (or designee) of DHCS and the County Drug or Alcohol Program Administrator (or designee) shall meet to discuss the means by which they can effect an equitable resolution to the dispute. Contractor shall receive a written response from DHCS within 60 days of the notice of dispute. The written response shall reflect the issues discussed at the meeting and state how the dispute will be resolved.
2. As stated in Part III, Section 2, of this Exhibit, in the event of a dispute over financial audit findings between DHCS and the Contractor, Contractor may appeal the audit in accordance with Exhibit A, Attachment I and Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code. 3. Contractors that conduct financial audits of subcontractors, other than a subcontractor whose funding consists entirely of non-Department funds, shall develop a process to resolve disputed financial findings and notify subcontractors of their appeal rights pursuant to that process. This section shall not apply to those grievances or compliances arising from the financial findings of an audit or examination made by or on behalf of DHCS pursuant to Part III of this Exhibit.
4. To ensure that necessary corrective actions are taken, financial audit findings are either uncontested or upheld after appeal may be used by DHCS during prospective agreement negotiations.

**Additional Provisions**

**1. Amendment Process**

- A. Both the Contractor and the State may agree to amend or renegotiate the Intergovernmental Agreement.
- B. Should either party, during the term of this Intergovernmental Agreement, desire a change or amendment to the terms of this Intergovernmental Agreement, such changes or amendments shall be proposed in writing to the other party, who will respond in writing as to whether the proposed changes/amendments are accepted or rejected. If accepted and after negotiations are concluded, the agreed upon changes shall be made through the State's official agreement amendment process. No amendment will be considered binding on either party until it is formally approved by the both parties and the Department of General Services (DGS), if DGS approval is required.
- C. Intergovernmental Agreement amendments will be required to change encumbered amounts for each year of a multi-year contract period, of which the first amendment will be based on the Governor's Budget Act allocation of that specific fiscal year. The signed Intergovernmental Agreement from the Contractor will be due to the Department of Health Care Services (DHCS) within 90 days from the issuance to the County. If the signed Intergovernmental Agreement from the Contractor is not received within 90 days from the issuance to the County, DHCS may withhold all non-DMC payments under Exhibit B of this Intergovernmental Agreement until the required amendment is received by the State.
- D. Intergovernmental Agreement amendments may be requested by the Contractor until May 1 of each of the contract's fiscal years. An amendment proposed by either the Contractor or the State shall be forwarded in writing to the other party.
  - 1) The proposed amendment submitted by Contractor shall include the proposed changes, and a statement of the reason and basis for the proposed change.
  - 2) Amendments shall be duly approved by the County Board of Supervisors or its authorized designee, and signed by a duly authorized representative.
- E. Contractor acknowledges that any newly allocated funds that are in excess of the initial amount for each fiscal year may be forfeited if DHCS does not receive a fully executable Intergovernmental Agreement amendment on or before June 30th.
- F. State may settle costs for substance use disorder services based on the year-end cost settlement report as the final amendment to the approved Intergovernmental Agreement.

**Exhibit E A2  
Additional Provisions**

**2. Cancellation / Termination**

- A. This Intergovernmental Agreement may be cancelled by DHCS without cause upon 30 calendar days advance written notice to the Contractor.
- B. DHCS reserves the right to cancel or terminate this Intergovernmental Agreement immediately for cause. The Contractor may submit a written request to terminate this Intergovernmental Agreement only if DHCS substantially fails to perform its responsibilities as provided herein.
- C. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of this Intergovernmental Agreement.
- D. Intergovernmental Agreement termination or cancellation shall be effective as of the date indicated in DHCS' notification to the Contractor. The notice shall stipulate any final performance, invoicing or payment requirements.
- E. Upon receipt of a notice of termination or cancellation, the Contractor shall take immediate steps to stop performance and to cancel or reduce subsequent agreement costs.
- F. In the event of early termination or cancellation, the Contractor shall be entitled to payment for all allowable costs authorized under this Intergovernmental Agreement and incurred up to the date of termination or cancellation, including authorized non-cancelable obligations, provided such expenses do not exceed the stated maximum amounts payable.
- G. In the event of changes in law that affect provisions of this Intergovernmental Agreement, the parties agree to amend the affected provisions to conform to the changes in law retroactive to the effective date of such changes in law. The parties further agree that the terms of this Intergovernmental Agreement are severable and in the event that changes in law render provisions of the Intergovernmental Agreement void, the unaffected provisions and obligations of this Intergovernmental Agreement will remain in full force and effect.
- H. The following additional provisions regarding termination apply only to Exhibit A, Attachment I, of this Intergovernmental Agreement:
  - 1) In the event the federal Department of Health and Human Services (hereinafter referred to as DHHS), or State determines Contractor does not meet the requirements for participation in the DMC-ODS Waiver Program, State will terminate payments for services provided pursuant to Exhibit A, Attachment I, of this Intergovernmental Agreement for cause.
  - 2) All obligations to provide covered services under this Intergovernmental Agreement will automatically terminate on the effective date of any termination of this Intergovernmental Agreement. Contractor will be responsible for providing or arranging for covered services to beneficiaries

**Additional Provisions**

until the effective date of termination or expiration of the Intergovernmental Agreement.

Contractor will remain liable for processing and paying invoices and statements for covered services and utilization review requirements prior to the expiration or termination until all obligations have been met.

- 3) In the event Exhibit A, Attachment I, of this Intergovernmental Agreement is nullified, Contractor shall refer DMC clients to providers who are certified to provide State Plan services.

- I. In the event this Intergovernmental Agreement is terminated, Contractor shall deliver its entire fiscal and program records pertaining to the performance of this Intergovernmental Agreement to the State, which will retain the records for the required retention period.

**3. Avoidance of Conflicts of Interest by Contractor**

- A. DHCS intends to avoid any real or apparent conflict of interest on the part of the Contractor, subcontractors, or employees, officers and directors of the Contractor or subcontractors. Thus, DHCS reserves the right to determine, at its sole discretion, whether any information, assertion or claim received from any source indicates the existence of a real or apparent conflict of interest; and, if a conflict is found to exist, to require the Contractor to submit additional information or a plan for resolving the conflict, subject to DHCS review and prior approval.
- B. Conflicts of interest include, but are not limited to:
  - 1) An instance where the Contractor or any of its subcontractors, or any employee, officer, or director of the Contractor or any subcontractor has an interest, financial or otherwise, whereby the use or disclosure of information obtained while performing services under the Intergovernmental Agreement would allow for private or personal benefit or for any purpose that is contrary to the goals and objectives of the Intergovernmental Agreement.
  - 2) An instance where the Contractor's or any subcontractor's employees, officers, or directors use their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business or other ties.
- C. If DHCS is or becomes aware of a known or suspected conflict of interest, the Contractor will be given an opportunity to submit additional information or to resolve the conflict. A Contractor with a suspected conflict of interest will have five (5) working days from the date of notification of the conflict by DHCS to provide complete information regarding the suspected conflict. If a conflict of interest is determined to exist by DHCS and cannot be resolved to the satisfaction of DHCS, the conflict will be grounds for terminating the Agreement. DHCS may, at its

discretion upon receipt of a written request from the Contractor, authorize an extension of the timeline indicated herein.

- D. Contractor acknowledges that state laws on conflict of interest, found in the Political Reform Act, Public Contract Code Section 10365.5, and Government Code Section 1090, apply to this Intergovernmental Agreement.

**4. Freeze Exemptions**

- b. Notice shall be provided to the Information Protection Unit, Office of HIPAA Compliance. If the incident occurs after business hours or on a weekend or holiday and involves electronic Department PI or PII, notice shall be provided by calling the Department Information Security Officer. - e. **Complete Report.** To provide a complete report of the investigation to the Department Program Contract Manager and the Information Protection Unit within ten working days of the discovery of the breach or unauthorized use or disclosure. The report shall be submitted on the "Privacy Incident Report" form and shall include an assessment of all known factors relevant to a determination of whether a breach occurred. The report shall also include a full, detailed corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If the Department requests information in addition to that listed on the "Privacy Incident Report" form, Contractor shall make reasonable efforts to provide the Department with such information. If, because of the circumstances of the incident, Contractor needs more than ten working days from the discovery to submit a complete report, the Department may grant a reasonable extension of time, in which case Contractor shall submit periodic updates until the complete report is submitted. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated "Privacy Incident Report" form. The Department will review and approve the determination of whether a breach occurred and whether individual notifications and a corrective action plan are required.

- h. **Department Contact Information.** To direct communications to the above referenced Department staff, the Contractor shall initiate contact as indicated herein. The Department reserves the right to make changes to the contact information below by giving written notice to the Contractor. Contractor is solely responsible for all decisions made by Contractor regarding the safeguarding of the Department PHI, PI and PII.
- 3) **Amendment.** The parties acknowledge that federal and state laws relating to electronic data security and privacy are rapidly evolving and that amendment of this Exhibit F may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, and the HIPAA regulations, and other applicable state and Federal laws. Upon either party's request, the other party agrees to promptly enter into negotiations concerning an amendment to this Exhibit F embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, and the HIPAA regulations, and other applicable state and Federal laws. The Department may terminate this Agreement upon thirty (30) days written notice in the event:

- 5) **Assistance in Litigation or Administrative Proceedings.** Contractor shall make itself and any subcontractors, employees, or agents assisting Contractor in the performance of its obligations under this Agreement, available to the Department at no cost to the Department to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against the Department, its directors, officers or employees based upon claimed violation of HIPAA, or the HIPAA regulations, which involves inactions or actions by the Contractor, except where Contractor or its subcontractor, employee or agent is a named adverse party.
- 6) **No Third-Party Beneficiaries.** Nothing expressed or implied in the terms and conditions of this Exhibit F is intended to confer, nor shall anything herein confer, upon any person other than the Department or Contractor and their respective successors or assignees, any rights, remedies, obligations or liabilities whatsoever.

Contractor shall promptly remedy any violation of any provision of this Exhibit F. The fact that the Department inspects, or fails to inspect, or has the right to inspect, Contractor's facilities, systems and procedures does not relieve Contractor of its responsibility to comply with this Exhibit F. The Department's failure to detect a non-compliant practice, or a failure to report a detected non-compliant practice to Contractor does not constitute acceptance of such practice or a waiver of the Department's enforcement rights under this Agreement, including this Exhibit F.

Contractor shall continue to extend the protections of this Exhibit F to such Department PHI, PI and PII, and shall limit further use of such data to those purposes that make the return or destruction of such data infeasible. This provision shall apply to Department PHI, PI and PII that is in the possession of subcontractors or agents of Contractor.

Encryption can be end to end at the network level, or the data files containing PHI can be encrypted. This requirement pertains to any type of PHI or PI in motion such as website access, file transfer, and E-Mail.
- N. **Intrusion Detection.** All systems involved in accessing, holding, transporting, and protecting DHCS PHI or PI that are accessible via the Internet must be protected by a comprehensive intrusion detection and prevention solution.

**III. Audit Controls.**

- A. *System Security Review.*** All systems processing and/or storing DHCS PHI or PI must have at least an annual system risk assessment/security review which provides assurance that administrative, physical, and technical controls are functioning effectively and providing adequate levels of protection. Reviews should include vulnerability scanning tools.
- B. *Log Reviews.*** All systems processing and/or storing DHCS PHI or PI must have a routine procedure in place to review system logs for unauthorized access.
- C. *Change Control.*** All systems processing and/or storing DHCS PHI or PI must have a documented change control procedure that ensures separation of duties and protects the confidentiality, integrity and availability of data.

**IV. Business Continuity / Disaster Recovery Controls**

- A. *Emergency Mode Operation Plan.*** Contractor must establish a documented plan to enable continuation of critical business processes and protection of the security of electronic DHCS PHI or PI in the event of an emergency. Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under this Agreement for more than 24 hours.
- B. *Data Backup Plan.*** Contractor must have established documented procedures to backup DHCS PHI to maintain retrievable exact copies of DHCS PHI or PI. The plan must include a regular schedule for making backups, storing backups offsite, an inventory of backup media, and an estimate of the amount of time needed to restore DHCS PHI or PI should it be lost. At a minimum, the schedule must be a weekly full backup and monthly offsite storage of DHCS data.

**V. Paper Document Controls.**

- A. *Supervision of Data.*** DHCS PHI or PI in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information is not being observed by an employee authorized to access the information. DHCS PHI or PI in paper form shall not be left unattended at any time in vehicles or planes and shall not be checked in baggage on commercial airplanes.

- B. *Escorting Visitors.*** Visitors to areas where DHCS PHI or PI is contained shall be escorted and DHCS PHI or PI shall be kept out of sight while visitors are in the area.
- C. *Confidential Destruction.*** DHCS PHI or PI must be disposed of through confidential means, such as cross cut shredding and pulverizing.
- D. *Removal of Data.*** DHCS PHI or PI must not be removed from the premises of the Contractor except with express written permission of DHCS.
- E. *Faxing.*** Faxes containing DHCS PHI or PI shall not be left unattended and fax machines shall be in secure areas. - F. *Mailing.*** Mailings of DHCS PHI or PI shall be sealed and secured from damage or inappropriate viewing of PHI or PI to the extent possible. Mailings which include 500 or more individually identifiable records of DHCS PHI or PI in a single package shall be sent using a tracked mailing method which includes verification of delivery and receipt, unless the prior written permission of DHCS to use another method is obtained.
