BACKGROUND:

Summary

By Minute Order dated December 11, 2018 (Agenda Item: 3.53), the County of Riverside (County) Board of Supervisors authorized the Clerk of the Board to advertise for the 70th Avenue Bridge Over Coachella Canal Wasteway No. 1 Repair Work in the Community of North Shore, in the eastern Coachella Valley area of Riverside County.

The 70th Avenue Bridge is adjacent to the intersection of 70th Avenue and Cleveland Street and spans the Coachella Canal Wasteway No.1, which is operated and maintained by the Coachella Valley Water District (CVWD). The Wasteway Canal conveys storm water during peak flooding events.

In late September 2018, a CVWD contractor was in the process of removing and replacing the existing canal lining as part of a channel improvement project. The contractor had removed the existing channel lining entirely with the exception of a short segment under the bridge footprint, without providing any temporary erosion or scour countermeasures to protect the remaining channel lining segment and the bridge foundations. The contractor was in the process of preparing to cast the new channel lining, when two large storm events occurred in late September and early October, damaging the entire channel construction work in progress. The storm water undermined and washed away the concrete lining segment that was left in place under the bridge and the roadway embankment adjacent to the bridge abutments, leaving the abutment piles partially exposed. The storm water also washed away approximately 40 feet of 70th Avenue roadway embankment behind the east abutment and caused severe under mining along the west bridge abutment.

Project construction will include bridge and roadway repairs that will allow reopening of 70th Avenue to public traffic.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account issued addendum on their Contractor's Bid in order to be considered for award.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The addendum was issued to clarify and modify the approved contract documents. The addendum is attached and designated as Addendum No. 1.

The contractor, Mamco Inc. dba Alabbasi, is qualified to perform the work outlined in the bid. The contractor will execute the Contract and provide bonds and insurance documents after Board of Supervisor award and approval. Mamco Inc. is also the CVWD contractor performing the channel Improvement work.

Project No. 45-19190102

Impact on Residents and Businesses

This bridge and roadway has been closed since September 30, 2018. The repair work is scheduled to begin in January 2019 and scheduled for 45 working days and anticipated to be completed by March 2019. The road will remain closed until the repair work is completed.

SUPPLEMENTAL:

Additional Fiscal Information

The contract is recommended to be awarded to Mamco Inc. dba Alabbasi in the total amount of \$665,555. Urgent action needs to be taken to reopen this bridge and roadway to the public. This contract amount may vary as the repair work progresses and if subsequent storms cause additional bridge and road damage.

The work will be funded from Gas Tax. This work is not eligible for State or Federal emergency relief funds. There are no General Funds used in this project.

The County has submitted a claim for damages to CVWD and is in the process of seeking reimbursement for the cost of this work.

Contract History and Price Reasonableness

Six bids were received ranging from \$665,555 to \$923,470. The basis for the selection of a contractor is the lowest responsive and responsible bid.

All bids received were responsive to the bidding requirements set forth for the project. The lowest responsible bid was submitted by Mamco Inc. dba Alabbasi in the amount of \$665,555 which is \$373,515 (35.9%) below the Engineer's Estimate.

Item 2: Clarification – Project Schedule

The project is anticipated to be awarded by the Riverside County Board of Supervisors on January 15, 2018.

Per Instructions to Bidders Section 20, Award of Contract, subsection D (page A11), the County may select to award the Contract prior to execution by the Contractor and will coordinate this award process to attain the anticipated schedule.

Mandatory pre-construction biological surveys will be performed by the County immediately after the award of Contract.

Required construction submittals, from the awarded Contractor, must be approved prior to the start of construction.

Item 3: Dewatering

The following special provisions are added and made a part hereby:

Dewatering

Dewatering consists of discharging accumulated stormwater, groundwater, or surface water from excavations or temporary containment facilities.

Comply with the requirements of the Colorado River RWQCB for nonstormwater discharges and the State Department of Transportation Construction Site Best Management Practices (BMP) Manual for dewatering.

Ensure any dewatering discharge does not cause erosion, scour, or sedimentary deposits that could impact natural bedding materials.

Discharge the water within the project limits. Dispose of the water if it cannot be discharged within project limits due to site constraints or contamination.

Do not discharge stormwater or nonstormwater that has an odor, discoloration other than sediment, an oily sheen, or foam on the surface. Immediately notify the Engineer upon discovering any such condition.

Payment:

Payment for dewatering shall be considered as included in the lump sum contract price paid for Prepare Water Pollution Control Program and shall include full compensation for the work performed, including implementing, installing, constructing, operating, maintaining, and removing and disposing of temporary BMPs, as specified in the Caltrans manual for dewatering, and these Special Provisions, and as directed by the Engineer.

Item 4: Minor Concrete Structure – Anchor Block

The following special provisions are added and made a part hereby:

Add to Section 51-1.01 General:

Minor Concrete Structures

Minor concrete structures shall conform to the applicable portions of Section 51, 52, 75 and 90 of the Standard Specifications and in accordance with the manufacturer's recommendation.

Minor concrete structures for this project shall consist of:

- Reinforced concrete anchor blocks per Caltrans Standard No. A77U3

The cementitious material content of concrete must be at least 658 pounds per cubic yard.

The Contractor is hereby notified that the existing soils have high sulfate/chloride solution content. In order to decrease the probability of these solutions penetrating the concrete, the concrete mix shall have at least a cementitious material content of concrete of 658 pounds per cubic yard with Type V Portland Cement Concrete (PCC) with a maximum W/C ratio of 0.4.

Additionally, the placement of 12-inches of Class 2 aggregate base material is required under all PCC improvements in accordance with Section 16.04, "High Sulfate Soil," of the County Road Improvement Standards and Specifications.

An impermeable membrane (6-mil visqueen) shall be placed under aggregate base for all concrete improvements.

All exposed metal shall be galvanized in conformance with Section 75-1.05 Galvanizing of the Standard Specifications.

Excess material resulting from the minor concrete structures construction shall be disposed of as provided in Section 00-1.14, 'Disposal Of Excess Excavation Or Materials', of the Special Provisions.

Add to Section 51-1.04 Payment:

51-1.04 PAYMENT

The contract price paid per each for Anchor Block will not be adjusted if the constructed height of said minor structure, including revisions by Engineer, is within ± 0.5 foot of the vertical dimension shown on the plans.

Payment for all work involved in the construction of minor structures will be per each for Anchor Block; and shall include full compensation for furnishing all labor, materials, tools and equipment, and doing all work involved in the complete structure, including structure excavation and backfill, furnishing and placing reinforcement steel, furnishing and placing 6-mil visqueen and 12-inches of Class 2 aggregate base under Anchor Blocks, and no further allowances shall be allowed.

DESIGNATED CONSTRUCTION PROJECT(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Construction Project(s):

ALL OF YOUR DESIGNATED CONSTRUCTION PROJECTS WHERE REQUIRED BY CONTRACT.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
 - 1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 - 2. The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage C regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
 - 3. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above.
 - 4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

- B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage A, and for all medical expenses caused by accidents under Section I – Coverage C, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. Any payments made under Coverage A for damages or under Coverage C for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and
 2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit.
- C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D. If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E. The provisions of Section III – Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. We may audit your books and records as they relate to this insurance at any time during the term of this policy and up to three years afterwards.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Or Waiver Of Rights Of Recovery Against Others To Us

We will waive the right of recovery we would otherwise have had against another person or organization, for loss to which this insurance applies, provided the insured has waived their rights of recovery against such person or organization in a contract or agreement that is executed before such loss.

To the extent that the insured's rights to recover all or part of any payment made under this Coverage Part have not been waived, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

This condition does not apply to Coverage C.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION III. DEFINITIONS

A. "Ultimate Net Loss"

"Ultimate Net Loss" means the total sum, after reduction for all recoveries including other valid and collectible insurance, excepting only the "Underlying Insurance" scheduled under ITEM 5. of the Declarations, actually paid or payable due to a claim or suit for which you or an Insured are liable either by a settlement to which we agreed or a final judgment.

The term "Ultimate Net Loss" shall also include defense costs when such defense costs are included within the limits of insurance of any applicable "Underlying Insurance".

B. "Underlying Insurance"

"Underlying Insurance" means the Policy(ies) and/or self-insured retention identified in **ITEM 5.** of the Declarations. "Underlying Insurance" shall include:

1. The First Underlying Insurance Policy(ies) scheduled in **ITEM 5.A.** of the Declarations;

B. Bankruptcy or Insolvency

Your or an Insured's bankruptcy, insolvency or inability to pay will not relieve us from our obligations under this Policy.

In the event of bankruptcy, insolvency or refusal or inability to pay, of any underlying insurer or insurer providing other insurance, the insurance afforded by this Policy will not drop down or replace such "Underlying Insurance" or other insurance, but will apply as if all limits of any "Underlying Insurance" or other insurance are fully available and collectible.

C. Cancellation

1. You may cancel this Policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this Policy. If we cancel for any other reason, we must mail or deliver to you not less than thirty (30) days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in ITEM 1. of the Declarations will be sufficient to prove notice.
3. The Policy Period will end on the day and hour stated in the cancellation notice.
4. If we cancel, earned premium will be calculated pro rata based on the time this Policy was in force.
5. If you cancel, earned premium will be more than a pro rata of the Advanced Premium as shown on ITEM 6. of the Declarations; it will be based on the time this Policy was in force and increased by the applicable short rate cancellation table and procedure.
6. Premium adjustment may be made at the time of cancellation or as soon as practicable thereafter but the cancellation will be effective even if we have not made or offered any refund due you. Our check or our representative's check, mailed or delivered, shall be sufficient tender of any refund due you.
7. The first Named Insured in ITEM 1. of the Declarations shall act on behalf of all other Insured(s) with respect to the giving and receiving of notice of cancellation and the receipt of any refund that may become payable under this Policy.
8. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this Policy is changed by this statement to comply with that law.

You must promptly notify us of any newly acquired or formed organizations, or coverage or limit changes made after the inception date of this Policy to the First Underlying Insurance Policy(ies) as scheduled in ITEM 5.A. of the Declarations.

Coverage under this Policy will apply to newly acquired or formed organizations only if we endorse the organization as an Insured onto this Policy. Any newly acquired or formed organizations endorsed onto this Policy may be subject to an additional premium and to a premium audit.

E. Coverage Territory

Any claim or suit for loss or damage occurring within the Coverage Territory must be brought within the United States of America.

Coverage Territory shall be deemed to be anywhere in the world with the exception of any country or jurisdiction which is subject to trade or other economic sanction or embargo by the United States of America.

Payments under this Policy shall only be made in full compliance with all United States of America economic or trade sanction laws or regulations, including, but not limited to, sanctions, laws and regulations administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC").

F. Defense

We have no duty to defend any claim or suit and will not be obligated to assume charge of the investigation, settlement or defense of any claim, suit or proceeding instituted against you or any Insured for loss or damages to which this insurance may apply. We will have the right and opportunity to participate or associate in the investigation, settlement or defense of any claim, suit or proceeding against you or an Insured for loss or damage to which this insurance may apply. If we exercise such right, which is at our sole discretion, we will do so at our own expense.

G. Maintenance of "Underlying Insurance"

You agree to maintain all "Underlying Insurance" in full force and effect during our Policy Period stated in ITEM 2. of the Declarations, except for the reduction of the aggregate limits of the "Underlying Insurance" due to payment of claim(s) or suit(s) for loss or damage to which this insurance may apply. If you fail to comply with this condition precedent, then the insurance provided by this Policy shall only apply as though such "Underlying Insurance" had been in full force and effect by you.

H. Notification of Accidents or Occurrences

1. You or an Insured must see to it that we are notified as soon as practicable of an accident, occurrence or wrongful act which is reasonably likely to result in a claim or suit to which this insurance may apply.

To the extent possible, notice will include:

- a. How, when and where the accident, occurrence or wrongful act took place;
 - b. The names and addresses of any injured persons and witnesses;
 - c. The nature and location of any loss, injury or damage arising out of the accident, occurrence or wrongful act.
2. If a claim is made or a suit is brought against an Insured that is reasonably likely to involve this Policy, you or an Insured must notify us in writing as soon as practicable.
 3. You and an Insured must:
 - a. Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
 - b. Authorize us to obtain records and other information;
 - c. Cooperate with us in the investigation, settlement or defense of the claim or suit; and

- 4. No Insured will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

I. Other Insurance

If other insurance applies to "Ultimate Net Loss" that is also covered by this Policy, this Policy will apply excess of, and will not contribute to, the other insurance. Nothing herein will be construed to make this Policy subject to the terms, conditions and limitations of such other insurance. However, other insurance does not include:

- 1. "Underlying Insurance";
- 2. Insurance that is specifically written as excess over this Policy; or
- 3. Insurance held by a person(s) or organization(s) qualifying as an additional insured in "Underlying Insurance", but only when the written contract or agreement between you and the additional insured requires a specific limit of insurance that is in excess of the Underlying Limits of Insurance. However, the Limits of Insurance afforded the additional insured in this paragraph shall be the lesser of the following:
 - a. The minimum limits of insurance required in the contract or agreement between you and the additional insured; or
 - b. The Limits of Insurance shown in the Declarations of this Policy.

Other insurance includes any type of self-insurance or other mechanism by which an Insured arranges for the funding of legal liabilities.

J. Premium

The first Named Insured shown in **ITEM 1.** of the Declarations shall be responsible for payment of all premiums when due.

The Advanced Premium shown in **ITEM 6.** of the Declarations is a flat premium for this Policy Period, unless Estimated Exposure, Rate Per and Audit Period are completed on the Declarations. In that case a Premium Audit Endorsement will be attached to the Policy.

Earned Premium in a Policy Period shall be subject to the Minimum Premium and the Minimum Earned Premium as stated in the Declarations, if applicable.

K. Transfer of Rights of Recovery Against Others to Us

If the Insured has rights to recover all or part of any payment we have made under this Policy, those rights are transferred to us. The Insured must do nothing after loss to impair them. At our request, the Insured will bring suit or transfer those rights to us and help us enforce them. Reimbursement of recovery(ies), minus expenses incurred by us in the process of recovery, will be first made to any interest (including the Insured) who has paid any amounts in excess of the limits of this Policy; then next to us; and then finally to all other interests (including the Insured and the underlying insurer) with respect to the remaining amounts, if any.

L. Unintentional Errors or Omissions

Your failure to disclose all hazards existing as of the inception date of this Policy shall not prejudice you with respect to the coverage afforded by this Policy provided such failure or any omission is not intentional.

M. When "Ultimate Net Loss" is Payable

Coverage under this Policy will not apply unless and until the Insured or the Insured's "Underlying Insurance" has paid or is obligated to pay the full amount of the limits of the "Underlying Insurance" scheduled in **ITEM 5.** of the Declarations. If other insurance applies, coverage under this Policy will not apply until the other insurance has paid or is obligated to pay the full amount of its limit of insurance.

When the "Ultimate Net Loss" is determined, we will pay on behalf of the Insured the amount of "Ultimate Net Loss" to which this insurance applies.
