**BACKGROUND:**

**Summary**

On May 14, 1991, the Board adopted Resolution 91-265 to collect a one-dollar (\$1.00) fee added to all private vehicle registrations in the County, pursuant to Vehicle Code Section 9250.14. On October 30, 2018, vehicle registration fees were increased from one-dollar (\$1.00) to two-dollars (\$2.00). Per this Code Section, the fee must be earmarked for programs designed to enhance the deterrence, investigations and prosecution of vehicle theft crimes.

In September 1993, the Sheriff's Department received Board approval to use the trust funds to create the Riverside Auto-Theft Interdiction Detail (RAID), a multi-jurisdictional task force. Based on the recommendation of the Riverside County Law Enforcement Administrators Association, these funds were directed in equal amounts to the Sheriff's Department and the District Attorney. The Sheriff's Department created Trust Fund 5097 (now sub-fund 11013) to account for its share.

RAID interfaces with the California Highway Patrol (CHP), the Department of Insurance, the National Crime Insurance Bureau, and all law enforcement agencies in Riverside County for the sharing of information related to vehicle theft.

Pursuant to a Letter of Agreement (LOA), The Sheriff's Department utilizes the Auto Theft Interdiction Sub-Fund to reimburse the CHP for the overtime hours, per diem and business expenses of three vehicle theft investigators that the CHP provides to the RAID effort. On 08/23/16 (3.64), the Board approved the RAID operating agreement between the CHP and the Sheriff's Department for the period from 07/01/16 through 06/30/18. The CHP and the Sheriff's Department wish to extend the term of the agreement for two more years through June 30, 2020.

RAID staff has estimated the amount of the reimbursement to the CHP for FY2018-19 at \$52,000. However, the State has set a maximum amount of \$225,000 during the two-year LOA

term. Staff is reasonably confident that the FY2018-19 reimbursement budget will be adequate. Due to the recent increase in vehicle fees staff anticipates estimated reimbursements to increase in FY2019-20 and is requesting \$75,000. Therefore, reimbursements for the two-year agreement period are estimated at \$127,000.

**Impact on Residents and Businesses**

Since 1993, the RAID Task Force has provided an essential crime-fighting service to County citizens and businesses. The participation of the CHP investigators and other county law enforcement agencies is vital to its efforts. As stated in the RAID Memorandum of Understanding, "Vehicle theft continues to be widespread throughout the county and requires our continuing efforts to curtail this criminal activity. It is recognized that the continued existence of the RAID Task Force is a valuable resource to county law enforcement agencies in the collective efforts to deter vehicle theft activity, increase the apprehension and identification of the professional vehicle thief, increase the recovery of stolen vehicles, and educate the citizens of Riverside County in vehicle theft prevention.
