BACKGROUND:

Summary

Senators Daines of Montana and Manchin of West Virginia sponsor senate Bill 164. Representatives Garamendi of California and Kelly of Mississippi sponsor H.R. 613. The two bills will expand TRICARE Reserve Select (TRS) eligibility to all federal employees serving the National Guard and Reserves. This expands health care choice to more than 70,000 dual status military technicians in Reserve Components nationwide. This legislation directly benefits dual status military personnel and their families who are assigned to March Air Reserve Base and the Naval Surface Warfare Center along with Armories and Reserve Centers in the County of Riverside. Support for the legislation would ensure Guardsman, Reservists, and families have greater choice and equal access to competitive health care coverage. The two bills have garnered support of numerous Military Service Organizations.
