**BACKGROUND:**

**Summary**

County assessors from various California counties formed the Joint Powers Agreement (JPA) to establish a joint working group providing for the development, management, and administration document control of e-Forms. The purpose of this JPA is for the on-going business of e-Forms for data collection, storing and maintaining data necessary to the assessment function performed by California county assessors. The participating counties have agreed to enter into the JPA to gather and distribute formatted data, through electronic media, based on relevant Board of Equalization and assessor approved forms, to share in the development and ownership of the common data handling facility for purposes of property tax assessments and administration, and to share the associated costs and liabilities directly related to this purpose among the parties on a proportionate basis as set forth in the JPA. Each participating county is sharing only a portion of the costs. The County of Riverside Assessor-County-Clerk-Recorder is requesting \$18,000 for fiscal year 2018-2019. Costs are not estimated to exceed \$25,000 annually for the duration of the program.

**Impact on Residents and Businesses**

The JPA provides for an electronic media, based on relevant Board of Equalization and assessor-approved forms, to share in the development and ownership of the common data handling facility for purposes of property tax assessment and administration and to share the associated costs and liabilities directly related to this purpose. The program allows business owners from each participating jurisdiction to view and submit online data. This also provides consistency among the participating California counties for taxpayers doing business in multiple counties.

**Additional Fiscal Information**

Software support maintenance fees should not exceed an aggregated amount of \$43,000 through June of 2020. This amount has been budgeted in the Assessor –County Clerk–Recorder’s department.

**Contract History and Price Reasonableness**

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

The participating assessors formed the JPA to develop, maintain and host the system. This allows the total cost to be divided among the participating counties. Each county is only required to pay a fraction of what it would cost to maintain their own standalone system.

**JOINT POWERS AGREEMENT (JPA)**  
**FOR e-Forms Development, Management and Administration**  
**(Document Control March 1, 2013)**

THIS Joint Powers Agreement, titled the "e-Forms Network Group Agreement" (hereinafter "Agreement"), is effective March 1, 2013, by, between, and among the undersigned California counties and the Board of Equalization (BOE), for the purposes of collecting, storing, and maintaining data necessary to the assessment functions.

**WHEREAS:**

- (1) Title 1, Division 7, Chapter 5, Article 1 of the California Government Code establishes a procedure for the exercise of powers common to the contracting parties where those parties are within the definition of the term "public agency"; and
- (2) The parties hereto desire to enter into a Joint Powers Agreement for the purposes of collecting, storing, and maintaining data necessary to the assessment functions performed by the California County Assessors ("Participating Assessors"), each of which is an officer and agent of his or her respective county; and if the BOE participates in this Agreement, the "Participating Parties"
- (3) Under the provisions of Revenue and Taxation ("R&T") Code Sections 441-454 and 480-484, a county assessor has authority to gather confidential information from property owners necessary and relevant to the determination of the fair market value of property for purposes of property taxation within that assessor's county; and
- (4) The parties have agreed to enter into this Agreement to gather and distribute formatted data, through electronic media, based on relevant BOE and Assessor approved forms; to share in the development and ownership of the common data handling facility for purposes of property tax assessment and administration; and to share the associated costs and liabilities directly related to this purpose, among the parties on a proportionate basis as set forth herein below so that no party's liability is increased by this project; and
- (5) e-Forms data collected pursuant to this Agreement will not be shared between the parties except as authorized by the R&T Code; and each Assessor's data is to be maintained separate and distinct to the individual county of each Assessor as provided by R&T Section 408, 451 and 481; and
- (6) By this Agreement, the parties do not intend to create an agency or entity separate from the parties themselves.

NOW, THEREFORE, in consideration of the mutual promises of performance set forth herein, the parties agree as follows:

1. TERM. The term of this Agreement is from March 1, 2013 through and including June 30, 2016, a period of 40 months. However, for funding consideration this is a year-to-year agreement and is based on the availability of funds from the participating jurisdictions. This agreement may be continued based on the consent of the Participating Parties for one (1) additional year. After this initial period this agreement will be reviewed and adjusted as necessary to recognize the permanent and annual business of using forms and e-Forms to collect and handle information and data.
2. ADMINISTRATION.
  - a. This Agreement shall be administered by the Coordinating Assessor. The Participating Parties, by majority vote, shall select and designate the Coordinating Assessor. The Coordinating Assessor shall be responsible for obtaining a provider for the following services: development of a data gathering facility, servers, software, programs, reports, testing or other device(s) for the collection, term storage, backup, upload, download, and security of data records related to, but not limited to, the BOE forms; coordination and performance of work to support the collection device(s); review, evaluation and proposal of system software and hardware to assist the Participating Parties to meet the objectives of the Agreement; preparation of a report detailing the results of their work at least annually, but quarterly for the first year; development and distribution of communication links for the distribution of the data related to each Participating Parties. In obtaining a provider for these services, the Coordinating Assessor shall comply with all applicable state procurement laws as well as all procurement policies adopted by the Board of Supervisors in the Coordinating Assessor's county.
  - b. The participating parties recognize that the costs associated with this agreement are shared costs approximately according to current e-Forms volume as detailed in Exhibit A. The participating parties further acknowledge that they are paying for the use of the e-Forms product through a cost structure related to development and support costs.
  - c. The BOE and the California Assessor's Association (CAA) forms committee are coordinating participants in this Agreement.

3. PAYMENT FOR PERFORMANCE. The Coordinating Assessor is authorized to dedicate the following funds as compensation to the provider of services under this Agreement:
- a. System Hardware and Software – not to exceed \$15,000  
This is a one-time cost.
  - b. e-Form Software Development – up to \$335,000  
This is a one-time cost.
  - and the combined costs of "a." and "b." not to exceed \$350,000
  - c. Annual System Operation costs – not to exceed (TBD)  
This is a recurring annual cost.

Nothing in this Agreement shall limit or prohibit the ability of a Participating Party from receiving extra data support services that are beyond the scope of this Agreement. A Participating Party, and his or her respective jurisdiction, who obtains extra data support services (rate sheet services) that may be related to but are beyond the scope of this Agreement shall be solely responsible for the payment of such extra work.

4. PARTICIPATING PARTIES' SHARE OF COSTS. The respective development and ongoing support share of the costs of services under this Agreement to be paid by the Participating Parties' jurisdiction is as follows:
- a. Development Costs: As provided for in Exhibit A under "e-Forms Development Cost Sharing Allocation Plan."
  - b. Ongoing/annual systems support and services costs: For the first year, as provided in Exhibit A under "Annual Costs" and as provided under Section 4(e). For subsequent years, as provided in Section 4(e).
  - c. Each Participating Party shall deposit his or her Jurisdictions' invoiced share of the total development and first year's annual support costs of this Agreement, in a project account to be established in the name of Coordinating Assessor, within thirty (30) days of the effective date of this Agreement. Disbursements from this account shall be made only with the approval of the Coordinating Assessor, and as the development work is completed and approved by the Coordinating Assessor (Progress Payments). Should there be any remaining funds from the development costs, these funds would roll over to be a part of the annual systems support and services cost funds. The Coordinating Assessor shall return any remaining principal and any accrued interest in the account upon completion of the term and the services to be rendered under this Agreement, in excess of account fees, to the Participating Parties' Jurisdiction in proportion to the amount each contributed.

- d. The Coordinating Assessor shall provide to the Participating Parties copies of all billings submitted by and all payments made to any provider of services under this Agreement. Payment of any unquestioned bill or item from a bill shall be made within sixty (60) days of receipt by the Coordinating Assessor.
  - e. The annual costs and any adjustments and/or enhancement costs to meet the requirements of filing and collecting data and information related to the e-Forms will be reviewed by the Coordinating Assessor, shared with Participating Parties, and adjusted annually as provided for in Exhibit B. Each party will be responsible for any annual costs and any adjustments and/or enhancement costs to meet the requirements of filing and collecting data and information related to the e-Forms in the same proportion as its share of the Annual Costs listed in Exhibit A.
5. RECORDS RETENTION. The individual e-Forms data (the "assessor records") shall be stored on-line for a term of three (3) years, and each Participating Party will provide notice to the Coordinating Assessor in year three (3) to establish a single procedure with input from the Participating Assessors for the disposition of these records. This section shall survive the termination of this Agreement.
6. ASSESSOR RECORDS.
- a. Data collected pursuant to this Agreement will not be shared between the parties except as authorized by the R&T Code; and each Assessor's data is to be maintained separate and distinct to the individual county of each Assessor as provided by R&T Section 408, 451 and 481.
  - b. The Coordinating Assessor shall require that any provider of services contemplated by this Agreement shall agree that records, data, information, materials, and forms are the property of the Assessors at all times and to maintain the confidentiality of all Assessor and County-related records and information pursuant to all statutory laws relating to privacy and confidentiality that currently exist or exist at any time during the term of this Agreement. All such records and information shall be considered confidential and kept confidential by the provider(s) and its staff, agents and employees.
7. TERMINATION. Any party hereto may withdraw from this Agreement upon giving sixty (60) days written notice to each of the other parties hereto. The Participating Parties recognize that the obligations and debts under this Agreement are part of a whole and they are incurred annually. Any obligations or debts incurred hereunder shall become immediately due and payable by the withdrawing party. The withdrawing party shall not be entitled to a refund or credit for any sums paid under this Agreement. As to the impact on the distribution of annual costs, the Participating Parties may adjust or redistribute these costs as prescribed by Exhibit B. Notwithstanding the Agreement term

stated in Section 1 hereof, the addition or deletion of any party to this Agreement shall not affect this Agreement nor the intent to contract as described above with the other parties to the Agreement then remaining.

8. INDEMNIFICATION.

a. Except as provided in Section 8(b) of this Agreement, in lieu of and notwithstanding the pro rata risk allocation which might otherwise be imposed between the parties pursuant to Government Code Section 895.6, the parties agree that all losses or liabilities, incurred by a party shall not be shared pro rata, but instead the parties agree that, pursuant to Government Code Section 895.4, each of the parties hereto shall fully indemnify and hold each of the other parties, their officers, board members, employees and agents, harmless from any claim, expense or cost, damage or liability imposed for injury (as defined by Government Code Section 810.8) occurring by reason of the negligent acts or omissions or willful misconduct of the indemnifying party, its officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such party under this Agreement. Except as provided in Section 8(b), no party, nor any officer, board member, employee or agent thereof shall be responsible for any damage or liability occurring by reason of the negligent acts or omissions or willful misconduct of other parties hereto or any provider of services, their officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such other parties under this Agreement. It is further understood and agreed the indemnification herein extends to and includes liability of the parties for private attorney general fee awards and liability which arise by operation of law as the result of any act, omission or occurrence related to this Agreement, or which arise from the work performed relative to this Agreement.

b. For any claim, expense, cost, damage or liability imposed for injury (as defined by Government Code Section 810.8) occurring by reason of the negligent acts or omissions of the Coordinating Assessor, the parties agree that all losses and liabilities for such claim, expense, or damage shall be shared by the Participating Parties in the same proportion to each party's cost contribution as set forth in Section 4 of this Agreement.

c. Should the legality of this Agreement be challenged in any way, the parties shall share the costs of defense, litigation and any damages award in the same proportion as the Participating Parties share of the cost contribution as set forth in Section 4 of this Agreement.

9. COOPERATION OF PARTIES. The Participating Parties recognize that it is essential to cooperate fully concerning the handling of data and information contemplated by this Agreement. In connection with this Agreement, the parties

agree to provide any data, information, and documentation reasonably necessary to the performance of this Agreement.

10. MODIFICATION. No alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed by the parties; no oral understanding or agreement not incorporated herein shall be binding on any of the parties; and no exceptions, alternatives, substitutes or revisions are valid or binding unless authorized by the parties in writing.
11. SUCCESSORS AND ASSIGNS. The terms, covenants, and conditions contained herein shall apply to and bind the heirs, successors, executors, administrators and assigns of the parties.

No waiver of the breach of any of the covenants, agreements, restrictions, or conditions of this Agreement by any party shall be construed to be a waiver of any succeeding breach of the same or other covenants, agreements, restrictions, or conditions of this Agreement. No delay or omission of any party in exercising any right, power or remedy herein provided in the event of default shall be construed as a waiver thereof, or acquiescence therein, or be construed as a waiver of a variation of any of the terms of this Agreement.
14. SEVERABILITY PROVISION. If any term or portion of this Agreement is held to be invalid, illegal, void or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.
15. SIGNATURE IN COUNTERPARTS. This Agreement may be executed in counterparts by all parties. The Agreement is effective as to any signatory party on execution and, for purposes of enforcement, true copies of signatures shall be deemed to be original signatures.

IN WITNESS WHEREOF, the parties execute this Agreement as of the date first written above.
