BACKGROUND:

Despite an ongoing psychiatrist recruitment program and consistent utilization of advanced step placements for qualified new hires, Riverside University Health System Behavioral Health (RUHS-BH) continues to experience serious difficulty in recruiting psychiatrists to fill permanent vacant positions. The current vacancy rate is approximately 37%. Locum Tenens providers offer a pool of qualified independent contractors to provide RUHS-BH with temporary psychiatrists at clinic sites to meet emergent or unanticipated needs when there are serious gaps in psychiatric services due to work force shortages. Locum Tenens psychiatrists provide services at RUHS-BH outpatient clinics, Inpatient Treatment Facility and Emergency Treatment Services and Detention on a temporary or intermittent basis to perform evaluations, medication support and other psychiatric treatment services to seriously mentally ill adults, seriously emotionally disturbed children, adolescents and their families.

Impact on Citizens and Businesses

Locum Tenens providers enable RUHS-BH to handle critical workforce shortages, meet emergent or unanticipated treatment needs and continually provide access to high quality mental health care.

Additional Fiscal Information

The aggregate is comprised of salary savings from the vacant Psychiatrist positions and there are sufficient appropriations in the FY18/19 budget. No additional County funds are required

Contract History and Price Reasonableness

On July 26, 2016 (#3-43), the Board approved the Locum Tenens Contract Aggregate amount of \$7,350,000 annually through June 30, 2018. On June 12, 2018 (#3.26), the Board approved the Locum Tenens Contract Aggregate amount of \$3,675,000 through December 31, 2018 in order to continue continuity of care while the competitive bid process was completed.

On April 11, 2018, Riverside County Purchasing on behalf of RUHS-BH released the Request for Proposal (RFP) #MHARC-226 – Locum Tenens Psychiatry Services via the Public Purchase website. Notifications were sent to 111 organizations and 16 individuals. Responses were received from 9 bidders. The Evaluation Committee comprised of RUHS-BH staff determined the providers listed in Attachment B as the lowest responsive/responsible bidders. Jackson & Coker and Vista Staffing are incumbent providers. Their contract maximums are based on their current placements.

LocumTenens.com is an incumbent provider who was not awarded under this RFP. RUHS-BH is requesting approval to amend their existing agreement from \$700,000 to \$1,000,000 through June 30, 2019 to ensure continuity of care during the transition to new Locum Tenens providers. Additionally, the RUHS-BH is requesting to amend the existing agreements with Jackson & Coker and Vista Staffing as identified in Attachment A in order to pay the invoices for services provided through December 31, 2018. These amendments require an increase to current contract aggregate from \$3,675,000 to \$4,600,000.

Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

Either party, upon written notice to the other party describing the breach, may take any of the following actions:
- 1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.

 - 3) If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.
- B. **Effect of Termination.**
- 1) Upon termination of this Addendum, for any reason, Contractor shall return or, if agreed to in writing by County, destroy all PHI and/or ePHI received from County, or created or received by the Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
 - 2) In the event that Contractor determines that returning or destroying the PHI and/or ePHI is not feasible, Contractor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Contractor that return or destruction of PHI and/or ePHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.
12. **General Provisions.**

- E. **Conflicts.** The provisions of this Addendum shall prevail over any provisions in the Underlying Agreement that conflict or appear inconsistent with any provision in this Addendum.
- F. **Interpretation of Addendum.**

- E. **Payment of costs.** With respect to any breach of unsecured PHI caused solely by the Contractor's failure to comply with one or more of its obligations under this Addendum and/or the provisions of HITECH, HIPAA, the Privacy Rule or the Security Rule, Contractor agrees to pay any and all costs associated with providing all legally required notifications to individuals, media outlets, and the Secretary. This provision shall not be

Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.

D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.
