BACKGROUND:

Summary

As per Board Policy A-27, the purpose of Riverside County's Legislative Program is to secure legislation that benefits the county and its residents, and to oppose/amend legislation that might adversely affect the County. Recognizing the need for consistency in conveying official positions on legislative matters, the county has instituted a coordinated process involving interaction between the Board of Supervisors, the County Executive Office, County agencies/departments, and the County's legislative advocates in Sacramento and Washington, D.C.

The following issues were not covered in the County's 2019 Legislative Platform, and require the Board of Supervisors to take a formal position before sending any letters of support or opposition.

RECOMMENDED BILLS:

Bill: AB 1095 Desert Healthcare District

Position: SUPPORT

Background: The expansion of the Desert Healthcare District, requires the board of directors of the district, following expansion, to adopt a resolution to increase the number of members of the district's board of directors from 5 to 7, and to appoint 2 members who are residents of the territory annexed by the district to fill the vacant positions.

This bill would instead require the board to designate 1 appointee to have an initial term of office for 2 years and the other appointee to have an initial term of office for 4 years.
