BACKGROUND:

Summary

The City of Coachella desires to amend the agreement for Fire Protection, Fire Prevention, Fire Marshal, Rescue and Medical Emergency Services with the Riverside County Fire Department. The First Amendment is to add the Fire Engine Use Agreement to the Cooperative Agreement between the City of Coachella and the County of Riverside. There are no changes in the level of staffing since the signed Agreement. The term of this agreement is July 1, 2018 through June 30, 2021 and was approved by the Board of Supervisors on May 22, 2018, Item 3.18.

The Fire Engine Use Agreement ensures a working fire engine is available for the city at all times under this agreement. When the Fire Department Fleet personnel determine the fire engine is due for replacement, the Department will purchase a new fire engine; and, the old fire engine may be surveyed or reallocated as a second roll response fire engine.

The First Amendment has been reviewed and approved as to form by County Counsel.

Impact on Residents and Businesses

There are no changes to the staffing level in the First Agreement; therefore, there will be no impact on businesses or citizens of the City of Coachella due to the approval of the First Amendment to the Cooperative Agreement.

SUPPLEMENTAL:

Additional Fiscal Information

Fire estimates receiving revenue of \$25,800 in FY 19/20 and \$25,800 in FY 20/21 with the addition of the Fire Engine Use Agreement to the Cooperative Agreement.
