

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

ITEM
12.1
(ID # 9644)

MEETING DATE:
Tuesday, April 30, 2019

FROM : DEPARTMENT OF WASTE RESOURCES:

SUBJECT: DEPARTMENT OF WASTE RESOURCES: Introduction of Riverside County Ordinance No. 779.20 amending Ordinance No. 779 Relating to County Solid Waste Facilities and Establishing Fees; All Districts. [\$0] (Clerk to Advertise - Set Public Hearing for 5/21/19)

RECOMMENDED MOTION: That the Board of Supervisors:

1. Introduce, read title and waive further reading of proposed Ordinance No. 779.20, an ordinance amending Ordinance No. 779, relating to County Solid Waste Facilities and Establishing Fees; and
2. Direct the Clerk of the Board to set the public hearing on May 21, 2019 for the proposed ordinance amendment changes to be heard and to publish a notice of public hearing date of May 21, 2019, and the Department of Waste Resources (Department) fees pursuant to Government Code Section 6066.

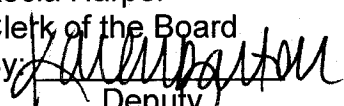

ACTION: Policy, Clerk to Advertise, Set for Hearing

Hans Kemkamp, General Manager - Chief Engineer 4/15/2019

MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Jeffries, seconded by Supervisor Perez and duly carried, IT WAS ORDERED that the above matter is approved as recommended; the above Ordinance is approved as introduced with a waiver of reading; and is set for public hearing on Tuesday, May 21, 2019 at 9:00 a.m. or as soon as possible thereafter.

Ayes: Jeffries, Spiegel, Washington and Perez
Nays: None
Absent: Hewitt
Date: April 30, 2019
xc: Waste, COB

Kecia Harper
Clerk of the Board
By: 
Deputy

C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

In addition to establishing fees and penalties, Ordinance No. 779 includes the basis for operations regulations including waste inspection, salvaging and safety. In order to verify that the current refuse rates are appropriate to offset expenses, the Department prudently reviews its operations annually and forecasts capital improvements, expansion projects, and future expenses and liabilities with a projection of 20 years. Since revenue from in-county tonnage delivered to the landfills represents the majority of the Enterprise Fund's total revenue, it is important to accurately project future tonnage growth or decline. In the last six years, tonnage has increased slightly by an average of 4% annually. Based on tonnage totals through the first six months of FY 18/19, the Department projects that tonnage totals continue to stabilize or slightly decrease due to stricter regulatory compliance requirements and increased fees. The Department is limited to annual Consumer Price Index (CPI) increases for all of its long-term, contracted transfer station hauler and contract franchise area hauler agreements. These contracts represent approximately 90% of the in-county tonnage accepted at the landfills in FY 18/19. The Department proposes to increase landfill disposal fees by the percentage change in CPI for the new Riverside-San Bernardino-Ontario index for the 12 month period ending January 2019, which is calculated to be 3.05%. Minimum load fees will remain at current year levels and are not recommended for an increase in FY 19/20.

The Department also intends to apply the same rates paid to the approved Household Hazardous Waste Contractor which includes a CPI rate increase effective February 26, 2020. The Department will continue to include a Departmental Overhead Rate of 49% to Basic Hourly Rates for Hazardous Waste Inspection staff involved in managing this waste stream as referenced in Appendix D.

The Department will continue to subsidize tire disposal costs for residential customers at the current rate of \$2.00 per tire. Due to permit restrictions that limit the number of tires that may be stored on site, combined with an effort to promote tire recycling versus disposal, the Department proposes to eliminate the per ton rate for tires. In addition, the Department proposes to reduce the allowable per tire limit from 9 tires per day per customer to 5 tires per day per customer and no will longer accept any oversized/commercial vehicle tires (weight greater than 200 pounds, or over 4 feet in diameter). The Department will continue to provide other outlets for tire

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

disposal including tire amnesty and community clean-up events. Additionally, the Department proposes to fully absorb tire disposal costs for other County agencies (Code Enforcement, Regional Park and Open-Space District, Flood Control District, etc.) involved in the collection of illegally dumped tires.

The Department continues to pilot the operation of a Materials Reuse Store at the Lamb Canyon Landfill. The program will divert recyclable waste streams for reuse. Until full program costs are defined, the Department proposes to charge fees consistent with the value of these commodities. Proposed rates are based on commodity pricing received by the Department in CY 2018, plus a \$6.20 per item surcharge for staff time involved in sorting, inspecting and storing material for sale. The Department will continue to pilot the operation of a Materials Reuse program to identify additional program costs.

In FY 17/18, the Department began to gradually increase the rate for processed green waste used as Alternative Daily Cover (ADC) to equal the disposal rate between now and FY 20/21. In the 1990's after passage of AB 939, the Department began using processed green waste as ADC which allowed for jurisdictions to report this tonnage as diverted waste. This practice also helped to extend the life of landfills because the landfill space that would have otherwise been consumed by clean fill dirt was now occupied by the processed green waste that was previously part of the landfilled waste stream. The Department offered discounted fees to create incentives for landfill users to deliver processed green waste that could be used as ADC. At that time, the Department accepted processed green waste for the purpose of ADC at no charge. In 2009, at the urging of private composting operators, the Department began charging \$10.00/ton for this material in an effort to direct this material to private composting facilities. To reduce the amount of organics being landfilled, the State recently passed into law AB 1826, requiring businesses to begin diverting organics. The State also passed into law AB 1594, which will preclude jurisdictions from counting green waste used as ADC as diverted tonnage when calculating their AB 939 per capita diversion amount. Assembly Bill 1594 will eliminate the diversion benefit that currently exists by 2020 and ADC placed in the landfill will be constituted as disposal. Currently the Department accepts processed green waste for beneficial reuse (erosion control) or ADC at below market rate for a tip fee of \$24.00/ton. This rate is significantly below fees charged by composting facilities in Riverside County as shown:

Description	Riverside County	Coachella Valley Composting	Edom Hill Transfer Station	Robert A. Nelson Transfer Station
Green Waste				
Processed	\$24.00	\$38.00	\$40.00	\$49.50
Unprocessed	\$49.31	\$38.00	\$40.00	\$49.50

The Department is proposing to increase the rate for processed green waste, used as ADC, from \$24/ton to \$32/ton, in a continuing effort to gradually align the rate with the disposal rate.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

While the use of ADC in the landfill system has been significantly reduced over the last several years due to the increased use of tarps to cover waste (only 10,722 tons in 2018), any additional revenue generated by the proposed increase will be allocated to the Department's ongoing advancement of organics processing within Riverside County. Processed green waste used as erosion control at the landfills will continue to be charged at the \$10.00 per ton rate for the foreseeable future, as it provides a beneficial use to the landfill system.

Appendix A – Waste Disposal Fees proposed rates changes are as follows:

Proposed Fee/Rate	Current Fee/ Rate	Amount of Change	% Change
1. Routine Refuse (Transfer Station/Contracted In County Waste) \$31.05/ton	\$30.13	\$0.92	3.05%
Area 8 Transfer Truck \$31.75/ton	\$30.81	\$0.94	3.05%
2. Routine Refuse (direct haul/non- contract vehicles) a.) Loads carrying more than .5 tons net weight \$40.51/ton	\$39.31	\$1.20	3.05%

STATE OF CALIFORNIA**

Replacement Fee \$64.95/each	\$59.00	\$5.95	10%
--	---------	--------	-----

Impact on Residents and Businesses

Waste Disposal Fees are reviewed annually, and are subject to CPI adjustment which for this period is 3.05%. Modest fee increases are needed in order to offset impacts due to inflationary factors while meeting the need for capital improvements, and expansion projects, which allow for the continued protection of the general public health and welfare by efficient management of Riverside County's solid waste system. The proposed Waste Disposal Fees charged under Ordinance No. 779.20 are the lowest in the southern California region, and the Department does not anticipate an increase in illegal dumping, nor impacts to residents or businesses.

ATTACHMENT A. Ordinance No. 779.20, Inclusive of Appendices A-D and Exhibit 1

Gregory J. Priapos, Director County Counsel 4/19/2019

1 discretion to accept incidental amounts of refuse from outside of Riverside County and near County
2 borders for disposal at County landfills when payment is made according to Appendix A for such
3 incidental refuse.

4 Section 4. REGULATIONS. All County owned leased, or contracted transfer stations and
5 disposal sites in the County should be under the supervision of the General Manager-Chief Engineer of the
6 Department of Waste Resources who shall have the power and the duty to prescribe reasonable
7 regulations regulating the use by the public and the operation of such sites. Such rules shall include, but
8 need not be limited to, the following subjects:

- 9 a. Days and hours of use.
- 10 b. Charges for use of sites at times other than regular hours, which shall be sufficient to
11 reimburse the County for equipment, personnel and overhead costs.
- 12 c. Maximum size of articles and objects dumped.
- 13 d. Allocation of various types of waste to specific sites and the placement of waste
14 within any site.
- 15 e. Prohibition or conditional acceptance of harmful, dangerous or difficult to
16 handle materials, if allowed under the state operating permit, including a reasonable
17 charge for their acceptance, unique handling requirements or assured destruction.
- 18 f. Prohibition of persons from entering the site for reasons including, but not limited
19 to: unauthorized salvaging of waste and recyclables, attempting to dispose of
20 hazardous waste, loitering, intoxication and other forms of conduct that reduce
21 operational efficiencies and/or increase risk of injury to Department employees
22 and the public.

23 Except for short-term emergencies, any regulation fixing days or hours of operation shall
24 be submitted to the Board of Supervisors for approval before taking effect. All regulations prescribed
25 by the General Manager-Chief Engineer of the Department of Waste Resources shall be filed in his or her
26 office and shall be available for public inspection.

27 Section 5. HAZARDOUS WASTE LOAD CHECKING PROGRAM. All landfills and
28 transfer stations in the County shall implement and maintain a hazardous waste load checking program at

1 each of their solid waste facilities as required by California law (pursuant to Titles 14 and 27, California
2 Code of Regulations); and which program shall also meet the minimum requirements outlined in this
3 ordinance.

- 4 a. Each solid waste facility operator shall perform random load checks across all
5 load types including self-haul residential, business and industrial waste loads,
6 franchise hauler waste loads (including residential, commercial and industrial) to
7 detect hazardous waste before such incoming waste is transferred to, and/or
8 disposed at, the landfill. Such program shall have the objectives of: 1)
9 preventing hazardous waste from being placed in a landfill not permitted to
10 receive such waste and 2) educating and discouraging both facility self-haul
11 customers and franchise waste hauler customers from bringing or sending in
12 such material. The minimum number of load checks performed at each solid
13 waste facility shall comply with the following schedule:

14 Landfill/Transfer Station Random Load Check Schedule

Average Daily Tonnage	Random Samples per Day
0 to 100 tons/day	**
101 to 600 tons/day	6*
601 to 1,000+ tons/day	10*

19 * The initial schedule is for a minimum number of "Random Samples per
20 Day" for a minimum of three rotating days per week so arriving customers will not
21 know when there will be an inspection.. If a problem persists with large
22 quantities of hazardous waste being found at the landfill or transfer station, the
23 Enforcement Agency or the General Manager-Chief Engineer of the Department
24 of Waste Resources may require the number of "Random Samples per Day" to
25 be applied every day the solid waste facility is open until the problem is deemed
26 corrected.

27 **Minimum of 6 samples per week – may all be performed on the
28 same day

- 1 b. An inspection form (which shall be certified for completeness and accuracy by the
2 load check inspector on duty) shall be filled out in its entirety at the time of each
3 load check performed at the solid waste facility. The inspection form shall
4 include the following information, to be filled out at the time of inspection:
- 5 1) Date and time of inspection
 - 6 2) Load check inspector name, (certification)
 - 7 3) Load type (residential, commercial, industrial)
 - 8 4) Hauler/company name/customer name
 - 9 5) Driver name
 - 10 6) Vehicle type (e.g. Hand Unload, Dump Truck, Side Loader, Front End
11 Loader, or Roll Off)
 - 12 7) License plate number
 - 13 8) Whether or not the load contained prohibited waste
- 14 c. When prohibited waste is found, forms shall include the following:
- 15 1) Load origin (jurisdiction or route number for side loaders and front end
16 loader vehicles, customer/store name and address where picked up for
17 all other vehicle types)
 - 18 2) Hazardous waste found (type/name, class, container size/quantity,
19 volume/weight, unit of gallons or pounds)
 - 20 3) Disposition of material (e.g. picked up by responsible party, returned
21 with customer at time of inspection, solid waste facility assumed
22 responsibility of the material, etc.)
- 23 d. Management shall review completed forms at a frequency sufficient to ensure
24 forms are filled out completely and correctly.
- 25 e. The General Manager-Chief Engineer of the Department of Waste Resources or
26 his designated representative and/or a representative of the Enforcement
27 Agency shall have the right to enter the solid waste facilities at any time to
28 audit their load check program's compliance with these standards. These

1 audits shall be limited to four times in any 12 month period and may include
2 three days in which Department of Waste Resources personnel perform load
3 checks at the facility and one day in which Department of Waste Resources
4 staff review the facility's written load check program, hazardous waste and
5 universal waste shipping records, facility personnel training records, hazardous
6 waste storage areas, and load checking procedures in order to audit the solid
7 waste facility load checking program and/or assist the operator in making its load
8 checking program successful.

9 Section 6. SALVAGE OPERATIONS. Subject to the approval of the Board of
10 Supervisors, salvage operations of reusable waste materials at all County owned, leased, or
11 contracted transfer stations and disposal sites in the County may be conducted only by such persons as
12 are authorized to do so and upon such terms and conditions as are imposed by the General Manager-Chief
13 Engineer of the Department of Waste Resources.

14 Section 7. FEES.

- 15 a. Tipping Fees at Scaled Urban Sites: Pursuant to the authority of Government
16 Code Section 25823, fees for the disposal of solid waste and disposal of liquid
17 waste at enumerated landfills shall be as established by the Board of
18 Supervisors following a duly noticed public hearing. The fees so established shall
19 be in an amount sufficient to cover all costs including but not limited to the
20 following: closure/postclosure (including past unfunded costs), remediation,
21 environmental mitigation, state mandated and other pass-through fees, and general
22 operations. Such fees and the landfills to which they shall apply appear as
23 Appendix A to this Ordinance. The Board of Supervisors may establish
24 different rates through contractual agreements when the terms of said agreements
25 help stabilize revenues and system rates over a long-term period.
- 26 b. Fees for Disposal at Rural Sites: Pursuant to the authority of Government Code
27 Section 25823, fees for the disposal of solid waste at landfills and transfer stations,
28 formerly in a land use assessment area, shall be as established by the Board of

1 Supervisors following a duly noticed public hearing. The fees so established shall
2 be calculated to recover a fair share of the estimated costs for these facilities.
3 Cards permitting entrance into these landfills and transfer stations shall be offered
4 for sale to residents and businesses (only in the local areas surrounding these sites
5 as shown on maps in Exhibit 1) at rates set by the Board of Supervisors. No
6 access to these facilities will be allowed without a card, except in cases where
7 permitted waste haulers or other large commercial users have negotiated separate
8 contracts with the County. Waste from outside these areas shall not be accepted at the
9 rural sites providing, however, waste from unincorporated areas outside of, but near
10 the borders of these service areas may be accepted under the same terms and
11 conditions herein set forth, if it is determined by the General Manager-Chief
12 Engineer of the Department of Waste Resources that this is the most practical
13 way to provide disposal service to these customers. Such rates and the landfills
14 and transfer stations to which they apply shall appear in Appendices B and C to
15 this Ordinance.

16 c. Miscellaneous Fees. A schedule of miscellaneous fees is attached as Appendix D.

17 Section 8. PROHIBITIONS. No person shall violate any regulation prescribed by the
18 General Manager-Chief Engineer of the Department of Waste Resources regulating the use of a County
19 disposal site or transfer station, or fail to obey any sign giving notice of any regulation, maintained at any
20 such site or facility by the General Manager-Chief Engineer of the Department of Waste Resources.
21 Violation of any such regulation shall be a violation of this Ordinance.

22 Section 9. VIOLATIONS AND PENALTIES. The General Manager-Chief Engineer of
23 the Department of Waste Resources reserves the right to deny entrance to an individual for an appropriate
24 time span when said individual is deemed to pose a safety risk and/or is disruptive to the normal
25 workflow of the landfill or transfer station operations. A letter of notification specifying the dates and
26 location(s) of restriction will be mailed to the individual and be on hand at the gate fee booth(s).

27 It shall be unlawful for any person to violate any provision of this Ordinance. Any person violating
28 any provision of this Ordinance may be deemed guilty of an infraction or misdemeanor as

1 hereinafter specified. Such persons shall be deemed guilty of a separate offense for each day, or
2 portion thereof, during which any violation of any of the provisions of this Ordinance is committed or
3 continued. Any person so convicted shall be: (1) guilty of an infraction offense and punished by a fine not
4 exceeding One Hundred dollars (\$100.00) for a first violation; (2) guilty of an infraction offense and
5 punished by a fine not exceeding Two Hundred dollars (\$200.00) for a second violation. The third and any
6 additional violations shall constitute a misdemeanor offense and shall be punishable by a fine not
7 exceeding Five Hundred dollars (\$500.00). Notwithstanding the above, a first offense may be
8 charged and prosecuted as a misdemeanor. Payment of any penalty herein shall not relieve a person from
9 the responsibility for correcting the violation.

10 Section 10. SEVERABILITY. If any provision, clause, sentence or paragraph of this
11 Ordinance (including its appendices) or the application thereof to any person or circumstances shall be held
12 invalid, such invalidity shall not affect the other provisions or applications of the provisions of this
13 Ordinance (and its appendices) which can be given effect without the invalid provision or application, and
14 to this end, the provisions of this Ordinance (and its appendices) are hereby declared to be severable.

15 Section 11. ATTACHMENTS. The following attachments as referenced above in this
16 Ordinance are attached hereto and by this reference incorporated herein:

17 **APPENDIX A - Schedule of Waste Disposal Fees**

18 **APPENDIX B - Residential Self-Haul Cards**

19 **APPENDIX C - Rural Site Access – Commercial Cards**

20 **APPENDIX D - Schedule of Miscellaneous Fees**

21 **EXHIBIT 1 - Rural Site Service Area #1 and #2**

22 Section 12. EFFECTIVE DATE. This ordinance shall take effect thirty (30) days after its
23 adoption.”

**APPENDIX A TO RIVERSIDE COUNTY ORDINANCE NO. 779.20
SCHEDULE OF WASTE DISPOSAL FEES
FOR
RIVERSIDE COUNTY DEPARTMENT OF WASTE RESOURCES
Effective July 1, 2019**

The following gate fees will be applicable at El Sobrante, Badlands, Lamb Canyon, and Blythe Landfills	
WASTE GROUP DESCRIPTIONS	RATE
1. Contracted Rate for Routine Refuse: Transfer Trucks/Commercial Waste Hauler Vehicles	See Note #1
2. Direct Haul/Non-Contracted Rate for Routine Refuse: Cars/SUV Van, Pick-up Trucks, Pick-up Trucks w/ Trailer Non-Commercial Waste Hauler Vehicles	\$ 40.51 /ton*
3. Hard to Handle Rate: (a) Applied to All End Dump Vehicles	\$ 54.03 /ton*
(b) Applied to Any Load Requiring Immediate Burial or Special Handling	\$ 54.03 /ton*
4. Minimum Load Fees: (a) Routine Refuse (net disposal load weight of 0.5 tons or less)	\$ 10.00 /load*
(b) Loads Consisting Of 50% Or More Green Waste (net disposal load weight of 0.5 tons or less)	\$ 14.00 /load*
(c) Hard to Handle Loads (net disposal load weight of 0.5 tons or less)	\$ 14.00 /load*
5. Surcharges (added to the charges listed herein): (a) Passenger/Light Duty Tires From Residential Customers Only. Limited to 5 Tires Per Residential Customer Per Day. Tires May Not Exceed 4' In Diameter Or Weigh More Than 200 Pounds.	\$ 2.00 /tire
(b) Per Uncovered Load of Refuse Which Has Exposed Material Which in the Opinion of the General Manager-Chief Engineer or His/Her Designee May Litter Access Routes to the Landfill.	\$ 10.00 /load
(c) Per Ton For Loads Which Are Judged by Department To Be 50% Or More Wood Waste/Yard Waste By Volume.	\$ 10.00 /ton*
(d) Incidental Out of County Refuse	\$ 5.00 /ton**
6. No Charge Loads: (a) Any Vehicle Hauling 2 Or Less Large Trash Bags, or (b) Up To 2 Cathode Ray Tube (CRT) Devices (e.g. TVs or computer monitors) Per Visitor Per Day, or (c) Up To 3 Holiday Trees For Recycling Per Residential Customer Through The Second Weekend Following The Christmas Holiday, or (d) Material Pre-Approved By The General Manager-Chief Engineer Or Designee As Needed For Beneficial Re-Use (food waste for pilot compost program, concrete/asphalt for wet weather, etc). (e) Up to 2 Mattresses Per Residential Customer Per Day (may include box springs)	No Charge
7. All vehicles not described in any other provision of this fee schedule	\$ 40.51 /ton*
8. Emergency Towing Services: (a) 10 Minutes or Less	\$ 20.00
(b) Over 10 Minutes	\$ 35.00
9. Late Staying Customer Fees (a) 16 to 30 Minutes Past Closing	\$ 60.00
(b) 31 Minutes Or More Past Closing	\$ 120.00
10. Greenwaste for Use as Alternative Daily Cover (ADC): Any Vehicle Hauling Processed Green Waste Approved By The General Manager-Chief Engineer Or Designee As Needed For Use As Alternative Daily Cover (ADC) And Spread By County.	\$ 32.00 /ton*
11. Erosion Control Material: Any vehicle hauling processed green waste approved by the General Manager-Chief Engineer or designee as needed for beneficial re-use (Erosion Control) and spread by County.	\$ 10.00 /ton*
12. Conditionally Exempt Small Quantity Generator Waste - Pass Through Gf Contracted Household Hazardous Waste Disposal Fee Added To 1.49% Of Hourly Rate Of Staff Involved In Waste Disposal	varies*
13. Recycled Materials Fees (sale of items): (a) Mixed Metal Items	\$ 0.07 /pound*
(b) Flat Screen Television with serial no.	\$ 0.19 /pound*
(c) Flat Screen Television without serial no.	\$ 0.30 /pound*
(d) Projection Television	\$ 0.18 /pound*
(e) Cathode Ray Tube (CRT) Television	\$ 0.20 /pound*
(f) Recycled Material Handling Surcharge Fee Per Item	\$ 6.20 /item
Notes:	
1) Rate for Transfer Trucks to be determined by individual contracts.	
2) Loads of dead sheep or small calves from the Blythe service area separated from other waste will be received at no charge at the Blythe Landfill (daily from 8am to 9am) due to health and safety risk in the vast open canal system in the area.	
3) Certified loads of illegally dumped nonhazardous municipal solid waste retrieved along open flowing irrigation canals, which are delivered by the agency responsible for maintaining the canals shall be received at no charge at the Blythe Landfill.	
4) The General Manager-Chief Engineer is authorized to recoup costs associated with the segregation of unauthorized waste commingled with routine refuse.	
* Cash customers prorated to the nearest \$0.25	
** Exception - El Sobrante Landfill. Incidental Out of County (OOC) rate established by WM Inc.	

**APPENDIX B TO ORDINANCE NO. 779.20
RESIDENTIAL SELF-HAUL CARDS
FOR
RIVERSIDE COUNTY DEPARTMENT OF WASTE RESOURCES
Effective July 1, 2019**

The Residential Self-Haul Card shall be necessary for admittance to the Mecca II and Oasis Landfills for all residential haulers.

RESIDENTIAL CARD REGULATIONS:

Authority: Riverside County Ordinance No. 657 requires that, "Every tenant, occupier, operator, or owner of a residence...shall not less than once a week, cause to be removed all solid waste created, produced or brought upon the property to an approved disposal facility."

1. **Number of Uses** - The Residential Self-Haul Card allows up to 52-400 lb. standard load uses per year (approximately 4 uses per month).
2. **Expiration Date** - The expiration date for all cards is the last day of the fiscal year, June 30th. In addition, any unused punches for each month will expire on the last day of that month.
3. **No Refunds** - There will be no refunds on partially used cards.
4. **Standard Load** - The maximum load allowed access to the landfill with one use of the Residential Self-Haul Card will be four hundred (400) pounds, which is equivalent to one punch on the card. If the Gate Services Assistant judges a load to be over this Standard Load limit, two or more punches will be made to the card.
5. **Cost** - The Residential Self-Haul Card discounted rate is fifteen dollars (\$15.46) per month.
6. **Payment Options – Cards may be purchased:**

Period	Cost	Number of Punches One Punch Per 400 lb. Standard Load. Additional Punches Applied in Excess of Standard Load.
Monthly	\$15.46	4
Advance Sale - Annual (purchased on or before June 30th)	\$154.58	52 (400 lb. estimated load per punch)
Multiple Months	\$15.46 x no. of months	4 x no. of months

7. **Lost Cards** - Lost cards are to be reported immediately. The customer will not be responsible for unauthorized use of a card after if it is reported lost to the Waste Resources business office located at 14310 Frederick Street, Moreno Valley, CA 92553, (951) 486-3200.
8. **Maximum Load** – Mecca Landfill will not accept loads greater than 1 ton.
9. **Restrictions on Use of Card** - Household hazardous waste, loads with more than four (4) tires, other hard-to-handle waste, or commercial business waste will not be accepted on this card. Cards may only be used by the resident who paid for the card.
10. **Alternative County Gate Fee Site Usage** – In the event that the rural landfill is unable to accept waste on a normal operating day, customers will be directed to a scaled County landfill and may use their Residential Self Haul Card.

**APPENDIX C TO ORDINANCE NO. 779.20
RURAL SITE ACCESS – COMMERCIAL CARDS
FOR
RIVERSIDE COUNTY DEPARTMENT OF WASTE RESOURCES
Effective July 1, 2019**

The Rural Site Access Commercial Card shall be necessary for admittance to the Mecca II and Oasis Landfills for all non-permitted/contracted entities hauling commercial waste.

COMMERCIAL CARD REGULATIONS:

A Rural Site Access Commercial Card provides for disposal of commercial waste generated within the remote service areas and is required unless a permitted waste hauler or other large commercial users have negotiated a separate contract for disposal access to rural landfills with the County.

1. **Number of Uses** - The Commercial Card will have twenty-four (24) ½ ton available uses.
2. **Expiration Date** - There is no expiration date for the Commercial Card.
3. **No Refunds** - If a commercial operator goes out of business, there shall be no refund for the unused card punches.
4. **Cost** - The Commercial Card will be priced at four hundred eighty six dollars and thirteen cents (\$486.13).
5. **Payment for Card** - The card shall be purchased in advance of usage. Cards may be purchased at any time of the year. Acceptable forms of payment at the fee booth include money order or cashier's check. Cash, personal/business checks, and credit/debit card payments are accepted at the Department's business office or by phone (951-486-3200).
6. **Lost Cards** - Lost cards are to be reported immediately. The customer will not be responsible for unauthorized use of a card after it is reported lost to the Waste Resources business office located at 14310 Frederick St., Moreno Valley, CA. (951) 486-3200.
7. **Maximum Load** - Mecca Landfill will not accept loads greater than 1 ton.
8. **Restrictions on Use of Card** - Hazardous waste, loads with more than 4 tires, or other hard-to-handle waste will not be accepted at these rural sites.
9. **Alternative County Landfill Usage** - In the event that the rural landfill is unable to accept waste on a normal operating day, customers will be directed to a scaled County landfill and may use their Rural Site Commercial Card.

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, May 21, 2019 at 9:00 a.m., or as soon as possible thereafter**, to consider adoption of the following:

ORDINANCE NO. 779.20

SUMMARY OF ORDINANCE NO. 779.20

AN ORDINANCE OF THE COUNTY OF RIVERSIDE AMENDING ORDINANCE NO. 779 RELATING TO COUNTY SOLID WASTE FACILITIES AND ESTABLISHING FEES

This summary is presented pursuant to California Government Code Section 25124(b): a certified copy of the full text of Ordinance No. 779.20 may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside, located at 4080 Lemon Street, 1st Floor, Riverside, California.

Ordinance No. 779.20 amends Ordinance No. 779 in its entirety to conduct the annual update of schedule of fees in the ordinance associated with operations and regulations including waste inspection, salvaging and safety. While the ordinance is amended in its entirety, it only involves amendments to the fee schedules reflected in Appendices A, B, C, D and the map attached as Exhibit 1 to Ordinance No. 779. The regulations and requirements in Ordinance No. 779 continue as they currently exist and no substantive changes to the provisions have been made to Ordinance No. 779. The purpose of the ordinance is to update the fees that have already been established for the waste collection operations pursuant to the laws and regulations governing such operations to ensure proper cost recovery for the provision of programs and services. Waste Disposal Fees are reviewed annually, and are subject to CPI adjustment which for this period is 3.05%. Modest fee increases are needed in order to offset impacts due to inflationary factors while meeting the need for capital improvements, and expansion projects, which allow for the continued protection of the general public health and welfare by efficient management of Riverside County's solid waste system. Ordinance No. 779.20 would take effect 30 days after its adoption.

Any person wishing to testify in support of or in opposition to Ordinance No. 779.19 may do so in writing between the date of this notice and the public hearing; or, may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors, and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on Ordinance No. 779.19.

If you challenge the above ordinance in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Board of Supervisors at, or prior to, the public hearing. Be advised that as a result of public hearing and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the proposed ordinance.

Alternative formats available upon request to individuals with disabilities. If you require reasonable accommodation, please contact Clerk of the Board at (951) 955-1063, 72 hours prior to hearing.

Please send all written correspondence to: Clerk of the Board, 4080 Lemon Street, 1st Floor, Post Office Box 1147, Riverside, CA 92502-1147 or email cob@rivco.org
