BACKGROUND:

Summary

We have completed a follow-up audit of the Riverside County Agricultural Commissioner's Office. Our audit was limited to reviewing actions taken as of January 29, 2019 to correct findings noted in our original audit report 2017-003 dated June 2, 2017. The original audit report contained three recommendations, all of which required implementation to help correct the reported findings.

Based upon the results of our audit, we found that of the three recommendations:

- One of the recommendations was implemented
- One of the recommendations was partially implemented
- One of the recommendations was not implemented

For an in-depth understanding of the original audit, please refer to Internal Audit Report 2017-003 at
