**BACKGROUND:**

**Summary**

The Children's Bureau of the U.S. Department of Health and Human Services developed a comprehensive Community Resource Packet that has guided the efforts of the Child Abuse Prevention Council (HOPE Collaborative) in Riverside County. The HOPE Collaborative focuses on organizational strategies that involve community outreach and media collaborations to optimally reach individual families and prevent child abuse.

Family Service Association (FSA) provides oversight of the HOPE Collaborative. Pursuant to Welfare and Institutions Code (WIC), section 18983.6 and the terms of Agreement #CS-02713 between FSA and the Department of Public Social Services, FSA is required to submit an annual report to the Riverside County Board of Supervisors detailing the operations and accomplishments of the HOPE Collaborative.

The HOPE Collaborative annual report details annual efforts and achievements in the areas of training and education, community outreach, public awareness, fundraising and outcomes. Event highlights and numbers of individuals served are included throughout the report.

**Impact on Residents and Businesses**

HOPE Collaborative programs provide much needed assistance to individuals and families considered at-risk and in need of child abuse prevention and intervention services in Riverside County.
